SECTION 1.

Short title.

This Act shall be known and may be cited as the "Sinclair Water Authority Act."

SECTION 2.

Legislative intent.

The General Assembly of Georgia recognizes, supports, and encourages comprehensive regional planning in anticipation of growth in the utilization of regional water resources. It supports the concept that each county should be free to plan and determine its own growth in the utilization of its share of regional water resources as well as to plan for other infrastructure growth in conjunction with community needs and standards. It intends that the Sinclair Water Authority created by this Act assist in the planning, implementation, and management on a regional basis of the production of potable water and distribution of same within the Counties of Baldwin and Putnam and to the surrounding area.

SECTION 3.

Sinclair Water Authority created.

H. B. 398

- 1 -

There is created a body corporate and politic, to be known as the Sinclair Water Authority (hereinafter SWA), which shall be a public corporation and by that name, style, and title said body may contract and be contracted with, bring and defend actions, sue and be sued, implead and be impleaded, and complain and defend in all courts. SWA shall make rules and regulations for its own government and shall have perpetual existence.

SECTION 4.

Purpose of SWA.

Without limiting the generality of any provisions of this Act, the general purpose of SWA shall be that of acquiring and developing adequate sources of water supply, including but not limited to the construction of reservoirs and the treatment of such water, and thereafter the transmission of such water to the governing authorities of Baldwin and Putnam counties. It is recognized that water resources are finite, and that water conservation shall be encouraged by this Authority, the member counties, and all water users within the area. It is a further objective of SWA to fulfill its purposes and perform its projects in an environmentally sensitive manner and to strictly limit interbasin transfers of water.

SECTION 5.

Definitions.

(a) As used in this Act, the term:

- (1) "Authority" shall mean the Sinclair Water Authority created by Section 3 of this Act. SWA shall act through its board.
- (2) "Board" shall mean the governing body of SWA created in Section 6 of this Act.
- (3) "Cost of the project" means the cost of planning, design, and construction, the cost of all lands, properties, rights, easements, and franchises acquired, the cost of all buildings, machinery and equipment, financing charges, interest prior to and during construction, cost of compliance with environmental regulations and environmental protection, cost of engineering, architectural and legal expenses, cost of plans and specifications, cost of water conservation programs and activities, and other costs necessary or incident to determining the feasibility or practicability of any project, administrative costs, and such other costs as may be necessary or incident to the financing authorized in this Act, the construction of any project, the placing of the same in operation, and the condemnation of property necessary for such construction and operation. Any obligation or cost incurred for any of the foregoing purposes shall be regarded as a part of the cost of the project and may be paid or reimbursed as such out of the proceeds of revenue bonds, certificates, or other obligations issued under the provisions of this Act for such project.

- (4) "Interbasin transfers" means the delivery by whatever means of any treated untreated water outside the drainage basins which exist within the boundaries of Baldwin and Putnam counties.
- (5) "Member county" means Baldwin County and Putnam County, unless the governing authority of any such county has adopted a resolution, at any time, declaring that such county shall not be a member county under this Act. Such withdrawal by any member county from SWA shall not affect any previously incurred obligations with respect to the issuance of or payment of any bonds, certificates, or other obligations of SWA. Another county may become a member county upon election as such by the governing authorities of Baldwin and Putnam counties.
- (6) "Project" means and includes the planning, design, acquisition, construction, and management of reservoirs; the acquisition of real property surrounding the reservoirs including watershed areas and all necessary and usual water facilities useful for obtaining one or more sources of water supply including ground-water sources; the treatment of water and the transmission and sale of water to member counties; water conservation and environmental mitigation; and the management, operation, maintenance, additions, improvements, and extensions of such facilities so as to assure adequate water utility systems deemed by SWA to be necessary or convenient for the efficient operation of such undertaking.

