Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

Awards of Bids for Ash Tree Removals in Various Parks

As Emerald Ash Borer continues to get closer to Marshall and it's potentially devasting change to the landscape of Marshall, the city needs to be prepared for the potential costs associated with removing Ash Trees as well as continue to plant new trees to allow them time to grow before EAB get to Marshall, helping us diversify our trees species and populations.

This fall a grant was received thru the MN DNR to provide \$93,390 in funding to be used for removing Ash trees in our parks and replacing each Ash tree with 2 new trees. The first step of this grant is to mark ash trees and bid for removal within the parks of Independence, Legion Field, Victory, Freedom and Channel Parkway Softball Complex.

On January 20, 2022, quotes were received for this work – 5 contractors submitted proposals for the work at each park. Staff is recommending the approval to the respective low bidder for each park.

This grant requires a 25% match via cash match (\$15,090) and/or in-kind match (\$8,960) bringing the total project to \$117,440.00 and the City's contribution to \$24,050. The project deadline for completion is June 30, 2023.

All expenses for the project will need to be paid by the city and then reimbursed by the MN DNR. Total costs for removals if awarded to each respective bidder is \$55,226.00 with a deadline of April 1, 2023, to complete the removals. \$72,000 was budgeted in the grant for tree removals. Parks Superintendent, Preston Stensrud, would like to utilize the remaining funds for additional removals not to exceed the \$72,000 total as budgeted per that grant agreement to capitalize on the full amount of grant funding.

\$55,226.00 is current total cost with project total for removals not to exceed \$72,000 per the Grant agreement. This will be paid out of Parks Department Budget 101- 45200-53425 and the city being reimbursed by MN DNR in the amount of \$61,500 after the removals are complete for a net cost to the City of Marshall of \$10,500.

Motion made by Councilmember DeCramer, Seconded by Councilmember Labat Award bids for Ash Tree Removals for Independence Park to Brian's Tree Service, Legion Field to Scott's Tree Service, Victory Park to Action Company LLC, Channel Parkway Softball Complex to TSL Tree Service, and Freedom Park to Herigon's Tree Service. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

Consider approval of the Consent Agenda.

Councilmember Labat requested that item number 8, Consider Engagement Letter for Audit Services for 2021 Financial Statements, be removed for further discussion.

Motion made by Councilmember Schafer, Seconded by Councilmember Meister to approve the consent agenda. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

Appoint E.J. Moberg as Director of Administrative Services

On Friday January 21, 2022, Personnel Committee Members John DeCramer, and Craig Schafer along with HR Director and Administrator interviewed three candidates to fill the position of Director of Administrative Services Director. It is a unanimous recommendation to the Council to appoint E.J. Moberg as the Director of Administrative Services.

Motion made by Councilmember Schafer, Seconded by Councilmember DeCramer to approve the employment contract and appoint E.J. Moberg as Director of Administrative Services, contingent on successful completion of background check. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

Request for Conditional Use Permit / Apartment in B-2 Central Business District at 103 W Lyon Street.

This is a request by the City of Marshall for a Conditional Use Permit to allow construction of a 39-unit apartment in B-2 Central Business District and within the limits of the Downtown District at 103 West Lyon Street. Apartment buildings are a Conditional Use in a Central Business District.

The lot is currently vacant, and the City is promoting the development of apartments within, and in close proximity to, the downtown business area. However, parking in downtown has always been a concern. Based on the types of apartments proposed in the building, 45 parking spaces would be needed for this development outside of the Downtown district, based on the City parking regulations outside of downtown. However, all uses within the Downtown District are exempt from off-street parking requirements.

Central Business District regulations are located in Section 86-103. The conditional use permit regulations are found in Section 86-46

At the Planning Commission meeting on January 12, 2022, a motion was made by Schroeder, seconded by Muchlinski, to recommend approval as recommended by city staff to City Council. ALL VOTED IN FAVOR.

Motion made by Councilmember Edblom, Seconded by Councilmember Meister that the Council approve a Conditional Use Permit for apartment in B-2 Central Business District and within the limits of the Downtown District with the following conditions:

- 1. That the regulations, standards, and requirements as set forth in the City Code and as pertains to the class of district in which such premises are located shall be conformed with.
- That the City reserves the right to revoke the Conditional Use Permit in the event that any person has breached the conditions contained in this permit provided that the City serve the person with written notice specifying items of any default and allow the applicant a reasonable time in which to repair such default.
- 3. That the property is maintained to conform to the Zoning Code and not cause or create negative impacts to adjacent existing or future properties.
- 4. That there are no more than 40 apartments.
- 5. That at least one off-street parking space per apartment is provided.

Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

ST-006: RRFB School Pedestrian Crossing Improvements Project – Establish School Speed Limits.

This project is included in the 2022 capital improvement plan (CIP). The City was awarded a Transportation Alternatives Grant (TA Grant) in the amount of \$339,840 for this project. The project would improve school pedestrian crossings adjacent to the Marshall Middle School, Southview Elementary School, Park Side Elementary School, and True Light Christian School. The required 20% local match is split 50-50 between participating schools and the City of Marshall.

In addition to the Rectangular Rapid Flashing Beacon (RRFB) sign assemblies and pedestrian refuge islands, the project would install two School Speed Limit (when flashing) sign assemblies including dynamic speed feedback signs. During school arrival and dismissal periods, the sign would report driver speed as their vehicle passes the sign and flash their speed when the speed exceeds the posted school zone speed limit.

To establish school zone speed limits in Marshall, staff performed an evaluation of the existing areas to determine an appropriate school zone speed limit. This evaluation is required by State Statute. City staff is recommending establishment of a 20 MPH school zone speed limit in the vicinity of the schools previously referenced. There was compliance with this speed limit in prior years at the now-closed Westside Elementary School on S. 4th Street and TH 19. The MnDOT District 8 Traffic Engineer, Cody Brand, has reviewed the recommendation for the True Light Christian School on TH 19 (E. College Drive) and is acceptable to the recommendation of 20 MPH.

Motion made by Councilmember Labat, Seconded by Councilmember Meister that the Council adopt RESOLUTION NUMBER 22-021 which establishes the 20 MPH school zone speed limit in the vicinity of the Marshall Middle School, Southview Elementary School, Park Side Elementary School, and True Light Christian School.

Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

<u>Resolution to supporting the extension of the authority to impose a local sales tax to fund specific capital improvements providing regional benefit, to establish the duration of the tax and the revenue to be raised by the tax, and to authorize the city to issue bonds supported by the sales tax revenue.</u>

The City Council held a work session on January 11, 2022 regarding the proposed aquatic center and results from the 2021 Community survey results. The survey results indicated great than 50% support for consideration of the sales tax for funding park and recreation projects. The Council expressed support to pursue the sales tax extension for funding of the aquatic center and an indoor recreation center.

The request for sales tax extension is as follows: To impose a general local sales tax under Minnesota Statutes, section 297A.99, a city must take the following steps:

- 1. Adopt a resolution. The city council must first adopt a resolution proposing the tax. The resolution must include the proposed tax rate, documentation of the "regional significance" of each project to be funded, the amount to be raised with the tax, and the estimated length of time the tax will be needed.
- 2. Submit resolution and supporting materials to state tax committees. The city is required to submit the adopted resolution, details on the projects, and documentation on regional significance to the chairs and ranking minority members of the House and Senate Taxes committees by Jan. 31 of the year that it is seeking the special law.
- 3. **Get legislative authorization.** The city must secure the passage of a special law authorizing the enactment of the local sales tax. The city would typically work with its local legislators to introduce special legislation.
- 4. **Adopt a resolution.** After approval, the city must adopt a resolution accepting the new law. The city must also file the resolution and a local approval certificate with the Office of the Secretary of State before the next legislative biennium begins.
- 5. **Hold a referendum.** The city must conduct a referendum during a general election within two years of receiving legislative authority for the local sales tax. The referendum must include separate questions for each project, and only the ballot questions approved by voters may be funded by the sales tax.
- 6. **Pass an ordinance.** The city council must pass an ordinance imposing the tax. It must also notify the commissioner of Revenue at least 90 days before the first day of the calendar quarter that the tax will be imposed.

Motion made by Councilmember Schafer, Seconded by Councilmember Edblom to adopt Resolution No. 22-020, a resolution supporting the extension of the authority to impose a general local sales tax of one-half of one percent (0.50%) for a period of 20 years to fund an aquatic center and indoor recreation facility. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion **Carried. 6-0**

Approve Agreement for Legislative Services with Flaherty and Hood

Council support for extension of the sales tax will mean upcoming legislative meetings, information sharing and tracking of the legislative process. A proposal for legislative services will provide for professional expertise in this legislative area. The contracted agreement will total \$17,500.

Motion made by Councilmember Schafer, Seconded by Councilmember DeCramer to approve the agreement for Legislative Services with Flaherty and Hood. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Edblom, Councilmember DeCramer, Councilmember Labat. The motion Carried. 6-0

Commission/Board Liaison Reports

No Report

- No Report Byrnes Schafer
- Meister <u>No Report</u>
- Edblom No Report
- DeCramer Diversity, Equity, and Inclusion Commission met and agreed to hire a consultant group to facilitate two World Café events in February and April within the community.

Marshall Municipal Utilities met and reviewed end of year reports and updated current internal policies. DeCramer added that there are some complications with the proposed solar farm to that will be located along Nort 7th Street due to insufficient tax credits. MMU is working with other partners to complete this project.

Economic Development Authority met and reviewed and approved various façade improvement projects. DeCramer added that after the program is complete there will be upwards of \$250,000 spend within the community.

Labat No Report

Councilmember Individual Items

Councilmember Labat thanked Director of Administrative Services Annette Storm for her time and dedication to the City of Marshall.

Councilmember DeCramer continued to thank Director Storm for her service to the City. DeCramer also mentioned a rental assistance program will stop taking applications at the end of the week.

Councilmember Meister also thanked Director Storm for her service to the City and wished her well on her future plans.

Mayor Byrnes discussed the annexation procedure for the solar farm along North 7th Street. Mayor Byrnes discussed going out for Request for Proposals for City Attorney.

City Administrator

City Administrator Sharon Hanson discussed work on the sales tax resolution.

Director of Public Works

Director of Public Works/ City Engineer Jason Anderson commented that the open house for the Comp. Plan has been rescheduled for February 16, 4 - 6 PM. Director Anderson mentioned future bid openings will be held next week and be brough to Council at the next regular meeting for consideration. Shipping container and outside storage letters have been sent to property owners that have been out of compliance.

City Attorney

City Attorney Dennis Simpson discussed litigation matters with Broadmoor Valley to remove several manufactured homes from the park. Simpson commented the mediation is still being held. Simpson provided an overview of two other litigation matters against Broadmoor Valley filed by the Minnesota Attorney General's Office and residents of the Broadmoor Valley.

RESOLUTION NUMBER 22-___

RESOLUTION ADOPTING ASSESSMENT

WHEREAS, pursuant to proper notice duly given as required by law, the City Council has met and heard and passed upon all objections to the proposed assessment for the following project:

PROJECT Z82: NORTH 1ST **STREET / WEST REDWOOD STREET / WEST MARSHALL STREET RECONSTRUCTION PROJECT -** This project consisted of: reconstruction and utility replacement on North 1st Street from East Main Street to West Marshall Street, on West Redwood Street from East College Drive to North 1st Street, and on West Marshall Street from East College Drive to North 1st Street; sanitary sewer, watermain, and storm sewer replacement. This project also included new curb & gutter, new 5-ft. sidewalk on both sides of the streets, driveway aprons, water services, and sewer services to the right-of-way.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF MARSHALL, MINNESOTA:

- Such proposed assessment, a copy of which is attached hereto and made a part hereof, is hereby accepted and shall constitute the special assessment against the lands named therein, and each tract of land therein included is hereby found to be benefited by the proposed improvement in the amount of the assessment levied against it.
- 2. Such proposed assessment shall be payable in equal annual principal installments extending over a period of eight (8) years and shall bear interest at the rate of two and eight-tenths percent (2.8%) per year.
- 3. After the adoption of the assessment, the clerk shall transmit a certified duplicate of the assessment roll with each installment, including interest, set forth separately to the county auditor of the county to be extended on the proper tax lists of the county; but in lieu of such certification, the council may in its discretion direct the clerk to file all assessment rolls in the clerk's office and to certify annually to the county auditor, on or before November 30 in each year, the total amount of installments of and interest on assessments on each parcel of land in the municipality which are to become due in the following year. If any installment and interest has not been so certified prior to the year when it is due, the clerk shall forthwith certify the same to the county auditor for collection in the then succeeding year; and if the municipality has issued improvement warrants to finance the improvement, it shall pay out of its general funds into the fund of the improvement interest on the then unpaid balance of the assessment for the year or years during which the collection of such installment is postponed. All assessments and interest thereon shall be collected and paid over in the same manner as other municipal taxes.
- 4. The owner of any property so assessed may, at any time prior to certification of the assessment or the first installment thereof to the county auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the municipal treasurer, except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption thereof; and, except as hereinafter provided, the owner may at any time prior to November 15 of any year, prepay to the treasurer of the municipality having levied said assessments, the whole assessment remaining due with interest accrued to December 31 of the year in which said prepayment is made.
- 5. The right to partially prepay the assessment to the City Clerk according to Ordinance No. 364, Second Series, is available.
- The City Clerk shall forthwith transmit a certified duplicate of this assessment to the County Auditor to be extended on property tax lists of the County. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

Passed and adopted by the Council this <u>8th</u> day of <u>February</u>, 2022.

