Consent Agenda

Personnel Certification Applications

- [P-1](#) Francis, Shad - BPE Additional Information
Certification ID: 9323
Current certifications- RPE
Staff notes- Additional information submitted on BPE qualifications: physical exhibit will be at meeting.
Committee Recommendation:
- [P-2](#) Peterson, Roger - BI, ESI, RBO, RBI
Certification ID: 9348
Current certifications: None, FSI since 2001
Staff notes: Experience is non-standard, invited applicant to join meeting to discuss.
ESIAC Recommendations: Not recommended for approval
Committee recommendation:
- [P-3](#) Ogilvie, Alix - BO, MPE, BI, RBO
Certification ID: 9357
Current certifications: None, RA in Ohio since 2022, in CA since 2011
Staff notes: Recommend approval on the basis of registration in California over 10 years.
Committee Recommendation:
- [P-4](#) Morgano, Leonardo - BI, MI, PI, and RBI Trainee, alternative trainee plan
Certification ID: 5354
Current certifications: None, previously held RBI
Staff notes: See note on alternative trainee plan as to intent of department.
Recommend approval.
Committee Recommendation:

[P-5](#) Lloyd, John - BO, BPE, BI, RBO, RPE, RBI
Certification ID: 5659
Current certifications: None
Staff notes: 25 year concrete contractor with foundational as well as flat projects.
Recommend approval.
Committee recommendation:

[P-6](#) Lane, Carl - BI, MI
Certification ID: 9345
Current certifications: None
Staff notes: Application does not demonstrate sufficient experience for certifications requested. Recommend request for additional information on mechanical and commercial structural experience.
Committee Recommendation:

[P-7](#) Glauner, Jay - BI and RBI Trainee, Alternative Trainee Plan
Certification ID: 9359
Current certifications: none
Staff notes: Recommend approval
Committee Recommendation:

[P-8](#) Ream, Joseph - BI
Certification ID: 9358
Current Certifications: None
Staff notes: Experience is in materials sciences, review.
Committee Recommendation:

[P-9](#) Stanich, Brian - BI
Certification ID: 8590
Current certifications- PI
Staff notes: Reviewed in March meeting - applicant may be attending to discuss experience.
Committee Recommendation:

[P-10](#) Todaro, Michael - RBO
Certification ID: 9361
Current certifications: None
Staff notes: Application lacks sufficient detail to determine experience, requesting additional information from applicant.
Committee Recommendation:

P-11

Vagnone, James - ESI

Certification ID: 6083

Current certifications: RBO

ESIAC Recommendations: Not recommended for exam

Staff notes: Has passed exams. After ESIAC submission, received additional information on electrical experience, both as an inspector in California, and as a residential builder.

Recommend approval based on additional information.

Committee recommendation:

Shad Francis

SUMMARY: Strong background in architectural and environmental design including refined skills in:
-Construction principals, materials and scheduling, building codes
-AutoCad Architecture 2020, Arris 7.0, Microsoft Office, BuildPro

EDUCATION: Bowling Green State University, Bowling Green, Ohio
Bachelor of Science in Technology. August, 1998.
Major: Architecture and Environmental Design.

PROFESSIONAL EXPERIENCE:

Product Developer Manager / Product Developer

M/I Homes
Mason, OH

5/09 - Present

1/06-1/08 Company Wide Layoffs

Duties Include:

- Develop and produce master working construction documents from conceptual drawings.
- Conduct field walks / inspections for:
 - Quality control, thoroughness, functionality, and accuracy of new product
 - Problem solving for plan and/or construction errors and structural concerns
 - Clarification of field issues
- Consult with builders, estimators, & contractors throughout the construction phase
- Assist fellow co-workers w/ checking contracts, design & planning
- Perform plan maintenance to existing documents to comply w/ state and local building code changes, specification changes, structural requirements, and design enhancements.
- Collaborate w/ division personnel including sales and production managers to establish schedules and priorities for design, pricing assistance and plan customizations
- Coordinate new plan development both internally and with outside sources
- New hire and outsource training
 - Develop and maintain drafting standards and templates for plan consistency /accuracy
 - Check all work for thoroughness, accuracy, and completeness per M/I standards
- Field Supervisor Assistant
 - Oversaw contractors and ensured services were being performed
 - Coordinated, delegated, and supervised quality control of onsite work
 - Implemented effective planning, scheduling and management of materials and labor resources
 - Interacted and communicated with the home buyer throughout the construction phrase
 - Buyer / builder conference prior to construction start
 - Weekly progress communication
 - New home orientation meeting
 - Post-closing communication

