MINUTES

January 02, 2024 BOC Meeting

<u>Motion</u> by Commissioner McCormack, Seconded by Commissioner Riden to approve the minutes as presented. Motion Passed Unanimously.

PARCEL 31 ROW CITY OF MADISON SIGNAGE

On 08/15/2023 the BOC accepted an offer from GDOT for the purchase of ROW on Hwy 441 at the Public Works Facility and Transfer Station. Part of the offer package included \$14,800 for the value of the "Welcome to Madison" sign on the far corner of the county parcel at the transfer station. The City of Madison is negotiating with GDOT to increase the value of the signage for them to move and/or rebuild the sign. As such, GDOT has requested that the county reimburse the \$14,800 slated for the "Welcome to Madison" sign back to GDOT's closing attorney James, Bates, Brannan & Groover, LLP. GDOT will handle direct negotiations with the City of Madison and issue them any funding directly to the city when they agree upon a settlement.

<u>Motion</u> by Commissioner McCormack, Seconded by Commissioner Riden for the county to reimburse GDOT the fair market value of the "Welcome to Madison" sign in the amount of \$14,800. Motion Passed Unanimously.

PUBLIC SAFETY CENTER HVAC REPLACEMENTS

Replacement of rooftop HVAC units at the Public Safety Complex were planned to be completed in upcoming fiscal years from SPLOST funding. However, due to age and current repair needs, nine of the units need replacing now. An RFP has been issued and bids are due January 19, 2024. Request motion to approve the replacement of the units not to exceed \$300,000 from SPLOST funds.

<u>Motion</u> by Commissioner Riden, Seconded by Commissioner McCormack to approve the replacement of HVAC units at the Public Safety Center not to exceed \$300,000 from SPLOST funds. Motion Passed Unanimously.

PURCHASE OF ATV AND TRAILER

This request is for approval to purchase a Kawasaki Mule 4010 and a trailer to help with inspections for erosion and sediment control and other inspections of large developments in the County. The mule will have more accessibility and speed up the time to inspect areas that are

inaccessible via truck. Bids were obtained. Request a motion to approve the purchase of UTV and trailer from Youngblood for \$ 14,670 from SPLSOT funding.

<u>Motion</u> by Commissioner McCormack, Seconded by Commissioner von Hanstein to approve the purchase of a UTV and trailer from Youngblood for \$14,670 from SPLOST funding. Motion Passed Unanimously.

PERSONAL TIME OFF (PTO) POLICY REVISION

On 01/04/2023 the BOC approved the PTO policy. Upon a recent review of the policy, it was noted that a carryover provision from the PTO Conversion policy adopted on the same day related to PTO accruals for 24-hour fire personnel was not laterally transferred. This update provides for the same verbiage from the PTO conversion policy. Section N(v) of the PTO policy will need to be updated as follows: At the end of each calendar year, a maximum of 350 PTO hours for regular full-time personnel and 525 hours for 24-hour fire personnel may be carried over into the new calendar year. Any PTO leave in excess of 350 hours for regular full-time personnel and 525 hours for 24-hour fire personnel at the end of the calendar year will be converted to Catastrophic Leave.

<u>MOTION</u> by Commissioner Riden, seconded by Commissioner McCormack to approve the revision to the Personal Time Off (PTO) policy as presented. Motion Passed Unanimously.

This form is intended to effectuate reasonable and controlled access to the public meetings held by the Morgan County Board of Commissioners. The Georgia Open Meetings Act, O.C.G.A. § 50-14-1, give "the public" the right to attend the meetings of governing bodies of agencies, with exceptions for closed meetings as outlined in O.C.G.A. § 50-14-3. Georgia law allows the governing body conducting the meeting to administer and effectuate any rules necessary for comments at their own meetings.

Summary of Request:

Would the Board of Commissioners consider an administrative variance regarding Article 2 of Morgan County's development regulations stating: "No further subdivision of the original parcel or resulting parcels from a minor subdivision will be permitted for three (3) year after the date of Minor Subdivision approval. Parcels created as the result of a Minor Subdivisions shall only be further subdivided as a Major Subdivision, involving the installation of a new street."

Reasoning: The understood intent of said article is to prevent the unwanted rapid development of agricultural land into small parcels without adequate road frontage. Current owners Dustin and Janeah Weaver for the parcel located at 1170 Nolan Store Rd. purchased tract three consisting of approximately 35 acres through a USDA Farm Service Loan with associated farm plan in August of 2023. This farm land purchase is intended to support beef cattle operations. The owners have applied to continue the 10 year conservation status. The reason for subdividing this parcel is to secure a primary lien on 5 acres for United Bank to build a primary residence for Dr. Weaver's family. United Bank needs this lien to provide a construction loan for the primary residence. However, the 35 acres must be subdivided, removing 5 acres for the house to secure such lien. The currents owners will remain the owners of both parcels throughout the process and well after the residence is constructed. As the current owners, the Weavers have never subdivided their acreage. The last subdivision was made in April of 2023 by the Sidewells in order to sell the property. Terms of the conservation as well as the USDA farm plan would prohibit further division of the property for development. The Weavers currently own a herd of cattle in Morgan County. Dr. Weaver serves the producers of the region as the only cattle veterinarian available to cattle producers. The current parcel as over 300 ft of road frontage on Nolan Store and the home construction is currently underway with building permit approved at Morgan County.