	On February 2, 2022, bids were received for the above-referenced project. Two bids were received as shown on the attached Resolution Accepting Bid. The low bid was from Duininck, Inc., of Prinsburg, Minnesota, in the amount of \$560,573.35. In addition to the listed city streets, staff bid the majority of the Wastewater Treatment Facility (WWTF) ring road as an alternate. The Wastewater Department included \$60,000 in the Capital Improvement Plan (CIP) for this work. This alternate was proposed at \$53,442.50.							
Fiscal Impact:	The engineer's estimate for the project base bid was \$621,779, of which, \$94,802 was estimated for ADA sidewalk ramp or curb and gutter replacement work.\$685,000 has been included in the 2022 budget or funded as follows:							
	\$625,000 2022 budget for bituminous overlay on various city streets and will be funded under Account #495-43300-55170 (Public Improvement Revolving Fund-Street Department-Infrastructure)							
	\$60,000 WWTF 2022 capita	l improvement budget						
em 3.	Prinsburg, Minnesota, in the amo	cepting Bid" awarding the contract to Duininck, Inc., of unt of \$560,573.35, with a maximum of \$625,000.00. 9 t or complete additional ADA sidewalk ramp work as fu						

	are available, not to exceed \$625,000 for City streets and \$60,000 for Wastewater. Rainbow Drive from Madrid Street to the south has been identified as a likely street to be added to the overlay list.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	that the Council adopt RESOLUTION NUMBER 22-XXX, which provides for the Resolution Accepting Bid (Awarding Contract) and authorizing entering into an agreement with Duininck, Inc., of Prinsburg, Minnesota, for the above-referenced project in the amount of \$560,573.35, with a maximum of \$625,000.00 for City streets and \$60,000 for Wastewater.

RESOLUTION NUMBER 22-022

RESOLUTION ACCEPTING BID (AWARD CONTRACT)

WHEREAS, pursuant to an advertisement for bids for the following project:

PROJECT ST-002-2022: BITUMINOUS OVERLAY PROJECT

bids were received, opened and tabulated according to law, and the following bids were received complying with the advertisement:

Bidder	Bid Amount
Duininck, Inc. Prinsburg, Minnesota	\$560,573.35
Central Specialties, Inc. Alexandria, Minnesota	\$734,929.19

AND WHEREAS, it appears that Duininck, Inc., of Prinsburg, Minnesota, is the lowest responsible bidder.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF MARSHALL, MINNESOTA:

1. The Mayor and City Clerk are hereby authorized and directed to enter into a contract with Duininck, Inc., of Prinsburg, Minnesota, in the amount of \$560,573.35, with a maximum of \$625,000 for City streets and \$60,000 for Wastewater, in the name of the City of Marshall for the above-referenced project, according to the plans and specifications therefore approved by the City Council and on file in the office of the City Clerk.

Passed and adopted by the City Council this <u>8th</u> day of <u>February</u>, 2022.

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, February 8, 2022
Category:	AWARD OF BIDS
Туре:	ACTION
Subject:	Project ST-003: South 1 st Street/Greeley Street/Williams Street Reconstruction Project - 1) Resolution Declaring Official Intent Regarding the Reimbursement of Expenditures with the Proceeds of Tax-Exempt Bonds; 2) Resolution Accepting Bid (Awarding Contract).
Background Information:	This project consists of: reconstruction and utility replacement on South 1st Street from George Street to Greeley Street, on Greeley Street from West College Drive to Saratoga Street, and on Williams Street from Maple Street to George Street; sanitary sewer, watermain, and storm sewer will be replaced. This project will also include new curb & gutter, new 5-ft. sidewalk on one or both sides of the streets, driveway aprons, water services, and sewer services to the right-of-way.
	On February 4, 2022, bids were received for the above-referenced project. Five bids were received as shown on the attached Resolution Accepting Bid. The low bid was from R&G Construction Co. of Marshall, Minnesota, in the amount of \$1,647,498.69. The engineer's estimate was approximately \$1,823,100.
Fiscal Impact:	The above-referenced project, or a portion thereof, may be financed by the sale of bonds with repayment coming from assessments and Debt Service Fund Levy. It is required that action be authorized by City Council via Resolution Declaring Official Intent Regarding the Reimbursement of Expenditures with the Proceeds of Tax-Exempt Bonds.
	Attached is the "Resolution Accepting Bid" awarding the contract to R&G Construction Co. of Marshall, Minnesota, in the amount of \$1,647,498.69.
	The estimated total project cost including 5% allowance for contingencies and 16% for engineering and administrative costs is \$2,006,653.40.
	All improvements will be assessed according to the current Special Assessment Policy, including but not limited to participation from Marshall Municipal Utilities, Wastewater Department, Surface Water Management Utility Fund and Ad Valorem participation.
	The financing and cost participation will be forthcoming and addressed at the time of the Resolution Declaring Cost to be Assessed.
Alternative/ Variations:	No alternative actions recommended.
Recommendations:	Recommendation No. 1 that the Council adopt RESOLUTION NUMBER 22, which provides for Resolution Declaring Official Intent Regarding the Reimbursement of Expenditures with the Proceeds of Tax-Exempt Bonds for Project ST-003: South 1 st Street/Greeley Street/Williams Street Reconstruction Project.
	Recommendation No. 2 that the Council adopt RESOLUTION NUMBER 22, which provides for the Resolution Accepting Bid (Awarding Contract) and authorizing entering into an agreement with R&G Construction Co. of Marshall, Minnesota, in the amount of \$1,647,498.69 for Project ST-003: South 1 st Street/Greeley Street/Williams Street Reconstruction Project.

RESOLUTION NUMBER 22-023

DECLARATION OF OFFICIAL INTENT REGARDING THE REIMBURSEMENT OF EXPENDITURES WITH THE PROCEEDS OF TAX-EXEMPT BONDS

WHEREAS, under regulations adopted by the Secretary of the Treasury of the United States of America, the City of Marshall, Minnesota (the "City") is required to make a declaration of its official intent prior to making a capital expenditure, if it intends to be reimbursed for such capital expenditure at a future date from the proceeds of a tax-exempt bond; and

WHEREAS, the City intends to make capital expenditures with respect to the project described below and also intends to reimburse the fund or account described below from which the capital expenditure will be initially paid from the proceeds of an issue of tax-exempt bonds issued at a future date.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City as follows:

1. A general functional description of the project for which the expenditures to be reimbursed are paid is set forth below:

PROJECT ST-003: SOUTH 1ST STREET/GREELEY STREET/WILLIAMS STREET RECONSTRUCTION PROJECT -- This project consists of: reconstruction and utility replacement on South 1st Street from George Street to Greeley Street, on Greeley Street from West College Drive to Saratoga Street, and on Williams Street from Maple Street to George Street; sanitary sewer, watermain, and storm sewer will be replaced. This project will also include new curb & gutter, new 5-ft. sidewalk on one or both sides of the streets, driveway aprons, water services, and sewer services to the right-of-way.

The principal amount of debt expected to be issued for the project referred to above will not exceed \$2,025,000.

2. The fund or account from which the expenditures to be reimbursed are to be paid and the general functional purpose of the fund or account is set forth below:

Public Improvements Projects Fund

- 3. The City reasonably expects to reimburse the expenditures referred to above with the proceeds of tax-exempt bonds.
- 4. This statement of the official intent of the City is a declaration of official intent under the regulations adopted by the Secretary of the Treasury of the United States of America.

Passed and adopted by the City Council this <u>8th</u> day of <u>February</u>, 20<u>22</u>.

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, February 8, 2022
Category:	CONSENT AGENDA
Туре:	ACTION
Subject:	Consider approval of the 2022-2023 Township Fire Contract Rates.
Background Information:	Township Fire Contracts are reviewed annually. Staff have reviewed the current formula used for setting the section rates and are proposing a new formula for the collection of these fees. Historically, townships were charged the same section rate based on several factors. This formula created inequities from township to township even through each township is paying the same section rate.
	The proposed formula creates a maximum amount of fees for fire protection based on operation costs, population, market value, and sections served while still implementing a phase in period to bring township fees to the desired level. This can create different section rates for each township but will better reflect the services being provided based off of the abovementioned factors.
	Exhibit B in the packet visually explains the proposed formula, section rates and total fire protection fees for the current year. Historical and future rates are also shown. Future rates will slightly change year to year based on inputs made with updated information.
	After approval of the new rates each Township Board will be notified and provided a contract for Fire Protection Services with the City of Marshall. Township approved contracts will be brought back before the City Council for final approval.
Fiscal Impact:	\$111,479.80
Alternative/ Variations:	None Recommended.
Recommendations:	To approve the 2022-2023 Township Fire Contract Rates.

FIRE PROTECTION AGREEMENT

May 1, 2022- April 30, 2023

THIS AGREEMENT, made this $\frac{1^{st}}{1^{st}}$ day of May, 2022 between the City of Marshall, party of the first part, and the Township of (Township) County of Lyon and State of Minnesota, party of the second part, WITNESSETH:

Section 1. Purposes and Intent.

(A) The party of the first part has been requested to provide "fire service" as defined to include any deployment of firefighting personnel and/or equipment to extinguish a fire or perform any preventative measure in an effort to protect equipment, life or property in an area threatened by fire. It also includes the deployment of firefighting personnel and/or equipment to provide fire suppression, rescue, extrication, and any other services related to fire and rescue as may occasionally occur.

Section 2. Services and Conditions.

- (A) The City of Marshall will maintain equipment, personnel and related training and certifications to provide full fire and related rescue response to the party of the second part as legally described in the attached Exhibit A.
- (B) The City of Marshall agrees to respond promptly to all calls or help within the territory to be serviced, but it is understood that the City of Marshall has entered into and will from time to time enter into similar arrangements with other townships and municipalities within its trade territory and that calls will be responded to in order in which they are received by the party of the City of Marshall; and it can respond to only one call at a time; and that in any event neither the City of Marshall nor any officer or employee thereof shall be liable to the party of the second part to any persons within the territory of such party of loss or damage of any kind whatsoever resulting from a failure to furnish or delay in furnishing fire-fighting equipment and personnel, or either of them, or from any failure to prevent, control or extinguish any fire whether such loss or damage is caused by the negligence of the officers, agents or employees of the City of Marshall or its fire department, or otherwise.

Section 3. Term and Rates.

- (A) The party of the first part for a period of 1 year beginning on May 1, 2022, will, subject to the terms and conditions of this agreement, service all of the territory within the limits of the second party as legally described in Exhibit A, thereof, furnishing for that purpose the above described fire-fighting equipment for a consideration of <u>\$(amount)</u> which is <u>\$xxxx</u> per section for the period May 1, 2022 through April 30, 2023 to be paid on or before May 1, 2022. The basis of the fee is upon the formula calculation for this time period as summarized in the attached Exhibit B. Successive years under the formula in Exhibit B are for estimated purposes and subject to change.
- (B) In addition to the foregoing, additional fees as summarized in the attached Exhibit C apply.
- (C) All collected fire charges will be City of Marshall funds and used to offset the expenses of the fire department in providing fire services.

Section 4. Billing and Collection.

- (A) The party of the second part agrees to pay to the City of Marshall as compensation for all fire service furnished pursuant to this agreement the sum specified in Section 3(A) thereof and to make a town fire protection tax levy or otherwise provide funds in any amount sufficient to pay the party of the first part the compensation agreed upon above.
- (B) Parties requesting or receiving fire services will be billed directly by the City of Marshall. Additionally, if the party receiving fire services did not request services but a fire or other situation exists which, at the discretion of the City of Marshall requires fire service, the party will be charged and billed according to the sum specified in Section 3 (B). All parties will be billed whether or not covered by a party's insurance. Any billable amount of the fire service charge not covered by a party's insurance remains a debt of the party receiving the fire service.
- (C) Parties billed for fire service will have thirty (30) days to pay. If the fire service charge is not paid by that time, it will be considered delinquent and the City will send notice of delinquency and charge a 1.5% administrative penalty on the unpaid balance.
- (D) If the service charge remains unpaid for 30 days after this notice of delinquency is sent, the City will use all practical and reasonable legal means to collect the fire service charge. The party receiving fire service shall be liable for all collection costs incurred by the City

including, but not limited to, reasonable attorney fees and court costs.

(E) If the fire service charge remains unpaid for 30 days after the notice of delinquency is sent, the City of Marshall Council may also, on or before October 15 of each year, certify the unpaid property for collection with property taxes. The County auditor is responsible for remitting to the City all charges collected on behalf of the City of Marshall. The City of Marshall must give the property owner notice of its intent to certify the unpaid service charge by September 15.