Regional CAD Coordinator

Wayne Homes by Centex
Milford, OH

6/04-3/06

Operations Discontinued

Duties Included:

- Completed all aspects of complex Architectural Construction Documents for new product /plans
- Consulted with builders, estimators, & contractors throughout the construction phase
- Aided in the implementation for standard drawing improvements based on annual internal reviews
- Assisted co-workers w/ checking contracts, structures, design & planning
- Verified / calculated structural members for integrity

Construction Documents Specialist

1/02-6/04

The Drees Company
Ft. Mitchell, KY

Duties Included:

- Generated all aspects of complex Architectural Construction Documents
- Completed design studies and custom design requests for lot specific projects
- Assisted in new design & conducted field walks for quality control and accuracy of new product
- Consulted with builders and contractors throughout the construction phase
- Generated C.D.'s for special projects including both custom and show homes

Draftsman

Beck Architecture, Inc.
Cincinnati, OH

5/00-12/01

Company wide layoffs

Duties Included:

- Specialized in the preparation of construction documents & preliminary design of custom homes
- Coordinated with clients and performed field measurements / studies of existing structures to be renovated.
- Interacted with general contractors and field workers during the construction phase

Shad.Francis.sf@gmail.com

To whom it may concern,

I recently submitted an application for certification as an interim Building Plans Examiner. At the meeting, March 21, 2024, the committee requested that I provide additional information of my work experience. The committee also requested that I attend the next meeting on April 25, 2024 and I plan on doing so virtually. I am supplying this package for your review prior to this meeting.

I have a Bachelor of Science Degree with a Major in Architecture and Environmental Design from Bowling Green State University and have been working in the Architectural field since 1998 in both residential and non-residential capacities. Although I have been primarily involved in the residential field, I am supplying information/drawings that I have completed in the non-residential field to show my aptitude and history. Along with this, I am also including some of the residential projects I worked on because I feel the complexities, building materials that were used and the intense detailing of the project relate very well to commercial architecture. I am also hopeful that my experience will be considered under Rule 4101:7-3-01 E1 (c) under the Ohio Laws and Administrative Rules. I do appreciate your consideration of this application and look forward to opportunity to speak with you directly.

SECTION 5 CONT.: EXPERIENCE

List Each Construction Project AND Specific Type of Work Performed	Name of Employer, Contact, Address, Telephone Number	Project Time: From_ To _ (MM/YY)
<p>Various projects that include obtaining permits, scheduling inspections, supervising work crew, submitting change orders, obtaining approvals on change orders, performing final walk through of jobs and following up with final inspection issues.</p> <p>Gwinn Brothers is a groundwork company performing driveways, septic, foundations, grading and drainage. Primarily I would complete the process for permits and installations, following it up with final inspections. With the septic side of things, there was a balance between commercial & residential installations. This included the grade work for digging, permits, utility markings, working with licensed electricians installations of force mains, and various tasks to complete the job and get it to pass final inspections.</p> <p>Noah Building is a concrete and building addition company. We would take concept drawings from the initial meeting, coordinate with an architect and serve as the general contractor. This included working with Gwinn Brothers on the sanitary, foundation and driveway installation. We would then manage and supervise various contractors and installers, coordinating the trades to get the project done correctly and efficiently. We would complete all rough framing and finish construction. We would sub out roofing to various contractors.</p>	<p>Gwinn Brothers Construction Jason Gwinn 1453 Kinsman Road North Bloomfield, Ohio 44450 440-685-4700</p> <p>Noah Building Construction Vance Noah 2148 Lakeside Ave Cleveland, Ohio 44114 330-807-9254</p>	<p>03/03-03/08</p> <p>04/20-10/21</p>

