Attorney's Report

Attorney Peck stated he had no report for the Board.

Reports of Standing Committees

a. Finance and Administration – Trustee Woods

Trustee Woods stated that in December there has to be another schedule for new meetings. The General Meeting is usually shorter than the Bill Audit Meeting. He presented the idea that the Board change from two meetings per month to one meeting per month. The only meeting would then be the Bill Audit and Road and Bridge District Meeting on the fourth Monday of the month.

The Board members agreed, and the new schedule of meetings will begin in January.

b. Policy and Personnel – Supervisor Schumann

Supervisor Schumann stated there are no changes to policy and personnel.

c. Technology, Automation and Information – Trustee Riley

Supervisor Schumann reported that there was nothing to report because Mike Conrad is busy at this time with some personal issues, and he has not

been able to come to the township to work on the computers. **Supervisor Schumann** will talk to him next week.

Clerk Nolan asked if the Township is interested in continuing to be a member of the Dell Member Purchase Program (MPP) through Dell Technologies US Member Purchase Program. This program would enable township employees, officials and also residents to receive discounts on electronics.

Trustee Riley said he would like to have someone or someplace that he can compare pricing. He asked Clerk Nolan to give him the numbers. Clerk Nolan may also call.

d. Buildings and Grounds – Trustee Jeanes

Trustee Jeanes stated that she had no report.

Trustee Woods reported on recent electrical work done at the township. The electrical work that was being done is now complete. He will replace the ground fault interrupter and put in some new circuits. The amount of money was just over \$700.00 which was substantially lower than Trustee Woods thought it would be. He brought the box back into compliance and straightened out all the ground wires that were there. The doubled-up circuits were also straightened. He put good stuff foam in there to seal off around the new box, and he is getting a plate to go over it.

e. Public Services and Health – Trustee Abuzir

Trustee Abuzir reported the following for the month of August:

Cholesterol	\$ 150.00
Health Service Fees	\$ 1,560.00
