Call to Order

Consent Agenda

Personnel Certification Applications

- P-1** Baumgartner, Douglas FPI
Certification ID# 8896
Current certifications- none, FSI since 1991.
Staff notes: Missing questions and signature . emailed for replacement final page. Will be on consent agenda when complete.
- P-2** Jones, Andrew - FPI Additional Information
Cert ID:8871
Current Certifications: ESI interim pending exams
Staff Notes: Additional information submitted for FPI certification, recommend approval.
Committee Recommendation:
- P-3** Kudela, Jeremy RBI
Certification ID# 8684
Current certifications- none
Staff notes- Application used is for interim, trainee forms attached. Have requested clarification from applicant.
Previously applied in October 2021, Board requested additional information or suggested trainee program. Now both are submitted.
Committee recommendations-
- P-4** Martin, Brian - BI Trainee - Alternative Trainee Plan
Cert ID: 8886
Current Certifications: None
Staff Notes: Alternative Trainee Plan proposed. Recommend approval.
Committee Recommendation:
- P-5** Mills, Jeff - BI and ESI trainee
Cert ID: 8771
Current Certifications: RBI
Staff Notes: All forms submitted, recommend approval
Committee Recommendation:

- P-6 Monaco, Jason - BO
Certification ID# 5821
Current certifications- BI, PI, ESI, RBO, RBI
Staff notes-6 months short of 5 year RBO, has passed exams. BI since 2017.
Recommend approval.
Committee recommendations-
- P-7 Mong, Christopher - BO
Certification ID# 4449
Current certifications- FPI, BI
Staff notes- Review experience, recommend approval.
Committee recommendations-
- P-8 Morrison, Eric BI
Certification ID# 8885
Current certifications- none
Staff notes- Appears to meet requirements. Recommend approval.
Committee recommendation:
- P-9 Plaza-Serrano, Saul - BO
Cert ID: 1177
Current Certifications: BI, RBO
Staff Notes: Previously held BO interim, did not completed exams, denied in 2017 for recertification.
Committee Recommendation:
- P-10 Roncone, Edoardo - ESI Trainee, Alternative Trainee Plan
Certification ID: 8859
Current certifications: ESI Trainee, EPE, RBO, RBI
Staff Notes: Approved for ESI exams at June 2022 meeting, requested trainee, issued administratively, has submitted alternative trainee plan for approval. Recommend approval.
Committee Recommendation:
- P-11 Seikel, Tim BI
Certification ID# 8893
Current certifications- none
Staff notes- All experience is as property insurance claims adjuster, with in person inspections of claims. Recommend Trainee program.
Committee recommendations-
- P-12 Sester, Christopher PI, PPE
Certification ID# 8890
Current certifications- none, listed experience is with OCILB licensed plumbing contractors.
Staff Notes: Additional experience information requested.
Committee Recommendation:

- [P-13](#) Sigler, Barry RBI
Certification ID# 8898
Current certifications- none
Staff notes-17 years experience in home inspections, no details given. State certified since 2019.
Committee recommendations-
- [P-14](#) Walker, Charles - BO
Certification ID# 5417
Current certifications- RBO
Staff notes- Lacks 10 years qualifying experience. Not recommended for approval.
Committee recommendation:
- [P-15](#) Winter, William BI, RBO
Certification ID# 8910
Current certifications- None.
Staff Notes: Additional information on nature of work provided
Committee Recommendation:
- [P-16](#) Young, Patrick BI Trainee - Alternative Trainee Plan
Certification ID# 8514
Current certifications- RBI
Staff notes- Recommend approval
Committee recommendations-
- [P-17](#) Young, Trenden - ESI
Cert ID: 8879
Current Certifications: None
Staff Notes: In June referred to ESIAC for review.
ESIAC Recommendations: Not recommended for approval.
Committee Recommendation:
- [P-18](#) Depew, Richard - BI
Cert ID: 6188
Current Certifications: ESI, RBI
Staff Notes: Review experience. Recommend approval pending receipt of hard copy and check.
Committee Recommendation:
- [P-19](#) May, Terrence RBI
Certification ID# 8921
Current certifications- none
Staff notes-Unusual experience, review for equivalence.
Committee recommendation:

P-20

Maybrier, Kayla BI Trainee - Cincinnati program
Certification ID# 8913
Current certifications- None
Staff Notes: Applicant wishes to be considered for interim: additional information provided.
Committee Recommendation:

Building Department Certification Applications

D-1

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: up to 18 months

Proposed Alternative Program Education Requirements: Brian has an AA from Columbus State, in Landscape Design and a BA from Capital University in Business. Brian has been a Zoning plan reviewer and zoning field inspector for 24 years at the City of Dublin. Brian inspects commercial and residential project improvements in the City.

Proposed Alternative Program Training & Supervision Requirements: Brian will be supervised directly by Lee Montgomery, the Senior Building Inspector at Dublin. Brian is prepared to take any and all training available and he will be riding with City inspection staff to get training and experience in all inspection types, inspection disciplines and project sizes.

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: Brian has inspected for the City of Dublin for 24 years. He knows our ordinances, inspection and permitting software and has been a vital part of the City inspection team over the years. He has inspected for all zoning conditions of approval, for development projects in the City.

Dear OBBS:

This letter is being written to discuss the experience Brian Martin has relating to his application for trainee certification as a building inspector for the City of Dublin.

Brian has provided Zoning Plan Review and Field Inspection for the City of Dublin for the past 24 years. He knows all of our City Ordinances along with our City inspection and permitting software/system. He inspects all zoning conditions of approval (i.e. landscaping, water features, concrete walks, stairs, railings, approved construction materials, glazing, etc.), for development projects in the City of Dublin.

Brian has an AA from Columbus State in Landscape Design and a BA from Capital University in Business Administration. He is also an ISA Certified Arborist.

Brian is very eager to learn and is extremely excited about this opportunity to become a Certified Building Inspector.

Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Brad Fagrell

RE: Jeff Mills Personnel Application for Residential Building Inspector and Building Inspector Trainee

I am writing this letter to recommend Jeff and clarify how I feel Jeff meets the experience qualifications for Residential Building Inspector and Building Inspector Trainee

Jeff came to our City after an extensive career in the construction industry dating back to 1989. Although I have been with the City of Wooster as the Chief Building Official for nearly 25 years, in my prior construction experience, I worked on construction sites with Jeff's family's masonry contracting business in small and large projects. Jeff has worked in this business and for many other companies in relevant construction projects and also in many other projects that are not relevant but involve skilled trades. Jeff's resume includes the necessary experience to participate in the building inspector trainee program and is ideally suited for this program. I believe the program was created for just this type of person who is willing and able to learn from more seasoned inspectors.

Jeff's extensive knowledge of construction was one of the reasons we recruited him to work for the City. I have personally supervised and worked with Jeff Mills at the City of Wooster for the past 18 months. In his time at the City of Wooster, Jeff has worked in the building department as a property maintenance inspector. Mr. Mills is conscientious and has maintained a high standard of performance. Jeff is the kind of employee that the code enforcement profession benefits from having as an inspector.

Please feel free to contact me at (330) 263-5258 or tmonea@woosteroh.com if you have any questions or need any further information.

Sincerely,

Tim Monea

**Re: Jeff Mills
Work Experience with KEMRON**

To Whom it May Concern,

I am pleased to submit this correspondence in reference to the general consulting experience of Jeff Mills. Jeff has worked on various environmental remediation construction sites and projects for KEMRON Environmental Services, Inc. (KEMRON) over the past 10 years showcasing his knowledge of general construction, plumbing and electrical trades. Jeff has worked on and constructed treatment systems for the remediation of petroleum contamination throughout West Virginia, Virginia and Ohio.

If you have any questions or comments concerning this correspondence, please feel free to contact me at (304) 755-0999.

Sincerely,
KEMRON Environmental Services, Inc.

P-6 Monaco, Jason - BO

Certification ID# 5821

Current certifications- BI, PI, ESI, RBO, RBI

Staff notes-6 months short of 5 year RBO, has passed exams. BI since 2017. Recommend approval.

Committee recommendations-

Jason Monaco

8/6/22

To The Ohio Board of Building Standards, my name is Jason Monaco. I am submitting a application for the interim certification of CBO. I am currently employed by Safebuilt. I know that you are all aware of the state wide shortage of Inspectors and Building Officials. At the time of you reading this I have 4 years and 6 months employed full time in a residential building department as an RBO. February 2023 will be my 5th year. I am 6 months short of the required 5 years, however my employer Safebuilt has asked me to submit my application early for interim certification so that I can attend the code academy for Building Officials this fall and obtain my certification instead of having to wait until the spring. I have passed and have included with my application the certificate from the ICC showing that I have taken and passed the 3 part examination for CBO. I am asking the Board to please consider my application for interim CBO given the need for Building Officials and per my employer's request. If my request is denied I completely understand and I look forward to obtaining the certification in 6 months so I can serve the state of Ohio in the Building Official capacity.

SECTION 6: ELECTRICAL SAFETY INSPECTOR (ESI) - SPECIFIC EXPERIENCE QUALIFICATIONS

Applicants for Electrical Safety Inspector Only Must Complete This Item

Section 3783 of the Ohio Revised Code specifies that an applicant for a Certificate of Competency as an Electrical Safety Inspector must meet one of the following to qualify to take required examination. Please check the qualification that applies:

1. Have been a journeyman electrician or equivalent for four years, two of which were as an electrician foreman, and have had two years' experience as a building department electrical inspector trainee;
2. Have been a journeyman electrician or equivalent for four years and have had three years' experience as a building department electrical inspector trainee;
3. Have had for four years' experience as a building department electrical inspector trainee;
4. Have been a journeyman electrician or equivalent for six years;
5. Am a graduate electrical engineer and registered in the State of Ohio. Registration number: _____
6. Applicant authorizes all testing organizations including ICC to provide test results to the BBS.

SECTION 7: EXPERIENCE (DO NOT SUBSTITUTE WITH OTHER RESUMES).

Refer to Experience Requirements Listed in O.A.C. 4101:7-3-01 and O.R.C. 3783

Below, list the specific projects you worked on, and the specific work you performed, your typical duties for each project, and dates of this work. You must demonstrate that you have the required number of months (years) of actual, practical experience for the certification requested (see matrix).

Provide letters from certified inspectors, employers, or contractors verifying your experience. Submit copies of any certificates, diplomas, or licenses. Remove all personal information.

SECTION 7 CONT.: EXPERIENCE

List Each Construction Project <u>AND</u> Specific Type of Work Performed	Name of Employer, Contact, Address, Telephone Number	Project Time: From _ To _ (MM/YY)
<p>Example: Children's Hospital, Toledo Structural steel work on addition</p>	<p>Homer Steel and Trade 125 Anytown Street My City, OH, 45454 (419)555-1212</p>	<p>July 2013-May 2014 (10 months)</p>
<p>RBO for various building departments in Ohio starting with The Village of Newburgh Hts. on 2/17/2018 which is the date I received my RBO</p>	<p>and started using it for Newburgh Hts.</p>	<p>2/2018-present 4 yrs. 6 months</p>
<p>Total Experience on This Page (In Months):</p>

SECTION 8: PERSONAL HISTORY

1. Have you ever been convicted of any felony, or any crime involving moral turpitude?
 Yes No

If you answered "Yes" please explain below:

2. Have you served in the U.S. armed services? (If No, skip question 3) Yes No

3. If YES, were you discharged under honorable conditions? Yes No

If you answered "No" please explain below:

Empty table with 10 rows for providing an explanation.

