Discussions

1. Audit Discussion.

Aaron Olson with TP and Anderson presented the audit. Council asked questions and walked through the audit with the auditor. Mulfinger and Rigdon provided response as needed. Overall, the city had a good year with financials and was compliant with regulations.

2. City Attorney Discussion.

Mulfinger advised that council needed to decide if they wanted a local attorney or a large firm. Council discussed the advantages of having a local attorney but was concerned that not many of them were even around to take on the work of the city. Council also was on the fence if an attorney was needed at meetings.

DeVore advised Mulfinger to prepare a Request for Proposals and have that ready for council to vote on at the next meeting.
