#### AGENDA CITY OF STEVENSON COUNCIL MEETING September 19, 2019 6:00 PM, City Hall

Items with an asterisk (\*) have been added or modified after the initial publication of the Agenda.

**1. CALL TO ORDER/PRESENTATION TO THE FLAG:** Mayor to call the meeting to order, lead the group in reciting the pledge of allegiance and conduct roll call.

Councilmembers Robert Muth and Jenny Taylor request excused absences.

**2. CHANGES TO THE AGENDA:** [The Mayor may add agenda items or take agenda items out of order with the concurrence of the majority of the Council].

**3. CONSENT AGENDA:** The following items are presented for Council approval. [Consent agenda items are intended to be passed by a single motion to approve all listed actions. If discussion of an individual item is requested by a Council member, that item should be removed from the consent agenda and considered separately after approval of the remaining consent agenda items.]

- a) Liquor License Renewal North Bonneville PDA
- b) Approve Proclamation Declaring September 2019 as Childhood Cancer Awareness Month - Mayor Scott Anderson presents this proclamation for council consideration and approval. (p. 6)
- c) Special Occasion Liquor License Application Skamania Democratic Central Committee at the Hegewald Center on Oct. 12 from 5-9:30pm.
- d) Minutes of August 22, 2019 City Council Meeting. (p. 7)

MOTION: To approve consent agenda items a-d.

**4. PUBLIC COMMENTS:** [This is an opportunity for members of the audience to address the Council. If you wish to address the Council, please sign in to be recognized by the Mayor. Comments are limited to three minutes per speaker. The Mayor may extend or further limit these time periods at his discretion. The Mayor may allow citizens to comment on individual agenda items outside of the public comment period at his discretion.]

#### **5. UNFINISHED BUSINESS:**

a) Sewer Plant Update - Public Works Director Eric Hansen will provide an update on the Stevenson Wastewater System and the Compliance Schedule. (p. 19)

#### 6. COUNCIL BUSINESS:

a) Approve Resolution 2019-346 Rescinding Resolution 2019-328 Regarding the Creation of a Metropolitan Park District - City Administrator Leana Kinley presents this resolution for council review and approval. A new resolution regarding the creation of a district for the purposes of supporting the pool will be presented at the October council meeting. (p. 24)

MOTION: To approve resolution 2019-346 rescinding resolution 2019-328 calling for the creation of a Metropolitan Park District.

**b)** Approve the Wastewater Project Amendment No. 1 to the Wallis Contract - City Administrator Leana Kinley presents this amendment for council consideration. The increased scope includes \$17,721 for a cultural review, which is required due to the location of the lift stations and treatment plant, and \$2,801 for an income and affordability study (sample documents attached). (p. 27)

MOTION: To approve Wastewater Project Amendment Number 1 with Wallis Engineering in the amount of \$20,522 for a revised contract amount of \$410,000.

C) Approve Ratification of the Russell Avenue Project Local Agency Agreement Supplement No. 1 and Revised Project Prospectus - Public Works Director Eric Hansen requests council approval of the Agreement Supplement No 1 and revised Project Prospectus with the Washington State Department of Transportation, which increases the overall project costs by \$254,013, from \$982,659 to \$1,236,672. (p. 55)

MOTION: To approve the ratification of the Local Agency Agreement Supplement No. 1 and revised Project Prospectus for the Russell Avenue Project for a total project cost of \$1,236,672.

d) Approve Contract Amendment with Wallis Engineering for the Russell Project - Public Works Director Eric Hansen requests approval of the attached contract amendment in the amount of \$5,760.82 for a total revised contract amount of \$235,745.81 for a change in the design from 8' wide sidewalks to 10' wide sidewalks. (p. 60)

MOTION: To approve Supplement Agreement Number 3 with Wallis Engineering in the amount of \$5,760.82 for a total revised contract amount of \$229,984.99.

e) Planning Commission Appointment - The Planning Commission is recommending City Council appoint Mike Beck to fill position #3, which was vacated by the resignation of Karen Ashley.

MOTION: To appoint Mike Beck to Planning Commission position #3.

Approve Resolution 2019-345 Declaring the Intent to Adopt a Sales Tax Credit
 Authorized by House Bill 1406 - City Administrator Leana Kinley presents this resolution for council consideration. Funds from the sales tax credit can be used for affordable housing and related costs as outlined in the resolution. (p. 64)

MOTION: To approve Resolution 2019-345 declaring the intent of the city council to adopt legislation to authorize a sales and use tax for affordable and supportive housing in accordance with substitute house bill 1406 (chapter 338, laws of 2019) and other matters related thereto.