PROFESSIONAL EXPERIENCE

January 2023 - present

LDA architects, Inc - Cleveland, OH

Project Manager

Design, Project Coordination and Management, and Construction Administration

- Leading design teams and development on mixed-use, multi-family market-rate, and affordable housing projects in northeast Ohio
- Working directly with principal architects, consultants, clients, and project and community stakeholders
- Applying knowledge and principles of planning and building codes, universal design, Energy Star, Enterprise Green Communities, and low-income financing to project design and execution
- Developing project budgets and fee proposals and administers client and consultant contracts

February 2021 - January 2023

Salazar Architect - Sacramento, CA, and Portland, OR

Senior Project Manager and Senior Associate

Firm Management, Design, Project Coordination and Management, and Construction Administration

- Lead and coordinated multiple building and urban design master plan projects that included affordable housing, mixed-use or commercial buildings and other community benefit developments in California and Oregon
- Worked directly with principals and senior leadership team in business management, development, and staff oversight
- Oversaw project teams through all phases of development
- Lead client and consultant coordination
- Applied knowledge and principles of planning and building codes, well-being design, universal design, GreenPoint Rating, LEED, and low-income financing to project design and execution
- Developed project budgets and fee proposals and administered client and consultant contracts
- Proactively initiated design solutions that advance the practice of architecture and the firm’s mission, vision, and values

2015 - 2021 | 2021-2023 (Part-time Consultant)

Mogavero Architects - Sacramento, CA

Project Architect and Manager

Design, Project Coordination and Management, and Construction Administration

- Lead design and development on mixed-use, multi-family market-rate, and affordable housing projects in the Sacramento, Bay Area, and California Central Valley regions
- Worked directly with principal architects, consultants, clients, and project and community stakeholders
- Coordinated all aspects of project design, permitting, and project delivery phases
- Applied knowledge and principles of planning and building codes, universal design, GreenPoint Rating, LEED, and low-income financing to project design and execution
- Developed project budgets and fee proposals and administers client and consultant contracts
- Participated in BIM, waste management and reduction, and active transportation committees change of occupancy solutions

COMMUNITY SERVICE

February 2024 - present

Architecture Review Board

University Heights, OH

October 2023 - present

AIA Cleveland

Women in Architecture Committee

Advocating for gender equity, visibility, and empowerment in the built professions

2022 - 2023

AIA California

Urban Design Committee

Participated in policy advisory group for the AIA's Government Relations program

2016 - 2022

Planning and Design Commission

City of Sacramento, CA

Served as both Vice-Chair and Chair
Reviewed long-range planning documents
(General and Area Plans)

Made policy recommendations, reviewed site and building designs, variances, and tentative maps

Participated in ad-hoc committees, housing policy working group, and ADU working group

2017 - 2020

Sacramento Area Bicycle Advocates

Served on the Board of Directors for regional bicycle advocacy non-profit organization

2016

Food Literacy Center

Provided pro-bono design services for new office, cooking demonstration, and outdoor classroom spaces

2014 -2015

West Sacramento Urban Farm Program

Provided pro-bono site evaluation, design, and documentation services to incubator farm program

2010 - 2015

San Francisco NERT

Neighborhood Response Team, Volunteer

2007

Grid Alternatives - San Francisco, CA

Providing renewable & energy efficiency services to low-income families

2006

Hands-On Gulf Coast - Biloxi, MS

Disaster relief volunteer (demolition, construction, site analysis & as-builts)

2010 - 2015

Architecture for Humanity - San Francisco, CA - Cape Town, South Africa
Program Manager

Design, Construction, Project, Competition, and Grants Management

- Coordinated a diverse range of international advocacy, research, design, and building projects
- Worked with various community stakeholders and leaders, foundations, clients, and partners
- Managed international project teams and stakeholder relations
- Oversaw a field office in Cape Town and the entire Africa-based design team (6 months)
- Successfully administered a combined investment portfolio of over \$10 million USD
- Provided design guidance and oversight to field teams and consultants toward the delivery of more than 30 international built projects (health, education, and recreation community centers)
- Assisted in business development and led all aspects of project planning and execution

2007 - 2009

Andrew Mann Architecture - San Francisco, CA

Junior Architect/Job Captain

Design, Project Coordination, and Construction Administration

- Worked directly with principal architect on custom residential/office remodels and additions
- Coordinated all aspects of project design, permitting, and project delivery phases
- Produced schematic, design development, construction documents, and written specifications
- Facilitated client, consultant, and contractor relations