SECTION 9: CERTIFICATION

I certify the information contained in this application is true and complete, and I understand that providing false information may be grounds for not granting certification or for immediate termination of certification at any point in the future, if granted. I authorize the investigation of all statements contained herein and release all parties from all liability for any damage that may result from furnishing the same to Ohio Board of Building Standards. Falsification is a violation of section 2921.13 of the Ohio Revised Code and is punishable as a misdemeanor of the first degree.

Signature of Applicant: [Signature]

Subscribed and duly sworn before me according to law, by the above named applicant this day 4 of August in the year 2022 at Chesterland, County of Crawford and State of Ohio

Notary Public: [Signature]

Personnel ID #: 5821

8/29/2018

start date of RBO for a residential building department.

At its meeting on 2/14/2018, the Board of Building Standards approved your interim certification as indicated on the enclosed certification ID card below.

The expiration date(s) for your interim certification(s) is (are) as indicated below on the ID card.

You must complete the conditions of your interim certification during the interim certification period stated on your ID card. The specific examination and Ohio Building Code Academy, if applicable, requirements are summarized in the attached form and can also be found in Ohio Administrative Code Chapter 4101:1-1-01 for commercial certifications and Ohio Administrative Code Chapter 4101:8-1-01 for residential certifications.

Please refer to your personnel I.D. number (shown on the ID card below) on any correspondence and on all certificates of continuing education forwarded to the Board's office related to your certification. If you have any questions, please contact the Board for assistance at 614-644-2613.

Sincerely,
BOARD OF BUILDING STANDARDS

Regina S. Hanshaw
Executive Secretary

<p>Remodel of Office Space and HVAC Upgrades Brookpark</p> <p>Review new construction design documents for life safety compliance and fire safety system components. Building originally housed machine shop, new construction will be office space with modular furniture. Egress paths, exit door placement were evaluated and are compliant for proposed occupant load. Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. New occupancy will reduce hazards, new suppression will require redesign regardless. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. Identify requirements for fire rated walls surrounding mechanical areas. Address correct floor lighting levels for egress lighting and exit signage in the interior cubicle pods. Review customer storage requirements/equipment identify increased loads in space, advise A/E to adjust wall elements. Occupancy classification changed in two internal spaces requiring egress to be reevaluated, requirements for rated walls to be installed. Visit active construction site, review building construction per approved construction drawings. Identify deficiencies of design/construction with PM, Architect, Engineer needing correction. The existing building components presented challenges with regards to sprinkler pipe locations and ensuring proper coverage. New floor layout created egress issues requiring rework of fire rated walls and installation challenges. Participate in conversations requesting additional information regarding construction design and meeting the intent of design. Witness inspections/acceptance testing of mandated OBC/OFC codes, NFPA standards as customer representative. The installation of new suppression piping created a number of deviations from the original design, meet with designer to review installation/meet intent of design. Perform final walk-thru/punch list reviews of all construction for compliance of OBC/OFC. Review changes from original design intent and ensure changes meet the intent of OBC. Advise customer of compliance with building construction documents allowing occupancy. Follow-up with contractor to ensure submittal of mandated documentation regarding field condition changes, testing, and maintenance.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>December 2012 - July 2017 (56 months)</p>
<p>Fire Alarm and Foam System Upgrades Brookpark</p> <p>Review new construction design documents for life safety compliance and fire safety system components. Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. Reviewed the third party Fire Protection Engineer hazard analysis with the customer and captured the requirements of NFPA and OBC in the SOW for completion. Review the design documents for life safety compliance and fire safety systems compliance. Contractor was required to submit and utilize specific laser detector for aircraft hangers, this required specific layout patterns under the aircraft. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. The design lacked a number of components including smoke detectors, horn/strobes, coverage areas of the smoke detectors and interface devices with the existing system. The design also did not provide the operation of the foam system regarding sequence of activation. Once design was approved, visit active construction site, review building construction per approved construction drawings and identify deficiencies of design/construction with PM, Architect, Engineer needing correction. Site visits included inspection of the fire barrier penetrations, equipment and device locations, and the location of the laser beams per the manufacturer layout. Participate in conversations requesting additional information regarding construction design and meeting the intent of design of the laser detectors regarding the aircraft locations in the structure. Witness inspections/acceptance testing of mandated OBC/OFC codes, NFPA standards as customer representative. The lasers required specific locations and the manufacturer provided a layout of those points, verify that the sub-contractor installed the devices per manufacturers specifications. Perform final walk-thru/punch list reviews of all construction for compliance of OBC/OFC. Review the sequence of operations of activation and witness the system test. Advise customer of compliance with building construction documents allowing occupancy, and compliance of the hazard analysis. Follow-up with contractor to ensure submittal of mandated documentation regarding field condition changes, testing, and maintenance.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>March 2014 - April 2018 (49 months)</p>

<p>Warehouse Addition Phase #2 Brookpark</p> <p>Review new construction design documents for life safety compliance and fire safety system components. Identify the customer elevated finish requirement as "Class A" for all finishes along with the sprinkler design classification. Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. This building addition will require gas detection in the laboratory spaces due to the use of inert gases. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. Identify the Special Inspections chapter requirements regarding the structural steel, and request the Architect include the requirements in the construction drawings. Visit active construction site, review building construction per approved construction drawings. Review the special inspection requirements with the contractor, ensure documents were furnished after inspections. Identify deficiencies of design/construction with PM, Architect, Engineer needing correction. The contractor started installing combustible material in the parapet wall when a non-combustible material was required by design. Advised contractor to adjust material and verify completion. Participate in conversations requesting additional information regarding construction design and meeting the intent of design. The warehouse space was originally design to store a specific fire load, the customer has changed the material stored requiring a redesign of the sprinkler system in that space, identify the proposed load and provide the designer with upgraded impact. Witness inspections/acceptance testing of mandated OBC/OFC codes, NFPA standards as customer representative. The installation of a laboratory gas detection systems was verified, including mechanical system shut-down protecting the entire building. Perform final walk-thru/punch list reviews of all construction for compliance of OBC/OFC. Tie-ins to the existing sprinkler and fire alarm systems were required as part of this project, ensured complete commissioning of the entire system was completed before accepting the work. Advise customer of compliance with building construction documents allowing occupancy. Follow-up with contractor to ensure submittal of mandated documentation regarding field condition changes, testing, and maintenance.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>February 2014 - April 2017 (39 Months)</p>
<p>Warehouse Addition Phase #3 Design Brookpark</p> <p>Review new construction design documents for life safety compliance and fire safety system components. Ensure the design meets the intent of the customer requirements with regards to fire/life safety protection. Review the Life Safety Code Summary of the design against the OBC requirements. Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. The customer intends to store and dispense flammable/combustible fluids, along with the repair of fuel fired equipment as an addition of an existing building. The design needs to include fire wall as required by OBC to separate existing space from new construction. Material storage will also need to be incorporated in the space. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. Incomplete separation is being provided between occupancies per OBC, design did not address electrical classifications and storage methods.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>October 2014 - February 2015 (4 Months)</p>
<p>Research Support Building</p> <p>Review new construction design documents for life safety compliance and fire safety system components. Work with A/E to understand the customer has more stringent requirements relating to fire/life safety that will need to be captured in the design. Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. A number deficiencies regarding the identification of the UL listed assemblies for fire rated walls were not provided in the construction drawings, identify these with the A/E. Wall finishes did not meet elevated requirements and identified with A/E. Egress paths from work rooms exceeded allowable length, identify with A/E. Visit active construction site, review building construction per approved construction drawings. Identify deficiencies of design/construction with PM, Architect, Engineer needing correction. Discovered incorrect fire stop methods/products installed in elevator shafts, advised contractor. Participate in conversations requesting additional information regarding construction design and meeting the intent of design. Meet with Fire stop contractor to discuss methods of installation and products used. Witness inspections/acceptance testing of mandated OBC/OFC codes, NFPA standards as customer representative. Perform final walk-thru/punch list reviews of all construction for compliance of OBC/OFC. Advise customer of compliance with building construction documents allowing occupancy. A number of incomplete items remained after acceptance testing, regarding sprinkler system, alarm system and egress equipment. This required additional testing before proceeding with the issuing of certificate of occupancy. Follow-up with contractor to ensure submittal of mandated documentation regarding field condition changes, testing, and maintenance. Prior to final completion all systems were reviewed for completion including signage, appliances, and operation.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>July 2016 - January 2022 (66 months)</p>

<p>Aerospace Communication Facility</p> <p>Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. The Hazard Analysis determined that an H-3 occupancy will be required as part of the customer requirements, reviewed with the A/E the requirements to comply with OBC and OFC allowing for this space to be located as determined. Review new construction design documents for life safety compliance and fire safety system components. As a result of the H-3 occupancy, this required an increase in classification for sprinkler design, meet with designer to review the design requirements prior to design. Participate in 30%, 60%, 90%, 100% design reviews with the registered architect, providing comments regarding deficiencies. Ensure the A/E captured life safety elements regarding egress distances, barriers and OFC requirements based on the location of the space on the second floor. Visit active construction site, review building construction per approved construction drawings. Inspect the fire stop installations in the required rated walls, floor, roof, and barriers, in the elevator shaft and egress paths, including elevator equipment room. Review and inspect the installation of the fire rated exterior wall components. Ensure proper screw length, placement per the OBC and manufacturer specification to meet the correct rating. Identify deficiencies of design/construction with PM, Architect, Engineer needing correction. The building will utilize an emergency generator for Life Safety as well as back-up power. Work with contractor to utilize the correct transfer switches meeting UL certifications. Contractor proposed cost saving measures that would violate OBC, respond with justification. The sprinkler contractor proposed an installation that would not meet the minimum intent of the OBC, discuss the ramifications and solutions as to finding a acceptable system. Participate in conversations requesting additional information regarding construction design and meeting the intent of design. Start the planning process with the contractor surrounding commissioning of the building systems, discuss how the procedures will meet the requirements.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>August 2015 - Present (83 Months)</p>
<p>Medical Services Building Remodel</p> <p>Evaluate Hazard Analysis of operations, ensure design encompasses/mitigates hazards appropriately per customer standards/policy. Review with the customer the requirements of certification agencies and determine critical path regard OBC compliance. The project requires a complete demo of the existing interior of the building. The new revisions will require the project to meet the current version of OBC with no other agency input. The customer has requirements for a generator this will be for the use of back-up power including egress lighting. Participate in 30%, 60%, design reviews with the registered architect, providing comments regarding deficiencies. Review new construction design documents for life safety compliance and fire safety system components. Sprinkler designer will need to evaluate the use of the structure and redesign the coverage for the new occupancy.</p>	<p>Leidos Corp 21000 Brookpark Rd. Brookpark, Ohio (216) 433-5110</p>	<p>December 2021 - Present (8 Months)</p>

SECTION 6: ELECTRICAL SAFETY INSPECTOR (ESI) - SPECIFIC EXPERIENCE QUALIFICATIONS

Applicants for Electrical Safety Inspector Only Must Complete This Item

Section 3783 of the Ohio Revised Code specifies that an applicant for a Certificate of Competency as an Electrical Safety Inspector must meet one of the following to qualify to take required examination. Please check the qualification that applies:

1. Have been a journeyman electrician or equivalent for four years, two of which were as an electrician foreman, and have had two years' experience as a building department electrical inspector trainee;
2. Have been a journeyman electrician or equivalent for four years and have had three years' experience as a building department electrical inspector trainee;
3. Have had for four years' experience as a building department electrical inspector trainee;
4. Have been a journeyman electrician or equivalent for six years;
5. Am a graduate electrical engineer and registered in the State of Ohio. Registration number: _____
6. Applicant authorizes all testing organizations including ICC to provide test results to the BBS.