Approve Ordinance 2109-1146 Regulating Camping - City Administrator Leana Kinley presents Ordinance 2019-1146 regulating camping in the city for council consideration. A draft of this ordinance was presented and discussed at the August council meeting. (p. 66)

MOTION: To approve Ordinance 2019-1146 regulating camping in the city.

h) Ordinance 2019-1147 Revising Fund Structure - City Administrator Leana Kinley presents this ordinance for council review and consideration. This ordinance restricts the use of these funds to what is stated in the ordinance. The amount of money in each fund will be allocated with adoption of a revised 2019 budget ordinance. (p. 72)

MOTION: To approve ordinance 2019-1147 to add the General Reserve and Fire Reserve Funds to the fund structure.

i) \*Approve Amendment No. 1 to DOE Loan for WWTP Design - City Administrator Leana Kinley requests approval of amendment no. 1 to agreement no. WQC-2019-StevPW-00044 between the Washington State Department of Ecology and the City of Stevenson. This amendment adds the immediate improvements as task 4 for \$63,000, moving the money from the design task. The total amount of the loan and terms remain the same. (p. 74)

MOTION: To approve amendment no. 1 to agreement no. WQC-2019-StevPW-00044 between the State of Washington Department of Ecology and City of Stevenson.

 Preliminary 2020 Budget - City Administrator Leana Kinley presents the 2019 budget calendar and the proposed 2020 cost of living adjustment. The preliminary 2020 budget will be presented prior to the meeting for council review and discussion. (p. 81)

#### 7. INFORMATION ITEMS:

- a) Chamber of Commerce Activities The attached report describes some of the activities conducted by Skamania County Chamber of Commerce in August, 2019. (p. 83)
- b) Sheriff's Report A copy of the Skamania County Sheriff's report for August, 2019 is attached for council review. (p. 85)
- c) Elected Officials Essentials Flyer Information about upcoming training for new and seasoned elected officials. (p. 91)

- d) Municipal Court Cases Filed A summary of Stevenson Municipal Court cases recently filed is attached for Council's review. (p. 92)
- e) Fire Department Report The attached report describes some of the activities conducted by the Stevenson Fire Department in August, 2019. (p. 93)
- f) Building Permits Issued Stevenson has 19 SFRs total with 9 started in 2019, 4 cabins, 1 triplex, and 73 building permits for 2019. 4 houses have been finaled since last council meeting. Invision wants to start talks soon to start the building phase of tree houses for the Lodge. North Bonneville has 2 SFRs and one duplex, 1 finaled since last council meeting.
- g) AWC 2020 Legislative Priorities The 2020 Legislative Priorities for the Association of Washington are attached for council review. (p. 94)
- h) **\*Housing Market Information** A copy of the August 2019 RMLS Mid-Columbia residential real estate statistics is attached for your review. (p. 96)

#### 8. CITY ADMINISTRATOR AND STAFF REPORTS:

- a) Eric Hansen, Public Works Director
- b) Ben Shumaker, Community Development Director
- c) Leana Kinley, City Administrator (p. 101)

#### 9. VOUCHER APPROVAL AND INVESTMENTS UPDATE:

a) August 2019 payroll & September 2019 A/P checks have been audited and are presented for approval. August payroll checks 13806 thru 13810 total \$101,018.97 which includes twenty-one EFT payments. A/P Checks 13811 thru 13868 total \$162,592.47 which includes four ACH payments. The A/P Check Register is attached for your review. Detailed claims vouchers will be available for review at the Council meeting. August 2019 Investment Activity: \$300,000 bond matured at 1.3% (Federal Home Loan Mortgage Corp.), \$300,737.10 Non-Callable Bond purchased at 1.45% (Federal Farm Credit Bank). (p. 102)

#### **10. MAYOR AND COUNCIL REPORTS:**

**11. ISSUES FOR THE NEXT MEETING:** [This provides Council Members an opportunity to focus the Mayor and Staff's attention on issues they would like to have addressed at the next council meeting.]

12. EXECUTIVE SESSION - Council will convene in Executive Session under:

a) RCW 42.30.110(g) to review the performance of a public employee.

#### **13. ADJOURNMENT** - Mayor will adjourn the meeting.

------

UPCOMING MEETINGS AND EVENTS:

- Sept. 23rd Downtown Plan Concept Review, 6pm at Hegewald Center
- Sept. 24th Joint Meeting with Skamania County Fire District No. 2 to discuss Fire Hall project, 6pm at City Hall
- Oct. 5th Logtoberfest 1-7pm
- Oct 8th Joint Workshop with Skamania County to discuss Park Plaza project, 5:30pm at Commission Chambers

#### CITY OF STEVENSON PROCLAMATION

#### A PROCLAMATION RECOGNIZING SEPTEMBER AS CHILDHOOD CANCER AWARENESS MONTH IN THE CITY OF STEVENSON

WHEREAS, pediatric cancer is the leading cause of death by disease in children; and

WHEREAS, 1-in-285 children in the United States will be diagnosed by their 20th birthday; and

**WHEREAS**, 80 percent of childhood cancer cases are diagnosed only after the disease has metastasized and spread to other areas of the body; and

**WHEREAS**, two-thirds of childhood cancer patients will have long-lasting chronic conditions as a result of the treatments they go through; and

**WHEREAS**, the National Cancer Institute recognized the unique research needs of childhood cancer and increased funding to conduct this research; and

**WHEREAS**, in the last 20 years, only four new drugs have been deployed specifically to treat children with cancer; and

**WHEREAS**, researchers and healthcare professionals work diligently to dedicate their expertise to treat and cure children with cancer; and

**WHEREAS**, too many children are affected by this deadly disease and more must be done to raise awareness and find a cure.