- (10) "Transmission" means the conveying of raw or treated water from any facility of SWA to any member county for the purpose of resale to end users of such water or wholesale purchasers of such water and does not include conveyance of water to ultimate users.
- (b) Any project shall be deemed self-liquidating if, in the judgment of SWA, the revenues and earnings to be derived by SWA therefrom will be sufficient to pay the costs of operating,

maintaining, repairing, improving, and extending the project and to pay the principal and interest of the revenue bonds which may be issued for the cost of such project or projects.

SECTION 6.

Board.

(a) SWA shall be governed by a board which shall exercise all powers and duties of SWA. The board shall manage the operations of SWA and shall perform such other functions that may be provided for or authorized by law.

(c) Members of the board shall serve for the terms specified in this section and until the selection and qualification of their respective successors. In case any officer whose signature or facsimile signature shall appear on any bonds or on any coupons shall cease to be such officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. All such bonds shall be signed by the chairperson of the board and the official seal of SWA shall be fixed thereto or imprinted thereon and attested by the secretary of the board and any coupons attached thereto shall bear the signature or facsimile signature of the chairperson of the board. Any coupon may bear the facsimile signature of such person and any bond may be signed, sealed, and attested on behalf of SWA by such persons as at this actual time of the execution of such bonds shall be duly authorized or hold the proper office, although at the date of such bonds such persons may not have been so authorized or shall not have held such office.

SECTION 16.

Revenue bonds; negotiability; exemption from taxation.

All revenue bonds issued under this Act shall have and are declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the state. Such bonds and the income thereof shall be exempt from all taxation within this state.

SECTION 17.

Revenue bonds; sale; price.

SWA may sell such bonds in such a manner and for such price as it may determine to be for the best interest of SWA, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at a greater rate than the interest allowed by Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law," computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bond prior to maturity.

SECTION 18.

Revenue bonds; proceeds of bonds.

The proceeds of such bonds shall be used solely for the payment of the cost of the project or projects and, unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, additional bonds may be issued in like manner to provide the amount of such deficit, which, unless otherwise provided in the resolution authorizing the

issuance of the bonds or in the trust indenture, shall be deemed to be of the same force and effect as if they were issued without preference or priority of the bonds first issued for the same purpose.

SECTION 19.

Revenue bonds; interest receipts and certificates or temporary bonds. Prior to the preparation of definitive bonds, SWA may issue interim receipts, interim certificates, or temporary bonds, with or without coupons exchangeable for definitive bonds upon the issuance of the latter.

SECTION 20.

Revenue bonds; replacement of lost or mutilated bonds. SWA may also provide for the replacement of any bond which shall become mutilated or be destroyed or lost.

SECTION 21.

Revenue bonds; conditions precedent to issuance; object of issuance. Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, and things which are specified or required by this Act. In the discretion of SWA, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution providing for the issuance of revenue bonds under this Act shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at any regular or special or adjourned meeting of SWA by its board member at any meeting where a quorum is present and voting requirements are met.

SECTION 22.

Revenue bonds; credit not pledged. Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of this state, or any county or municipality thereof, or any public authority except SWA created by this Act, nor shall such bonds be deemed a pledge of the faith and credit of this state, any county or municipality thereof, or any public authority except SWA created by this Act, but such bonds shall be payable solely from the fund provided for in this Act; and the issuance of such revenue bonds shall not directly, indirectly, or contingently obligate this state, or any county or municipality thereof, to levy or to pledge any form of taxation whatever therefor or to make any appropriation for the payment of such bonds; and all such bonds shall contain recitals on their face covering substantially the foregoing provisions of this section.