RE: Dustin Weaver Construction Loan

To whom it may concern,

This letter is being written to explain the necessity for United Bank to be in 1st lien position for a construction loan to Dustin Weaver. Upon review of the property owned by Mr. Weaver it was understood that USDA had facilitated the loan for the purchase of the property. The application made to United Bank for a construction loan would only be possible for approval with a 1st lien position. Given the size of the property and associated loan there was no feasibility to pay off the existing debt. The only way this would be possible would be the release of a portion of the property, as designated by a new survey, and upon an agreed principal reduction with USDA. This would allow Mr. Weaver to pledge the unincumbered property as collateral for a construction loan on his primary residence. United Bank's construction loan would only be possible for the financing of his primary residence. Please feel free to contact me with any further questions on this matter.

Thank You,

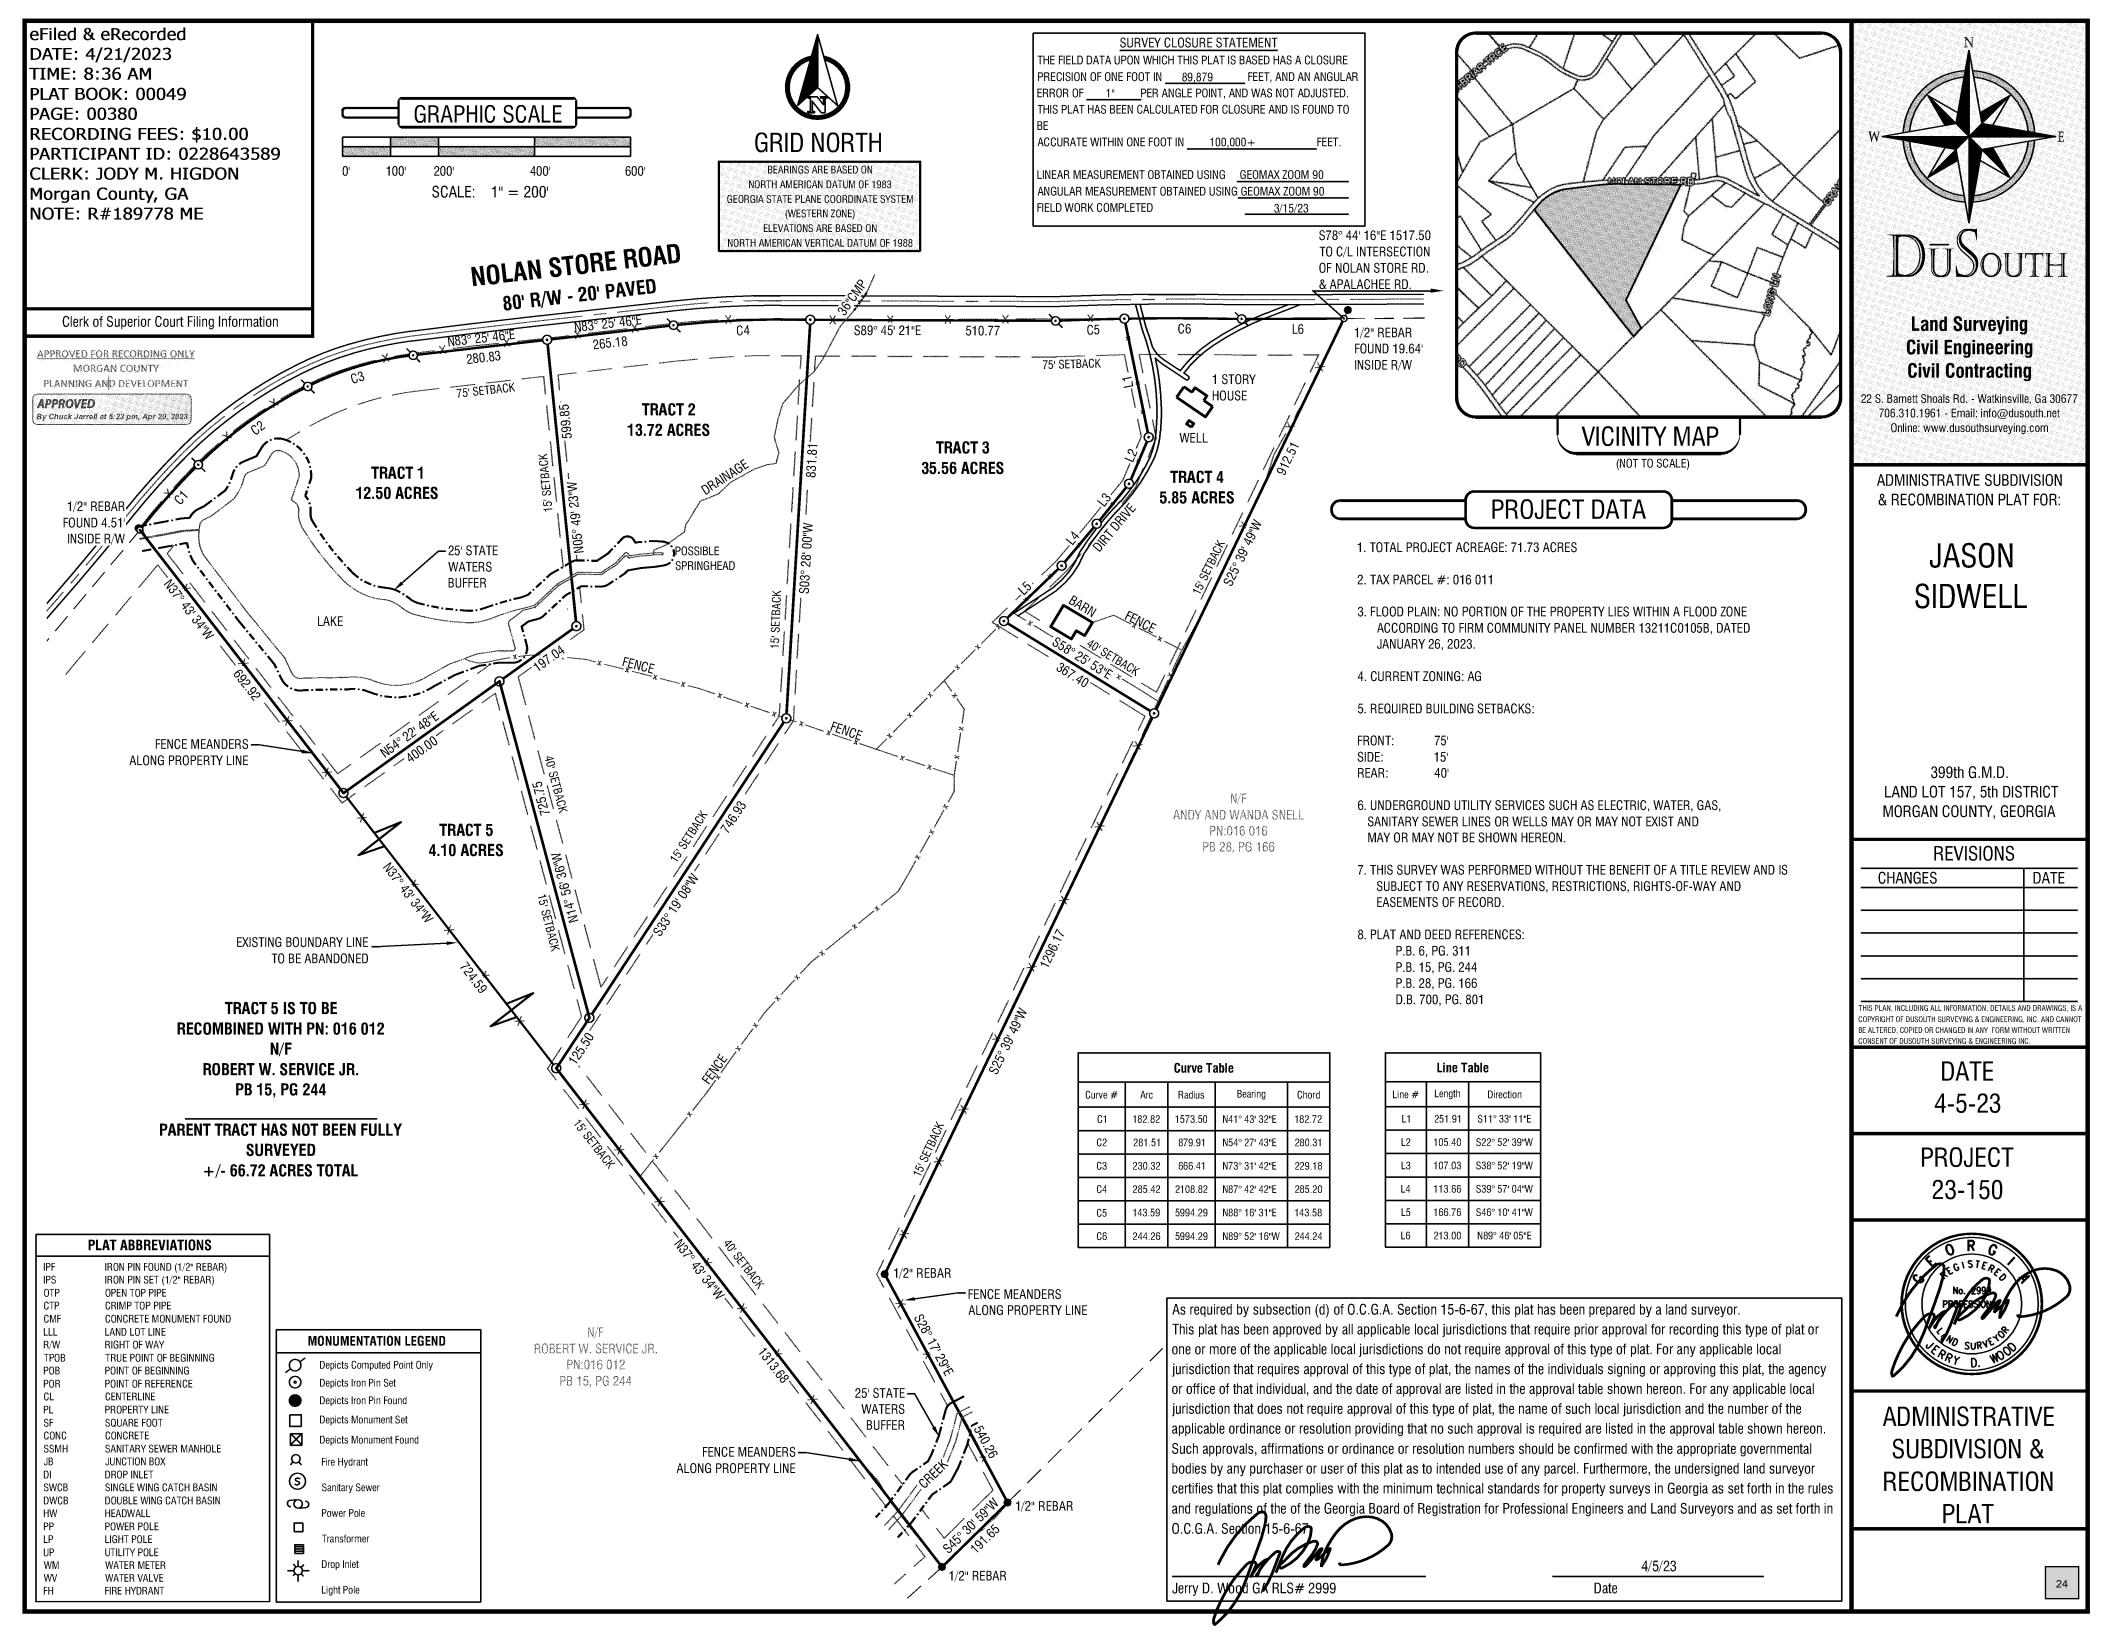

Heath Edwards

Statewide Mutual Aid Agreement (SWMAA) FAOs

Why do I need to do this?

Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and reimbursement of costs incurred by those parties who render such assistance. This agreement also provides the framework to support mutual assistance in managing an emergency or disaster occurring within any political subdivision that is a Participating Party, whether arising from natural disaster, technological hazard, human caused disaster, civil emergency, community disorders, insurgency, enemy attack, acts of terrorism, or other significant events or homeland security activities.

What other jurisdictions are involved?

Participating Party means a county or municipality of the State of Georgia that has become party to this Agreement by its approval and execution of this agreement. Your GEMA/HS EM Field Coordinator can assist you with this.