SECTION 7: EXPERIENCE (DO NOT SUBSTITUTE WITH OTHER RESUMES).

Refer to Experience Requirements Listed in O.A.C. 4101:7-3-01 and O.R.C. 3783

Below, list the specific projects you worked on, and the specific work you performed, your typical duties for each project, and dates of this work. You **must** demonstrate that you have the required number of months (years) of actual, practical experience for the certification requested (see matrix).

Provide letters from certified inspectors, employers, or contractors verifying your experience. Submit copies of any certificates, diplomas, or licenses. Remove all personal information.

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: One (1) year from date of application acceptance

Proposed Alternative Program Education Requirements: _____

The trainee will be required to attend the BBS code academy and study for the ESI certification examination.

Proposed Alternative Program Training & Supervision Requirements: _____

The CBO and supervisor will be required to manage and monitor the passing of examinations and scheduling of the BBS code academy.

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: _____

The applicant has the qualifications to perform the functions requested by the BBS; however he must attend the BBS code academy. This will allow the trainee the time and employment to learn and attend the next offered code academy.

Applicant Signature: _____

Date: _____

Supervisor Signature: Rense' Snodgrass

Date: 07/08/2022

Building Official Signature: Christopher T. Wilson

Date: 07/06/2022

1. Have you ever been convicted of any felony, or any crime involving moral turpitude?
 Yes No

If you answered "Yes" please explain below:

2. Have you served in the U.S. armed services? (If No, skip question 3) Yes No

3. If YES, were you discharged under honorable conditions? Yes No

If you answered "No" please explain below:

SECTION 9: CERTIFICATION

I certify the information contained in this application is true and complete, and I understand that providing false information may be grounds for not granting certification or for immediate termination of certification at any point in the future, if granted. I authorize the investigation of all statements contained herein and release all parties from all liability for any damage that may result from furnishing the same to Ohio Board of Building Standards. Falsification is a violation of section 2921.13 of the Ohio Revised Code and is punishable as a misdemeanor of the first degree.

Signature of Applicant: [Signature]

Subscribed and duly sworn before me according to law, by the above named applicant this day 28th of July in the year 2022 at Soupath OH, County of Summit and State of Ohio.

Notary Public: Amber Keaton

- (39) Residential mechanical inspector trainee.
- (40) Electrical safety inspector.
- (41) Electrical safety inspector trainee.
- (42) Industrialized unit inspector.
- (43) Interim industrialized unit inspector.
- (44) Residential industrialized unit inspector.
- (45) Interim residential industrialized unit inspector.
- (46) Plumbing inspector.
- (47) Interim plumbing inspector.
- (48) Plumbing inspector trainee.
- (49) Medical gas piping inspector.

(B) Multiple personnel certifications held. A person may hold more than one certification.

(C) Conflict of interest. No certified employee or person who contracts for services within the jurisdictional area of a residential or non-residential building department shall perform services for any department which would require that person or employee to exercise authority or make an evaluation of any work furnished by him or by a private contractor that employs him on a full-time, part-time, or incidental basis. Further, such employee or person shall not engage in conduct that is prohibited or considered a conflict of interest pursuant to Chapter 102. of the Revised Code.

(D) Seals. No holder of a certification issued by the board of building standards is authorized to secure a seal in any form or of any type for use in the performance of any of their duties.

(E) Experience requirements of the applicant to qualify for certification.

(1) General experience. To qualify for certification, applicants must have experience directly related to buildings or structures within the scope of the "Residential Code of Ohio" for residential certifications or experience directly related to buildings or structures within the scope of the "Ohio Building Code" for nonresidential certifications.

(a) In evaluating experience of an applicant, the board of building standards may find the following enforcement, inspection, or plans examination experience to be acceptable:

- (i) Experience gained prior to 1984, with a non-residential building department certified by the board of building standards to exercise enforcement authority for buildings or structures within the scope of groups regulated by the rules of the board; or
- (ii) Experience gained with the department of commerce, division of industrial compliance or an agency or jurisdiction outside the state of Ohio enforcing a model residential code, for residential certifications, or a model non-residential building code, for nonresidential certifications, of a national model code organization or a code adopted for the respective buildings or structures of the types regulated by the rules of the board; or
- (iii) Certification by the department of commerce, division of industrial compliance, as a plumbing inspector when application is made for board certification as a plumbing inspector; or
- (iv) Experience gained as an employee of a certified residential or nonresidential building department and who is a holder of a board certification other than that for which application is being made as prescribed in this rule.

Exceptions:

- (a) Certified building department employees who are applicants for plumbing inspector certification shall comply with paragraph (E)(16) of this rule.
 - (b) Certified building department employees who are applicants for electrical safety inspector certification shall comply with paragraph (E)(17) of this rule.
 - (b) The board of building standards shall not credit experience gained while acting in violation of rules adopted by the board to establish equivalent experience.
 - (c) The board of building standards may credit experience which provides knowledge of different construction methods, processes, or types as it determines applicable, but shall not credit construction experience that does not provide required knowledge including, but not limited to, the installation of floor and wall coverings, the installation of roofing materials or roofing systems, or the finishing of concrete.
 - (d) For a residential or nonresidential certification, the board of building standards shall credit one year of the required experience obtained through education credit pursuant to paragraph (F)(6) of this rule.
 - (e) Individuals certified as non-residential building officials, master plans examiners, or building inspectors must make application to the board but individuals will qualify without further testing and without providing related experience to become a residential building official, residential plans examiner, and/or residential building inspector.
- (2) **Building official.** An applicant for a building official certification shall meet one of the following requirements:
- (a) At least five years of experience in non-residential building design and construction for buildings or structures within the scope of groups regulated by the rules of the board while registered in Ohio as an architect or professional engineer;
 - (b) At least ten years of experience as a general contractor or superintendent of building construction for buildings or structures dealing with all phases and trades of construction including the responsibility for obtaining approvals and inspections within the scope of groups regulated by the rules of the board; or
 - (c) At least five years of experience employed full-time as a residential building official in a certified residential building department.

In evaluating the experience requirements for this certification, the board may accept applicable experience as specified in paragraph (E)(1) of this rule.

- (3) **Residential building official.** An applicant for a residential building official certification for a residential building department shall meet one of the following requirements:
- (a) Ohio registration as an architect or professional engineer; or
 - (b) At least five years of experience as a residential contractor or non-residential contractor or superintendent with responsibility for obtaining approvals and inspections of structures regulated by the rules of the board.

In evaluating the experience requirements for this certification, the board may accept applicable experience as specified in paragraph (E)(1) of this rule.

TIM G. SEIKEL

WORK EXPERIENCE

Dates Employed	Job Title	Company
<u>February 2006 to Present</u>	<u>SR. Claims Adjuster</u>	<u>Sedgwick</u>

Working from my home office, handling large and small property and casualty claims. Investigating and evaluating damages and handling claims process from beginning to resolution for clients. Attended numerous mediations and settlement conferences for clients and worked with defense attorneys to reach settlement of lawsuits with claimants and plaintiffs attorneys.

Currently licensed as an insurance adjuster in numerous states.

<u>3/2005 – 2/2006</u>	<u>SR. Claims Adjuster</u>	<u>ASU GROUP</u>
------------------------	----------------------------	------------------

Handling property and casualty claims as assigned. Investigating and determining coverage for a multitude of losses. Estimating property damage and settling bodily claims.

<u>5/2003 - 3/2005</u>	<u>SR. GENERAL LIABILITY ADJUSTER</u>	<u>AJ GALLAGHER</u>
------------------------	---------------------------------------	---------------------

Handling General liability investigations for retail Properties. Investigating and analyzing state laws and negligence to determine liability on the part of the Property.

<u>2/2002 - 3/2003</u>	<u>BRANCH MANAGER</u>	<u>NATIONAL CITY BANK</u>
------------------------	-----------------------	---------------------------

Manager of grocery store branch. Sales responsibilities included generation of new accounts and loans. Responsible for loan closing, annuity sales, and training of branch personnel.

<u>12/2000 - 12/2001</u>	<u>RETAIL INSURANCE SPECIALIST</u>	<u>HUNTINGTON BANK</u>
--------------------------	------------------------------------	------------------------

Responsible for marketing insurance products through retail branch locations. Working with and assisting licensed personal bankers in the sale of insurance products.

Responsible for insurance production at 22 branch locations.

12/1999 - 9/2000 AMERICAN FAMILY AGENT SEIKEL INS. AGENCY

Selling Auto, Home, Life and financial services as an American Family Captive agent.

1/1988 - 6/1997 SR. FIELD CLAIMS REPRESENTATIVE FOREMOST

DALLAS/TEXAS: Field Claims Adjuster, investigating claims for company and handling from initial claim report to resolution. Investigating and resolving both property and casualty claims.

SKILLS

Excellent Computer skills. Software estimating experience with Xactimate, Boech and Simsol. Previously using Lotus Notes and currently using Outlook for email.

Extensive construction knowledge due to inspecting over 10,000 Residential and commercial buildings in my career estimating damage to structures.

INSURANCE LICENSES (Held or previously held)

Mississippi, Connecticut, New Hampshire, Florida, Kentucky, South Carolina, Maine, Oklahoma, and Texas (since 1989).

Licensed Agent in Ohio for Property & Casualty, and Life.

EDUCATION

1981 - 1985 Ohio Dominican College COLUMBUS, OHIO

Bachelor' of Arts Business Administration

INSURANCE INSTITUTE OF AMERICA

AIC--Associate in Claims, completed 2008

AIS--Associate in Insurance Services, completed 2006

INS--General Insurance, completed 2005

Extensive Structural training over 30 years in the business of insurance adjusting.

Professional references can be provided upon request.

EMS certification titles are being updated to align with national EMS provider titles. All titles, as denoted below, are valid and mean the same thing under Ohio law. New cards will not be issued to those certified prior to the change until the certificate is renewed or a new certification obtained.

