COUNTY MANAGER REPORT

County Manager, Adam Mestres, presented a monthly overview of Morgan County government's current projects and/or issues.

JAMES & STEPHANIE HARDEN ARE REQUESTING A VARIANCE TO THE REAR SETBACK FOR 5.39 ACRES LOCATED AT 1050 SAILVIEW DRIVE (TAX PARCEL 065C-001)

James & Stephanie Harden are requesting a variance to the rear setback for property located at 1050 Sailview Drive. The property is 5.39 acres, which makes it one of the largest lots in the Sailview subdivision. The Sailview regulations require a 100' setback, and the Harden's are requesting a 40' variance to the periphery setback.

Chairman von Hanstein allowed proponents to speak:

Applicant, James Harden spoke in favor of the application. He stated the request does not negatively impact the neighbors or subdivision. The Harden's have conducted drainage and soil tests that show the desired placement of the house will allow the basement structure to be located in dry soil.

Chairman von Hanstein allowed opponents to speak:

No one spoke in opposition.

No action was taken. The applicant withdrew the application to work with the Planning Staff on a 20' variance instead of the 40' variance.

STUART MAGILL IS REQUESTING CONDITIONAL USE APPROVAL OF AN ACCESSORY DWELLING ON 15.1 ACRES LOCATED AT 1200 WHITE OAK WAY (TAX PARCEL 066C-022)

The applicant is requesting approval for an accessory dwelling on 15.1 acres. The applicant has submitted a building permit application for a three-bedroom principal dwelling. They are waiting to pick up the application until a decision is made today regarding the conditional use request as they want to construct both dwellings at the same time. If approved, the site plan shows the dwellings will share the same driveway. Planning staff would ensure the same meter and address during the building process.

The accessory dwelling would be located approximately 40' from the primary dwelling. The primary dwelling is 4,890 square feet (2,445 heated) and contains 3 bedrooms. The accessory dwelling would be 600 square feet, located on the 1st floor of the garage behind the garage parking area. The floorplan shows a one bedroom/bathroom and living/kitchen area. The planning

commission was concerned the garage appears to have a second floor. The applicant said the second floor would be unfinished.

The applicant's letter states that the accessory building apartment is desired so that visiting relatives will have a place to stay. Consideration should be given to whether this use will meet the intent of the Ordinance, which states the primary purpose of accessory dwellings and accessory building apartments is to provide living quarters for family members to provide care to relatives in need of assistance.

The Planning Commission vote was tied and broken by the Chairman in favor of the applicant.

Chairman von Hanstein allowed proponents to speak:

Applicant, Stuart Magill spoke in favor of the application. Mr. Magill stated the accessory dwelling would be used to house his adult children and in-laws when they visit. He also stated, he does not intend to rent the dwelling.

Chairman von Hanstein allowed opponents to speak:

No one spoke in opposition.

MOTION by Commissioner Kurtz, seconded by Commissioner Harris to approve the conditional use request for an accessory dwelling on 15.1 acres located at 1200 White Oak Way with the following conditions: the primary dwelling and accessory dwelling must share a driveway and meter, both dwellings must have the same architecture, the accessory dwelling is for private use only, and the accessory dwelling cannot be rented. Unanimously Approved.