SECTION 23.**Revenue bonds; trust indenture as security.**

In the discretion of SWA, any issue of such revenue bonds may be secured by a resolution or a trust indenture by and between SWA and a corporate trustee, which may be any foreign or domestic trust company or bank having the powers of a trust company. Such resolution or trust indenture may pledge or assign fees, tolls, revenues, and earnings to be received by SWA. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of SWA in relation to the acquisition of property, the construction of the project, the maintenance, operation, repair, and insurance of the project, and the custody, safeguarding, and application of all moneys and may also provide that any project shall be constructed and paid for under the supervision and approval of registered professional consulting engineers of the State of Georgia or architects employed or designated by SWA and satisfactory to the original purchasers of the bonds issued therefor and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other moneys be satisfactory to such purchasers and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the board. Such resolution or trust indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action of bondholders as is customary in resolution or trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such resolution or trust indenture may contain such other provisions as the board may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such resolution or trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by such indenture.

SECTION 24.**Revenue bonds; to whom proceeds of bonds shall be paid.**

In the resolution providing for the issuance of revenue bonds or in the trust indenture, SWA shall provide for the payment of the proceeds of the sale of the bonds to any officer or person who, or any agency, bank, or trust company which, shall act as trustee, custodian, or depository of such funds and shall hold and apply the same to the purposes for which such bonds were issued, subject to such regulations as this Act and such resolution or trust indenture may provide.

SECTION 25.**Revenue bonds; sinking fund.**

The revenues, fees, and earnings derived from any particular project or projects, regardless of whether or not such fees, earnings, and revenues were produced by a particular project for which bonds have been issued unless otherwise pledged and allocated, may be pledged and allocated by SWA to the payment of the principal and interest on revenue bonds of SWA as the resolution authorizing the issuance of the bonds or the trust instrument may provide; and such funds so pledged from whatever source received, which said pledge may include funds received from one or more or all sources, shall be set aside at regular intervals, as may be provided in the resolution or trust indenture, into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- (1) The interest upon such revenue bonds as such interest shall fall due;
- (2) The principal of the bonds as the same shall fall due;
- (3) The necessary charges of paying agents for paying principal and interest; and
- (4) Any premium upon bonds retired by call or purchase as provided in this Act.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, except as may otherwise be provided in such resolution or trust indenture. Such sinking fund shall be a fund for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or the trust indenture, surplus moneys in the sinking fund may be applied to the purchase or redemption of bonds. Any such bonds so purchased or redeemed shall forthwith be canceled and shall not again be issued.

SECTION 26.**Revenue bonds; remedies of bondholders.**

Any holder of revenue bonds issued under this Act or any coupons appertaining thereto and the trustee under the trust indenture, if any, except to the extent the rights given in this Act may be restricted by the resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State of Georgia or granted under this Act or under such resolution or trust indenture and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by SWA or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, and other charges for the use of the facilities and services furnished.

SECTION 27.

Revenue bonds; refunding bonds.

SWA is authorized to provide by resolution of its board for the issuance of revenue refunding bonds of SWA for the purpose of refunding any revenue bonds issued under this Act and then outstanding, together with accrued interest thereon. The issuance of such revenue refunding bonds, the maturities, all other details thereof, and the duties of SWA with respect to the same shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

SECTION 28.

Revenue bonds; venue and jurisdiction.

Any action to protect or enforce any rights under this Act or any suit or action against SWA shall be brought in the Superior Court of the site county for the first facility constructed by SWA, and any action pertaining to validation of any bonds issued under this Act shall likewise be brought in said court, which shall have exclusive jurisdiction of such actions.

SECTION 29.

Revenue bonds; validation.

Bonds of SWA shall be confirmed and validated in accordance with the procedure of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law." The petition for validation shall also make a party defendant to such action any municipality, county, public authority, subdivision, or instrumentality of the State of Georgia which has contracted with SWA for furnishing or receiving the services and facilities of the water systems for which bonds are to be issued and sought to be validated, and such municipality, county, public authority, subdivision, or instrumentality shall be required to show cause, if any, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court, the validity of the terms thereof be determined, and the contract or contracts adjudicated as security for the payment of any such bonds of SWA. The bonds, when validated, and the judgement of validation, shall be final and conclusive with respect to such bonds against SWA issuing the same and any municipality, county, public authority, subdivision, or instrumentality contracting with SWA.