**NOW, THEREFORE**, I, Scott Anderson, Mayor of the City of Stevenson, on behalf of the Stevenson City Council, do hereby proclaim September 2019 as:

#### CHILDHOOD CANCER AWARENESS MONTH

In the City of Stevenson. I encourage all Stevenson residents to learn more about childhood cancers and consider what we all can do to support children with cancer and their families.

Adopted this 19th day of September, 2019.

Scott Anderson, Mayor

ATTEST:

Leana Kinley, City Clerk

#### MINUTES CITY OF STEVENSON COUNCIL MEETING August 22, 2019 6:00 PM, City Hall

**1. CALL TO ORDER/PRESENTATION TO THE FLAG:** Mayor Anderson called the meeting to order at 6:00 p.m. and led the Council and audience in the flag salute.

#### PRESENT

Councilmember Robert Muth Councilmember Paul Hendricks Councilmember Amy Weissfeld Councilmember Matthew Knudsen

ABSENT Councilmember Jenny Taylor

Others present: Ken Woodrich, City Attorney Leana Kinley, City Administrator Eric Hansen, Public Works Director Ben Shumaker, Stevenson Community Development Director Karl Russell, Building Inspector/Water System Manager

**2. CHANGES TO THE AGENDA:** Minor document additions were included in the current packet.

3. CONSENT AGENDA: The following items were presented for Council approval:

**a) Special Occasion Liquor License Application** - Friends of Stevenson Library at the Library on October 5 from 6-9pm.

**b) Approve Lodging for Permit Training** - Mary Corey will be attending the Washington Association of Permit Technician's Conference in Chelan on Sept. 30th and staying two nights. The negotiated rate for the conference is \$140 per night, higher than the \$94 per diem rate. Council approval would be for the higher rate of \$140 per night for her to attend the conference.

c) Liquor License Renewal - El Rio Texicana

**d) Water Adjustment** - Top Gear Driving School (Meter No. 201200) requested a water adjustment of \$19.60 for a leaky toilet which they have since repaired.

e) Approve Resolution 2019-344 Authorizing New Post Office Box

**Custodians** - Former Deputy Clerk/Treasurer Carla Cosentino retired in February and was the last remaining custodian for the city's Post Office Box. This Resolution updates the custodians to Mary Corey and Leana Kinley.

**f) Approve Ratification of Resolution 2019-336 for a Scrivener's Change** - City Administrator Leana Kinley presented a scrivener's change to resolution 2019-336 regarding an affordable housing sales tax ballot measure for council approval. The

change is on page 4 of the document regarding how the question to the voters is asked.

g) Minutes of July 18, 2019 City Council Meeting.

**MOTION:** Councilmember Muth motioned to approve consent agenda items a-g as presented, followed by a second from Councilmember Hendricks. The motion passed unanimously.

### 4. PUBLIC COMMENTS:

Hannah Joy from Carson asked if the City Council was planning to subsidize the Skamania County pool even if the proposed levy passes. Historically the council has been OK with supporting pool.

Ken Woodrich, Attorney for the City advised the public comment period was just that, not for questions. Mayor Anderson stated there was no commitment from the City Council on the issue.

Mayor Anderson stated there would be no public comment tonight regarding Initiative 1639. He said enough people had stated their beliefs and it was time to let the matter rest.

Cliff Nutting from the west end of the county referred to a number of laws he felt were possibly being compromised regarding data bases of gun owners. He declared the Department of Licensing was the only department with the authority to compile names, and that was for pistols only. He said the State of Washington needed to issue additional guidelines regarding enforcement of I-1639.

Mary Repar of Home Valley spoke against the City of Stevenson issuing homeowners permits for septic systems when the city is looking to fund and build a new \$10M waste water treatment plant. She said she felt the city should put a moratorium on septic fields within city limits.

### 5. OLD BUSINESS:

a) Discuss Letter Supporting Title 23 Waiver - Olga Kaganova, Deputy General Manager with the Port of Cascade Locks spoke to City Council regarding a request the POCL was making to request a waiver from Title 23 requirements regarding the use of toll revenues on projects that receive federal funding. The Pacific Crest Trail crosses the bridge and she spoke about the need for safe crossings for pedestrians and bicyclists. The POCL is planning to install a pathway across the bridge to accommodate those users. A Federal Lands Access Program grant has been applied for but if accepted it means the 100% of the toll revenue would have to be devoted to the bridge. The Oregon Legislature did not provide any funds to pay for the project.

