Mr. Paul Simonton (via Zoom) gave an update on the South Industrial Park. Outdoor Solutions is on sight and work is progressing. Depending on the weather, they should be close to being finished this week. The hope is the City of Eatonton will accept the roadway and take care of future maintenance. The PDA may need to bush hog it until that happens. No action was taken.

5. Update on South Industrial Park GRAD Application

EDD Topping reminded all that the board approved two studies for the GRAD application at the last meeting. The Phase 1 study is completed and was sent to Mr. Simonton. The Wetlands study should be ready anytime. Two of the letters of support are out of date and he is working on updating those. Plans are to start uploading documents to the application this week.