IN WITNESS WHEREOF, The parties hereto have caused this agreement to be executed by their authorized officers the day and year first above written.

1. The term "negligence" is defined as disregard or failure to reasonably have taken actions or care that would have pre-empted the hazardous situation that required emergency fire and rescue response.

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, February 8, 2022
Category:	CONSENT AGENDA
Туре:	ACTION
Subject:	Consider Resolution Calling Public Hearings on Street Reconstruction Plan, Tax Abatements and Issuance of GO Bonds
Background Information:	Calling for the public hearing begins the 2022 bonding process. In Exhibit B the PID's and dollar amount will be added prior to the publishing of the notice.
	Also included in the council packet is the schedule of events for the 2022 bonding.
Fiscal Impact:	
Alternative/	
Variations:	
Recommendations:	Approve Resolution Calling Public Hearings on Street Reconstruction Plan, Tax Abatements and Issuance of GO Bonds

CITY OF MARSHALL, MINNESOTA

RESOLUTION NUMBER 22-025

RESOLUTION CALLING PUBLIC HEARINGS ON STREET RECONSTRUCTION PLAN, TAX ABATEMENTS AND ISSUANCE OF GENERAL OBLIGATION BONDS

BE IT RESOLVED By the City Council of the City of Marshall, Lyon County, Minnesota (the "City") as follows:

Section 1. <u>Background</u>.

1.01. The City is authorized under Minnesota Statutes, Section 475.58, subdivision 3b, as amended (the "Street Reconstruction Act"), to prepare a plan for reconstruction or overlay of streets in the City over the next five years, which includes a description of the affected streets and estimated costs (the "Street Reconstruction Plan"), and to issue general obligation bonds to finance the cost of street reconstruction activities described in the Street Reconstruction Plan (the "Street Reconstruction Bonds").

1.02. Pursuant to the Street Reconstruction Act, the City Council is required to hold a public hearing regarding the Street Reconstruction Plan and issuance of Street Reconstruction Bonds.

1.03. The City now finds that it is necessary to prepare a Street Reconstruction Plan setting forth proposed street reconstruction projects in the City for the years 2022 through 2026, and to provide for the issuance of Street Reconstruction Bonds thereunder in an aggregate principal amount not to exceed \$400,000, to finance certain costs of the Street Reconstruction Plan, and further finds and determines that it is in the best financial interests of the City that the City hold a public hearing on the Street Reconstruction Plan and the issuance of Street Reconstruction Bonds as provided in the Street Reconstruction Act.

1.04. Under the proposed Street Reconstruction Plan, the City will issue Street Reconstruction Bonds to finance a portion of the costs described in the Street Reconstruction Plan, including the project designated by the City as West W. Lyon Street (from College to 1st Street) Reconstruction Project.

1.05. The City hereby authorizes its staff and consultants to prepare the Street Reconstruction Plan for street reconstruction projects in the City over the five-year period of 2022 to 2026 in accordance with the Street Reconstruction Act, and to place a copy of the Street Reconstruction Plan on file with the City Administrator by no later than the date of publication of the hearing notice.

1.06. The City is authorized by Minnesota Statutes, Sections 469.1812 through 469.1815 (the "Abatement Act") to grant an abatement of all or a part of the taxes levied by the City on real property within its boundaries (the "Abatement") and to issue general obligation bonds to finance public improvements (the "Abatement Bonds").

1.07. Pursuant to the Abatement Act, before approving a property tax abatement, the City Council is required to hold a public hearing regarding the Abatement.

1.08. The City proposes to issue Abatement Bonds in a principal amount currently estimated not to exceed \$625,000 to finance various public improvements, including to the Rose and Addison downtown city parking lots adjacent to W. Lyon Street.

Section 2. <u>Hearings Scheduled</u>.

2.01. The City Council will hold a public hearing regarding the approval of the Street Reconstruction Plan and issuance of the Street Reconstruction Bonds on Tuesday, March 8, 2022, at approximately 5:30 PM in the Council Chambers of City Hall. The City Clerk is authorized and directed to publish a notice substantially in the form attached hereto as EXHIBIT A, to be published in the official newspaper of the City at least 10 days but not more than 28 days before the date of the hearing.

2.02. The City Council will hold a public hearing regarding the approval of the Abatement and the issuance of the Abatement Bonds on Tuesday, March 8, 2022 at approximately 5:30 PM in the Council Chambers of City Hall. The City Clerk is authorized and directed to publish a notice substantially the form attached as EXHIBIT B, to be published in a newspaper of general circulation in the City more than 10 days but less than 30 days before the date of the hearing.

2.03. City staff and consultants are authorized to take all other actions needed with respect to the Street Reconstruction Plan and the proposed Abatement and the issuance of the Street Reconstruction Bonds and Abatement Bonds before the City Council.

Approved this February 8, 2022 by the City Council of the City of Marshall, Minnesota.

CITY OF MARSHALL, MINNESOTA

Mayor

Attest:

City Clerk

EXHIBIT A

NOTICE OF PUBLIC HEARING

CITY OF MARSHALL, MINNESOTA NOTICE OF PUBLIC HEARING REGARDING THE ADOPTION OF A FIVE-YEAR STREET RECONSTRUCTION PLAN AND THE ISSUANCE OF GENERAL OBLIGATION BONDS THEREUNDER

NOTICE IS HEREBY GIVEN that the City Council of the City of Marshall, Minnesota (the "City"), will meet on Tuesday, March 8, 2022 at approximately 5:30 PM in the Council Chambers of City Hall located at 344 West Main Street in Marshall, Minnesota, to hold a public hearing concerning: (1) the adoption of a five-year street reconstruction plan (the "Plan"); and (2) the proposed issuance of general obligation bonds (the "Bonds") to finance certain street reconstruction projects described in the Plan, including West W. Lyon Street (from College to 1st Street) Reconstruction Project, all pursuant to Minnesota Statutes, Section 475.58, subdivision 3b. The maximum principal amount of the Bonds to be issued under the Plan is \$400,000,. The City may accept an offer by a bidder to purchase the Bonds, and the City may sell the Bonds, at a price that results in the receipt by the City of an original issue premium (the portion of the price that exceeds the principal amount of the Bonds) in any amount.

If a petition requesting a vote on the issuance of the Bonds, signed by voters equal to five percent (5%) of the votes cast in the City in the last general election, is filed with the City Clerk within 30 days after the public hearing, the City may issue the Bonds only after obtaining approval of a majority of voters voting on the question at an election.

At the time and place fixed for the public hearing, the City Council will give all persons who appear at the hearing an opportunity to express their views with respect to the proposal. In addition, interested persons may direct any questions or file written comments respecting the proposal with the City Clerk, at or prior to said public hearing.

NOTICE OF PUBLIC HEARING

CITY OF MARSHALL, MINNESOTA NOTICE OF PUBLIC HEARING REGARDING PROPOSED PROPERTY TAX ABATEMENTS AND THE ISSUANCE OF GENERAL OBLIGATION BONDS TO FINANCE CERTAIN PUBLIC IMPROVEMENTS

NOTICE IS HEREBY GIVEN that the City Council of the City of Marshall, Minnesota (the "City"), will meet on Tuesday, March 8, 2022 at approximately 5:30 PM in the Council Chambers of City Hall located at 344 West Main Street in Marshall, Minnesota, to hold a public hearing on the proposal that the City abate property taxes levied by the City on the property identified as tax parcel numbers (collectively, the "Property"):

[insert PID nos.]

The total amount of the taxes proposed to be abated by the City on the Property is estimated to be not more than \$[_____]. The City Council will consider the property tax abatement in connection with issuing general obligation bonds to finance certain public improvements, including to the Rose and Addison downtown city parking lots adjacent to W. Lyon Street.

At the time and place fixed for the public hearing, the City Council will give all persons who appear at the hearing an opportunity to express their views with respect to the proposal. In addition, interested persons may direct any questions or file written comments respecting the proposal with the City Clerk, at or prior to said public hearing.

Recommendations:	BE IT RESOLVED, that the City Council hereby (1) grants local unit of government approval to United Way of Southwest Minnesota to hold a raffle on May 5, 2022, at Mercantile Building 207 W. Main St., (2) acknowledges the receipt of LG220 Application of Exempt Permit, (3) waives the 30-day waiting period, and (4) authorizes and directs the appropriate city personnel to complete and sign the LG220 Application for Exempt Permit on behalf of the City of Marshall

MINNESOTA LAWFUL GAMBLING LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

conducts lawful gambling on five or fewer days, and
awards less than \$50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be

\$1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **\$100**; otherwise the fee is **\$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

Subject:	Consider Lease Agreement between Vishay Hirel Systems LLC and the City of Marshall.
Background Information:	Vishay Hirel Systems was a renter at the Mosch property when the City took ownership of the property. City staff gave them verbal agreement that they could stay in their space through Spring 2022. Shortly thereafter, staff learned that we would be losing the Ralco property across town. At that point, staff informed Vishay that they would need to vacate within roughly one month time frame to make room for City equipment. Staff discussed and allowed Vishay to move items to the small building by the highway, located at 800 N. US 59, that we did not have an immediate need to utilize. City staff and Vishay agreed that \$500/month was an acceptable amount for the space that was required. City Attorney Dennis Simpson has prepared the attached lease agreement for Council consideration.
Fiscal Impact:	\$500/month rental income paid to the City. The term of the agreement is January 2022 to December 2022.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the Council authorize execution of the attached Lease Agreement expiring December 31, 2022 between Vishay Hirel Systems LLC and the City of Marshall.

LEASE AGREEMENT

This Lease Agreement (this "Agreement") is dated as of this _____ day of _____, 2022, by and between City of Marshall, a municipal corporation ("Landlord") and Vishay Hirel Systems LLC, a Delaware limited liability company ("Tenant").

1. **DEFINITIONS.**

"Leased Premises" means the 1,300 square foot, western-most building on the 800 N. US 59 property areas as identified in the attached Exhibit A.

2. TERM; EARLY TERMINATION.

A. <u>Term</u>. In consideration of Tenant's performance of Tenant's obligations under this Lease, Landlord hereby leases the Leased Premises to Tenant.

B. <u>Termination</u>. This Lease shall be for a 12-month term and shall terminate on December 31, 2022. Tenant may terminate this Lease early by providing Landlord with notice 30 days in advance of the effective date of termination.

3. RENT. Tenant shall pay monthly rent at a rate of \$500.00, commencing January 3, 2022. Rent is due on the first day of each and every month thereafter for the term of this lease. Payments to be paid to the following:

City of Marshall Attn: Finance Director 344 W. Main St. Marshall, MN 56258

4. USE RESTRICTIONS. Tenant shall comply with all applicable laws, ordinances, and governmental regulations with respect to its use of the Leased Premises. Tenant shall not do anything in or about the Leased Premises which will in any way impair or invalidate the obligation of the insurer under any policy of insurance required by this Lease.

5. UTILITIES AND OPERATING COSTS. Landlord shall pay all charges for electricity, natural gas, and any other utility services furnished to the Leased Premises, and all other costs associated with the use, operation, and management of the Leased Premises during the term of the Lease, including, but not limited to, snow removal. The temperature of the building shall be moderated by the Landlord, and any changes to the temperature setpoint on the thermostat must be requested by the tenant and approved by the Landlord. Landlord shall also be responsible for payment of all property taxes for the Leased Premises.

6. MAINTENANCE AND REPAIR OF THE LEASED PREMISES. Tenant agrees to defend, indemnify and hold harmless Landlord with respect to claims which may be made by governmental authority or employees or invitees of Tenant concerning the condition of the Leased Premises during the term of this Lease. Tenant shall, at all times throughout the term of this Lease, and at its sole expense, keep the Leased Premises and fixtures in at least as good

condition as existed on the date of this Lease, reasonable wear and tear excepted. Tenant shall not allow any liens or encumbrances to be placed on the Leased Premises. Landlord shall be responsible for maintaining the Leased Premises.

7. ALTERATION OR IMPROVEMENT OF THE LEASED PREMISES. Tenant shall not make any additions or improvements in or to the Leased Premises without Landlord's prior written consent.

8. INDEMNIFICATION; COVENANTS TO DEFEND AND HOLD HARMLESS. Tenant shall hold Landlord harmless from and indemnify and defend Landlord against any claim or liability arising in any manner from Tenant's use, improvement, and occupancy of the Leased Premises, or relating to the death or bodily injury to any person or damage to any personal property present on or located in or upon the Leased Premises, including the person and personal property of Tenant's employees and all persons in or upon the Leased Premises at Tenant's invitation or sufferance unless due to the negligence of Landlord. All personal property kept, maintained or stored on the Leased Premises by Tenant shall be kept, maintained or stored at the sole risk of Tenant.

