April 12, 2021**

**Call to Order**

The General Meeting of the Palos Township Board was called to order by **Supervisor Schumann** at 6:30 pm. All persons interested in attending were able to do so by visiting our website at [WWW.palostownship.org](http://WWW.palostownship.org) and selecting the link to JOIN THE MEETING.

## **Reports of Officials**

### **a. Supervisor/Treasurer**

**Supervisor Schumann** reported that the tax preparers at the township have completed the taxes for the residents. There was no contact with the people due to the help of the Administrative Assistant, Diane Georg. This was very successful. Donations to the tax preparers will be sent to the Center in Palos Park unless check is made out to PATH LIGHTS (formerly named PLOWS) then they will be sent there.

### **b. Clerk Nolan**

#### **1. Statements of Economic Interest 2021**

**Clerk Nolan** stated that she needs to receive a copy of the completed Statements of Economic Interest from Supervisor Schumann, Trustee Riley and Trustee Woods.

#### **2. Notes from Township Communicators Meeting of March 24, 2021**

**Clerk Nolan** attended the Township Communicators meeting on March 24, 2021 via zoom. Some of the things she found important were:

- a. Townships are doing the Annual Town Meeting either in person or by zoom.
- b. One township had a presentation for parents concerning children and the pandemic.
- c. Several townships have a Prescription Take Back Day.
- d. One township gives flowers to the students for high school graduation.

### **Attorney's Report**

Attorney Peck said there was nothing on the agenda for the Board to act on tonight. The Clerk's office did receive an opinion from the Attorney General's Office addressing an alleged violation of the Open Meetings Act. The alleged violation occurred at the Annual Town Meeting. According to the violation, the Clerk required people to prove their status as registered voters, and the meeting was not convenient to the public, nor did the township make alternate arrangements for the public to observe the meeting remotely. The PAC wrote the opinion and found in favor of the township. They determined that the Annual Town Meeting comprised of registered electors of the township is distinct from a regular township Board Meeting. Therefore, there was no violation of the Open Meetings Act. He will send a copy of the findings to the Board members. Clerk Nolan received a copy and a call concerning this from the Attorney General's Office.

**Citizens Wishing to Address the Board**

**Speaker # 1**

Brannigan Is Out

Where is Brannigan today? Is she afraid to see us after we kicked her ass? WOW!

Let her know it is OK and her neighbors will tell her that we paid her a visit. We wanted to say a proper goodbye and we got her some sympathy flowers. We sent a very clear and nice message to the racists out there. We are here and we are not going anywhere. If you are going to come after our community, we will go after you. We will force you to resign, and we will come after you at the polls and win in a landslide. We want the Clerk to put this down because we want Brannigan to see this and remember it. When we told her, we would take her out, we did, in a landslide. We will never forget the fact that you all stood silent and refused to even do the littlest thing like censuring her or speaking up against her. You refused to do that, and we will not forget. Brent Woods, we want you to tell your daddy, Sean Morrison, that he is next and that we are watching him and that we are watching you guys and we are here, and we are strong! I hope guys never say anything publicly because we will come after you again!

### **Executive Session**

**a. Supervisor**

The tax returns have been completed for this year and the tax preparers luncheon was held last week.

**b. Clerk Nolan**

- 1. Clerk Nolan** informed the Board that she is a member of TOCC's. By-Laws Committee. The committee met twice by phone to discuss by-law changes. These changes will be voted upon by all the members at the Annual TOCC (Townships of Cook County) Meeting.

Some of the proposed changes are:

1. The Annual Meeting will now take place in June of this year (change from May of each year).

2. The TOCC Board of Directors can meet remotely by electronic means. The Annual Meeting can be held by electronic means with the approval of the TOCC Board of Directors.
3. Any officer on the Board must be in good standing.
4. If a Director misses three unexcused meetings they are removed from the Board.
5. In order to be elected as an officer in TOCC you must be a Director of the Board.
6. Division President picks to the Board of Directors cannot be removed by a Division President during the picks' terms.
7. The TOCC President can only have two (2) consecutive terms. Other officers can have more than two.

**c. Highway Commissioner**

**Commissioner Adams** said the MWRD agreement is all he is going to talk about. As far as he is concerned it is not going well. He stated that MWRD moves at their own speed. The attorney and the engineer have completed what they were supposed to complete. He feels he really cannot deal with them, and they are a horse of a different color.

**Commissioner Adams** stated that everything is going well with the roads. They just need a little rain to water the parkways.

**Attorney Peck** stated that after the MWRD had given the township their draft of the intergovernmental agreement, he reviewed it and made changes three weeks ago. MWRD has never gotten back to him. Attorney Peck is awaiting a response. He reported he attended a discussion with MWRD regarding their intergovernmental agreements. They have certain requirements when they are funding a project or assisting in funding. If it is

going to be a minority-owned business, then a certain percentage must be a woman or veteran owned business, etc. These rules only apply to projects over \$100,000.

## **Attorney's Report**

**Attorney Peck** stated that he had no report for the Board.

## **Reports of Standing Committees**

**c. Technology, Information and Automation – Trustee Riley**

**Trustee Riley** deferred to **Trustee Woods** for the report.

**Trustee Woods** reported the training for the new finance reporting system will begin sometime in May 2021. It will take 3 days. The staff will be trained in the use of it for payroll and accounts payable. Following that, we will be able to post much more information online.

**Trustee Woods** would like to purchase another computer for the Trustee's Room as our accountant will have to be able to log in to the new system for the monthly reconciliation. This way he will not have to come to the township to do this.

**Trustee Woods** stated that he needs to have the ability to use this computer. This most likely will be a desktop computer. **Trustee Woods** asked **Trustee Riley** for a price for this computer.

**d. Buildings and Grounds – Trustee Jeanes**

**Trustee Jeanes** received a price to repair the front door bricks and pillars on two sides of the Township front door. The cost for the repair will be \$1800.00. The person, who quoted the price, said that the township will need the entire building tuckpointed. Now, in places, he can pop the mortar out of the bricks. This will have to be assessed soon. This happens when salt gets sprayed on the bricks. The township will have to come up with another option for salt for the next winter season.

**Trustee Woods** suggested the township contact the City of Palos Hills to brine our parking lot. There was a short discussion of several options.

**e. Public Services and Health – Trustee Brannigan**

**Trustee Brannigan** was not present so there was no report for the Board.

**Supervisor Schumann** reported that it is very quiet at the Health Service right now. If anyone wants the vaccine, it is available in many places. She is still not sure why we could not get a supply from Cook County or anybody else we tried. There is no purpose in getting the vaccine here anymore. Residents can pick a place they want now and go there. The Health Service anticipates getting busier over the summer months.

**Unfinished Business**

There was no unfinished business to come before the Board.

**New Business**

**Trustee Woods** congratulated **Highway Commissioner Adams, Assessor Maloney** and **Clerk Nolan** on their impressive victories.