SECTION 30.

Revenue bonds; interest of bondholders protected.

While any of the bonds issued by SWA remain outstanding, the powers, duties, or existence of SWA or of its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interests and right of the holders of such bonds, and no

other entity, department, agency, or public authority will be created which will compete with SWA to such an extent as to affect adversely the interests and rights of the holders of such bonds nor will the state itself so compete with SWA. The provisions of this Act shall be for the benefit of SWA and the holders of any such bonds and, upon the issuance of bonds under the provisions of this Act, shall constitute a contract with the holders of such bonds.

SECTION 31.

Moneys received considered trust funds.

All moneys received by SWA pursuant to this Act, whether as proceeds from the sale of revenue bonds, as grants, or other contributions, or as revenues, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

SECTION 32.

Rates, charges, and revenues; use.

SWA is authorized to prescribe, fix, and collect rates, fees, or charges and to revise from time to time and collect such rates, fees, or charges for the services, facilities, or commodities furnished and, in anticipation of the collection of the revenues of such undertaking or project, to pay from current revenues and issue revenue bonds as provided in this Act to finance in whole or in part the cost of the acquisition, construction, reconstruction, improvement, betterment, or extension of the water systems and to pledge to the punctual payment of said bonds and interest thereon all or any part of the revenues of such undertakings or projects, including the revenues of improvements, betterments, or extensions subsequently made to the systems.

SECTION 33.

Rules and regulations for operation of projects.

It shall be the duty of the board to prescribe rules and regulations for the operation of the project or projects constructed under the provisions of this Act, including the basis on which water transmission services and facilities shall be furnished.

SECTION 34.

Financial statements and audit reports.

(a) SWA shall establish a fiscal year, which may be a calendar year, for its operation and, as soon as practicable after the end of each fiscal year, SWA shall cause to be prepared and printed a report and financial statement of SWA operations for the fiscal year just ended and of its assets and liabilities. A copy of such report shall be sent to the governing authority of

each member county and additional copies shall be made available for distribution to the general public on written requests thereof.

(b) SWA shall appoint in due time each year a firm of independent certified public accountants as auditors who shall examine the books, records, and accounts of SWA for the purpose of auditing and reporting upon its financial statements for such year. The report of such auditors shall be appended to such financial statement.

(c) Whenever SWA deems it necessary or advisable, it shall be authorized to employ a firm or firms of qualified engineers or other such professionals to survey condition of SWA's facilities and operation from the engineering, operational, or environmental standpoint and make a report therefor together with its recommendation for improvement in its physical facilities and operating procedures. A copy of such report shall be sent to the governing authority of each member county and additional copies shall be made available for distribution to the general public on written requests therefor.

SECTION 35.

Exemption from taxes.

It is found, determined, and declared that the creation of SWA and the carrying out of its corporate purposes are in all respects for the benefit of the people of this state and constitute a public purpose and that SWA will be performing an essential governmental function in the exercise of the powers conferred upon it by this Act. SWA therefore shall be required to pay no taxes or assessment upon any of the property acquired by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation or maintenance of the facilities erected, maintained, or acquired by it or any fees, rentals, or other charges for the use of such facilities or other income received by SWA.

SECTION 36.

Powers declared supplemental and additional.

The foregoing sections of this Act shall be deemed to provide an additional and alternative method for doing the things authorized thereby, shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as being in derogation of any powers now existing.

SECTION 37.

Liberal construction of Act.

This Act, being for the welfare of various political subdivisions of the state and its inhabitants, shall be liberally construed to effect the purposes hereof.

SECTION 38.**Powers of counties and municipalities.**

This Act does not in any way take from member counties, municipalities, or public authorities located within such member counties or any adjoining county the power to own, operate, and maintain water or waste-water systems, or issue revenue certificates as is provided by Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law."

SECTION 39.**Repealer.**

All laws and parts of laws in conflict with this Act are repealed.