What kind of assistance are we talking about?

"Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.

Who will our resources be working for?

The Assisting Party's mutual aid resources will continue under the command and control of their own supervisors, but the organizational units will be under the <u>operational</u> control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

What if my jurisdiction doesn't want to send resources?

A jurisdiction may withhold resources to the extent necessary to meet the current or anticipated needs of the jurisdiction's own political subdivision.

What about liability and reimbursement?

Those issues are covered in Article VI Liability and Immunity, and Article VIII Reimbursement in the Agreement.

What if my jurisdiction wants to withdraw from this agreement?

Any Participating Party may withdraw from this Agreement by mailing notice of withdrawal, approved by the governing authority of such political subdivision, but no such withdrawal shall take effect until 30 days after the governing authority of the withdrawing political subdivision has given notice in writing of such withdrawal to the governing authorities of all other Participating Parties. Such action shall not relieve the withdrawing political subdivision from obligations assumed hereunder prior to the effective date of withdrawal.

STATEWIDE MUTUAL AID AND ASSISTANCE AGREEMENT

County/Municipality: Morgan County

The State of Georgia is vulnerable to a wide range of natural and man-made disasters and emergencies. The Georgia Emergency Management Act, as amended (The Act) gives the local governments of the State the authority to make agreements for mutual aid assistance in emergencies. Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and the reimbursement of costs incurred by those parties who render such assistance.