Nothing in this Lease shall be deemed to limit Landlord's right to have access to the Leased Premises, or to exercise its remedies under the Lease, or to make applications to a governmental entity with respect to the Leased Premises, or to protest taxes or assessments related to the Leased Premises, or to take other similar action with respect to the Leased Premises as a responsible landlord would elect.

9. CASUALTY INSURANCE AND WAIVERS OF CLAIMS.

A. <u>Insurance</u>: Tenant shall carry insurance for the full insurable value of Tenant's supplies, materials, furnishings, equipment and all other items of personal property of Tenant located on or within the Leased Premises. Tenant shall furnish Landlord evidence of such insurance coverage prior to commencing occupancy.

B. <u>Waiver of Claims</u>: Tenant hereby waives and releases all claims, liabilities and causes of action against Landlord and its officials, agents, servants and employees for loss or damage to, or destruction of personal property of Tenant, located in, upon or about the Leased Premises resulting from fire, explosion or the other perils covered by standard "all risk" insurance, whether caused by the negligence of any said persons or otherwise.

10. LIABILITY INSURANCE. Tenant shall, at its expense during the term of this Lease, keep in full force and effect a policy or policies of "occurrence" based commercial general liability insurance, providing coverage for bodily injury, personal property damage, personal injury, and contractual liability. Such policy or policies shall have combined policy limits in amounts not less than \$1,000,000.00.

11. QUIET ENJOYMENT. Landlord warrants that it has full right to execute and to perform this Lease and to grant the estate demised, and that Tenant, upon Tenant's performance of all of the terms, conditions, covenants and agreements on Tenant's part to be observed and

performed under this Lease, may peaceably and quietly enjoy the Leased Premises subject to the terms and conditions of this Lease.

12. HOLDING OVER. If Tenant remains in possession of the Leased Premises after the expiration or termination of this Lease, it shall be deemed to be occupying said Leased Premises as a Tenant at sufferance, subject to all the conditions, provisions and obligations of this Lease insofar as the same can be applicable to a tenancy at sufferance.

13. SURRENDER. Upon expiration or termination of this Lease, Tenant shall peaceably surrender the Leased Premises and remove all debris and personal property from the Leased Premises. Tenant shall not remove any of the immovable fixtures. Tenant shall be conclusively deemed to have abandoned any personal property not removed prior to the effective date of the termination of this Lease or Tenant's surrender of the Leased Premises. All debris and personal property may be disposed of by Landlord. Tenant shall be responsible for any disposal costs.

14. ACCESS TO LEASED PREMISES. Tenant agrees to permit Landlord and the authorized representatives of Landlord to enter the Leased Premises at all times during usual business hours (upon 24 hours' notice to Tenant) for the purpose of inspecting the same, performing maintenance, and conducting such investigations, tests, measurements, and assessments as may be desired by Landlord.

15. DEFAULT OF TENANT.

A. <u>Events of Default</u>: The occurrence of any one or more of the following events shall constitute an Event of Default:

(1) Tenant's failure to maintain the insurance required pursuant to Sections 9 and 10 above, which failure remains uncured for 15 days following Landlord's written notice to Tenant of Tenant's failure to perform such obligation;

(2) Tenant's attempt to sublet any portion of the Leased Premises, or assign its interest under this Lease without the written permission of Landlord;

(3) Tenant's failure to fully perform any of Tenant's obligations, other than the obligations referenced in subsections (1), (2) or (3) above, which failure remains uncured for 30 days following Landlord's written notice to Tenant of Tenant's failure to perform such obligation; or

(4) Tenant's filing, or having filed against it, any bankruptcy or debtor proceedings or proceedings for the appointment of a receiver or trustee of all or any portion of Tenant's Leased Premises, or if Tenant makes an assignment for the benefit of creditors.

B. <u>Landlord's Remedies</u>: If an Event of Default occurs, Landlord shall have the following remedies;

(1) Landlord may, but shall not be obligated to, and without notice to or demand upon Tenant and without waiving or releasing Tenant from any obligations of the Tenant under this Lease, pay or perform any obligations of Tenant; pay any cost or expense to be paid by Tenant; obtain any insurance coverage and pay premiums therefor; and make any other payment or perform any other act on the part of Tenant to be made and performed as provided for in this Lease, in such manner and to such extent as Landlord may deem desirable, and in exercising any such right, may also pay all necessary and incidental costs and expenses, employ counsel and incur and pay attorneys' fees. Tenant shall pay costs to Landlord upon demand with interest at seven percent per annum.

Landlord may terminate this Lease by written notice to Tenant in which case Tenant shall vacate the Leased Premises in accordance with Section 13. Neither the passage of time after the occurrence of an Event of Default nor Landlord's exercise of any other remedy with regard to such Event of Default shall limit Landlord's right to terminate the Lease by written notice to Tenant.

Landlord may, whether or not Landlord has elected to terminate this Lease, immediately commence summary proceedings in Unlawful Detainer to recover possession of the Leased Premises. In the event of the issuance of a Writ of Restitution in such proceeding, upon Landlord's reentry upon and repossession of the Leased Premises, Landlord may remove Tenant and all other persons from the Leased Premises (subject to Tenant's right and responsibility to remove its personal property pursuant to Section 13). In the event Landlord reenters the Leased Premises pursuant to this paragraph and Tenant fails to remove its personal property within the time period provided in Section 13, all items of personal property not removed by Tenant within said period shall be deemed abandoned, and title thereto shall transfer to Landlord at the expiration of such period or, upon Tenant's vacation of the Leased Premises. These items may be disposed of by Landlord. Tenant shall be responsible for all disposal costs.

No remedy provided for herein or elsewhere in this Lease or otherwise available to Landlord by law, statute or equity, shall be exclusive of any other remedy, but all such remedies shall be cumulative and may be exercised from time to time and as often as the occasion may arise.

16. EMINENT DOMAIN. If an eminent domain or condemnation proceeding is commenced with respect to the Leased Premises during the term of this Lease, the following provisions shall apply:

A. If a public or private body with the power of eminent domain or condemnation ("Condemning Authority") acquires all of the Leased Premises through the exercise of its power of eminent domain or condemnation or as a result of a sale in lieu thereof, this Lease shall cease and terminate as of the date the Condemning Authority acquires possession.

B. If a Condemning Authority acquires only a part of the Leased Premises, and such acquisition materially affects the Leased Premises so as to render the Leased Premises unsuitable

for the business of Tenant, in the absolute discretion of Tenant, then this Lease shall cease and terminate as of the date the Condemning Authority acquires possession.

C. If a Condemning Authority acquires only a part of the Leased Premises and such acquisition does not render the Leased Premises unsuitable for the business of the Tenant in the absolute discretion of Tenant, this Lease shall continue in full force and effect.

D. Landlord shall be entitled to the award paid in any condemnation acquisition under power of eminent domain or the proceeds of a sale in lieu thereof, and Tenant shall not receive any portion of such award.

E. Although all damages in the event of any condemnation shall belong to Landlord whether such damages are awarded as compensation for diminution in value of the leasehold or to the fee of the Leased Premises, Tenant shall have the right to claim and recover from the condemning authority, but not from Landlord, such compensation as may be separately awarded or recoverable by Tenant, in Tenant's own right on account of any and all damage to Tenant by reason of the condemnation and for or on account of any cost or loss to Tenant.

17. DAMAGE OR DESTRUCTION. If fire or other casualty damages or destroys the Leased Premises or the Leased Premises incurs substantial damage due to vandalism, failure of building systems or other unforeseen cause occurs during the term of this Lease, then this Lease shall terminate.

18. GENERAL.

A. <u>Landlord's Disclaimer of Warranty</u>: Landlord disclaims any warranty that the Leased Premises is suitable for Tenant's use.

B. <u>Relationship of Landlord and Tenant</u>: The Lease does not create the relationship of principal and agent or of partnership or of joint venture or of any association between Landlord and Tenant, the sole relationships between the parties hereto being that of Landlord and Tenant under this Lease.

C. <u>Waiver</u>: No waiver of Landlord's remedies upon the occurrence of an Event of Default shall be implied from any omission by Landlord to take any action on account of such Event of Default, and no express waiver shall affect any Event of Default other than the Event of Default specified in the express waiver and such an express waiver shall be effective only for the time and to the extent expressly stated. One or more waivers by Landlord shall not then be construed as a waiver of a subsequent Event of Default.

D. <u>Choice of Law</u>: The laws of the State of Minnesota shall govern the validity, performance and enforcement of this Lease.

E. <u>Time</u>: Time is of the essence in the performance of all obligations under this Lease.

F. <u>Notices and Demands</u>. Except as otherwise expressly provided in this Lease, any notice, demand, or other communication under the Lease any related document by either party to the other shall be sufficiently given or delivered if it is dispatched by United States Mail or delivered personally to:

(i)	in the case of Landlord:	City of Marshall Attn: City Administrator 344 West Main Street Marshall, MN 56258
(b)	in the case of Tenant:	Vishay Hirel Systems LLC

Attn: _____

Marshall, MN 56238

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section 18.

G. <u>Entire Agreement and Amendment</u>. This Lease constitutes the entire agreement between Landlord and Tenant affecting the Leased Premises and there are no other agreements, either oral or written, between them other than said documents and as are herein set forth. No subsequent alteration, amendment, change or addition to this Lease shall be binding upon Landlord or Tenant unless reduced to writing and executed in the same form and manner in which this Lease is executed.

H. <u>Successors and Assigns</u>: The terms, covenants and conditions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto.

IN WITNESS WHEREOF, Landlord and the Tenant have caused these presents to be executed in form and manner sufficient to bind them at law, as of the day and year first above written.

Туре:	ACTION
Subject:	Project ST-006: RRFB School Pedestrian Crossing Improvements Project - Consider Authorization to Advertise for Bids.
Background Information:	Project ST-006: Rectangular Rapid Flashing Beacon (RRFB) School Pedestrian Crossin Improvements Project proposes the following improvements for select locations a the Marshall Middle School, Southview Elementary School, Parkside Elementar School, and True Light Christian School:
	 Sidewalk ramp improvements and associated sidewalk improvements when necessary for ADA-compliance.
	 Speed limit flasher system (DSD): includes a posted speed limit when flashin and a radar feedback sign to display driver speed. The DSD install will identif the school zone area on either side of the school crossing area, as well a identify the speed limit when the zone is in effect. The power requirement will be met with a solar array and battery.
	 Pedestrian crosswalk flasher system (RRFB): includes a crosswalk sign with pedestrian-activated rectangular rapid flashing beacon (RRFB). The crosswal flasher system will be installed at select locations where the schools prefe to see crossing occur. The power requirements will be met with a solar arra and battery.
	 Concrete refuge island (median): because all locations have a two-way left turn lane (TWLTL) striping configuration, city staff believes it is prudent to install center islands for pedestrian refuge and safety. This also allows for crosswalk flasher system (RRFB) to be installed in the center of the road in addition to behind perimeter curbs; this further attracts a driver's attention. The True Light Christian School location is the only location that is no proposed to receive a median with this project. MnDOT will install in 202 with the College Drive Reconstruction project.
	At the Public Improvement/Transportation Committee meeting on November 22 2021, motion by Lozinski, seconded by Labat to recommend approval of the project to the City Council. All voted in favor.
Fiscal Impact:	The project is included in the 2022 capital improvement plan (CIP). The City wa awarded a Transportation Alternatives Grant (TA Grant) in the amount of \$339,844 for this project. The TA Grant consists of an 80-20 split; the local matching dollars ar to be split by each participating school and the City of Marshall.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the City Council authorize the advertisement for bids for Project ST-006 Rectangular Rapid Flashing Beacon (RRFB) School Pedestrian Crossing Improvement Project.

CITY OF MARSHALL AGENDA ITEM REPORT

	Control Evaluation (ICE) report and coordination with the MnDOT District 8 office. Aesthetic features would likely require the services of a landscape architect to assist with the scoping and design of included features. At the Public Improvement/Transportation Committee meeting on January 25, 2022,
	there was a consensus from the Committee for staff to have further discussion with the Downtown Business Association and request a letter of support. City staff intends to take this step in the coming weeks.
	The purpose for this item coming to Council now is to receive full Council consideration for staff's process moving forward. If Council is agreeable to exploring the option of removing the traffic signal at Main/3 rd Street, City staff believes that we need to begin this process as soon as possible. Staff is hopeful that changes could be made in 2023 if Council desired, but we are not entirely certain of MnDOT's timeframe for review, approval, and cost participation.
	Further, hiring a firm to help with aesthetic options will be critical if the downtown business community or City Council want these types of enhancements. City staff would plan to work with the Downtown Business Association and Chamber to help us manage input.
Fiscal Impact:	Staff does not have costs for landscaping efforts or ICE report for this project. All costs would be billed against the 2023 construction project. Once proposals are received, staff will be required to bring them back for Council consideration.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the Council authorize staff to request for proposals for ICE report at Main/3 rd and consultant services for downtown aesthetic improvements.