2004 - 2007

Thomas Dolan Architecture - Oakland, CA

Junior Architect/Job Captain

Design, Project Coordination, and Construction Administration

- Worked directly with principal architect on mixed-use/adaptive re-use urban infill development
- Performed and produced feasibility studies, market analyses and written/graphic reports
- Produced schematic, design development, permitting, and construction documents
- Liaised with building officials and consultants to develop creative change of occupancy solutions

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: No Change

Proposed Alternative Program Education Requirements: No Change

Proposed Alternative Program Training & Supervision Requirements: No Change

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: _____

I am requesting an alternate trainee program that would allow a current Building Department employee who lacks specific field experience to enter a training program to obtain Inspector certifications. I recently ran a job add for 30+ days and received zero qualified applicants. I respectfully request these trainee certificates be issued so that I can maintain proper staffing levels for the foreseeable future.

Objective: As a detail-oriented professional, I am looking to use my excellent communication, interpersonal, and creative thinking skills to fill a management position.

Education:

University of Arizona

Project Management Certification, Jira software Certification

Currently Enrolled-Finish March 2024

Bowling Green State University, Bowling Green, Ohio

September 2021 – April 2022

Alternate Licensure Pathway

- Completed forms EDWF 4100 and EDWF 2620

Licensure:

Shelby, Miami, and Montgomery County Plumbing License

VDCI:

Blueprints, Residential and Commercial Certification.

OSHA 30 Hour Card

Class A CDL with Hazmat and Tanker Endorsement

Board of Building Standards Residential and Commercial Building Inspection License

Work-Related Experience:

Owner, John R. Lloyd Construction, LLC, Sidney, Ohio

April 2008 – Present

Administrative Duties

- Achieved Better Business Bureau Accreditation and A+ Rating
- Developed and maintained residential and commercial contracts
- Managed construction crews and kept detailed records in regards to employee time and work history including union contracts
- Achieved growth and increased company sales yearly
- Microsoft Office, Word
- Showed excellent ability to solve problems in an efficient and timely manner
- Communicated expectations and timelines to employees to meet required deadlines
- Controlled costs effectively through economical utilization of personnel, materials, and equipment
- Successfully estimated project costs and profit margins
- Possessed plumbing license for Miami, Shelby, and Montgomery Counties

Commercial and Residential Building

- Completed the construction of the Sidney Holiday Inn Express to blueprints and codes
- Completed 30 homes for Wade Journey Homes
- Frequently built room additions for both residential and commercial customers

- Prevailing wage projects for schools and cities
- Constructed numerous barns and garages
- Constructed commercial buildings

Commercial and Residential Concrete Projects

- Excavated, graded, and replaced commercial parking lots with asphalt and concrete
- Poured industrial and residential concrete floors
- Curbs and sidewalks
- Commercial approaches and ADA compliant ramps
- Excavation of basements and footers
- Completed poured concrete walls, block foundations, and footers
- Excavated and installed egress windows

Excavation

- Excavated water and sewer lateral
- Excavated parking lots, driveways, catch basins
- Completed necessary excavation to grade for house/barn foundations and footers

Substitute Teacher, Miami Valley Career Technology Center, Englewood, Ohio January 2023 – Present

- Completed 4-week long term position in a classroom including creating lesson plans and using effective classroom management to help students to reach continued success
- Served as an instructor for construction maintenance and excavation courses
- Completed summary of work finished and behavior issues to update regular classroom teacher
- Observed established classroom schedules and managed classroom environment to provide consistency for students
- Guided learning process and followed lesson plans to achieve curriculum goals and objectives
- Utilized approved instructional materials, equipment, and technology for educational purposes
- Maintained discipline and classroom control to foster a safe and positive learning environment
- Tutored and assisted students individually and in small groups

Journeyman Cement Finisher, Dayton, Ohio

September 1998 – April 2008

- Worked with various companies associated with the Ohio Conference of Plasterers and Cement Masons
- Built bridges, roads and buildings
- Helped to train apprentices while on the worksite
- Observed all safety and company guidelines
- Managed crews of up to 20 in order to meet expected deadlines
- Performed all aspects of concrete including heavy equipment operation
- Poured slabs, Super flats, Parking Lots
- Power trials, Power Screeds.
- All aspects of concrete.