First Responder -> Emergency Medical Responder (EMR)

Charles H. J. Walker

Professional Summary

An active fire fighter/paramedic, offering over 25 years of experience, skilled in identifying and documenting cases of potential life threatening conditions and safety hazards. I possess a strong background in management, supervision, training and customer service from over 34 years of military service with several combat tours in various locations around the world.

EMS certification titles are being updated to align with national EMS provider titles. All titles, as denoted below, are valid and mean the same thing under Ohio law. New cards will not be issued to those certified prior to the change until the certificate is renewed or a new certification obtained.

**First Responder -> Emergency Medical Responder (EMR)
 EMT-Basic -> Emergency Medical Technician (EMT)
 EMT-Intermediate -> Advanced EMT (AEMT)
 EMT-Paramedic -> Paramedic**

From The Desk Of

Gregory Shelton

August 18, 2022

Mr. Gregory Shelton
Retired Owner / President
Architectural Products and Sales Company
34100 Chagrin Blvd
Chagrin Falls, Ohio 44022

Re: William B. Winter employment and work experience verification

Dear Ohio Board of Building Standards Certification Committee:

This letter is confirmation that William B. Winter was employed at Architectural Products and Sales Company and specialized in commercial / structural glazing. He was hired on October 17, 1990 and worked for me continuously until the official closing of my company on July 10, 2015. During his time of employment, he worked professionally with a crew of skilled craftsmen on dozens of Type I, Type II, and Type V building construction types and several use groups including A, B, E, I, M, and R. many of his skills include,

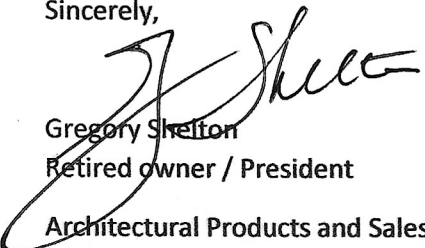

- Fabrication and installation of structural glazing systems
- Fabrication and installation of storefront glazing systems
- Fabrication, installation, and repair of commercial entry / egress doors
- Perimeter and structural sealants
- Installation of commercial composite panels, and foam filled interlocking panels

Mr. Winter is also qualified as an OSHA outreach trainer and served as our company safety trainer for many years. I am very fortunate to report that during his time as safety trainer we had no OSHA reportable injuries or violations!

William Winter is a highly skilled craftsman and is very professional when dealing with contractors and the public. He will be a perfect addition as a Building Inspector to the community he serves. Thank you for the consideration.

Please contact me at (216) 701-9620 if I can assist you further.

Sincerely,

Gregory Shelton
Retired owner / President

Architectural Products and Sales Company

RCO TRAINEE REQUIREMENTS FOR RESIDENTIAL BUILDING DEPARTMENT PERSONNEL

(4101:7-3-01 Ohio Administrative Code)

TRAINEE CERTIFICATIONS	TRAINEE EXPERIENCE REQUIREMENTS 4101:7-3-01(F)(5)	EXAM MODULE REQUIREMENTS		PROFESSIONAL LICENSE REQ.
		NCPCCI	or ICC	
RESIDENTIAL PLANS EXAMINER TRAINEE	1. One year of experience as a full-time designer working under the direct supervision of a design professional preparing construction documents; 2. One year of experience as a skilled tradesman for work subject to inspection under a residential or nonresidential code adopted for buildings or structures regulated by the rules of the Board.	Examination and Ohio Code Academy requirements for the related certification must be completed within the allotted time of the trainee program.		None Required
BUILDING OR MECHANICAL INSPECTOR TRAINEE	1. One year of experience as a skilled tradesman for work subject to inspection under a residential or nonresidential code adopted for buildings or structures regulated by the rules of the Board.	Examination and Ohio Code Academy requirements for the related certification must be completed within the allotted time of the trainee program.		None Required

NOTE 1. Only experience directly related to buildings or structures regulated by the rules of the Board shall be acceptable for any class certification.

NOTE 2. Trainee applicants for certification may obtain credit for one year of the required experience through education pursuant to Section 4101:7-3-01(F)(6) of the Ohio Administrative Code. Documentation must be submitted with the application.

NOTE 3. Trainee applicants must be under the direct supervision of a person certified in the trainee's respective field. Sponsor and Supervisor forms must be signed by the Building Official and the certified supervisor, respectively. Submit with application.

NOTE 4. Enforcement, inspection, or plans examination experience must be performed (a) prior to May 27th, 2006, for a residential building department exercising enforcement authority for buildings or structures regulated by an adopted model residential code, (b) for an agency or jurisdiction outside the state of Ohio enforcing a model residential code of a national model code organization for buildings or structures regulated by the Residential Code of Ohio, or (c) by an employee of a certified building department who is the holder of a BBS certification other than that for which application is being made.

NOTE 5. Trainee applicants must complete the Ohio Building Code Academy during their initial trainee certification period.

Exceptions:

(a) Medical gas piping inspectors pursuant to paragraph (E)(20) of 4101:7-3-01.

(b) Residential industrialized unit inspectors.

(c) Plumbing inspectors certified pursuant to Chapter 3703. of the Revised Code with five years of experience as full-time employees of the Division of Industrial Compliance in the Ohio Dept. of Commerce or of county boards of health who are seeking plumbing inspector certification.

(d) Individuals who have completed the Ohio Building Code Academy within thirty-six months immediately preceding the date of receipt of initial certification may attend "Code Administration and Skills Training" provided by the Board in lieu of the Ohio Building Code Academy.

NOTE 6. For scheduling examinations, applicants may contact either: Prometric, 1360 Energy Lane, St. Paul MN 55108, (800) 864-5309, www.prometric.com for NCPCCI exams or, International Code Council, National Certification Services, 900 Montclair Road, Birmingham, AL 35213, (888) 422-7233, www.iccsafe.org.

NOTE 7. Module description:

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: 24 Months

Proposed Alternative Program Education Requirements: two-hundred hours of approved code education courses, including completion of the "Ohio Building Code Academy".

Proposed Alternative Program Training & Supervision Requirements: complete 5 monthly inspections on non-residential job sites. Pass testing requirements

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application:

- My proposed alternative training Program will provide an array of Inspection types. I will learn how the code book applies in the field.

Applicant Signature: [Signature] Date: 8.10.2022

Having met the certification requirements in the rules of the Board of Building Standards, enclosed please find your certification ID card below.

The expiration date(s) for your certification(s) is (are) as indicated below on your ID card.

Holders of Board certifications must complete at least thirty hours of continuing building code education for their respective certifications, *including Board sponsored required courses*, prior to the expiration date of the certification as a requirement for renewal. Failure to complete the number of hours required *and mandatory classes* shall result in forfeiture of the certification. It shall be the responsibility of the certified individual to furnish the Board with proof of completion of all Board approved courses for which credit is sought. Copies of your course certificates are to be attached to and returned with the renewal application, which will be forwarded to you at the appropriate time. Continuing education courses approved for more than one certification may be applied to each certification for which continuing education is required.

Please refer to your personnel I.D. number (shown on the ID card below) on any correspondence and on all certificates of continuing education forwarded to the Board's office related to your certification. If you have any questions, please do not hesitate to contact the Board for assistance at 614-644-2613.

Sincerely,

RE: Richard Depew - Application for Interim Certification as Building Inspector (BI)

Dear Committee Members:

I have personally known and worked with Richard Depew for the past 13 years.

Rick has always shown a professional and strong work ethic. When he had the desire to advance his career and obtain OBBS certification, he approached me to inquire on where to start and what needed to be done. Since that time Rick has followed through and obtained his ESI and RBI certifications.

For the past year, Rick has shadowed me on commercial building inspections. The City of Beachwood has many commercial projects including large projects like UH Ahuja Hospitals Expansion. While on inspections, Rick will review the approved construction documents with me, ask questions, and observe how I record inspection records. He has a good understanding of the Building Code and the inspection process. I feel that granting Rick the interim certification will allow him to further advance his career as a Code Official.

Sincerely,

Dale Steppenbacker BBS #1426
Building / Electrical Inspector City of Beachwood

RE: Richard Depew - Application for Interim Certification as Building Inspector (BI)

Dear Committee Members:

Richard Depew is currently employed full time with the City of Beachwood Building Department as a certified electrical safety inspector (ESI) and residential building inspector (RBI). He is applying for his interim building inspector certification as per the rules of the Board.

During my supervision of Mr. Depew's progress, I can attest that he is a very conscientious individual and genuinely understands the scope and intent of the building codes. He has quickly learned the Building Department processes and continually improves his efforts to understand the function of the certified Building Department. Further, he takes initiative to resolve problems and educate himself.

Mr. Depew works well with contractors, residents, other city departments, and his co-workers. He is well-organized and maintains professionalism. I believe he will be an exemplary building inspector and will continue to grow and develop in this profession.

Sincerely,

William Griswold CBO, BBS #564
Building Commissioner

CC: Mayor Justin Berns
Mark Patterson, Assistant Building Commissioner

Reynoldsburg, Ohio 443068

RE: Richard Depew - Application for Interim Certification as Building Inspector (BI)

Dear Committee Members:

I have worked closely with and supervised Richard Depew since he has been employed with the City of Beachwood Building Department.

Mr. Depew has shown a genuine desire to advance himself and continually questions the intent and purpose of the building codes. I feel that granting Mr. Depew the interim certification will allow him to advance his education and understanding of the codes, by allowing him greater exposure to field inspection and decision-making processes.

The City of Beachwood has a variety of commercial, institutional and educational occupancies. We employ two, full time multi-certified building inspectors along with myself and the Building Commissioner.

I believe this offers a unique opportunity for education, on the job training, and allows us to prepare inspectors for advancement with adequate supervision.

Sincerely,

Mark Patterson, BBS #1133
Assistant Building Commissioner

CC: Mayor Justin Berns
William Griswold, Building Commissioner

Applicants for Electrical Safety Inspector Only Must Complete This Item

Section 3783 of the Ohio Revised Code specifies that an applicant for a Certificate of Competency as an Electrical Safety Inspector must meet one of the following to qualify to take required examination. Please check the qualification that applies:

1. Have been a journeyman electrician or equivalent for four years, two of which were as an electrician foreman, and have had two years' experience as a building department electrical inspector trainee;
2. Have been a journeyman electrician or equivalent for four years and have had three years' experience as a building department electrical inspector trainee;
3. Have had for four years' experience as a building department electrical inspector trainee;
4. Have been a journeyman electrician or equivalent for six years;
5. Am a graduate electrical engineer and registered in the State of Ohio. Registration number: _____
6. Applicant authorizes all testing organizations including ICC to provide test results to the BBS.

SECTION 7: EXPERIENCE (DO NOT SUBSTITUTE WITH OTHER RESUMES).

Refer to Experience Requirements Listed in O.A.C. 4101:7-3-01 and O.R.C. 3783

Below, list the specific projects you worked on, and the specific work you performed, your typical duties for each project, and dates of this work. You **must** demonstrate that you have the required number of months (years) of actual, practical experience for the certification requested (see matrix).

