- ❖ Tree City/Growth Award – Johnson stated that he turned in the application for the Tree City award again and that with the park and cemetery work they had the DNR complete that they could qualify for the Growth Award. Johnson stated that he filled out the Growth Award application and turned it in as well.

❖ Park and Cemetery Tree Survey – Johnson showed the board the direct link from the park department website to the DNR map with the tree survey information. Johnson stated that the DNR has the street tree survey the city completed in 2018 and the park and cemetery tree survey both listed on the map.