This mutual aid agreement is entered pursuant to authorities contained in Articles I through III, Chapter 3, Title 38, Official Code of Georgia Annotated.

ARTICLE I STATEMENT OF AGREEMENT, DEFINITIONS AND AUTHORITIES

This Agreement is made and entered into between the participating political subdivisions, which approve and execute this Agreement, hereinafter called "Participating Parties" and the Georgia Emergency Management and Homeland Security Agency (GEMA/HS). For purposes of this Agreement, the following terms and expressions shall apply:

- (1) "Agreement" means this agreement, generally referred to as the "Statewide Mutual Aid Agreement" (SWMAA).
- (2) "Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.
- (3) "Assisting Party" means a party that provides assistance pursuant to this Agreement during an emergency or disaster.
- (4) "Authorized Representative" means a Participating Party's elected or appointed official or employee who has been authorized in writing by that party to request, to offer, or otherwise to provide mutual aid assistance.
- (5) "Participating Party" means a county or municipality of the State of Georgia that has become party to this Agreement by its approval and execution of this agreement.
- (6) "Participating Parties" means the combination of counties and municipalities that have become parties to this Agreement by their approval and execution of this Agreement.
- (7) "Requesting Party" means a party that requests assistance pursuant to this Agreement during an emergency or disaster.

Any term or expression not defined in this Agreement shall have the meaning specified in the Georgia Emergency Management Act, as amended (the Act) and rules promulgated thereunder, unless used in a context that clearly suggests a different meaning.