Provide letters from certified inspectors, employers, or contractors verifying your experience. Submit copies of any certificates, diplomas, or licenses. Remove all personal information.

SECTION 7 CONT.: EXPERIENCE

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBBSA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: 2 Years

Proposed Alternative Program Education Requirements: Completion of City of Cincinnati approved Trainee Program Academy consisting of 494 classroom hours.

Proposed Alternative Program Training & Supervision Requirements: Completion of City of Cincinnati approved Trainee Program Academy consisting of 274 Hrs of field inspection time and supervised inspections.

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: The Training Academy is a 48 week program that is a mixture of classroom and field learning including construction methods and building code training. 24 weeks consist of field inspection training under the supervision of the OBBS Trainee Supervisor to verify the concepts learned in the training room to practical field exercises.

To Whom It May Concern:

Re: Kayla Maybrier

Dear Sir/Madam:

Kayla Maybrier worked as a laborer for us on our site utility crews and commercial plumbing crews between October 2017 and January 2020. Kayla was reliable, talented and did a good job while she was employed with our company. I would be happy to recommend her for any position.

Sincerely,

Jim Neyer
President.

APPLICATION

FOR THE CERTIFICATION OF A RESIDENTIAL BUILDING DEPARTMENT

Pursuant to section 3781.10(A) of the Ohio Revised Code and rules adopted by the Board of Building Standards, this application is being submitted for certification of a residential building department to accept construction documents and to exercise enforcement authority in accordance with the Residential Code of Ohio.

1. BUILDING DEPARTMENT:

Dept. Name: City of Sunbury

Street: PO Box 508 - 9 E Granville Steet

City: Sunbury

Zip Code: 43074

Telephone No: 740-965-2684

Fax No: 740-965-9633

Date: July 7 Year: 2022

E-mail Address: spyles@sunburyohio.org

2. BUILDING DEPARTMENT CERTIFICATION:

Is the Residential Bldg. Dept. certification being requested as a part of the enforcement authority of a certified nonresidential building department? Yes No If "Yes" give the nonresidential Bldg. Dept. Number (from Appndx. Z): 59

3. BUILDING DEPARTMENT INFORMATION:

Is this application a Sub-Department Certification* with another Certified Residential Bldg. Dept.? Yes No

(* The intent is to create a "paper dept." with another political subdivision exercising exclusive enforcement authority - otherwise, check "No" skip to Items #4, 5a, & 6.)

Is the certification to include authority for plumbing? Yes No

If "Yes", give name of the Certified Residential Bldg. Dept. that will exercise exclusive enforcement authority in the Per-Contract Certification. Delaware County Building Safety

4. Appropriated Operating Budget: \$ \$125,000 For Fiscal Year: 1/1/22 To: 12/31/22
Jurisdiction Area in Square Miles: 12 Population Last Census: 6,650 Date Building Dept. Established: 20 unknown

5a. DOCUMENTS TO BE SUBMITTED WITH THIS APPLICATION* (indicate enclosure with an "X" in the appropriate box):

- Ordinance/Resolution Creating Res. Building Department
- Ordinance/Resolution Requesting Res. Certification
- Res. Department Organizational Chart
- Inspection and Plan Examination Procedures
- List of Primary and Backup Positions Directly Employed as Required for Enforcement Pursuant to 4101:8-1-03 OAC.

ORDINANCE 2022.27

AN ORDINANCE APPROVING AN AGREEMENT FOR PLAN REVIEW,
PERMITTING AND INSPECTION SERVICES BETWEEN THE COUNTY OF
DELAWARE, OHIO,
AND THE CITY OF SUNBURY OHIO AND DECLARING AN EMERGENCY

WHEREAS, the City of Sunbury wishes to engage the County of Delaware's Department of Building Safety (hereinafter "Department") to perform plan review, permitting and inspection duties relative to both residential and commercial construction as addressed by the building Code of Delaware County (hereinafter "Building Code"); and

WHEREAS, the Building Code incorporate by reference the Residential Code of Ohio and

WHEREAS, Council wishes to authorize the City Administrator to execute the attached agreement with the Delaware County Board of Commissioners to provide said services on a mutually agreed effective date to be determined by both parties and as approved by the City Administrator.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Ohio, Delaware County, State of Ohio as follows:

SECTION I: Council hereby approves an Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio, and the City of Sunbury. A copy of said agreement is attached hereto as Exhibit "A".

SECTION II: The City Administrator is hereby authorized to execute the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio and any other necessary documents consistent with this legislation provided that the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio shall contain substantially the same terms contained in the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio attached hereto as Exhibit "A" and presented to this Council, with such changes not inconsistent with this Ordinance as shall be agreed to by the Mayor, the Director of Law, and Director of Finance constituting conclusive evidence of such approval.

SECTION III: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were meetings open to the public, and in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION IV: This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and welfare of the citizens of the City of Sunbury, Ohio to allow execution of said agreement to be effective and allow Delaware County to provide plan review, permitting and inspection services to City residents at the earliest possible date.

CERTIFICATION

I hereby certify on this 15 day of June, 2022, that the foregoing is a true and accurate copy of the Resolution passed at the meeting held on June 15, 2022, of the City of Sunbury, County of Delaware, State of Ohio.

Director of Finance

**AGREEMENT FOR PLAN REVIEW,
PERMITTING, AND INSPECTION SERVICES**

This Agreement is made and entered into on _____, by and between the City of Sunbury, Ohio (hereinafter referred to as the "City"), and the County of Delaware, Ohio, by and through its Board of County Commissioners (hereinafter referred to as the "County").

RECITALS:

WHEREAS, the City is desirous of having the County's Department of Building Safety (hereinafter referred to as the "Department") perform plan review, permitting, and inspection duties relative to both residential and commercial construction as addressed by the Building Code of Delaware County (hereinafter referred to as the "Building Code"), except for plumbing and medical gas, in the City;

WHEREAS, the Building Code incorporates by reference the Residential Code of Ohio and the Ohio Building Code;

WHEREAS, the County, through the Department, is willing and able to perform such services for the City;

NOW, THEREFORE, be it agreed by and between the parties hereto as follows:

1. The personnel of Department shall perform for the City all necessary plan review, permitting and inspections as required by the Building Code, except plumbing and medical gas.
2. The Department shall assess and collect all fees for permits required by the Building Code issued in the City. No part of said fees shall be remitted back to the City, but shall be retained by Department for and as full payment for its services.
3. No permit will be issued by Department within the City until a zoning certificate has been issued by the City.
4. This Agreement may be revoked by either party hereto upon one hundred eighty (180) days written notice to the other party of intent to make such revocation.
5. This Agreement shall become effective on _____ and shall remain in effect until revoked by either party or by mutual consent of the parties.

IN WITNESS WHEREOF, the parties hereto have, through their respective authorized representatives, approved this agreement as of the last date written below.

ORDINANCE NO. 2022.28

**AN ORDINANCE AUTHORIZING THE CITY ADMINISTRATOR TO SUBMIT
AN APPLICATION TO THE STATE OF OHIO BOARD OF BUILDING
STANDARDS FOR CERTIFICATION AS A SUB – BUILDING DEPARTMENT
AND DECLARING AN EMERGENCY**

WHEREAS, Council for the City of Sunbury has identified a need to transition its inspection services to be provided by the County of Delaware; and

WHEREAS, the City of Sunbury wishes to become certified as a sub-building department by the State of Ohio board of building standards with the County of Delaware specified as the certified building department for enforcement within the City; and

WHEREAS, Sunbury City Council now wishes to authorize the City Administrator to submit an application for the State of Ohio and all necessary documents.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Sunbury, Delaware County, Ohio;

SECTION I: The City Administrator is hereby authorized and directed to submit an application to the State of Ohio board of building standards for certification as a sub-building department and designating the County of Delaware as the certified building department for enforcement within the City and such other information as required.

SECTION II: It is found and determined that all formal actions of this Council concerning and related to the adoption of this Ordinance were adopted in open meetings of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were meetings open to the public, and in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

SECTION III: This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the citizens of the City of Sunbury, Ohio, to allow the application for certification to be submitted without undue delay and thus allow certification and enforcement by Delaware County to occur at the earliest possible date for increased safety for City residents.

WHEREFORE, this Ordinance shall take effect and be in force immediately from and after its passage.

CERTIFICATION

I hereby certify on this 15 day of June, 2022, that the foregoing is a true and accurate copy of the Ordinance passed at the meeting held on June 15, 2022, of the City of Sunbury, County of Delaware, State of Ohio.

Director of Finance

ORDINANCE 2022.29

AN ORDINANCE ADOPTING THE 2017 OHIO BUILDING CODE AND SUBSEQUENT UPDATES FOR THE CITY OF SUNBURY AND DECLARING AN EMERGENCY

WHEREAS, the City of Sunbury is in the process of applying to the State of Ohio for certification as a sub-building department; and

WHEREAS, post approval enforcement of building standards will be provided by the County of Delaware; and

WHEREAS, said inspection and enforcement will now include inspection and enforcement of both single family residential uses and non-single family residential uses which previously was provided by the State of Ohio; and

WHEREAS, Council wishes to adopt the 2017 Ohio Building Code and subsequent updates for reference for non-single family uses.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Delaware County, State of Ohio as follows:

SECTION I: The 2017 Ohio Building Code and subsequent updates as promulgated by the State of Ohio is hereby adopted by reference per Section 4.13 of the Sunbury Charter.

SECTION II: Application of this Ordinance will commence when the City of Sunbury is certified by the State of Ohio as a sub-building department and inspection and enforcement begins by the County of Delaware.

SECTION III: One copy of the 2017 Ohio Building Code and subsequent updates as promulgated by the State of Ohio shall be authenticated and recorded by the Clerk of Council as provided in Section 4.09 and 4.10 of the Sunbury Charter. The Clerk of Council is also hereby directed to publish a summary on the City website as provided in Section 4.15 of the Sunbury Charter.

SECTION IV: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal actions were meetings open to the public, and in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION V: This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the citizens of the City of Sunbury Ohio to allow the 2017 Ohio Building Code to be in effect to coincide with non-single family residential use enforcement by the County of Delaware post certification of the City of Sunbury as a sub-building department by the State of Ohio.

WHEREFORE, this Ordinance shall be in effect and be in full force and effect immediately from and after its passage.

ORDINANCE 2022.30

AN ORDINANCE ADOPTING THE 2006 BUILDING CODE OF DELAWARE COUNTY AND PRIOR REVISIONS FROM 2011 AND 2018 AND SUBSEQUENT UPDATES AND DECLARING AN EMERGENCY

WHEREAS, the City of Sunbury is in the process of applying to the State of Ohio for certification as a sub-building department; and

WHEREAS, post-approval, enforcement of building standards will be provided by the County of Delaware; and

WHEREAS, the City of Sunbury wishes to approve the Building Code of Delaware County Ohio effective July 27, 2006 and including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, for the City of Sunbury.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Delaware County, State of Ohio as follows:

SECTION I: The Building Code of Delaware County Ohio dated July 27, 2006 and specifically including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, is hereby adopted by reference per Section 4.13 of the Sunbury Charter.

