5. Trees Forever Planting

Johnson reviewed the tree planting with the board members. All agreed that the planting went well as everything was ready for the volunteers and plenty of volunteers were brought. Johnson stated that Scheel and Milks gave an excellent tree planting demonstration to everyone for the first planting to ensure all the trees would be planted properly that day.

6. Old business: None
7. New business:

Johnson stated that he had a call from a potential donor that was going to try and get some trees lined up for the city. Lenth talked about putting the city truck in the parade again for the Oelwein Celebration and handing out seedling trees to people. Johnson brought up the carbon credit program with Trees Forever as they discussed the program. Johnson talked to the board about updating the city street tree list so that they can keep diversifying their plantings as they move forward. Johnson stated that he will invite Andrew Rust to the next scheduled meeting in December.

8. Adjourn: 6:02PM
9. Next meeting – December