Stevenson City Council members pointed out the Port of Cascade Locks receives all the tolls generated with the vast majority coming from the Stevenson community and does not use the funds to fully maintain the bridge as intended. Kaganova acknowledged 80% of the toll revenue is spent on the bridge maintenance, with the rest used for POCL projects. She went on to stress the regional economic benefits of the bridge.

Councilmember Hendricks noted his wife is the local representative for the Pacific Crest Trail Association and, speaking for himself, he was in support of the project but would like to see some revenue sharing. He noted among his constituents the perception is the lion's share of the tolls are paid by Stevenson residents without a lot of benefits seen by them. He shared the Bridge is the only interstate bridge that mandates it be open to pedestrians.

Councilmember Knudsen followed up with comments stating he felt there were also perceptions the POCL needs to make sure the developments and projects they invest in need to be more stable and profitable, rather than subsidizing them with BOTG toll revenue. Councilmember Weissfeld stated she did not feel it was appropriate for toll revenues to pay for green grass at the POCL Marine Business Park. She said she understood the current passage may be unsafe and was in support of the project but to ask for a waiver and then not comply with maintenance funded from tolls is not fair.

Councilmember Muth reviewed the legal language regarding the waiver and asked questions regarding where the actual request was going to-Oregon legislators or Washington?

Mary Repar asked about public comments and was this topic something she could talk on. She spoke, saying, "Hell, no" against supporting the waiver. She declared the POCL makes plenty of money from the bridge tolls and federal money received. She stated the Washington side has terrible access to the bridge and needs to be made safer. She said the POCL should give money back to Skamania County.

Cliff Nutting complained about the bicyclists and pedestrians not paying tolls or tire taxes or other means of revenue. He believed they should pay something for usage. He also opposed the waiver.

**MOTION** Made by Councilmember Hendricks: To authorize the Mayor to sign on the OneGorge letter of support for the Title 23 waiver as presented. **MOTION** died for lack of a second.

**b) Discuss I-1639** - Council discussed whether or not to take further action regarding the enforcement of I-1639 within the City of Stevenson. Attached was a letter from the Sheriff regarding the matter.

Mayor Anderson noted a meeting regarding I-1639 meeting was held with Sheriff Brown, Pat Bond, Ken Woodrich, Adam Kick and City Administrator Leana Kinley. At the meeting Sheriff Brown stated he would continue controlling enhanced background checks but that other checks required by next summer may be hard. Proper training is upon seller, safe storage upon purchaser. Sheriff Brown will continue to control what he can. He is doing his part as required in letter and will enforce law as drawn up-no changes anticipated.

Councilmember Knudsen shared Sheriff Brown was invited to attend the City Council meeting. He reiterated there was concern about liability, and referred to minutes from the July 2019 City Council meeting in which City Attorney Woodrich noted liability falls on enforcement. He said he had a concern with city money already being wasted without accountability and didn't want to misuse city funds on issues with enforcement. Councilmember Weissfeld took exception on Councilmember's Knudsen statement regarding poor accountability of city money. She stated she felt the letter from Sheriff Brown served the purpose.

Caleb Wold from Carson asked if the law would be enforced as Sheriff outlined? Councilmember Muth stated the Council is a legislative body, not an enforcement agency, so we can't take a position. The chief law enforcement officer has discretion on enforcement. City of Stevenson has contract with Sheriff's Office to provide Law Enforcement. Councilmember Knudsen stated he felt the liability issue has been addressed.

**c) Fire Hall Update** - Staff proposes holding a joint meeting with Fire District 2 and the Fire Chief to agree on a vision and goal for the new fire hall project. One proposal is the next Fire District 2 Commissioners meeting on Monday, September 9th at 6pm. Other availability can be discussed if a quorum of council will not be available. The latest renderings from the Needs Committee are attached.

Updated designs for the proposed firehall were presented in councilmember packets. City Administrator Kinley stated that before the project moves forward, it would help to have the City Council and Fire District 2 Commissioners agree on what the firehall should look like. Councilmembers and City Administrator Kinley discussed the ongoing issues and frustrations regarding the building of a new firehall. There were concerns over the delay in coming to a decision and all the back and forth in determining a design that meets the fire department needs but stays within city budget parameters.

Councilmember Knudsen asked for a clear agenda and direction during any additional meetings to avoid going around and round again. Councilmember Weissfeld agreed. She believed a consensus was arrived at during the last needs committee meeting. She questioned the need for another meeting if it meant going over the same topics.

Councilmember Weissfeld serves on the needs committee. She reported she urged it not to focus on design, that the needs were a priority.