SECTION II: Application of this Ordinance will commence when the City of Sunbury is certified by the State of Ohio as a sub-building department and inspection and enforcement begins by the County of Delaware.

SECTION III: One copy of Building Code of Delaware County Ohio effective July 27, 2006 and including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, shall be authenticated and recorded by the Clerk of Council as provided in Section 4.09 and 4.10 of the Sunbury Charter. ORDINANCE 2022.27

**AN ORDINANCE APPROVING AN AGREEMENT FOR PLAN REVIEW,
PERMITTING AND INSPECTION SERVICES BETWEEN THE COUNTY OF
DELAWARE, OHIO,
AND THE CITY OF SUNBURY OHIO AND DECLARING AN EMERGENCY**

WHEREAS, the City of Sunbury wishes to engage the County of Delaware's Department of Building Safety (hereinafter "Department") to perform plan review, permitting and inspection duties relative to both residential and commercial construction as addressed by the building Code of Delaware County (hereinafter "Building Code"); and

WHEREAS, the Building Code incorporate by reference the Residential Code of Ohio and

WHEREAS, Council wishes to authorize the City Administrator to execute the attached agreement with the Delaware County Board of Commissioners to provide said services on a mutually agreed effective date to be determined by both parties and as approved by the City Administrator.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Ohio, Delaware County, State of Ohio as follows:

SECTION I: Council hereby approves an Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio, and the City of Sunbury. A copy of said agreement is attached hereto as Exhibit "A".

SECTION II: The City Administrator is hereby authorized to execute the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio and any other necessary documents consistent with this legislation provided that the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio shall contain substantially the same terms contained in the Agreement for Plan Review, Permitting and Inspection Services between the County of Delaware, Ohio attached hereto as Exhibit "A" and presented to this Council, with such changes not inconsistent with this Ordinance as shall be agreed to by the Mayor, the Director of Law, and Director of Finance constituting conclusive evidence of such approval.

SECTION III: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were meetings open to the public, and in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION IV: This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and welfare of the citizens of the City of Sunbury, Ohio to allow execution of said agreement to be effective and allow Delaware County to provide plan review, permitting and inspection services to City residents at the earliest possible date.

WHEREFORE, this Ordinance shall be in full force and effect immediately after its passage.

I hereby certify on this 15 day of June, 2022, that the foregoing is a true and accurate copy of the Resolution passed at the meeting held on June 15, 2022, of the City of Sunbury, County of Delaware, State of Ohio.

Director of Finance

**AGREEMENT FOR PLAN REVIEW,
PERMITTING, AND INSPECTION SERVICES**

This Agreement is made and entered into on _____, by and between the City of Sunbury, Ohio (hereinafter referred to as the “City”), and the County of Delaware, Ohio, by and through its Board of County Commissioners (hereinafter referred to as the “County”).

RECITALS:

WHEREAS, the City is desirous of having the County’s Department of Building Safety (hereinafter referred to as the “Department”) perform plan review, permitting, and inspection duties relative to both residential and commercial construction as addressed by the Building Code of Delaware County (hereinafter referred to as the “Building Code”), except for plumbing and medical gas, in the City;

WHEREAS, the Building Code incorporates by reference the Residential Code of Ohio and the Ohio Building Code;

WHEREAS, the County, through the Department, is willing and able to perform such services for the City;

NOW, THEREFORE, be it agreed by and between the parties hereto as follows:

1. The personnel of Department shall perform for the City all necessary plan review, permitting and inspections as required by the Building Code, except plumbing and medical gas.
2. The Department shall assess and collect all fees for permits required by the Building Code issued in the City. No part of said fees shall be remitted back to the City, but shall be retained by Department for and as full payment for its services.
3. No permit will be issued by Department within the City until a zoning certificate has been issued by the City.
4. This Agreement may be revoked by either party hereto upon one hundred eighty (180) days written notice to the other party of intent to make such revocation.
5. This Agreement shall become effective on _____ and shall remain in effect until revoked by either party or by mutual consent of the parties.

IN WITNESS WHEREOF, the parties hereto have, through their respective authorized representatives, approved this agreement as of the last date written below.

ORDINANCE NO. 2022.28

**AN ORDINANCE AUTHORIZING THE CITY ADMINISTRATOR TO SUBMIT
AN APPLICATION TO THE STATE OF OHIO BOARD OF BUILDING
STANDARDS FOR CERTIFICATION AS A SUB – BUILDING DEPARTMENT
AND DECLARING AN EMERGENCY**

WHEREAS, Council for the City of Sunbury has identified a need to transition its inspection services to be provided by the County of Delaware; and

WHEREAS, the City of Sunbury wishes to become certified as a sub-building department by the State of Ohio board of building standards with the County of Delaware specified as the certified building department for enforcement within the City; and

WHEREAS, Sunbury City Council now wishes to authorize the City Administrator to submit an application for the State of Ohio and all necessary documents.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Sunbury, Delaware County, Ohio;

SECTION I: The City Administrator is hereby authorized and directed to submit an application to the State of Ohio board of building standards for certification as a sub-building department and designating the County of Delaware as the certified building department for enforcement within the City and such other information as required.

SECTION II: It is found and determined that all formal actions of this Council concerning and related to the adoption of this Ordinance were adopted in open meetings of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were meetings open to the public, and in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

SECTION III: This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the citizens of the City of Sunbury, Ohio, to allow the application for certification to be submitted without undue delay and thus allow certification and enforcement by Delaware County to occur at the earliest possible date for increased safety for City residents.

WHEREFORE, this Ordinance shall take effect and be in force immediately from and after its passage.

I hereby certify on this 15 day of June, 2022, that the foregoing is a true and accurate copy of the Ordinance passed at the meeting held on June 15, 2022, of the City of Sunbury, County of Delaware, State of Ohio.

Director of Finance

ORDINANCE 2022.29

AN ORDINANCE ADOPTING THE 2017 OHIO BUILDING CODE AND SUBSEQUENT UPDATES FOR THE CITY OF SUNBURY AND DECLARING AN EMERGENCY

WHEREAS, the City of Sunbury is in the process of applying to the State of Ohio for certification as a sub-building department; and

WHEREAS, post approval enforcement of building standards will be provided by the County of Delaware; and

WHEREAS, said inspection and enforcement will now include inspection and enforcement of both single family residential uses and non-single family residential uses which previously was provided by the State of Ohio; and

WHEREAS, Council wishes to adopt the 2017 Ohio Building Code and subsequent updates for reference for non-single family uses.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Delaware County, State of Ohio as follows:

SECTION I: The 2017 Ohio Building Code and subsequent updates as promulgated by the State of Ohio is hereby adopted by reference per Section 4.13 of the Sunbury Charter.

SECTION II: Application of this Ordinance will commence when the City of Sunbury is certified by the State of Ohio as a sub-building department and inspection and enforcement begins by the County of Delaware.

SECTION III: One copy of the 2017 Ohio Building Code and subsequent updates as promulgated by the State of Ohio shall be authenticated and recorded by the Clerk of Council as provided in Section 4.09 and 4.10 of the Sunbury Charter. The Clerk of Council is also hereby directed to publish a summary on the City website as provided in Section 4.15 of the Sunbury Charter.

SECTION IV: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal actions were meetings open to the public, and in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION V: This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the citizens of the City of Sunbury Ohio to allow the 2017 Ohio Building Code to be in effect to coincide with non-single family residential use enforcement by the County of Delaware post certification of the City of Sunbury as a sub-building department by the State of Ohio.

WHEREFORE, this Ordinance shall be in effect and be in full force and effect immediately from and after its passage.

ORDINANCE 2022.30

AN ORDINANCE ADOPTING THE 2006 BUILDING CODE OF DELAWARE COUNTY AND PRIOR REVISIONS FROM 2011 AND 2018 AND SUBSEQUENT UPDATES AND DECLARING AN EMERGENCY

WHEREAS, the City of Sunbury is in the process of applying to the State of Ohio for certification as a sub-building department; and

WHEREAS, post-approval, enforcement of building standards will be provided by the County of Delaware; and

WHEREAS, the City of Sunbury wishes to approve the Building Code of Delaware County Ohio effective July 27, 2006 and including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, for the City of Sunbury.

NOW, THEREFORE, BE IT ORDAINED by the Council for the City of Sunbury, Delaware County, State of Ohio as follows:

SECTION I: The Building Code of Delaware County Ohio dated July 27, 2006 and specifically including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, is hereby adopted by reference per Section 4.13 of the Sunbury Charter.

SECTION II: Application of this Ordinance will commence when the City of Sunbury is certified by the State of Ohio as a sub-building department and inspection and enforcement begins by the County of Delaware.

SECTION III: One copy of Building Code of Delaware County Ohio effective July 27, 2006 and including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, shall be authenticated and recorded by the Clerk of Council as provided in Section 4.09 and 4.10 of the Sunbury Charter. The Clerk of Council is also hereby directed to publish a summary on the City website as provided in Section 4.15 of the Sunbury Charter.

SECTION IV: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal actions were meetings open to the public, and in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION V: This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the citizens of the City of Sunbury Ohio to allow the Building Code of Delaware County Ohio effective July

27, 2006 and including revisions January 10, 2011 and July 5, 2018 and subsequent revisions as promulgated by the Delaware County Commissioners, with the exception of Sections 4.01 and 4.04 which do not apply, to be in effect to coincide with enforcement post certification as a sub-department building department by the State of Ohio.

WHEREFORE, this Ordinance shall be in effect and be in full force and effect immediately from and after its passage.

PO Box 4009
Reynoldsburg, Ohio 43068-9009

Re: Application(s) for Certification of Building Department and Residential Building Department

Dear Sir or Madam:

Please find enclosed the above two referenced applications for your consideration and action.

Sunbury recently became a city and has been in discussions with Delaware County's Building Safety Department regarding becoming a sub-department under their Certified Building Department. Those discussions have resulted in agreement for a contractual relationship with Delaware County to accomplish sub-department status once approved by the Board of Building Standards. The necessary ordinances have been approved by Sunbury City Council directing my office to make application and they are enclosed. Both applications are being transmitted via email and the enclosed hard copies.

Sunbury desires to establish the sub-department relationship with Delaware County as we anticipate services will be improved to our residents. It is also difficult for Sunbury to meet and maintain the certification levels needed for the CBO and inspector positions, and this arrangement will be more efficient and effective.

Please review the enclosed applications and inform me if there are any changes necessary to have the Board of Building Standards act upon the application to be certified as a sub-department. We would like to implement this change on September 1, 2022 or October 1, 2022 at the latest.

Respectfully,

Steven R. Pyles

Steven R. Pyles, City Administrator

Section 44. Each member is required to keep the Recording Secretary and Financial Secretary properly notified of correct place of residence and any change of same under penalty of One Dollar (\$1.00) assessment.

