Western Slope Counseling-Paonia in Motion Parks Recreation and Trails Master Plan Review

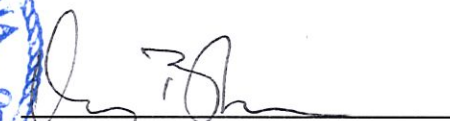

Davis Farrar of the Western Slope Consulting presented a presentation of the Paonia in Motion Parks Recreation and Trails Master Plan, Davis stated that he was hoping to do an Open House over here some time in early April at Town Hall if weather permits maybe outside at Poulos Park. He also stated we need to reach out for Grants and Go Co lottery funds, hit up individuals for donations and possibly do fundraising. He encouraged the public at the meeting to speak up about what they liked and their dislikes, tap the folks who's been involved so far and reach out and engage them. He emphasized we need to be creative and make sure we put this in front of the Board of Trustees around Budget time

Adjournment

Work Session was adjourned at 7: 00 pm