Subject:	Project ST-023: W. Lyon Street (College to 1 st) Reconstruction Project - Consider Resolution Ordering Preparation of Report on Improvement.
Background Information:	Attached please find the resolution necessary for the initiation of the special assessmen procedures for the above-referenced project area and as shown on the attached map.
	The project limits include: W. Lyon Street (E. College Drive to N. 1 st Street). The proposed project was originally included in the scope of the Z82 (N. 1 st /Redwood/Marshall) Reconstruction Project constructed in 2021. In consideration of the unknown status regarding the potential development of the Block 11 property, the block of W. Lyon Street between E. College Drive and N. 1 st Street was removed from the scope of the project.
	The intention was to bring this project forward once development of the Block 11 property wa anticipated to ensure that the proposed street and utility reconstruction would adequately serv the Block 11 development. After discussion with City EDA staff, construction on the first phase of the redevelopment is still a possibility for the 2022 construction season.
	The proposed project includes complete reconstruction of the street, curb, driveways, water system, and sanitary sewer collection system. This project will tie into the proposed limits of th MnDOT College Drive Reconstruction project (2025) on the northwest end and into where the Z8 Reconstruction project finished in 2021 on the other end. This block does not currently hav water main. MMU has expressed their desire to extend new 6" PVC water main from N. 1 st Street (stubbed out with the Z82 project) to E. College Drive to complete a water main loop. There is n existing sanitary sewer under this block also. The reconstruction project would install new PV main, with new PVC services to adjacent vacant lot(s) for potential future development. Storr water would likely not be required on this project as this block is serviced by the new storm water facilities at N. 1 st Street and E. College Drive.
	City staff met with PI/T on January 25, 2022 to discuss the proposed layout and construction materials for this project. Once prepared, the Feasibility Report will include layouts and propose materials to be used for construction. At this time, staff is identifying a street width for W. Lyo Street of 58-FT as measured from back of curb; this is 2 feet wider than the existing width of 56 FT. The additional width would provide for two 13-FT travel lanes and two 15.5-FT rows of 45 angle parking stalls. City staff is also proposing concrete surfacing at this time, but this will b reviewed and identified in the Feasibility Report.
	Beginning the assessment project process by calling for this Feasibility Report does not guarante or commit the City to completing a construction project. The purpose of beginning this process is to ensure that the City is ready to complete construction project in 2022 if the City Counc determines the project is required.
Fiscal Impact:	All improvements are proposed to be assessed according to the current Special Assessment Polic or Policy amended prior to certification of assessments including, but not limited to, Marsha Municipal Utilities, Wastewater Department, Surface Water Management Utility Fund an Ad Valorem participation. Final approval of the project must include determination of fundin sources.

Alternative/ Variations:	No alternative actions recommended.
Recommendations:	that the Council adopt RESOLUTION NUMBER 22-XXX, which is the "Resolution Ordering Preparation of Report on Improvement" for Project ST-023: W. Lyon Street (College to 1 st) Reconstruction Project.

RESOLUTION NUMBER 22-026

RESOLUTION ORDERING PREPARATION OF REPORT ON IMPROVEMENT

WHEREAS, it is proposed to make improvements under the following project and to assess the benefited properties for all or a portion of the cost of the improvements, pursuant to Minnesota Statutes, Chapter 429:

PROJECT ST-023: W. LYON STREET (COLLEGE TO N. 1ST) RECONSTRUCTION PROJECT – The proposed project includes street and utility reconstruction of W. Lyon Street from College Drive to N. 1st Street to include: street, sidewalk, curb and gutter, driveways, water main, sanitary sewer, and sewer and water service lines to the right of way.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF MARSHALL, MINNESOTA:

 That the proposed improvements be referred to Director of Public Works/City Engineer Jason R. Anderson, P.E. and that he is instructed to report to the Council with all convenient speed advising the Council in a preliminary way as to whether the proposed improvements are feasible and as to whether they should best be made as proposed or in connection with some other improvement, and the estimated cost of the improvements as recommended.

Passed and adopted by the Council this <u>8th</u> day of <u>February</u>, 2022.

ATTEST:

Mayor

City Clerk

Туре:	ACTION
Subject:	Consider Proposal from SRF Consulting Group, Inc. for Design of City Utilities in MnDOT's 2025 College Drive Reconstruction Project.
Background Information:	Attached is a proposal from SRF Consulting Group, Inc. (SRF) for professional services for the design of watermain and sanitary sewer relocations along TH 19 (College Drive). The design includes the relocation of approximately 2,800 feet of watermain and 3,600 feet of sanitary sewer in various segments along the proposed MnDOT TH 19 corridor. Scope of Services is shown in Attachment B of the enclosed proposal. This item was presented to the Public Improvement/Transportation Committee at their meeting on January 25, 2022. Motion by Labat, seconded by Lozinski to recommend Council authorize execution of the attached SRF "Proposal for Professional Services for Watermain and Sanitary Relocation Design" associated with MnDOT's 2025 College Drive Reconstruction Project for a not-to-exceed amount of \$62,598. All voted in favor. Motion passed 3:0.
Fiscal Impact:	The proposal is for services as described for a not-to-exceed amount of \$62,598. This proposal did not include possible project expansion into the Bruce Street intersection. If the project scope changes, contract adjustments may be required. Costs for these services will be paid by MMU and the Wastewater Department.
Alternative/ Variations:	No alternative actions recommended.
Recommendation:	that the Council authorize execution of the attached SRF "Proposal for Professional Services for Watermain and Sanitary Relocation Design" associated with MnDOT's 2025 College Drive Reconstruction Project for a not-to-exceed amount of \$62,598.

SRF No. 15321.PP

January 12, 2022

Mr. Jessie Dehn, PE Assistant City Engineer City of Marshall 344 W. Main Street Marshall, MN 56258

Subject: Proposal for Professional Services for Watermain and Sanitary Sewer Relocation Design Associated with TH 19 reconstruction project.

Dear Jessie Dehn:

Based on your request, SRF Consulting Group, Inc. (SRF) is pleased to submit this proposal to provide professional services for the design of watermain and sanitary sewer relocations along Trunk Highway 19 in the City of Marshall. The design includes the relocation of approximately 2,800 feet of watermain and 3,600 feet of sanitary sewer in various segments along the proposed MnDOT TH 19 project corridor.

Scope of Services

We propose to carry out the work ("Scope of Services"), set forth in Attachment B, attached hereto and incorporated into this Agreement, including:

- Project Management
- Preliminary Design (30%)
- Construction Plans (60%)
- Construction Plans (90% 100%)
- Permitting

Assumptions

The project will consist of designing the watermain and sanitary sewer for the segments provided by the City for consideration on January 4, 2022 and will be incorporated into the MnDOT TH 19 project documents and bid set. They City will provide any additional survey, televising, and as-built information to ascertain the existing location and conditions of the lines to be relocated and connected. Further detailed assumptions are included in the Work Tasks and Person Hour Estimates "Scope of Services" attached to this proposal.

Jesse Dehn City of Marshall January 12, 2022 Page 2

Schedule

We will complete this work within a mutually agreed-upon time schedule. We currently understand the schedule to be begin in early 2022, and to conclude in approximately June / July of 2024 (30-month duration).

Basis of Payment/Budget

We propose to be reimbursed for our services on an hourly basis for the actual time expended. Other direct project expenses such as printing, supplies, reproduction, etc., will be billed at cost and mileage will be billed at the current allowable IRS rate for business miles. Invoices are submitted on a monthly basis for work performed during the previous month. Payment is due within 35 days.

Based on our understanding of the project and our scope of services, we estimate the cost of our services to be \$62,598, which includes both time and expenses. We will not exceed this amount without prior authorization. This cost is based on a preliminary estimation of the cost of watermain and sewer relocations of approximately \$1M.

Changes in Scope of Services

It is understood that if the scope or extent of work changes, the cost will be adjusted accordingly. Before any out-of-scope work is initiated, however, we will submit a budget request for the new work and will not begin work until we receive authorization from you.

Standard Terms and Conditions

The attached Standard Terms and Conditions (Attachment A), and Scope of Services (Attachment B), together with this proposal for professional services, constitute the entire agreement between the Client and SRF and supersede all prior written or oral understandings. This agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

Acceptance/Notice to Proceed

A signed copy of this proposal, mailed or emailed to our office, will serve as acceptance of this proposal and our notice to proceed. The email address is <u>mturner@srfconsulting.com</u>.

We appreciate your consideration of this proposal and look forward to working with you on this project. Please feel free to contact us if you have any questions or need additional information.

ATTACHMENT A

STANDARD TERMS AND CONDITIONS

The Standard Terms and Conditions together with the attached Proposal for Professional Services constitute the entire Agreement between the CLIENT and SRF Consulting Group, Inc. ("SRF") and supersede all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

1. STANDARD OF CARE

- a. The standard of care for all professional services performed or furnished by SRF under this Agreement will be the care and skill ordinarily used by members of SRF's profession practicing under similar circumstances at the same time and in the same locality. SRF makes no warranties, expressed or implied, under the Agreement or otherwise, in connection with SRF's service.
- b. The CLIENT shall be responsible for, and SRF may rely upon, the accuracy and completeness of all requirements, programs, instructions, reports, data, and other information furnished by CLIENT to SRF pursuant to this Agreement. SRF may use such requirements, reports, data, and information in performing or furnishing services under this Agreement.

2. INDEPENDENT CONTRACTOR

All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of the CLIENT and SRF and not for the benefit of any other party. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the CLIENT or SRF. SRF's services under this Agreement are being performed solely for the CLIENT's benefit, and no other entity shall have any claims against SRF because of this Agreement or the performance or nonperformance of services hereunder.

3. PAYMENT TO SRF

Invoices will be prepared in accordance with SRF's standard invoicing practices and will be submitted to the CLIENT by SRF monthly, unless otherwise agreed. Invoices are due and payable within thirty-five (35) days of receipt. If the CLIENT fails to make any payment due SRF for services and expenses within forty-five (45) days after receipt of SRF's invoice thereafter, the amounts due SRF will be increased at the rate of 1-1/2% per month (or the maximum rate of interest permitted by law, if less). In addition, SRF may, after giving seven days written notice to the CLIENT, suspend services under this Agreement until SRF has been paid in full of amounts due for services, expenses, and other related charges.

4. OPINION OF PROBABLE CONSTRUCTION COST

Any opinions of costs prepared by SRF represent its judgment as a design professional and are furnished for the general guidance of the CLIENT. Since SRF has no control over the cost of labor, materials, market condition, or competitive bidding, SRF does not guarantee the accuracy of such cost opinions as compared to contractor or supplier bids or actual cost to the CLIENT.

5. INSURANCE

SRF will maintain insurance coverage for Workers' Compensation, General Liability, Automobile Liability and Professional Liability and will provide certificates of insurance to the CLIENT upon request.

6. INDEMNIFICATION AND ALLOCATION OF RISK

To the fullest extent permitted by law, SRF agrees to indemnify and hold harmless the CLIENT, their officers, directors and employees against all damages, liabilities or costs (including reasonable attorneys' fees and defense costs) to the extent caused by SRF's negligent acts under this Agreement and that of its subconsultants or anyone for whom SRF is legally liable.

7. TERMINATION OF AGREEMENT

Either party may at any time, upon seven days prior written notice to the other party, terminate this Agreement. Upon such termination, the CLIENT shall pay to SRF all amounts owing to SRF under this Agreement, for all work performed up to the effective date of termination.

8. OWNERSHIP AND REUSE OF DOCUMENTS

All documents prepared or furnished by SRF pursuant to this Agreement are instruments of service, and SRF shall retain an ownership and property interest therein. Reuse of any such documents by the CLIENT shall be at CLIENT's sole risk; and the CLIENT agrees to indemnify, and hold SRF harmless from all claims, damages, and expenses including attorney's fees arising out of such reuse of documents by the CLIENT or by others acting through the CLIENT.

9. USE OF ELECTRONIC MEDIA

a. Copies of Documents that may be relied upon by the CLIENT are limited to the printed copies (also known as hard copies) that are signed or sealed by SRF. Files in electronic media format of text, data, graphics, or of other types that are furnished by SRF to the CLIENT are only for convenience of the CLIENT. Any conclusion or information obtained or derived from such electronic files will be at the user's sole risk.

Page 1 of 2 (Standard Terms and Conditions) Rev: February 25, 2020

- b. When transferring documents in electronic media format, SRF makes no representations as to long-term compatibility, usability, or readability of documents resulting from the use of software application packages, operating systems, or computer hardware differing from those used by SRF at the beginning of this Assignment.
- c. If there is a discrepancy between the electronic files and the hard copies, the hard copies govern.
- d. Because data stored in electronic media format can deteriorate or be modified inadvertently or otherwise without authorization of this data's creator, the party receiving electronic files agrees that it will perform acceptance tests or procedures within sixty (60) days, after which the receiving party shall be deemed to have accepted the data thus transferred. Any errors detected within the sixty (60) day acceptance period will be corrected by the party delivering the electronic files. SRF shall not be responsible to maintain documents stored in electronic media format after acceptance by the CLIENT.