FINANCES AND DUES

Section 45. Minimum dues in all Local Unions shall be established in an amount not less than Eight Dollars (\$8.00) per month to be paid by all members. The minimum dues shall be increased by the amount by which the per capita tax provided in Section 45 D or E is increased by action of any Convention of the United Brotherhood, as of the effective date of any such increase in per capita tax. Whenever, in the judgment of the General President, the dues established by any Local Union or per capita tax by a District Council appear in function properly and in accordance with the Constitution and Laws of the United Brotherhood, the General President shall have the authority to make a survey of the finances of such Local Union or District Council. Upon completion of such survey the General President shall submit a report to the General Executive Board. The General Executive Board is authorized and empowered upon the basis of the survey to establish the proper amount of such dues. The General Executive Board is also authorized and empowered to establish a minimum fee to be paid by each member for a working card. The amount of monthly dues payable by each member to his or her Local Union shall be increased by the amount by which the per capita tax provided in Section 45 D or 45 E is increased, as of the effective date of any such increase in per capita tax. When a Local Union raises its dues, initiation fee or levies an assessment, a secret ballot vote shall be taken on a special or called meeting. All members shall be notified by mail of time, place, and purpose of the vote. All members in good standing shall be eligible to vote. All assessments must be approved by the General President.

J. A member who owes the Local Union two months' dues shall be notified by mail in Address Correction Requested envelope, at last known address by the Financial Secretary, not later than the fifteenth (15th) day of the third month of said delinquency, that if said arrearages are not paid before the last day of the third month the member will be suspended

PURCHASER: City of Parma (Justice Center)

ADDRESS: 5555 Powers Blvd.

City/State: Parma, Ohio 44129

PHONE: (440) 887-7300

FAX:

DATE: July 18, 2008

Proposal:

Utility garage building:

Description:

- ✓ Twenty-six feet wide by twenty-four feet deep out building with hip style roof.

Excavation:

- ✓ Remove grass and soil in specified building area to specified disposal location.
- ✓ Dig trench for rain gutter disbursement.
- ✓ Install approximately ten feet by twenty six feet of gravel behind building.

Foundation:

- ✓ Install sixteen inch wide by forty two-inch deep perimeter footer.
- ✓ Install two to three courses of block to bring to finish grade.

Concrete:

- ✓ Cut out twenty eight to thirty foot of existing curb to prepare for new driveway apron.
- ✓ Install two to four inches of tamped stone base.
- ✓ Install wire mesh.
- ✓ Install four inches of concrete to buildings interior floor.
- ✓ Install six inches of concrete to exterior driveway apron. (Approximately 200 sq. ft.)

Carpentry:

- ✓ Install 2x4 wall framing at nine foot finished height.
- ✓ Install 2x8-ceiling joists.
- ✓ Install 2x6 roof rafters.
- ✓ Install one half inch OSB sheeting to exterior walls and roof system.

B&B General Contractors, Inc.

Ray Buehner

- ✓ Install three-foot man door in specified location.
- ✓ Prepare ten foot wide by eight foot tall opening in front, and six foot wide by seven foot tall in back for garage doors.
- ✓ Install thirty pound felt and thirty-year dimensional roof shingles.
- ✓ Install vinyl siding, soffits, and aluminum trim and fascia.
- ✓ Install aluminum gutters and down spouts.

Proposed Total:

Total job cost:	\$24,790.00	
Down payment:	\$8,000.00	
First draw:	\$8,000.00	After concrete
Second draw:		
Balance on Completion	\$8,790.00	Materials and labor.

garage/ Porch Addition	Steve Darbin 12037 Bolen Rd Newark, OH	2020 2 months
Deck/Porch/ Detached garage	Charles Bellatatto 37 Hampden Dr. Granville, OH	2022 4 months Currently
Total Experience on This Page (In Months):		

Brief history of my construction experience.

Started at age 17

9 Years working with an Amish crew as self employed.
Doing Framing, roofing, siding, interior finish Trim,
cabinetry etc

8 Years designing and building Gazebos. Smaller
ones in shops. Larger ones on site. At City Parks,
at residential locations etc

The past 25 Years operating Phil Coblenz Construction
LLC

- Doing lots of siding + window projects
- Morphing into more general home improvement with
additions, porches, decks, new homes, Kitchens, Bathrooms
etc.
- I've been working with Licking County Building Code Dept.
for 20 Years where they have inspected my projects.
- We are a family operated small scale construction company.
Majority of our work is in Licking County so I
do have a basic concept of "meeting code" in
any residential building situation.

Re: Michael W. Heard

To: Electrical Safety Inspector Advisory Committee

Michael Heard has been a State of Ohio, Licensed Electrical Contractor; (OCILB) for over twenty years. I have inspected his electrical installations for numerous years and found them to in compliance with the National Electrical Code. He has a good working knowledge and understanding of the NEC requirements. I believe he would be an asset to the industry as an Electrical Safety Inspector. I recommend he should be approved to sit for the Electrical Safety Inspector exam, in Ohio.

Sincerely,

John M. Labriola, Principal
Training Agency #191
BBS Personnel ID# 815

6/24/2022

To whom it may concern,

I've known Michael Heard for 15 plus years from our respective professions. He has been a consummate professional in all my dealings with him. He brings an amiable personality and great knowledge to his peers and customers alike. I would strongly recommend him to anyone that may need his services done.

Rick Hoffman (234) 207-6598

Ryan Homes Development

Dick ESSEr
Plumbing
Worain OH
440-246-5594

1-1-2018

1-1-2019

Rock Port Condos located
in Lakewood OH.

Multi Family condo units doing
all plumbing, under grounds
roughins, gas, Finish work
in over 30 units in a eight
month period, inspected by
City inspectors.

Grey Hawk Development
Lagrange OH

Single Family homes
performed all plumbing acts
on 40 homes DWV/gas, Finish

1-1-2019
To Present

I have worked on
Many different Types
of Plumbing work over
my career. When I started
I was just turning 19 years
old and six months later
the Ohio plumbing code changed
so I learned it very fast and
sense then I have been running
my own crew for many years now
I have 26 years of experience
in the field doing plumbing per
Ohio code all thru out Ohio from
Commercial to Residential

I am trying for a Residential
and Commercial plumbing inspector
I believe I have all the
credibility to do it.

SECTION 9: CERTIFICATION

I certify the information contained in this application is true and complete, and I understand that providing false information may be grounds for not granting certification or for immediate termination of certification at any point in the future, if granted. I authorize the investigation of all statements contained herein and release all parties from all liability for any damage that may result from furnishing the same to Ohio Board of Building Standards. Falsification is a violation of section 2921.13 of the Ohio Revised Code and is punishable as a misdemeanor of the first degree.

Signature of Applicant: Shawn M. Huber

Subscribed and duly sworn before me according to law, by the above named applicant this day 15 of April in the year 2022 at Hamilton, County of Hamilton and State of Ohio.

Notary Public: [Signature]

SEAL

SHAWN HUBER

Construction manager with a 19-year record of success overseeing all phases of multimillion-dollar commercial and residential construction of government and private-sector clients. Experience includes managing crews of up to 100 in commercial renovations and improvements, asbestos abatements, and a variety of other construction/demolition projects. Backed by strong credentials and a proven history of on-time, on-budget and high-quality project completions.

EXPERIENCE EXPERIENCE

MARCH 2022 - PRESENT

PROJECT SUPERINTENDENT, D.A.G. CONSTRUCTION

Currently building a ground up 5/3rd Bank in a brand-new development on the north side of US-35 in Xenia, Ohio.

SEPTEMBER 2020 – MARCH 2022

CONTRACT WORK (Performed contract work throughout Pandemic)

MARCH 2018– JULY 2020 (LAYOFF DUE TO PANDEMIC)

CONSTRUCTION MANAGER, OSWALD

Construction Manager overseeing all operations of field construction of multi-million dollar, commercial and development projects.

OCTOBER 2017 – FEBRUARY 2018

CONSTRUCTION MANAGER, ELFORD

Began the \$35 million dollar St. Bernard / Elmwood Place K-12 demo and renovation planning until budgeting could not be met with city council. Was recruited by private agency and moved on to Oswald.

OCTOBER 2015 – September 2017

COMMERCIAL PROJECT SUPERINTENDENT, CLEVELAND CONSTRUCTION

Managed multi-million-dollar retail and commercial development projects in the Midwest region.

MARCH 2012 – SEPTEMBER 2015

COMMERCIAL PROJECT MANAGER, SIMS-LOHMAN

Managed custom solid surface, granite, and quartz installations on commercial projects in Ohio, Kentucky, and Indiana, including but not limited to college campuses, casinos, hospitals, and restaurants. Managed facility upgrades to maximize warehouse capacity and to increase OSHA compliance and safety.

April 2007 – November 2012

COMMERCIAL PROJECT SUPERINTENDENT, MOREL CONSTRUCTION

Managed publicly bid, multi-million-dollar projects in Northern Kentucky including schools, fire stations, libraries, parks, and recreational facilities.

October 2003 – April 2007

COMMERCIAL PROJECT SUPERINTENDENT, REIMEIER LUMBER

Managed the overall construction of residential and commercial projects to the Drees, Zaring, Century Construction, Miller-Valentine, Turner Construction, Thompson-Phelan, Hi-Five Development, and several other local builders and construction companies.

EDUCATION

JUNE 2001

BA IN BUSINESS MANAGMENT, ALMEDA COLLEGE & UNIVERSITY

JUNE 1995

DIPLOMA, PRINCETON HIGH SCHOOL

SKILLS

- Construction/Demolition Projects
- Infrastructure and Improvement
- Environmental Remediation Projects
- Site Safety / OSHA Compliance
- QA/QC/Field Engineering
- Change Order Management
- Budgeting & Cost Controls
- Bidding/Estimating/Proposals
- Subcontractor / Crew Supervision
- OSHA 30 Hour Certified
- Scaffold & Access Control Certification
- CPR, AED, & First Aid Certification

PROJECT HIGHLIGHTS

- Phase 1 Lloyd Memorial High School New Science Wing Including Asbestos Abatement during demo.
- Phase 3 Williamstown High School whole roof removal, with installation of new purlin, steel joist, and built-up standing seem roof.
- Walton, KY Main Fire Station with state of the are facility and switch-over to new digital 911 communications transition.
- Samuel Woodfill Elementary which included state of the art kitchen equipment, stage & theater design, and Geo-Thermal HVAC systems
- Stratford Student Housing at the University of Cincinnati
- Founders Hall at Dayton University
- Hampton Inn & Homewood Suites Cincinnati, Ohio

- The Great Wolf Lodge & Conference Center

MY COMMISSION EXPIRES
04-25-27

Steven M. Majors

March 16, 2022

I am enclosing a copy of my resume. I would welcome the opportunity to be a part of Russell Construction and feel that I would be an asset to your company.

My past and current positions as a journeyman carpenter and superintendent would make me a good fit for your organization. I possess a very strong work ethic and a unique ability to problem solve in given situations as they arise. When a job calls for it, my experience and attention to details of the job is paramount.