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: UP TO THREE (3) YEARS

Proposed Alternative Program Education Requirements: _____

1) Attend and successfully complete at least two-hundred hours of approved code education courses, including completion of the "Ohio Building Code Academy".

2) Complete the appropriate examination requirements.

Proposed Alternative Program Training & Supervision Requirements: _____

1) ASSIST TRAINEE SUPERVISOR IN THE INSPECTION OF VARIOUS RCO/OBC-REGULATED CONSTRUCTION PROJECTS

2) CONTINUE TO CONDUCT INSPECTIONS OF PERMITTED PROJECTS AS ASSIGNED

3) COMPLETE COURSEWORK AND TRAINING AS REQUIRED.

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: _____

JAY HAS BEEN WORKING FOR THE CITY OF NORTH OLMSTED, OHIO - DIVISION OF BUILDING FOR OVER SEVEN (7) YEARS.

JAY WILL CONDUCT INSPECTIONS AS ASSIGNED AND ASSIST HIS TRAINER ON 25+

INSPECTIONS PER YEAR. THIS, COUPLED WITH HIS COURSEWORK, WILL GIVE JAY THE

REQUISITE EXPERIENCE AND KNOWLEDGE TO ACQUIRE HIS RESIDENTIAL BUILDING LICENSE.

April 5, 2024

To Whom It May Concern:

As a previous Residential Building Official, I first met James Vagnone in 2002 when he obtained building permits under Ashton James Construction for a duplex residential home that he was building within the City of Sidney.

James was very meticulous in his construction and always ready when inspections were called in. After completing his first duplex home, James obtained permits for another duplex and a single-family home. All permits were completed and approved with Certificate of Occupancy Certificates issued.

James moved to California in 2007. He called my office in 2017 from California to advise me that he was heading back to Sidney, Ohio with a Residential Building Certification. He accepted a job with the City of Sidney as a Code Enforcement Officer in 2018. Even though he was in Code Enforcement, his goal was to become the Residential Building Official and proceeded to acquire the certification from the State of Ohio as well as a Residential Electrical Certification, which we were told would satisfy the State for Sidney's Certified Residential Office.

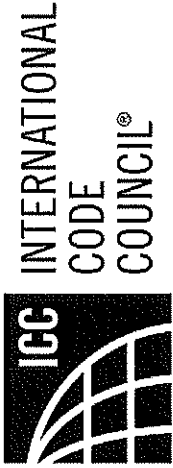

Upon my retirement in 2020, James took over all operations of Sidney's Residential Office. My understanding is that James was told by the State that he would need an ESI on staff or contract with one to continue as a certified office. The City contracted with Miami County Building Inspection to use their ESI for inspections and James began the process of becoming an ESI.

I was an electrician by trade and the ESI exam was tougher than all my other certifications. Although James was not an electrician by trade, he did his own electrical work on his residential builds and demonstrated very good attention to detail and workmanship. He studied diligently for his ESI and passed the written test. He truly is deserving of an ESI Certification and would be a great asset to the building safety community.

Sincerely,

David J. Brulport
Previous Residential Building Official and ESI for the
City of Sidney (2000-2020) #175

Employer: LAKE COUNTY, CA CDD

Dates Employed: 12/11 - 6/17

Job Title BUILDING INSPECTOR / PLANSEYAMINER / INTERIM B.O.

Duties: INSPECTIONS OF ELECTRICAL, HVAC, & PLUMBING SYSTEMS - RESIDENTIAL & COMMERCIAL

Major Projects:
• HOBERGS
• HARBIN HOT SPRINGS
• MANY RESIDENTIAL HOMES, PV SYSTEMS INCLUDED
• COMMERCIAL PROJECTS OF ALL TYPES
• REVIEWED ELECTRICAL PLANS FOR ALL

Employer: SELF: ASHTON-JAMES CONST

Dates Employed: 6/07 - 6/12

Job Title OWNER / OPERATOR

Duties: ADDITIONS / RENOVATIONS / REMODELS, IN CALIFORNIA RESIDENTIAL & LIGHT COMMERCIAL

Major Projects:
WEST AMERICA BANK RENOV.