All agreed there had been a proposal costing \$6.3M put before the council and the council had determined that was unaffordable. The question remains as to what could be built that is functional and meets the needs of the fire department. Councilmember Weissfeld does not want to build something drawn on the back of a napkin.

There was some confusion over who the meeting would involve. Ben Shumaker, City Planning stated it would be with the Fire Commission. Karl Russell, Fire Commissioner noted that none of the fire commissioners had been included in the current group of committees and wanted more involvement and input.

Councilmember Hendricks asked if there was a dollar amount they council could settle on in order to share at the meeting. No definite number was agreed to. He was concerned the last meeting was too contentious and wanted there to be understanding that everyone was on the same side. Ben Shumaker reminded the Council the Fire District is a taxing agency and will be paying some of the cost.

Councilmember Knudsen also asked if a firm dollar amount number could be determined. The consensus was it was unlikely.

Administrator Kinley asked the Council to consider what the framework for the new Firehouse would look like. Currently the ownership is split 50/50 between the fire department and the city. How should the new one be structured? Keep the same model or look at a larger picture? Councilmember Muth shared that he recalled it would be similar to the current arrangement, with the city owning the property and leasing the building to the fire department.

After further discussion a meeting was scheduled for September 24 at 6 p.m.

**d)** Sewer Plant Update - City Administrator Leana Kinley provided an update on the Stevenson Wastewater System and the Compliance Schedule. A report was attached for review. Administrator Kinley directed Councilors attention to the graph on page 33-34 that showed the trend lines are going down for BOD-TOS due to sidestreaming of waste. The amounts are still not within permitted levels for BOD, but they are continuing to reduce.

### 6. NEW BUSINESS:

a) Wastewater Connection Appeal - Ron Richards and Terry Steeves appealed the requirement to connect to city sewer. The appeal procedure in SMC 13.08.070 (attached) allows the matter to come before Council. An email from Public Works Director Eric Hansen was attached with the initial appeal request and his recommendation. Administrator Kinley also included the city code that allows for an appeal.

Administrator Kinley shared recommendations from PWD Eric Hansen, in which he agreed to not connecting, as there are no plans to extend the main sewer line past the property in question. There is sewer but not in that area. It goes up School Street but not Kanaka.

Attorney Woodrich noted this was not a land use matter but just a utility appeal.

**MOTION:** Councilmember Muth motioned to approve the appeal by Ron Richards and Terry Steeves regarding connection to city sewer at 330 NW Kanaka Creek Rd. Motion was seconded by Councilmember Weissfeld.

Following the motion and second further discussion was held. Councilmember Knudsen shared he understood the situation but was concerned that the City was setting a trend whereby septic installation permits would be routinely issued rather than sewer hookups. It has been a common topic. Councilmember Hendricks agreed, noting he has not seen an appeal denied and asked if it would become common knowledge to apply for septic permits.

Councilmember Knudsen asked if the city needs to come up with a better plan to address this. What can we do as a system to overcome the problems of the hills? We've had this discussion over time. Should a moratorium be put in place?

Councilmember Weissfeld agreed it was a valid point but believed in going with staff advice. Councilmember Knudsen did not dispute Eric's recommendation but felt further discussion was warranted about a better plan to address the problem. He was concerned about allowing additional septic tanks while reducing the number of sewer hookups and accompanying fees the city needs to pay for the new sewage treatment plan.

**Voting:** Councilmembers Hendricks and Knudsen voted nay, Councilmembers Weissfeld and Muth voted aye. Mayor Anderson was advised he could cast the deciding vote, as it was not an ordinance or expenditure item. Mayor Anderson voted aye. The motion carried 3-2.

Further discussion was held regarding what future possibilities and tools could be used to address the issue. Councilmember Hendricks suggested placing the item as a topic for a future retreat.

**b)** Park Plaza Design Approval - The Stevenson Downtown Association presented the design for the Park Plaza project for council review and approval according to the stipulations outlined in their Tourism Fund contract. Once the Park Plaza is created there will need to be agreements in place regarding the care and maintenance of the facility. A workshop with the County Commissioners on October 8th or 9th at 5:30pm is proposed to start discussions on the framework for such agreements.

Marie Perez, Brian Adams and Joe Schlick shared information and details on the proposed Park Plaza Project set for the Skamania County Courthouse lawn in downtown Stevenson. They reviewed the history and timeline of the project. Without approval from the City of Stevenson the project cannot access \$147,000 provided by legislature.

• Concerns and questions from audience and Council included a lack of covered areas as protection against rain, maintenance and cleaning costs and responsibilities, possibility of homeless camping, parking, and entrance

to courthouse via the ADA pathway as door is now locked. If a geo-tech or archeological study shows problems can changes be made that don't increase costs?