ARTICLE II GENERAL PURPOSE

The purpose of this Agreement is to:

- Provide the framework to support mutual assistance in managing an emergency or disaster
 occurring within any political subdivision that is a Participating Party, whether arising from
 natural disaster, technological hazard, human caused disaster, civil emergency, community
 disorders, insurgency, enemy attack, acts of terrorism, other significant events or homeland
 security activity; and
- 2. Identify those persons who are authorized to act on behalf of the Participating Party signing this Agreement as their Authorized Representative(s) concerning the provision of mutual aid resources and requests for mutual aid resources related to any mutual aid assistance sought from another Participating Party, or from or through the State of Georgia. Appendix A of this Agreement shall contain the name(s) of the Participating Party's Authorized Representative for purposes of this Agreement. Appendix A can be amended by the authorizing Participating Party as needed with no effect on the entire Agreement. All such amendments to Appendix A shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

ARTICLE III ACKNOWLEDGEMENT OF PRINCIPLES

The prompt, full and effective utilization of resources of the Participating Parties, including any resources on hand or available from the State or Federal Government or any other source, that are essential to the safety, care and welfare of the people shall be the underlying principle on which all articles of this Agreement shall be understood.

In the event of a conflict between any provision of this Agreement and any existing intrastate mutual aid agreement affecting a Participating Party, the provisions of this Agreement shall be controlling.

On behalf of the governing authority of each political subdivision of this State participating in the Agreement, the director of emergency management of such political subdivision will be responsible for formulation of the appropriate mutual aid plans and procedures necessary to implement this Agreement.

ARTICLE IV PARTICIPATING PARTY RESPONSIBILITIES

- (a) It shall be the responsibility of each Participating Party to formulate procedures and programs for intergovernmental cooperation in the performance of the responsibilities listed in this Article. In formulating such plans, and in carrying them out, each Participating Party, insofar as practical, shall:
 - (1) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material; and

Page 2 of 8

- (2) Inventory and set procedures for the loan and delivery of human and material resources, together with procedures for reimbursement.
- (b) Whenever a Participating Party requires mutual aid assistance from another Participating Party and/or the State of Georgia, the Requesting Party may request assistance by:
 - (1) Contacting the Participating Party who is the owner/operator/employer of the supplies, equipment and/or personnel being sought for mutual aid assistance (the Assisting Party); or
- (2) Contacting GEMA/HS to serve as the facilitator of such request for those resources being sought for mutual aid that are owned/operated/employed by Participating Parties (where such Participating Parties have submitted a record of those resources to GEMA/HS for such use); and/or, when such resources being sought for mutual aid are owned/operated/employed directly by the State of Georgia.

The provisions of this Agreement shall only apply to requests for assistance made by an Authorized Representative. Requests may be verbal or in writing. If verbal, the request must be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

- (1) A description of the emergency service function for which assistance is needed, such as but not limited to fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, damage assessment, volunteer and donated goods and search and rescue; and
- (2) The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time each will be needed; and
- (3) The specific place and time for staging of the Assisting Party's response and a point of contact at that location.

The Assisting Party will (a) maintain daily personnel time records, material records and a log of equipment hours (or miles, if appropriate) and (b) report work progress to the Requesting Party at mutually agreed upon intervals.

ARTICLE V LIMITATIONS

Any Participating Party requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this Agreement in accordance with the terms hereof; provided that it is understood that the Participating Party who is asked to render aid may withhold resources to the extent necessary to meet the current or anticipated needs of the Participating Party's own political subdivision to remain in compliance with such Participating Party's policy, rule or law.

The Assisting Party's mutual aid resources will continue under the command and control of their own

supervisors, but the organizational units will be under the operational control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

In the event the Governor should declare a State of Emergency, any and all provisions of this Agreement which may conflict with the declared State of Emergency shall be superseded by the terms and conditions contained within the State of Emergency.

ARTICLE VI LIABILITY AND IMMUNITY

- (a) In accordance with O.C.G.A. § 38-3-35(a), no political subdivision of the state, nor the agents or representatives of the state or any political subdivision thereof, shall be liable for personal injury or property damage sustained by any person appointed or acting as a volunteer emergency management worker or member of any agency engaged in emergency management activity. The foregoing shall not affect the right of any person to receive benefits or compensation to which he might otherwise be entitled under Chapter 9 of Title 34, Code Section 38-3-30, any pension law, or any act of Congress.
- (b) In accordance with O.C.G.A. § 38-3-35(b), no political subdivision of the state nor, except in cases of willful misconduct, gross negligence, or bad faith, the employees, agents, or representatives of the state or any political subdivision thereof, nor any volunteer or auxiliary emergency management worker or member of any agency engaged in any emergency management activity complying with or reasonably attempting to comply with Articles 1 through 3, Chapter 3, Title 38, Official Code of Georgia Annotated; or any order, rule, or regulation promulgated pursuant to Articles 1 through 3 of title, or pursuant to any ordinance relating to precautionary measures enacted by any political provisions of Articles 1 through 3 of said chapter and title, or pursuant to any ordinance relating to precautionary measures enacted by any political subdivision of the state shall be liable for the death of or the injury to person or for damage to property as a result of any such activity.
- (c) It is the express intent of the parties that the immunities specified in accordance with O.C.G.A. § 38-3-35 shall apply in addition to any other immunity provided by statute or case law.

ARTICLE VII RIGHTS AND PRIVILEGES

In accordance with O.C.G.A. § 38-3-30(a), whenever the employees of any Assisting Party or political subdivision are rendering outside aid pursuant to this agreement and the authority contained in Code Section 38-3-27, the employees shall have the same powers, duties, rights, privileges and immunities as if they were performing their duties in the political subdivisions in which they are normally employed.