ADD-ADDITIONAL-PAGES-AS-NECESSARY.

THE TIME I WAS SELF-EMPLOYED OVERLAPPED WITH BEING HIRED BY THE COUNTY OF LAKE UNTIL HIRED FULL TIME.

Over the 10 years that I owned Ashton James in Ohio and California (2002-2012), I performed all electrical wiring for our residential and commercial projects, subject to inspection.

My expertise includes:

1. Installation of electrical service entrance conductors and attachment to meter bases, ensuring secure connections and compliance with regulations.
2. Mounting and wiring of electrical meter bases with meticulous attention to detail and adherence to safety protocols.
3. Expertise in installing main electrical panels, including grounding and bonding procedures, to guarantee optimal functionality and safety.
4. Proficient in wiring branch circuits for lighting fixtures throughout residential structures, ensuring efficient power distribution.
5. Skilled in installing outlets (receptacles) in accordance with building codes, prioritizing proper spacing and safety measures.
6. Knowledgeable in wiring switches for controlling lights and ceiling fans, ensuring smooth operation and compliance with standards.
7. Experienced in installing GFCI outlets in critical areas like bathrooms, kitchens, and outdoor spaces to enhance electrical safety.
8. Proficient in wiring dedicated circuits for major appliances, such as refrigerators and stoves, to ensure reliable power supply.
9. Competent in installing smoke detectors and carbon monoxide detectors, strategically placing them and ensuring interconnection for comprehensive safety coverage.
10. Expertise in wiring doorbell systems, including transformer installation and connection to doorbell chimes, for seamless functionality.
11. Skilled in low-voltage wiring for telephone, cable, and internet connections, ensuring efficient communication infrastructure.
12. Proficient in mounting and wiring various light fixtures, including chandeliers, pendant lights, and wall sconces, to enhance interior illumination.
13. Experienced in installing ceiling fans with proper support and wiring for motor and lighting components, ensuring optimal performance.
14. Knowledgeable in wiring HVAC systems, including thermostats and control wiring, to facilitate effective temperature regulation.
15. Competent in installing outdoor lighting fixtures, such as floodlights and pathway lights, to enhance safety and security.
16. Skilled in wiring outdoor receptacles with weatherproof covers and proper grounding to withstand environmental conditions.
17. Proficient in installing surge protection devices to safeguard electrical systems from power surges, enhancing equipment longevity.
18. Experienced in wiring garage door openers, including safety sensors and control wiring, to ensure smooth operation.
19. Expertise in installing under-cabinet lighting in kitchens and bathrooms, enhancing visibility and aesthetics.
20. Proficient in retrofitting existing electrical systems to meet current building codes and safety standards, ensuring compliance and mitigating hazards associated with outdated wiring systems.

Overall, my diverse skill set and comprehensive understanding of electrical installations make me well-equipped to contribute effectively as an Electrical Safety Inspector with the Ohio Board of Building Standards.

I possess extensive experience in various aspects of electrical installations and wiring, which align with the responsibilities of an Electrical Safety Inspector.

Director

Ohio Competency Analysis Profile

Competency Profile for:

ELECTRICITY

JEREMY COPLEY

Safety

- Maintain safe work environment
- Maintain tools and equipment
- OSHA 10 hour program

Electrical Principles

- Analyze and measure values in direct current (DC)
- Analyze and measure values in alternating current (AC)
- Use test equipment

Estimating a Job

- Demonstrate familiarity with National Electrical Code (NEC)
- Read and interpret blueprints and specifications
- Plan and layout job
- Determine equipment needed

Commercial and Industrial

- Installations
- Install and rough in wiring
- Finish wiring

Equipment Installation

- Prepare for equipment installation
- Install equipment

Single-Phase and Three Phase Circuits and Devices

- Analyze three-phase motors
- Analyze single- phase motors
- D.C. motors and generators

Troubleshooting and Repairing

- Analyze schematics to identify circuit function
- Trace circuits to locate problems
- Use test equipment
- Troubleshoot and repair motors and controls
- Maintain electrical systems