After you have had an opportunity to review my qualifications, please feel free to call me at  or by email to  to set up an interview and/or answer any additional questions you may have.

I look forward to hearing from you.

Sincerely,

Steven M. Majors

Attachment

STEVEN M. MAJORS

VITAL STATISTICS

EDUCATION

Garfield Heights High School – Graduated in 1988

United States Air Force - 1988 - 1992

United Brotherhood of Carpenter’s Apprenticeship Program – 1992 – 1996

Out of 700 students, rated **first** in program in last year of technical training

CAREER SUMMARY

United States Air Force – 1988 – 1992 – Senior Airman

Stationed at Torrejon Air Force Base, Spain. Classification of Aircraft Armament Systems Specialist.

This position required a high level of security which was verified and approved by the Air Force.

Received the **Air Force Commendation Medal for Outstanding Service in the Desert Storm Conflict.**

Carpenters Local 212, Cleveland, OH – 1992-2006 – working as a Union Carpenter and Foreman for a few

Different companies, primarily Header Construction and Trimline Interiors

Carpenters Local 373, Cleveland, OH -2012- 2017 – working as a union carpenter

Delaware Builders, 2082 W. Wallings Road, Broadview Hts., Oh. – 2012 – 2014

Was part of carpentry crew that built and completed of the Aloft Hotel located in downtown Cleveland, Ohio as well as other projects.

Panzica Construction, 739 Beta Drive, Mayfield Hts., Oh. – 2014 – 2016

Working with a general contractor, I have had to use a variety of carpentry skills. I literally have done a little bit of everything related to my trade and more. Some examples of my recent work can be seen at Cleveland Metropark Zoo’s new Rosebrough Tiger Passage which I personally did much of all the woodwork you see, The new “mini-zoo” at the natural history museum and the new apartments on the east bank of the flats. I am proud of these among others.

Taylor Brothers Construction – January 2016 – September 2019 Traveling Fixture Superintendent. In charge of running a crew to facilitate remodel of retail stores such as Target and Menards. Recently completed remodeling the 3rd largest Target in the country in Blaine, MN. This store is less than 10 minutes away from Target Corporate Headquarters.

Panzica Construction, 739 Beta Drive, Mayfield Hts., Oh – 2018. Worked on the Akron Zoo and University Hospital.

Carpenters Local 373, Cleveland, OH - 2019 to present- Working as a union carpenter primarily for various contractors

Marysville, Ohio 43040

To whom it may concern,

This is my letter of reference for David who presently owns his own construction company, "Personal Construction" operating for the past 20+ years. I've worked with David in the approval/permit processing, plan review and all phases of his inspection requirements. I began inspecting his work when he worked with his father at the time I went to work as the lead Building/Electrical Inspector for Union County Building Regulations)1985 – 1994). I have continued to be involved with David's work, through my service with New Albany (1994 – 1997) until my current employment with the Logan County Building Authority (1997 – 2015 & 2019 – present).

I have always found that David has been consistent in performing all phases of his work correctly and to the code's minimum standards, or above. When something was called out during his plan review or inspection, David would consistently ask about any correction that were necessary, not in debate of the issue, but rather to educate himself for future projects. David has never been afraid to exercise himself into learning something new. As a General Contractor, David has become well versed in; structural, mechanical and electrical requirements and their procedure of installation.

David and I have been having discussions about transitioning into the Inspection Service side of construction about 4 years now. Now, with my understanding he's made the decision to "Take that Step", I not only encourage David, but also give my recommendation to the Board of Building Standards in accepting his application(s) to become a certified inspector.

You may call me on my personal cell at: 937-935-1569

Sincerely,

Michael A. Reffitt, Back-Up Building Official

Ref: David Ross

**18530 White Stone Road
Marysville, Ohio 43040**

To whom it may concern,

This is my letter of reference for David who presently owns his own construction company, "Personal Construction" operating for the past 20+ years. I've worked with David in the approval/permit processing, plan review and all phases of his inspection requirements. I began inspecting his work when he worked with his father at the time I went to work as the lead Building/Electrical Inspector for Union County Building Regulations)1985 – 1994). I have continued to be involved with David's work, through my service with New Albany (1994 – 1997) until my current employment with the Logan County Building Authority (1997 – 2015 & 2019 – present).

I have always found that David has been consistent in performing all phases of his work correctly and to the code's minimum standards, or above. When something was called out during his plan review or inspection, David would consistently ask about any correction that were necessary, not in debate of the issue, but rather to educate himself for future projects. David has never been afraid to exercise himself into learning something new. As a General Contractor, David has become well versed in; structural, mechanical and electrical requirements and their procedure of installation.

David and I have been having discussions about transitioning into the Inspection Service side of construction about 4 years now. Now, with my understanding he's made the decision to "Take that Step", I not only encourage David, but also give my recommendation to the Board of Building Standards in accepting his application(s) to become a certified inspector.

You may call me on my personal cell at: 937-935-1569

Sincerely,

**Michael A. Reffitt, Back-Up Building Official

OPTIONAL ALTERNATIVE TRAINEE PROGRAM PLAN FORM

Building Official, Supervisor and Applicant shall complete and submit this form with BBS Application for Trainee Certification only if Trainee Sponsor is proposing an alternative trainee program in lieu of the requirements of the traditional trainee program specified in OAC 4101:7-3-01(F)(5)(e). No Alternative Trainee Program may propose to waive examination requirements or attendance at the OBCA.

PROPOSED ALTERNATIVE PROGRAM PLAN DESCRIPTION

Attach additional pages if necessary and/or a letter describing the proposed program conditions.

Proposed Alternative Program Length: 2 Years

Proposed Alternative Program Education Requirements: Completion of City of Cincinnati approved Trainee Program Academy consisting of 494 classroom hours.

Proposed Alternative Program Training & Supervision Requirements: Completion of City of Cincinnati approved Trainee Program Academy consisting of 274 Hrs of field inspection time and supervised inspections.

Explanation of how the Proposed Alternative Program provides equivalent level of training and education based on the Applicant's experience documented in the application: The Training Academy is a 48 week program that is a mixture of classroom and field learning including construction methods and building code training. 24 weeks consist of field inspection training under the supervision of the OBBS Trainee Supervisor to verify the concepts learned in the training room to practical field exercises.

Dear Aaron,

On behalf of the National Center for Construction Education and Research, I congratulate you for successfully completing the NCCER's standardized craft training program.

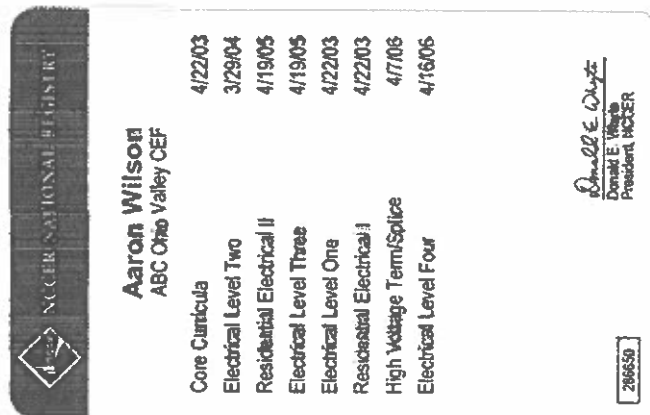

As the NCCER's most recent graduate, you are a valuable member of today's skilled construction and maintenance workforce. The skills that you have acquired through the NCCER craft training programs will enable you to perform quality work on construction and maintenance projects, promote the image of these industries and enhance your long-term career opportunities.

We encourage you to continue your education as you advance in your construction career. Please do not hesitate to contact us for information regarding our Management Education and Safety Programs or if we can be of any assistance to you.

Enclosed please find your certificate, transcript and wallet card. If you have any questions regarding your credentials, contact the Registry Department at 352-334-0911. Once again, congratulations on your accomplishments and best wishes for a successful career in the construction and maintenance industries.

Sincerely,

Donald E. Whyte
President, NCCER

CHAIRMAN, OHIO STATE APPRENTICESHIP COUNCIL

TED STRICKLAND
GOVERNOR OF OHIO

July 10, 2006

Aaron Wilson
ABC Ohio Valley CEF
33 Greenwood Lane
Springboro, OH 45066

Dear Aaron,

On behalf of the National Center for Construction Education and Research, I congratulate you for successfully completing the NCCER's standardized craft training program.

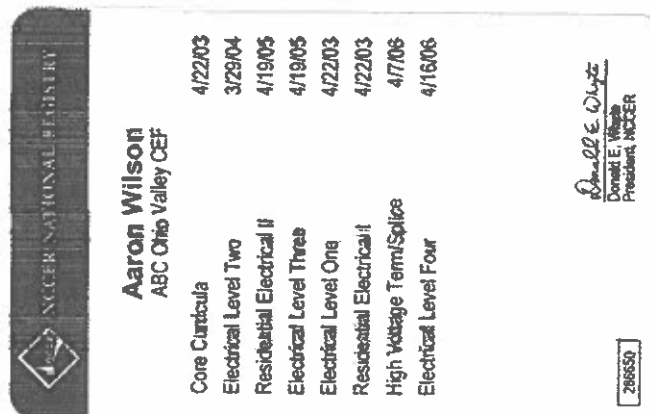

As the NCCER's most recent graduate, you are a valuable member of today's skilled construction and maintenance workforce. The skills that you have acquired through the NCCER craft training programs will enable you to perform quality work on construction and maintenance projects, promote the image of these industries and enhance your long-term career opportunities.

We encourage you to continue your education as you advance in your construction career. Please do not hesitate to contact us for information regarding our Management Education and Safety Programs or if we can be of any assistance to you.

Enclosed please find your certificate, transcript and wallet card. If you have any questions regarding your credentials, contact the Registry Department at 352-334-0911. Once again, congratulations on your accomplishments and best wishes for a successful career in the construction and maintenance industries.

Sincerely,

Donald E. Whyte
President, NCCER

Having met the certification requirements in the rules of the Board of Building Standards, enclosed please find your certification ID card below.

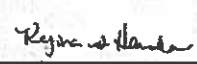

The expiration date(s) for your certification(s) is (are) as indicated below on your ID card.

Holders of Board certifications must complete at least thirty hours of continuing building code education for their respective certifications, *including Board sponsored required courses*, prior to the expiration date of the certification as a requirement for renewal. Failure to complete the number of hours required *and mandatory classes* shall result in forfeiture of the certification. It shall be the responsibility of the certified individual to furnish the Board with proof of completion of all Board approved courses for which credit is sought. Copies of your course certificates are to be attached to and returned with the renewal application, which will be forwarded to you at the appropriate time. Continuing education courses approved for more than one certification may be applied to each certification for which continuing education is required.

Please refer to your personnel I.D. number (shown on the ID card below) on any correspondence and on all certificates of continuing education forwarded to the Board's office related to your certification. If you have any questions, please do not hesitate to contact the Board for assistance at 614-644-2613.

Sincerely,
BOARD OF BUILDING STANDARDS