ARTICLE VIII REIMBURSEMENT

In accordance with O.C.G.A. § 38-3-30(b), The Requesting Party shall be liable for any loss of or damage to equipment used or placed within the jurisdiction of the Requesting Party and shall pay any expense incurred in the operation and maintenance thereof. No claim for the loss, damage or expense shall be allowed unless, within 60 days after the same is sustained or incurred, an itemized notice of

Page 4 of 8

the claim under oath is served by mail or otherwise upon the designated fiscal officer of the Requesting Party. Appendix B of this Agreement shall contain the name(s) of the Participating Party's designated fiscal officer for purposes of this Agreement. All such amendments to Appendix B shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

The Requesting Party shall also pay and reimburse the Assisting Party for the compensation paid to employees furnished by the Assisting Party during the time of the rendition of the aid, as well as the actual travel and per diem expenses of such employees while they are rendering the aid. The reimbursement shall include any amounts paid or due for compensation due to personal injury or death while the employees are engaged in rendering the aid. The term "employee," as used herein, shall mean, and this provision shall apply with equal effect to, paid, volunteer and auxiliary employees and emergency management workers.

Expenses to be reimbursed by the Requesting Party shall include the following:

STATEWIDE MUTUAL AID AND ASSISTANCE AGREEMENT

County/Municipality:		

The State of Georgia is vulnerable to a wide range of natural and man-made disasters and emergencies. The Georgia Emergency Management Act, as amended (The Act) gives the local governments of the State the authority to make agreements for mutual aid assistance in emergencies. Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and the reimbursement of costs incurred by those parties who render such assistance.

This mutual aid agreement is entered pursuant to authorities contained in Articles I through III, Chapter 3, Title 38, Official Code of Georgia Annotated.

ARTICLE I STATEMENT OF AGREEMENT, DEFINITIONS AND AUTHORITIES

This Agreement is made and entered into between the participating political subdivisions, which approve and execute this Agreement, hereinafter called "Participating Parties" and the Georgia Emergency Management and Homeland Security Agency (GEMA/HS). For purposes of this Agreement, the following terms and expressions shall apply:

- (1) "Agreement" means this agreement, generally referred to as the "Statewide Mutual Aid Agreement" (SWMAA).
- (2) "Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.
- (3) "Assisting Party" means a party that provides assistance pursuant to this Agreement during an emergency or disaster.
- (4) "Authorized Representative" means a Participating Party's elected or appointed official or employee who has been authorized in writing by that party to request, to offer, or otherwise to provide mutual aid assistance.
- (5) "Participating Party" means a county or municipality of the State of Georgia that has become party to this Agreement by its approval and execution of this agreement.
- (6) "Participating Parties" means the combination of counties and municipalities that have become parties to this Agreement by their approval and execution of this Agreement.
- (7) "Requesting Party" means a party that requests assistance pursuant to this Agreement during an emergency or disaster.

Any term or expression not defined in this Agreement shall have the meaning specified in the Georgia Emergency Management Act, as amended (the Act) and rules promulgated thereunder, unless used in a context that clearly suggests a different meaning.

ARTICLE II GENERAL PURPOSE

The purpose of this Agreement is to:

- Provide the framework to support mutual assistance in managing an emergency or disaster
 occurring within any political subdivision that is a Participating Party, whether arising from
 natural disaster, technological hazard, human caused disaster, civil emergency, community
 disorders, insurgency, enemy attack, acts of terrorism, other significant events or homeland
 security activity; and
- 2. Identify those persons who are authorized to act on behalf of the Participating Party signing this Agreement as their Authorized Representative(s) concerning the provision of mutual aid resources and requests for mutual aid resources related to any mutual aid assistance sought from another Participating Party, or from or through the State of Georgia. Appendix A of this Agreement shall contain the name(s) of the Participating Party's Authorized Representative for purposes of this Agreement. Appendix A can be amended by the authorizing Participating Party as needed with no effect on the entire Agreement. All such amendments to Appendix A shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

ARTICLE III ACKNOWLEDGEMENT OF PRINCIPLES

The prompt, full and effective utilization of resources of the Participating Parties, including any resources on hand or available from the State or Federal Government or any other source, that are essential to the safety, care and welfare of the people shall be the underlying principle on which all articles of this Agreement shall be understood.

In the event of a conflict between any provision of this Agreement and any existing intrastate mutual aid agreement affecting a Participating Party, the provisions of this Agreement shall be controlling.

On behalf of the governing authority of each political subdivision of this State participating in the Agreement, the director of emergency management of such political subdivision will be responsible for formulation of the appropriate mutual aid plans and procedures necessary to implement this Agreement.

ARTICLE IV PARTICIPATING PARTY RESPONSIBILITIES

- (a) It shall be the responsibility of each Participating Party to formulate procedures and programs for intergovernmental cooperation in the performance of the responsibilities listed in this Article. In formulating such plans, and in carrying them out, each Participating Party, insofar as practical, shall:
 - (1) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material; and

Page 2 of 8

- (2) Inventory and set procedures for the loan and delivery of human and material resources, together with procedures for reimbursement.
- (b) Whenever a Participating Party requires mutual aid assistance from another Participating Party and/or the State of Georgia, the Requesting Party may request assistance by:
 - (1) Contacting the Participating Party who is the owner/operator/employer of the supplies, equipment and/or personnel being sought for mutual aid assistance (the Assisting Party); or
- (2) Contacting GEMA/HS to serve as the facilitator of such request for those resources being sought for mutual aid that are owned/operated/employed by Participating Parties (where such Participating Parties have submitted a record of those resources to GEMA/HS for such use); and/or, when such resources being sought for mutual aid are owned/operated/employed directly by the State of Georgia.