Specialized Industrial Installations

- Install motors and motor controls
- Install programmable controls
- Install low- voltage systems
- Fluid power systems

Residential Installations

- Finish wiring
- Estimate Materials
- Estimate Labor
- Install and rough- in wiring
- Analyze and install distribution Systems

Specialized Systems

- Install low-voltage systems
- Fluid Power Systems

TROUBLESHOOTING AND REPAIRING

- Analyze blueprints to identify circuit function
- Trace circuits to locate problems

APPLICATION FOR EMPLOYMENT

Even if you are submitting supplemental information with your application, all information on this Wood County Application for Employment must be complete.

Wood County is an equal opportunity employer and employment decisions are made without regard to race, religion, color, sex, pregnancy, sexual orientation, genetic information, national origin and ancestry, age (where protected by law), veteran status, disability, or military status.

Wood County performs criminal background checks on prospective employees. The Ohio Revised Code prohibits Wood County from hiring individuals with certain criminal records (i.e. R.C. 2921.41, R.C. 3721.121).

Personal Information

Name JACK JOHN A N/A
as Printed on Social Security Card Last First Middle Alias

Do you have the legal right to live and work in the U.S.? Yes No Are you 18 years of age or older? Yes No
Proof of citizenship or immigration status will be required upon employment.

Emergency Contact Information NANCY E. JACK
Name Phone

Employment Desired Part Time Full Time Shift Preference 1st 2nd 3rd

Position(s) ELECTRICAL SAFETY INSPECTOR
[Redacted]

Do you have prior public service working for the State of Ohio or a political subdivision of the State? Yes No
If yes, be sure to include in Employment History section.

Have you ever applied to Wood County before? Yes No When? Which office or department?

Have you previously worked for Wood County? Yes No When? Which office or department?

List any immediate family members employed by Wood County:

Name	Department	Relationship

I FEEL I AM FULLY QUALIFIED FOR ANY TYPE OF ELECTRICAL INSPECTION, BECAUSE OF MY EXTENSIVE BACKGROUND AS A MASTER ELECTRICIAN, ELECTRICAL CONTRACTOR, EXTENSIVE TRAINING & EDUCATION.

Release and Authorization

READ CAREFULLY BEFORE SIGNING

INITIAL each statement in the line provided. All lines must be initialed for application to be considered.

- 9.9 I certify that I can perform the essential functions of the job for which I have applied, with or without reasonable accommodation.
- 9.9 I understand that false statements or misleading information given in my application or interview(s) may result in discharge from employment regardless of when such information is discovered.
- 9.9 I authorize Wood County, Ohio, to obtain copies of my work record and educational history from my former employers and/or educational institutions.
- 9.9 I authorize Wood County to obtain an abstract of my driver's license or commercial driver's license record, as well as any prior criminal convictions as it relates to the position for which I am applying.
- 9.9 I release all parties from all liability for any damage that may result from the release and use of medical, educational, and employment-related information to Wood County.
- 9.9 I understand that any offer of employment is conditioned upon proof of legal authorization to work in the United States as required by the Immigration Reform and Control Act and other applicable laws. I further understand that my social security number must be provided upon employment.
- 9.9 I understand that a post-employment physical examination or drug screening may be required for certain positions.
- 9.9 In the event that I am hired, I authorize Wood County to update and supplement this information during my employment with the County.
- 9.9 In consideration of the County's review of my application, I agree that any claim or lawsuit arising out of my employment with, or my application for employment with Wood County, its officials, boards, and agencies must be filed no more than six months after the date of the employment action that is the subject of the claim or lawsuit. While I understand that the statute of limitations for claims arising out of an employment action may be longer than six months, I agree to be bound by the six month period of limitation set forth herein, and I WAIVE ANY STATUTE OF LIMITATION TO THE CONTRARY. Should a court determine in some future lawsuit that this provision allows an unreasonably short period of time to commence a lawsuit, the court shall enforce this provision as far as possible and shall declare the lawsuit barred unless it was brought within the minimum reasonable time within which the suit should have been commenced.
- 9.9 I certify that the facts contained in this application are true and complete to the best of my knowledge and belief. I understand that this application must be completed in full or it may not be considered.