• Positive comments were received about the layout and amphitheater, multiusage/seasonal use and intent, lighting of bollards, open plan for viewpoints, ADA pathway, possible revenue from outdoor dining areas, etc. Mayor Anderson stated he still preferred placing the amphitheatre in the center to take advantage of the natural slope.

Joe Schlick noted the Stevenson downtown plan has parking as a topic to be addressed. Brian Adams pointed out that approval would also provide opportunities to obtain additional funds. A joint workshop with the County Commissioners is planned in early October to address maintenance, permits, archeological reviews, parking and other items in a long list of details. Councilmember Hendricks asked for construction blueprints to include provisions for a roof that can be retrofitted. Something temporary was also suggested, such as tents or sailcloth.

**MOTION:** To approve the Park Plaza Project Design as presented was made by Councilmember Knudsen with a second by Councilmember Paul Hendricks. The motion carried unanimously.

Ken Woodrich, City Attorney suggested appointing an ad-hoc committee to avoid holding a special meeting. Councilmembers Hendricks and Knudsen and Mayor Anderson will attend on October 8th at 5:30 at the County Commissioners Chambers.

c) Discuss Ordinances to Address Homeless - Council discussed the two draft ordinances (Sit-Lie and Camping) attached to assist Councilmembers with managing the increased number of homeless persons and camps now appearing throughout the city. The ordinances are independent of each other. They were based on those that City Attorney Woodrich drafted for the City of Washougal. City Administrator Leana Kinley noted the previous ordinances before council resulted in recommendations to direct people to local resources. These ordinances are now intended to legislate responses.

Ken Woodrich, City Attorney provided input regarding the ordinances and how the Sit-Lie language can be vulnerable to legal challenges. Washougal did not adopt the Sit-Lie, just the Camping ordinance.

The Port of Skamania County and Sheriff's Office are facing increased challenges regarding homelessness. They need legal tools to help address the issue. Attorney Woodrich shared some legal findings into ordinances that need to be observed. Ordinances that ban camping can be adopted and enforced if there is adequate shelter available either through NGO's or public entities. If the shelters are provided by churches, the church cannot require attendance at services as a condition for staying.

Attorney Woodrich referred to the City of Vancouver camping ordinance as a model of a reasonable restriction. If no shelter is available, cities cannot prohibit sleeping in public places but can limit stays, for example, to just one night. Definitions of camping need to be clear. RV's are included in the camping ordinance.

Sit-Lie ordinances prohibit people from lying in doorways, alleys, etc. and obstructing access to businesses. They are hard to enforce. No loitering signs are too vague and no longer used.

Ben Shumaker, Community Development Director asked if the Port of Skamania had adopted any ordinances related to homelessness and were they subject to the same provisions regarding shelters available? The response was they have not, they would need to pass a similar ordinance for any property they own within the county and work with the Sheriff's Office.

Following Council discussion, audience comments and further explanations regarding problems and options that occur with ordinances addressing homelessness, the Council asked Administrator Kinley to come to the next meeting with a sample ordinance regarding camping by homeless individuals. Councilmember Weissfeld noted she was OK with a camping ordinance but felt the provisions regarding sleeping in a vehicle on any street during the day needed to be removed or revised. She also felt the Sit-Lie ordinance was too harsh as it seemed directed at just one situation and she it was a sledgehammer approach. Councilmember Muth noted the penalties do not match fines or jail times, and recommended running the sample ordinance past the county prosecuting attorney. Attorney Woodrich suggested this was the first step to avoid the establishment of homeless encampments that have the potential to become health and fire hazards. He advised that even with an ordinance in place it should not be the last time a discussion about homelessness should take place. Councilmember Hendricks noted that addressing homelessness was an item on the goals for City Council.

**d) Approve lamResponding Contract** - Fire Chief Rob Farris requested approval of the contract with lamResponding for supplemental dispatch services. The department has tried it out over the past year and are so pleased they are expanding use to other agencies in the county. This will be for 3 years, at \$300 each year. The cost is split between Stevenson Fire Department and Fire District 2.

**MOTION:** To approve the contract with lamResponding for three years at \$300 each year was made by Paul Hendricks with a second provided by Amy Weissfeld. The motion passed unanimously.

e) Discuss 2020 Goals - City Administrator Leana Kinley presented a memo and current strategic plan status for aiding the discussion of goals for the 2020 budget cycle.

City Administrator Leana Kinley demonstrated a Gant chart that showed priorities based on original goals. Some additions from the recent staff and board survey were included at the bottom.

City Administrator Kinley wanted to know what items on or off the timeline could be taken off or exchanged. The chart showed the work planned through the years 2020-2021 as well as long-term projects. The Council discussed what progress was being made with goals and what still needed to be done.