The provisions of this Agreement shall only apply to requests for assistance made by an Authorized Representative. Requests may be verbal or in writing. If verbal, the request must be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

- (1) A description of the emergency service function for which assistance is needed, such as but not limited to fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, damage assessment, volunteer and donated goods and search and rescue; and
- (2) The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time each will be needed; and
- (3) The specific place and time for staging of the Assisting Party's response and a point of contact at that location.

The Assisting Party will (a) maintain daily personnel time records, material records and a log of equipment hours (or miles, if appropriate) and (b) report work progress to the Requesting Party at mutually agreed upon intervals.

ARTICLE V LIMITATIONS

Any Participating Party requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this Agreement in accordance with the terms hereof; provided that it is understood that the Participating Party who is asked to render aid may withhold resources to the extent necessary to meet the current or anticipated needs of the Participating Party's own political subdivision to remain in compliance with such Participating Party's policy, rule or law.

The Assisting Party's mutual aid resources will continue under the command and control of their own

supervisors, but the organizational units will be under the operational control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

In the event the Governor should declare a State of Emergency, any and all provisions of this Agreement which may conflict with the declared State of Emergency shall be superseded by the terms and conditions contained within the State of Emergency.

F. The County and Municipalities agree to maintain thorough and accurate records concerning receipt of SPLOST proceeds and expenditures for each project undertaken by the respective County or Municipality as required, fulfilling the terms of this Agreement.

2. Conditions Precedent

- A. This Agreement is conditioned upon the approval of the proposed imposition of the SPLOST by the voters of the County in a referendum to be held in accordance with the provisions of O.C.G.A. § 48-8-111(b) through (e).
- B. This Agreement is conditioned upon the collecting of the SPLOST revenues by the State Department of Revenue and transferring same to the County.
- 3. Effective Date and Term of the Tax

The SPLOST shall continue for a period of six (6) years with collections beginning on April 1, 2025.

4. Effective Date and Term of This Agreement

This Agreement shall commence upon the date of its execution (the last date signed by the Parties) and shall terminate upon the expenditure by the County and Municipalities of the last dollar of money collected from the Special Purpose Local Option Sales Tax after the expiration of the Special Purpose Local Option Sales Tax.

- 5. County SPLOST Fund; Separate Accounts; No Commingling
 - A. A special fund or account shall be created by the County and designated as the Morgan County Special Purpose Local Option Sales Tax VII Fund ("SPLOST Fund"). The County shall select a bank which shall act as a depository and custodian of the SPLOST Fund upon such terms and conditions as may be acceptable to the County.
 - B. Each Municipality receiving SPLOST funds under this Agreement shall create a special fund to be designated as the Special Purpose Local Option Sales Tax Fund VII. Each Municipality shall select a local bank which shall act as a depository and custodian of the SPLOST proceeds received by each Municipality upon such terms and conditions as may be acceptable to the Municipality.
 - C. All SPLOST proceeds shall be maintained by the County and each Municipality in the separate accounts or funds established pursuant to this Section. Except as provided in Section 6, SPLOST proceeds shall not be commingled with other funds of the County or Municipalities and shall be used exclusively for the purposes detailed in this Agreement. No funds other than SPLOST proceeds shall be placed in such funds or accounts.
- 6. Procedure for Disbursement of SPLOST Proceeds
 - A. Upon receipt by the County of SPLOST proceeds collected by the State Department of Revenue, the County shall immediately deposit said proceeds in the SPLOST Fund. The monies in the SPLOST Fund shall be held and applied to the cost of acquiring, constructing and installing the County capital outlay projects listed in Exhibit A and as provided in Paragraph B of this Section.

- B. Except as provided in Section 11 of this Agreement, the County, following deposit of the SPLOST proceeds in the SPLOST Fund, shall within 10 business days disburse the SPLOST proceeds due to each Municipality according to percentages listed in the schedule attached as Exhibit B. The proceeds shall be deposited in the separate funds established by each Municipality in accordance with Section 5 of this Agreement.
- C. Should any Municipality cease to exist as a legal entity before all funds are distributed under this Agreement, that Municipality's share of the funds subsequent to dissolution shall be paid to the County as part of the County's share unless an act of the Georgia General Assembly makes the defunct Municipality part of another successor municipality. If such an act is passed, the defunct Municipality's share shall be paid to the successor Municipality in addition to all other funds to which the successor Municipality would otherwise be entitled.

7. Projects

All capital outlay projects, to be funded in whole or in part from SPLOST proceeds, are listed in Exhibit A which is attached hereto and made part of this Agreement.

8. Priority and Order of Project Funding

The projects set forth in Exhibit A shall be fully or partially funded and constructed in the priority to be determined by the respective governing authorities receiving funds under this Agreement, in their respective discretion. Except as provided in Paragraph B and Paragraph C of Section 9 of this Agreement, any change to the estimated cost of completing projects receiving funding hereunder must be agreed to in writing by all parties to this Agreement.