10. FORCE MAJEURE

SRF shall not be liable for any loss or damage due to failure or delay in rendering any service called for under this Agreement resulting from any cause beyond SRF's reasonable control.

11. ASSIGNMENT

Neither party shall assign its rights, interests or obligations under this Agreement without the express written consent of the other party.

12. BINDING EFFECT

This Agreement shall bind, and the benefits thereof shall inure to the respective parties hereto, their legal representatives, executors, administrators, successors, and assigns.

13. SEVERABILITY AND WAIVER OF PROVISIONS

Any provisions or part of the Agreement held to be void or unenforceable under any laws or regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon the CLIENT and SRF, who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision. Non-enforcement of any provision by either party shall not constitute a waiver of that provision, nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

14. SURVIVAL

All provisions of this Agreement regarding Ownership of Documents and Reuse of Documents, Electronic Media provisions, Indemnification and Allocation of Risk, and Dispute Resolution shall remain in effect.

15. DISPUTE RESOLUTION

CLIENT and SRF agree to use their best efforts to resolve amicably any dispute. In the event that a dispute cannot be resolved, upon the joint concurrence of the parties to the selection of a mediator, the dispute will be submitted to mediation.

16. CONTROLLING LAW

The laws of the state of Minnesota govern this Agreement. Legal proceedings, if any, shall be brought in a court of competent jurisdiction in the county where the Project is located.

17. SITE SAFETY

SRF shall not at any time supervise, direct, control or have authority over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety and security precautions and programs in connection with the work performed by any Contractor for the Project, nor for any failure of any Contractor to comply with laws and regulations applicable to such Contractor's work, since these are solely the Contractor's rights and responsibilities. SRF shall not be responsible for the acts or omissions of any Contractor or Owner, or any of their agents or employees, or of any other persons (except SRF's own employees and consultants), furnishing or performing any work for the Project, except as specifically outlined in SRF's scope of services.

18. GOVERNMENT DATA PRACTICES AND INTELLECTUAL PROPERTY RIGHTS.

SRF shall comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to: (1) all data provided by the Client pursuant to this Agreement; and (2) all data, created, collected, received, stored, used, maintained, or disseminated by SRF pursuant to this Agreement. SRF is subject to all the provisions of the Minnesota Government Data Practices Act, including but not limited to the civil remedies of Minnesota Statutes Section 13.08, as if it were a government entity. In the event SRF receives a request to release data, SRF will immediately notify the Client. The Client will give SRF instructions concerning the release of the data to the requesting party before the data is released.

SRF Consulting Group, Inc. Client: City of Marshall Project: TH 19 Sanitary Sewer and Water Main Relocation

TASK NO. SUMMARY OF TASKS

- 1.0 Project Management
- 2.0 Preliminary Design (30%)
- 3.0 Construction Plans (60%)
- 4.0 Construction Plans (90%-100%)
- 5.0 Permitting

Work Tasks and Person-Hour Estimates

Project Overview:

The City of Marshall has requested engineering services for design of sanitary sewer and water main replacement and/or relocation in coordination with the TH 19 reconstruction project led by MnDOT. Existing sanitary sewer and water main will be relocated to locations approximately identified by the City on January 4, 2022. The work generally involves pipe and appurtenances for approximately 2,800 feet of watermain and 3,600 feet of sanitary sewer along the TH 19 corridor between College Drive intersection to N Whitney Street. The design will be incorporated into the MnDOT Plan and Specification Documents and will not be prepared as a standalone construction document.

Engineering Services include design of utilities consistent with Marshall engineering standards and 10 States Standards for Wastewater and Water Main, bid ready certified construction plans, specifications, cost estimating and bid administration.

Project tasks and deliverables will be merged into the design, schedule and construction of the TH 19 project.

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Thursday, February 3, 2022
Category:	NEW BUSINESS
Туре:	INFO/ACTION
Subject:	Authorization to Advance Rental Ordinance by Obtaining Landlord Input
Background Information:	 Several months ago, the City received a complaint about a VRBO rental property in town. The current ordinance does not address short-term rentals, such as VRBO's and AirBnB's. At the Council meeting discussing the situation, staff received direction to develop an ordinance addressing the short-term rentals. However, at the Legislation and Ordinance Committee meeting discussing the first draft, it was suggested that short-term rentals should be handled similar to most other cities, which regulate them through a rental ordinance along with other rental properties. The City of Marshall is the only city among comparable cities (and one of very few cities of similar size in the State of Minnesota) that does not have a rental ordinance. It is home to a four year college, which increases demand for rental properties, and with 44% of the population renting, Marshall is near the top of the list for such percentage in Minnesota. The City has a Housing Code that has been in place for several decades, but it is enforced on a complaint basis only without regular inspections.
	The ordinance currently presented for consideration is generally based on similar ordinances from comparable cities. However, its main feature is that it does not introduce any new requirements and uses the existing Housing Code as a reference instead of creating a list of the new requirements. Further, a list of specific building features that would be inspected has been created (see attached) to limit the subjective factor of specific inspectors doing inspections. Thi list is limited to life safety features and a few obvious livability items, such as working toilets. I is staff's opinion that practically all multiple family rental buildings would meet all requirement with few exceptions. However, some single-family rentals may have to do some work. Additionally, some responsibilities, such as maintaining smoke alarms (except changing batterie every year), will be placed on tenants rather than landlords. Short-term rentals are addressed as separate section within this Ordinance. Staff would also recommend amending the ordinance by allowing renting to more than three unrelated adults with a Conditional Use Permit, which woul expand rental opportunities for college students living in single family houses.
	The proposed process for implementing this ordinance may include several phases and may be done in collaboration with our Fire Department. The City may start with voluntary registration and consider reducing or waiving a fee for this step as an incentive. Inspections will be conducted by current Community Planning department staff as time permits, mostly in the wintertime. All properties passing inspections will be issued a compliance certificate that they will be able to use as a marketing and promotional tool. The City will keep a list of certified properties and will be able to provide it upon request to prospective tenants or post on the City's website.
em 16.	After a certain period, registration shall become mandatory. Again, inspections will be conducted as time permits by existing staff. At this stage, enforcement will be limited with ample time given to correct violations (with few exceptions for low cost and high danger items, such as smoke and CO alarms). Non-compliant properties will be permitted to continue operations until compliance will be required for issuing a license necessary for continuing

	 operations as a rental property. The timeframe for implementation may be stretched for several years. Additional flexibility may be achieved by starting with certain types of properties and extending implementation to other types at a later stage. The license term is currently proposed to be three years. The fee determination is currently open, but it will be based on actual time estimate for inspections and will be within the range of rental fees of comparable cities. Staff will discuss fees with the Ways and Means Committee at a later date. The current ordinance was presented to the Legislation and Ordinance Committee in December and received generally positive review. Staff suggests that this draft be discussed with local landlords/property owners prior to presenting a final draft to the Council for introduction. Landlords' input, just like input from all interested parties, would be a valuable tool for finalizing this Ordinance.
Fiscal Impact:	At this time, staff is seeking Council's approval to continue forward with the proposed ordinance and proposed inspection list as written. Staff understands that the Council may wish to adjust some ordinance or inspection list language at a later date and/or incorporate some landlord input. As mentioned above, fees will be discussed later, but they will be comparable to other cities. The purpose of this Council authorization is to obtain Council approval to call for a meeting with our community's landlords. None.
Alternative/	None.
Variations:	
Recommendations:	Staff recommends that the Council directs staff to seek input from local landlords for further development of the City Rental Ordinance before presenting a final draft to the Council committees and the full Council for Ordinance introduction.

CITY OF MARSHALL

APARTMENT BUILDING COMMON AREA INSPECTION

Building Address:	Date:
Owner/Manager:	(print)(signature) Time:
Inspector:	
*	<u>SUMMARY</u> e City of Marshall Code of Ordinances Chapter, inspection of the above ing violations and/or deficiencies were noted requiring corrective action.
All corrections must be completed i	ndays from the date of this inspection.

Re-inspection is required. Contact the City of Marshall at (507) 537-6773 to schedule a re-inspection after all corrections have been completed.

Items marked below with an "X" have been found to be in violation of rental maintenance standards.

CITY OF MARSHALL RENTAL UNIT INSPECTION

Building Address:______Date: _____

Owner/Manager:______(signature) Time:______

Unit #:			
Inspecto	or:		

SUMMARY

In accordance with the provisions of the City of Marshall Code of Ordinances Chapter _____, inspection of the above property was completed and the following violations and/or deficiencies were noted requiring corrective action.

<u>All</u> corrections must be completed in _____ days from the date of this inspection.

Re-inspection is required. Contact the City of Marshall at (507) 537-6773 to schedule a reinspection after all corrections have been completed.

Items marked below with an "X" have been found to be in violation of rental maintenance standards.

	RENTAL UNIT #:				
	Heat (unit is warm – if winter inspection)				
	Electrical (switches and outlets must have covers; bathrooms lights work.)				
	Unit/Garage Separation - if applicable (the wall - and/or ceiling - between garage and unit must have gypsum board on garage side.)				
	Building Address – if applicable (four-inch minimum height, contrasting colors.)				
	Dryer (dryer venting is correct – visual inspection only, inside and outside)				
	Doors & Windows (bathroom doors and windows operational as designed.)				
	Proper Locking Devices (occupants are able to exit the unit freely and may lock the entry door from inside)				
	Smoke Detectors Present and operational (in and out of bedrooms; min 12" from walls and ceilings; beeps; less than 10 years old)				
	CO Detector Present and operational - if required (outside of, but within 10' of, all sleeping rooms; beeps.)				
	Structure Dangerous or Unfit for Occupancy (structural failure, missing deck boards or guardrail, fire/life/safety imminent concern, etc.)				
	Pest Infestation (no visible signs of roaches, rodents, or bedbugs - visual review only.)				
	Egress Windows in Sleeping Rooms (each bedroom has an openable window)				
	Major Plumbing in Proper Working Order (toilets flush, tub/shower/kitchen sink have hot water, water heater safety - visual only)				
Note

Chapter 18 – Buildings and Building Regulations

Article VIII – Rental Code

Section 18-137 – Findings, purposes, and scope.

(a) Legislative finding. It is hereby found that there exist and may in the future exist, within the City, residential rental premises, rooming units or parts thereof, and renter-occupied mobile homes which, by deficiencies in their structure, equipment, sanitation, maintenance, use or occupancy, affect or are likely to affect adversely the public health, including the physical, mental and social well-being of people, their safety, and general welfare. To correct and prevent the existence of such adverse conditions, to achieve and maintain such levels of residential environmental quality that will protect and promote public health, safety and general welfare, preserve property values and prevent blight, it is further found that the establishment and enforcement of minimum rental housing standards are required. It is further found that a municipal registration and inspection program is appropriate to effectively enforce residential rental unit maintenance standards and correct or prevent law violations, nuisances and other disturbances and disorders involving residential rental units within the City.

(b) *Purpose.* It is hereby declared that the purpose of this Article is to protect, preserve and promote the physical and mental health and social well-being of the people, to prevent and control the incidence of communicable diseases, to reduce environmental hazards to health, to regulate rental units for the purpose of maintaining adequate sanitation and public health, to maintain a quality of character and stability of rental housing, to prevent possible blight, to protect the safety of the people, and to promote the general welfare by legislation, which shall be applicable to all rental units, as defined herein, now in existence or hereafter constructed. It is hereby further declared that the purpose of this Article is to ensure that the quality of rental units is adequate for protection of public health, safety and general welfare; and to determine an adequate level of maintenance, the responsibilities of owners, operators and occupants of dwellings, and provision for the administration and enforcement thereof.

(c) *Scope.* The provisions of this Article shall apply uniformly to the construction, maintenance, use, and occupancy of all rental units, inclusive of rental units in mixed-use structures, and to all renter-occupied mobile homes within the jurisdiction of the City, irrespective of when or under what code or codes such buildings or structures were originally constructed or rehabilitated. However, the provisions of this Article shall not apply to county, state, or federally licensed facilities/units that are generally regularly inspected by the applicable agency, and to college dormitories.

Section 18-138 - Definitions

CITY. The City of Marshall or its representative.

DWELLING. Any building or other structure, including a manufactured home, which is wholly or partly used, or intended to be used, for living and sleeping by human occupants on a permanent basis. Consequently, hotels and motels are not considered dwellings.

OCCUPANT. Any person residing in a rental unit on a permanent or temporary basis.

PERMANENT BASIS. Any consecutive term 30 days or more or inconsecutive terms adding up to more than 30 days in a calendar year.

PROPERTY MANAGER. A natural person who is authorized by the rental unit owner to make decisions for the owner about rental, occupancy, and maintenance of the rental unit.

RENT or LEASE. The offering of a rental unit to a non-owner for a fixed or non-fixed period of time of at least 30 days, based on a written agreement covering applicable conditions, and with rent paid in money or labor, whereby non-payment of a periodic payment means the occupants may be evicted without the necessity of either a statutory mortgage foreclosure procedure, a statutory termination of contract for deed procedure or a statutory repossession procedure.