Councilmember Knudsen stated he was concerned about how the City was spending on loans. He asked what could be removed. Administrator Kinley explained the loans were all for capital projects and the capital improvement program will merge those programs together as project fund planning. Councilmember Knudsen asked for more information on the one-off's that appear frequently. It was pointed out that the items usually are within the budget. The budget approved by the Council may require budget amendments and contract approval with specific dollar amounts, and any amounts that exceed need to be adjusted accordingly or authorized through a budget amendment. Councilmember Muth asked if the city budget and allocations were built on council priorities. Councilmember Hendricks asked if staff had any needs they would like to see included.

Broadband expansion was noted not to be on the list. Administrator Kinley suggested internships may be one way to leverage staffing for that project. Mayor Anderson stated broadband was not possible due to time limits of staff.

Ben Shumaker, Community Development Director said the biggest needs to address were a deliberate growth strategy determined in large part by the buildable lands and housing needs assessment currently taking place which in conjunction with the county could help coordinate growth. Capital improvement plan could help fill the gap between the budget and long-term planning to help find and prioritize funds. Mayor Anderson pointed out the chart was a good visual to help coordinate projects and combine resources especially when it came to projecting road and utility work.

Shumaker also noted the road diet was accomplished for local streets, but this plan would help land use policies match the city's ability to provide utilities and eventually make it a condition of approval to extend utilities beyond city limits if annexation is approved. Attorney Woodrich suggested making it a matter of policy.

Karl stated the water system goals were attainable and he felt not much needed to be changed.

Councilmember Weissfeld asked where the communication plan was as it was not on the chart. Councilmember Knudsen noted it was ever changing and there was always room for communication improvement. Administrator Kinley pointed out the recent outreach via the fair booth and newspaper articles and letters to the editor as good examples. Councilmember Weissfeld asked that for any large projects communication with residents be maintained.

Mayor Anderson noted there had been a lot accomplished and to stay the course. Councilmember Weissfeld asked what do we plan for next? Is there another retreat planned? Administrator Kinley stated she envisioned one for early 2020. A consensus was for water needs and critical infrastructure. Councilmember Knudsen suggested to look at what is not here, particularly affordable housing.

An audience member asked if affordable housing meant building homes for people on welfare or for middle income. She requested some way to help builders put up houses less expensively. Councilmember Hendricks said they were exploring various options including tiered permitting fees to lower the costs of development.

Mayor Anderson stated finding altruistic people such as the MOSS group willing to help others was important when it came to helping solve the housing situation. Mayor Anderson stated it was expensive, people working multiple jobs still could not afford housing in the area. Councilmember Knudsen shared he was President of the MOSS group. Councilmember Weissfeld stated she agreed but referred to individuals connected with the MOSS group had spoken rudely to her. She requested respectful dialogue in the future.

City Administrator Kinley reiterated if the proposed .1% sales tax levy passes in November, it would allow the city to access a sales tax credit to gain approximately \$53,000 to help support rental assistance or low-income housing.

### 7. INFORMATION ITEMS:

**a)** Sheriff's Report - A copy of the Skamania County Sheriff's report for July 2019 was attached for council review.

**b)** Chamber of Commerce Activities - A copy of the Chamber of Commerce Activities report for July 2019 was attached for council review.

**c) Planning Commission Minutes** - Minutes were attached from the 7/8/19 Planning Commission meeting.

**d)** Lakeview Street History - Attached was an email and associated documents describing the history of Lakeview Street.

e) Fire Department Report - A copy of the Fire Department's report for July 2019 was attached for council review.

**f)** Municipal Court Cases Filed - A summary of Stevenson Municipal Court cases recently filed was attached for council's review.

**g)** Affordable Housing Sales Tax Measure - The information sheet regarding the November 2019 ballot measure for a .1% sales tax for affordable housing was attached for review.

### 8. CITY ADMINISTRATOR AND STAFF REPORTS:

a) Ben Shumaker, Community Development Director

Ben Shumaker noted the downtown planning workshop is scheduled for either September 23rd or 25th at 6 p.m. The concepts developed will be presented for

review. He urged the council to attend if possible. So far over 60 residents have taken part and he is pleased with the engagement and data collection. There are more concepts in the works. The downtown plan will help inform the Capital Improvement Program.

Karen Ashley has retired from the Planning Commission so a seat is vacant. Shumaker is recruiting for a new member and only city residents can serve.

On the Loop Road project, council decided not to run a sewer line. Now two property owners came in to ask about sewer hook-ups. To extend the sewer line and fix other items it would cost \$900K, to just run the additional line would cost \$300K.

Karl Russell, Building Inspector/Water System Manager stated there are 23 houses under new construction, 9 in 2019. All but one of the 9 are single family residences. 70 building permits total for 2019. The McCloskey construction has run into neighbor's sewer lines on the property-the lawyers are talking. Shumaker stated that land use expectations and utilities are mismatched. Karl noted that one-off's, single homes and latecomers make it difficult to coordinate utilities and slow construction considerably. Mayor Anderson asked for a cost on installing sewer mains while the Loop Road construction is taking place. Administrator Kinley said she would work on getting the estimate. She reported that increases to water rates next year will be 5% water and 35% for wastewater. Karl expressed concerns that at the same time the rates are rising the Park Plaza appears to be using excessive amounts of water. He asked for water conservation to be stressed.