9. Completion of Projects

- A. The County and Municipalities acknowledge that the costs shown for each project described in Exhibit A are estimated amounts.
- B. If a County project has been satisfactorily completed at a cost less than the estimated cost listed for that project in Exhibit A, the County may apply the remaining unexpended funds to any other County project in Exhibit A.
- C. If a municipal project has been satisfactorily completed at a cost less than the estimated cost listed for that project in Exhibit A, the Municipality may apply the remaining unexpended funds to any other project included for that Municipality in Exhibit A.
- D. The County and Municipalities agree that each approved SPLOST project associated with this Agreement shall be completed or substantially completed within five years of the termination of the SPLOST. Any SPLOST proceeds held by a County or Municipality at the end of the five year period shall, for the purposes of this Agreement, be deemed excess funds and disposed of as provided under O.C.G.A. § 48-8-121(g)(2).

10. Certification of Completion

Within thirty (30) days after the acquisition, construction or installation of a municipal project listed in Exhibit A is completed, the Municipality owning the project shall file with the County a Certificate of Completion signed by the mayor or chief elected official of the respective Municipality, setting forth the date on which the project was completed, and the final cost of the project.

Distribution of Excess Funds

- A. In the event that the total estimated amount of collections under the SPLOST that is the subject of this Agreement exceed \$46,609,000.00, such funds collected thereafter shall be considered "excess funds."
- B. Any such excess funds shall be distributed to the County and Municipalities in the same manner as set forth in Section 6, except that the amounts paid shall be calculated by using the percentages set forth in Exhibit B.
- C. The County and Municipalities agree that any such excess funds may only be used as follows:
 - i. for projects listed in Exhibit A, the cost of which exceeded the estimated cost listed in Exhibit A;
 - ii. for projects that would otherwise qualify as capital outlay projects as defined by O.C.G.A. § 48-8-110 *et seq.*, even though such projects are not listed in Exhibit A;
 - iii. for the purpose of reducing any indebtedness of the respective County or Municipality; or
 - iv. if there are no other capital outlay projects or indebtedness, for the purpose of reducing ad valorem taxes by payment of such excess funds into the general fund of the respective County or Municipality.

12. Expenses

The County shall administer the SPLOST Fund to effectuate the terms of this Agreement and shall be reimbursed for the actual costs of administration of the SPLOST Fund. Furthermore, the County and Municipalities shall be jointly responsible on a per capita basis for the cost of holding the SPLOST election. The County shall be reimbursed for the costs of the election including the Municipalities' share of such costs out of SPLOST proceeds deposited in the SPLOST Fund.

13. Audits

- A. During the terms of this Agreement, the distribution and use of all SPLOST proceeds deposited in the SPLOST Fund and each Municipal fund shall be audited annually by an independent certified public accounting firm in accordance with O.C.G.A. § 48-8-121 (a)(2). The County and each Municipality receiving SPLOST proceeds shall be responsible for the cost of their respective audits. The County and the Municipalities agree to cooperate with the independent certified public accounting firm in any audit by providing all necessary information.
- B. Each Municipality shall provide the County a copy of the audit of the distribution and use of the SPLOST proceeds by the Municipality.

14. Miscellaneous Provisions

A. Merger and Integration

This Agreement, including any attachments or exhibits, constitutes all of the understandings and agreements existing between the County and Municipalities with respect to distribution and use of the proceeds from the Special Purpose Local Option Sales Tax. Furthermore, this Agreement supersedes all prior agreements, negotiations and communications of whatever type, whether written or oral, between the parties hereto with respect to distribution and use of said SPLOST.

B. Modification

This Agreement shall not be amended or modified except by agreement in writing executed by the governing authorities of the County and the Municipalities.

C. Severability

The invalidity or unenforceability of any particular provision of this Agreement shall not affect its other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions had been omitted.

D. Binding Successors

This Agreement shall be binding upon each Party, its successors and assigns.

E. Mediation

Before instituting litigation, the County and Municipalities agree to submit any controversy arising under this Agreement to mediation for a resolution. The parties to the mediation shall mutually select a neutral party to serve as mediator. Costs of mediation shall be shared equally among the parties to the mediation.

F. Jurisdiction, Venue, and Choice of Law

This agreement shall be construed and enforced under and in accordance with the laws of the State of Georgia. Venue and jurisdiction for all disputes arising in any way out of this Agreement, after mediation pursuant to Section 14.B. above, shall be in the Superior Court of Morgan County, Georgia, and all parties consent to jurisdiction and venue therein and waive any objections they may have, now or in the future, thereto.

G. Notice

All notices, requests, demands or other communications required or permitted to be given hereunder shall be in writing and shall be addressed and delivered to each party at the addresses set forth below. Notice given under this Agreement is deemed to have been received within three (3) days of the postmark on the letter in which it is contained, and a photocopy of the envelope in which the notice was sent, or on the date shown on any email delivery receipt and such receipt shall be deemed as sufficient proof thereof. Rejection or other refusal to accept or inability to deliver because of the changed address of which proper notice was not given shall be deemed to be receipt of the notice, request, demand or other communication. By giving prior written notice thereof, any party may from time to time and at any time change its address for notices hereunder.