RENTAL UNIT. Any house, apartment, condominium, townhouse, manufactured home, or room or group of rooms constituting, or located within, a dwelling and intended for lease or rent to a person or a group of persons. Consequently, hotel and motel rooms are not considered rental units.

SHORT-TERM RENT. The offering of a rental unit to a non-owner for a fixed period of time of less than 30 days, based on a written agreement covering applicable conditions.

Other applicable terms are as defined in the State Building Code.

Section 18-139 - Conflict of Ordinances; effect of partial invalidity

(a) In any case where a provision of this Article is found to be in conflict with a provision of any zoning, building, fire safety or health ordinance or code of the City existing on the effective date of this section, or of any state or federal statute, rule or regulation, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail. In any case where a provision of this Article is found to be in conflict with a provision of any other ordinance or code of the City existing on the effective date of this section which establishes a lower standard for the promotion and protection of the health and safety of the people, the provisions of this Article shall be deemed to prevail to the extent allowed by the State and Federal law.

(b) If any division, paragraph, sentence, clause, or phrase of this Article should be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Article, which shall remain in full force and effect; and to this end, the provisions of this section are hereby declared to be severable.

Section 18-140 – Registration and licensing requirements.

(a) No person or entity may hereafter allow to rent or lease their rental unit within the scope of this Article to another person or entity for occupancy unless that rental unit is registered and licensed as required by the Article.

(b) Each rental unit shall have separate registration except dwellings containing multiple rental units accessed by common entryway, in which case one registration shall be required for the entire dwelling, unless rental units within such dwelling have different property owners. When multiple dwellings containing rental units exist on one property, a separate registration shall be required for each dwelling.

(c) Each rental unit must have an owner who resides within 20 miles of the City or a designated property manager who shall be able to provide a reasonable response time to occupants' complaints or maintenance requests.

(d) Any person or entity desiring to rent or lease their rental unit shall apply for registration by using forms furnished by the City for that purpose. The applicant must provide the following information:

- (1) Name, address, phone number, and e-mail address of the property owner.
- (2) Name, address, phone number, and e-mail address, of a designated property manager, if any.
- (3) The full street address of the rental property.
- (4) For dwellings containing multiple rental units, a sketch of the property to be rented identifying all rental units by number, and a sketch of the parking lot, unless all required parking is provided within enclosed garages or off-street parking is not required by Ordinance.
- (5) The number and types of rental units within the rental property.
- (6) The maximum number of bedrooms and occupants permitted for each rental unit.
- (7) Appropriate insurance including liability insurance for a minimum amount of \$1,000,000.00.
- (8) An acknowledgment that the applicant has reviewed and understood the provisions of this section, intends to abide by the provisions and will include reference to this section in any written agreement used in renting the property.
- (9) A preferred method of receiving communication from the City, which shall be either first class US Mail or e-mail.

Section 18-141 – Registration; license issuance and renewal; license terms

- (a) The initial registration of existing rental properties must be done by January 1, 2021. Thereafter, all rental units brought to the market must be registered and licensed prior to occupancy.
- (b) Upon receipt of a completed registration application, payment of all registration fees, and successful completion of all required inspections for compliance with Section 18-145 Maintenance standards, the City shall issue a license to the applicant for the specified property for the term determined by this Section.
- (c) A provisional license may be issued after initial registration for a period of up to 12 months until the City conducts the first complete inspection of the facility. Such license shall clearly state its provisional nature and shall include a disclosure that the dwelling or rental unit has not been inspected for compliance with Section 18-145 Maintenance standards.
- (d) After issuing the initial license for specified property, the City will deliver, by the owner's preferred method of communication indicated on the registration form, a license renewal application to rental unit owners or their designated property managers on or before January 1st of the license expiration year. Completed license renewal application must be delivered to the City no later than March 1st of such year. Failure of the City to deliver

renewal application and/or failure of an owner or local property manager to receive a renewal application, does not excuse or waive the license required by this Article.

(e) The license term shall be two years for all rental units within dwellings consisting of one or two units and shall be three years for all other dwellings and/or rental units.

Section 18-142 – Transfer of property

Every new owner of an existing rental unit shall furnish to the City the information as listed in Section 18-140 (d) before taking possession of the rental property upon closing the transaction. No new registration fee is to be required of the new owner during the year in which such possession takes place, provided that the previous owner has paid all registration fees and has complied with all requirements of this Article and corrected any violations of health, zoning, fire or safety codes of the city or state law. If any change in the occupancy as originally registered is contemplated by the new owner, a new registration application will be required.

Section 18-143 – Posting of license

Each rental unit registration holder must post the rental unit license, retain a copy of the rental unit registration on file, and be able to produce said copy upon demand. Such license shall be posted in a conspicuous spot near the common front entry, such as a public corridor, hallway or lobby, for dwellings containing multiple rental units, or inside individual rental units for dwellings without common front entry.

Section 18-144 – Fees.

The council may, by resolution, establish fees for the filing of applications for rental unit registration and license, license renewal, and other related activities. The fee shall be paid before the application shall be considered and shall not be refundable.

Section 18-145 – Maintenance standards.

(a) Every rental unit must be maintained by its owner in compliance with the current City Housing Code and relevant provisions of the City Ordinance and State Fire Code. Rental unit registration or granting a license does not constitute certification of full compliance with such codes, standards, ordinances or statutes by the City.

(b) Responsibilities of occupants.

- (1) Every occupant of a rental unit shall make no modifications to the rental unit that would make that unit non-compliant with this Section.
- (2) Every occupant of a rental unit shall not remove any smoke or CO detectors or remove the batteries powering the said detectors or render them inoperable in any other way; regular yearly replacement of old batteries is the responsibility of the owner.

- (3) Every occupant of a rental unit located in dwellings containing four or fewer rental units shall store and dispose of their rubbish, garbage, refuse and any other waste in accordance with the City Ordinance and shall not accumulate any of the above on the property. Every occupant of a rental unit located in dwellings containing more than four rental units shall store and dispose of their rubbish, garbage, refuse and any other waste in accordance with their lease or rental agreement and, if collected outside, within garbage enclosure provided by the owner.
- (4) Every occupant of a dwelling containing a single rental unit shall be responsible for the extermination of bed bugs and roaches on the premises.

Section 18-146 – Inspections and investigations.

(a) Initial inspections of all registered properties will occur within a year of the registration. Properties will have re-inspections done on a schedule determined by license renewal terms in accordance with Section 18-141. The City shall have the right to make additional inspections of all properties based on complaints of landlords, tenants, occupants, neighbors or other individuals.

(b) All persons authorized by the City to inspect rental units shall have the authority to enter, with three days' notice to the registration holder or property manager, any rental unit or dwelling containing a rental unit, registered or required to be registered, for the purpose of enforcing this Article. All registration holders shall, as a condition of registration, consent to such entries for inspection without warrant, and shall include, as a condition of any lease or rental agreement with any tenant or occupant, that such tenants or occupants consent to such entries for inspection without warrant. This provision does not limit or preclude any other right of entry authorized by law.

(c) Initial inspections of all registered units and all re-inspections required for license renewals shall be based on the "Rental Properties Inspection Checklist" developed by City staff. Such inspections will not constitute certification for full compliance with all codes, standards, ordinances or statutes by the City beyond inspected items.

(c) Written notice of a violation of this ordinance shall be delivered, by the owner's preferred method of communication indicated on the registration form, directly to the address of the registration holder as shown on the registration application file. The notice shall contain a compliance date and shall advise the registration holder that the property will be re-inspected after that date.

Section 18-147 – Failure to grant registration; revocation; suspension of failure to renew registration.

(a) The City reserves the right to not register a rental unit in case it does not comply with the requirements of this Article, has unresolved City Ordinance violations, or is a subject of unpaid taxes and assessments.

(b) Any registration issued under this Article is subject to the right, which is hereby expressly reserved by the City, to deny, suspend, revoke or not renew the license should the registration holder or their agents, employees, or representatives, directly or indirectly, provide false or misleading information on application, fail to pay appropriate fees, or fail to comply with the

requirements of this Article in any other way, including, but not limited to, refusal to provide access to premises for inspections or operate and maintain the dwelling or rental unit in according to Section 18-145 Maintenance standards of this Article, any ordinance of the City, any special permit issued by the City, or the laws of the state. However, a license shall not be denied, suspended, revoked or not renewed if the registration holder complies with a correction order or orders in a reasonably timely manner as determined by the City.

(c) The City shall notify the applicant that registration has been denied, or the registration holder that license is being suspended, revoked or not renewed. The suspension, revocation or non-renewal shall occur 30 days after the date of the notification order, or at such later date as set out in the notification. Additionally, the revocation shall never occur until a 60-day minimal grace period of suspension.

(d) Any applicant or registration holder, whose application for registration or renewal, respectively, is denied or whose license is suspended or revoked, may request, and shall be granted, a hearing in the matter before the City Council. The request shall be made in writing and shall state the City action being appealed and the reason for appeal. The request shall be made within 14 days of the City action and the hearing shall be granted within 30 days of the request.

Section 18-148 – Special conditions for short-term rental units.

- (a) No additional occupancy in recreational vehicles, campers, tents, etc. shall be permitted. Off-street parking shall be provided as required by the parking Ordinance. No more than one guest parking on the street shall be permitted.
- (b) Exterior appearance, landscaping, and lighting shall be compatible and blend with the neighborhood. No identification signs shall be permitted.
- (c) The property shall not be listed for sale at the time of initial application for registration or any license renewals.
- (d) If the short-term rental unit is located in an R-1 single family residence district or an R-2 one to four family residence district, the property lines shall be clearly marked with hedge line, fencing, corner posts, etc. If pets are permitted, the entire yard shall be fenced off with a solid fence.

Section 18-149 – Conduct on registered premises

(a) The registration holder shall be responsible for preventing repeat instances of disorderly conduct by tenants, occupants, members of their households and guests on premises. For the purposes of this section, "disorderly conduct" means any offence involving public safety, public peace and order, and public moral as defined in Chapter 42 of the City Ordinance or violation of any State or Federal law of same nature, that generate police involvement.

(b) If more than three instances of disorderly conduct occur on the premises within twelve consecutive months, the registration holder may be issued a written warning. Another instance of a disorderly conduct within four months of a warning issuance or issuance of two warnings within any three-year time period may be a reason for license suspension.

(c) No suspension or revocation shall be imposed where the instance of disorderly conduct on premises occurred during the pendency of eviction proceedings (unlawful detainer) or within 30 days of notice given by the registration holder to a tenant to vacate the premises where the disorderly use was related to and occurring in the unit for which eviction proceedings were undertaken or notice to vacate was given. Eviction proceedings shall not be a bar to sanctions unless they are diligently pursued by the registration holder.

Section 18-150 – Interim housing

As a condition of receiving a rental unit registration, the registration holder agrees that in the event that the registration or license is denied, suspended, revoked or not renewed due to the action or inaction of the registration holder, all tenants or occupants of the rental unit shall be provided, at the registration holder's expense, suitable interim housing similar to the registered unit. The registration holder shall provide such interim housing until the registration and/or license for the unit is restored or until the end of the lease term, whichever is shorter.

Section 18-151 – Applicable laws

Registration holders are subject to all of the ordinances of the City and state relating to rental dwellings and this Article shall not be construed or interpreted to supersede or limit any applicable ordinance or law.

Section 18-152 – Violations; injunctive relief.

(a) Nothing in this Article prevents the City from taking enforcement action under any of its fire, housing, zoning, health safety or other codes, ordinances and state laws for violations thereof, or to seek injunctive relief and criminal prosecution for violations of any ordinance, code or law. Nothing contained in this Article prevents the City from seeking injunctive relief against a property owner or designated property manager who fails to comply with the terms and conditions of this Article or to obtain an order closing such rental units until violations of this particular Article have been remedied by the property owner or designated property manager.

(b) Violation of this Article is a misdemeanor and each separate day on which a continuing violation occurs is a separate violation. All costs of prosecution for such misdemeanor will be assessed to the property owner.

(c) No provision of this Article designating the duties of any official or employee of the City shall be so construed as to make such official or employee liable for the penalty provided in this Section due to failure to perform such duty.

CITY OF MARSHALL AGENDA ITEM REPORT

Meeting Date:	Tuesday, February 8, 2022
Category:	NEW BUSINESS
Туре:	ACTION
Subject:	Consider Appointments to the Various Boards, Commissions, Bureaus and Authorities.
Background Information:	The City of Marshall has various openings on the Boards, Commission, Bureaus and Authorities
	Applications received are for the Community Service Advisory Board and Library Board.
	Community Service Advisory Board:
	Sue Versaevel to an unexpired term set to expire 2/28/2025
	Raphael Onyeaghala to an unexpired term set to expire 2/28/2025
	Library Board:
	Anne Marie Vorbach to an expired unexpired term set to expire 12/31/2023
Fiscal Impact:	
Alternative/

Administration

- This past month's work including many meetings regarding the aquatic center and preparing for the sales tax resolution that was adopted by the Council on January 25th. The adopted resolution was submitted to the Tax Committee Chairs on Friday of last week and the following cities are embarking on trying to achieve sales tax authority in addition to Marshall:
- 1 Aitkin
- 2 Blackduck
- 3 Bloomington
- 4 Brooklyn Center
- 5 East Grand Forks
- 6 Edina
- 7 Golden Valley
- 8 Henderson

- 9 Marshall
- 10 Park Rapids
- 11 Proctor
- 12 Rochester
- 13 Roseville
- 14 Winona County
- 15 Rice County
- 16 Grand Rapids
- CGMC Lobbyist Marty Seifert has begun discussing with Rep Swedzinski and Senator Dahms. As more develops on language written in proposed legislation, I will ensure you are updated.

- Several meetings occurred this past month regarding the city's 150th celebration and upcoming events. The city has started to post historical photos each Monday in honor of the 150th, a press release was also issued announcing the upcoming 150th and hopeful event planning.
- HR Director Dubs and I have been discussing the updated comparable worth plan and readying it for February 8th Council mtg. Director Dubs has been doing a tremendous amount of analysis and thought process on the changes. We hope to have formal action taken by the Council on February 22nd with the adoption of the study. Soon thereafter, we will begin to negotiate with the bargaining units.
- The remainder of the month included various meetings with staff, phone calls/meeting with council and the public, a presentation on city and SMSU topics to the SMSU Foundation Board, monthly newspaper article, monthly radio interview.

Economic Development

- Market Street Mall: Staff was notified that an LOI has been signed on the mall property and the selling agent is currently working on a Purchase Agreement for the sale. We are not able to share at this time who the new ownership is until the Purchase Agreement has been signed and due diligence begins. A rezoning and conditional use permit has been requested by the new owner which would be completed prior to the sale of the building.
- **Comprehensive Plan:** Staff continues to assist with the Comprehensive Plan update being conducted by SRF. An open house was scheduled for January 13th but was rescheduled to February 16th due to the current spike in COVID cases. As of Feb. 2nd, we have received 434 responses to our community survey (with a goal of 300). We will keep the survey open but will begin work on the next phase of the project.
- **Super 8:** The new owner of the Super 8 says there is a plan to open in early February. Staff is scheduling a time to tour the facility and meet the new ownership team.
- **Façade Improvement:** At the January EDA meeting, four façade improvement applications were reviewed and approved. Staff has received three additional applications that will be brought forth to the February meeting. Pending approval of new applications, approximately \$38,000 of the \$100,000 in total funds will be allocated to projects.

Human Resources

- Staffing update: the city welcomed Zachary Jacoby in the position of Plant Operator I with our wastewater facility in January, Peter Vue as Police Officer (starting 02/07/22), and E.J. Moberg as our Director of Administrative Services (starting 02/28/22). Jeff Wenker, Police Captain, has notified the city of his upcoming retirement in April; letters of interest are accepted to fill his position through an internal promotional process. Hiring for a variety of temporary and seasonal positions for Community Services and Public Works is on-going.
- Safety Program: in January, the City was notified that our MMUA Safety Consultant, Jordan St. Clair, resigned from MMUA to pursue another career opportunity effective January 21st. MMUA is actively recruiting to fill that position. We hope to have a new Safety Consultant by mid-March.
- Annual Employee Recognition Event: the annual Employee Recognition Event is rescheduled for March 11, 2022. An invitation, with opportunity to RSVP, will be coming soon.
- Classification/Compensation Study: staff are working closely with Gallagher in the final phases of this project. Gallagher has prepared a draft final report for staff review that, when finalized, will communicate the results of each phase of this project and recommendations to the Council.

We anticipate completion of the project by late February/early March. Gallagher will also conduct employee presentations, communicating the results of the study with employees.

Clerk

- Meeting with Staff to collect data and create a new formula for Township Fire Contracts.
- Created a draft ordinance for the City Council to consider redistricting. In keeping with Census efforts, the Count Question Resolution process is still being rolled out by the Bureau. This will provide the City an opportunity to formally challenge the results it received in the 2020 Census. The Census Bureau will also be launching a group quarter recount program this spring – more information to be released in the future.

COMMUNITY SERVICES

- The Adult Community Center recently completed their annual membership drive for 2022. To date, there are 556 members, down about 30 from the previous year.
- Cultures on the Prairie Conference returns in 2022 on Tuesday, February 15th on the campus of SMSU. Assistant Professor of Management and Director of the Center of Innovation and Entrepreneurship, Dr. George Taylor, will be the keynote speaker as you will experience the stories, history, and cultures throughout southwest Minnesota by listening and interacting with three select panels which will discuss the views from employers/workforce personnel, students, and adults. These panels will highlight challenges, successes, and opportunities as they relate to their specific culture.
- Winter 'Rock on Ice' returns to the Red Baron Arena & Expo on Saturday, February 19th. Students in 8th grade and under can enjoy ice skating and door prizes in an afternoon of funfilled enjoyment.
- City Band is planning to return this summer after a two-year pandemic hiatus. New and returning members should be receiving rehearsal/performance information by early April.
- MCS Staff recently secured over \$20,000 in grant funds for 'Pathfinders', an after-school enrichment program for 2nd - 4th graders.
- Staff has begun preliminary work on plans for restroom upgrades at Independence Park for 2022. The City follows a 10-year maintenance schedule on each of the parks' restrooms and shelters. With the anticipated completion of the trail reconstruction by July, Independence Park will have a significant facelift to celebrate the City's 150th birthday this summer.
- Winter/Spring recreation registrations went over the 500 mark in mid-January for twelve (12) different offerings. That number is outstanding factoring the challenges of a pandemic and cancellations/postponements due to weather.
- MCS received a generous donation from the local American Legion to help offset expenses in our summer 2022 T-Ball & Junior Baseball programs. This is the second consecutive year the Legion has provided financial assistance for these participants.
- Check out these two great public informational videos that Studio 1 TV staff produced recently. Marshall Aquatic Center Project Update <u>https://www.youtube.com/watch?v=h8lYrPicqoU</u> Marshall Parks & Recreation Community Survey Results <u>https://www.youtube.com/watch?v=gwDGYTNInnY</u>

Finance

No Report

Assessing

No Report

Liquor Store

- January Financials: Sales \$440,194.21 (9.4%), Customer Count 13,681 (8.25%), Ticket Average \$32.18 (1.05%). Sales and Customer Counts were down for the month compared to 2021. Ticket Average was still hanging strong. Weather may have some impact on the sales/customer count. January/February are traditionally a slower time frame after the Holidays. Comparing to 2020 Sales and Customer Counts were up significantly.
- Staff is working on several commemorative pieces for the 150th City Anniversary. Items included: Jack Daniels Single Barrel boxed set with logo rocks glasses, 2 varietals of Tribute wine with logo stemless wine glasses, logo wine bottle cork stoppers, logo bottle openers and logo freeze wine cups. We are shooting for a March release for most items.
- Work has started with Visit Marshall on the Made in Minnesota Craft Brewery Festival at the Red Barron Arena. Mark your calendars for May 14th from 3-6pm. Our goal is to have close to 30 breweries on site for this event. Tickets available soon.

COMMUNITY PLANNING

Building Services / Planning & Zoning

- Just under 300 open permits.
- The third Unique apartment building and Border State Electric building are the largest projects under construction. Ralco project permit has been approved.
- New permit software development implementation will begin this month.
- Sign Ordinance is under review.

PUBLIC WORKS DIVISION

Engineering

- Project Z83: James/Camden Minor punchlist items remain before completion.
- Project Z87: Diversion Channel Slope Repairs and Sheet Pile Removal R&G intends to complete this work in Spring 2022. Contract end date is October 14th, 2022.
- Project Z88: 2021 State Aid Overlay Replacement of pedestrian ramps on N. 4th Street adjacent to Walnut and Elm Streets is planned to be completed in Spring 2022.
- Project PK-001: Independence Park Trail Replacement Project A&C has completed trail replacement in the east portion of the park nearby the baseball fields and basketball court. Remaining trail will be replaced in Spring/Summer 2022.
- Project ST-001-2022: 2022 Chip Seal Project This project is currently advertising. Bids for this project will be opened on Wednesday, February 16th. An award recommendation is expected to be brought to the Council at their 2/22 meeting.
- Project ST-002-2022: 2022 Overlay Project Bids for this project were opened on Wednesday, February 2nd. An award recommendation is expected to be brought to the Council at their 2/8 meeting.

- Project ST-004: Halbur Road Reconstruction This project is currently advertising. Bids for this project will be opened on Wednesday, February 16th. An award recommendation is expected to be brought to the Council at their 2/22 meeting.
- Project ST-005: Rose and Addison Parking Lot Reconstruction Project plans are currently being developed.
- Project ST-006: SRTS School Pedestrian Crossing Improvements Staff is coordinating final requirements from MnDOT to receive authorization to bid. Staff is intending to request authorization for advertisement from the Council at their 2/8 meeting.
- Project ST-007: UCAP Bus Shelter Installations Project plans are currently being developed. Staff will recommend advertisement once plans are complete.

Wastewater

- Assisting the street dept. with snow removal.
- Working on control room flooring now that the plant project is done.
- Working on lift station and vehicle maintenance and cleaning.
- Staff has completed 323 preventative maintenance work orders in the last 30 days.
- Our 2005 influent screen machine has been rehabilitated to factory specs.
- Valve repairs to our ATAD standby generator has been completed.
- Cleaning and repairs to our west traveling bridge effluent filter have been completed.
- Manufactured and installed a safety railing for the long-term building's roof top access.
- Snow removal in the facility.

PUBLIC SAFETY DIVISION

FIRE DEPARTMENT

- The Fire Department responded to Nineteen (19) calls for service. Total calls for service included:
 - Fire/CO2 Alarm (9)
 - Fire; Structure (6)
 - Medical Assist (0)
 - Vehicle Accident (4)
 - o Other (0)

POLICE DEPARTMENT

• The Marshall Police Department responded to a total of 721 calls for the month of January. Sixty-Nine (69) criminal offenses were reported with a total number of twenty (20) adults arrested.

OFFICER'S REPORT

- o Alarms (15)
- o Accidents (33)
- Alcohol involved incidents (2)
- Assaults (4)

After several months of listing a vacant police officer position, a conditional offer was made and accepted by Peter Vue. Peter will begin the Field Training program on February 11th. The Field Training program is an intensive 16 week program that prepares the candidate for solo patrol.

Captain Jeff Wenker has submitted his resignation and intends on retiring from the Marshall Police Department in April, 2022. Captain Wenker has served our community for over 30 years and will be missed. Captain Wenker's resignation has allowed us to make a conditional offer to another candidate on the eligibility list. The conditional offer indicates employment would start in June, 2022. The promotional process will begin immediately to fill the Captain position once Captain Wenker retires. The Police Advisory Board will be included in the process. This process may create other movement within the police organization structure.

Three Ford Explorers (squad cars) ordered through Enterprise have been delivered and are being upfitted by Guardian. Repairs to the Community Service Vehicle were needed to be done and required 16 hours of labor to complete the engine work.

DETECTIVE REPORT

- A 23-year old Marshall man was arrested for Burglary, Indecent Exposure, and Disorderly Conduct at the conclusion of a burglary investigation.
- A 55-year old Marshall woman was arrested for possession of stolen property in Hennepin County after committing an auto theft in Marshall. The case has also been referred to the Lyon County Attorney's Office for consideration of auto theft charges.
- Two related cases of the theft of coins from laundry machines in apartment buildings are under investigation.
- A theft by a former employee at a Marshall business is under investigation.
- Two separate cases of financial transaction card fraud and two cases of check fraud are under investigation.
- Three cases of criminal sexual conduct were investigated in the month.
- Six additional theft cases and two additional burglary cases were investigated in the month of January.
- Three theft by swindle (Scam) cases and two identity theft cases were investigated.
- Thirteen child protection reports and four reports from the Minnesota Adult Abuse Reporting Center were investigated jointly with Southwest Health and Human Services.
- Pre-employment background investigations were completed on Police Officer candidates.

MERIT CENTER

- The Department of Public safety continues to utilize the driving track and skills pad for CDL exam testing. There were 14 exams completed on the track in January.
- In January, MN West conducted an industrial safety course, pilot car course and CDL training at the MERIT Center.
- On January 8-9, the National Fire Academy held a Fire Leadership course at the MERIT Center for 19 local firefighters. These individuals will return in February and March for the remainder of the 3 course series.
- Blue Fire Training, LLC conducted regional fire training utilizing the rescue tower and the pond on Jan 15-16. 17 firefighters participated in this training.
- On January 26 the Regional Communication Board conducted their board meeting at the MERIT Center with 28 people in attendance.
- Ag Country hosted their annual Winter Farm Forum at the MERIT Center on January 27. 51 participants attended this event.
- The MERIT Center was utilized 22 out of 31 days in January with 209 participants attending these events/trainings.