Shumaker noted that with the last zoning code update the council created new processes for interpretations of a use table. Prior decisions took much longer. He was able to save time by being able to make interpretations regarding zoning changes and that carving out trade, commercial and industrial districts was helpful.

#### b) Leana Kinley, City Administrator

Administrator Kinley reported the City received a water discharge permit for the water treatment plant that is good until 2024.

Kinley reported the new phone system went live on August 22nd, with individual voice mail and an incoming phone tree now available.

The IACC conference registration is open. It will be held in Wenatchee. It is a good place to learn about capital and construction project funding info. A number of staff are planning to attend.

Working on creating draft revised agreements and local agreement amendment for Russell Street project. May require a special council meeting. Public Works is waiting for two more temporary construction easements to come in order to finalize the project for construction. Time sheet process: still on Excel spreadsheets and there are still problems. Nova Time could work for Public Works. It would cost \$4K for timesheet system initially, then \$2K per year. Current costs for staff to spend time moving spreadsheets is \$3,300. Administrator Kinley asked the council if they would approve looking at options. The consensus was yes.

### 9. VOUCHER APPROVAL AND INVESTMENTS UPDATE:

**a)** July 2019 payroll & August 2019 A/P checks have been audited and were presented for approval. July payroll checks 13735 thru 13739 total \$99,772.96 which includes twenty-five EFT payments. A/P Checks 13740 thru 13805 total \$199,696.10 which includes three ACH payments. The A/P Check Register was attached for your review. Detailed claims vouchers will be available for review at the Council meeting. No investment activity in July 2019.

**MOTION** to approve vouchers as presented made by Councilmember Muth with a second by Councilmember Hendricks. The motion passed unanimously.

### **10. MAYOR AND COUNCIL REPORTS:**

Councilmember Knudsen requested that as the next city budget begins to be built could some funds go to homeless shelter and DV shelter. It was suggested to check with WGAP and SCCDVSA regarding their non-profit status.

Mayor Anderson reported the Regional Collaboration meeting between Skamania County cities, school district, Port, PUD, EDC and Commissioners went so well they are suggesting to meet quarterly in order to share info on projects. Councilmember Hendricks asked to be involved.

Skamania County EDC is in the process of hiring a new Executive Director.

## 11. ISSUES FOR THE NEXT MEETING: None reported.

**12. ADJOURNMENT** - Mayor Anderson adjourned the meeting at 8:57 p.m.

Name

Date

Minutes recorded by Johanna Roe

7121 E Loop Road, PO Box 371 Stevenson, Washington 98648

To: Stevenson City CouncilFrom: Leana Kinley, City AdministratorRE: Sewer Plant UpdateMeeting Date: September 19, 2019

#### Executive Summary:

This is an overview of items staff has been working on over the past month in line with the direction council gave to staff.

#### **Overview of Items:**

#### Plant Operations:

Plant contract operator Jacobs has informed the city they will terminate their contract on Dec. 31, 2019 (letter attached). Staff will be working over the coming months to transfer data, line up agreements for biosolids and get additional staff and equipment necessary to operate the plant in order to take over on January 1, 2020.

The plant is performing well and we plan on taking a clarifier offline for inspection and maintenance due to the decrease in loads. This hasn't happened since at least 2017.

The average monthly Influent BOD load has been:

#### <u>2018</u>

- January 675 lbs/day No Effluent Violations
- February 1,793 lbs/day No Effluent Violations
- March 1,099 lbs/day BOD and TSS Effluent Violations
- April 991 lbs/day BOD and TSS Effluent Violations
- May 1,265 lbs/day BOD and TSS Effluent Violations
- June 1,124 lbs/day No Effluent Violations
- July 920 lbs/day Low pH Violation (one day)
- August 1,113 lbs/day No Effluent Violations
- September 1,439 lbs/day Low pH Violation (one day)
- October 1,072 lbs/day No Effluent Violations
- November 1,032 lbs/day No Effluent Violations
- December 807 lbs/day No Effluent Violations

#### <u>2019</u>

- January 776 lbs/day Solids washout from clarifiers on 29<sup>th</sup> and 30<sup>th</sup>, TSS and BOD Effluent Violations
- February 749 lbs/day Solids washout from clarifiers on the 18<sup>th</sup>.

- March 803 lbs/day Solids washout from clarifiers on March 13<sup>th</sup>, TSS Effluent Violation
- April 589 lbs/day Solids washout from clarifiers on April 1<sup>st</sup>
- May 1,067 lbs/day No Effluent Violations
- June 897 lbs/day No Effluent Violations
- July 785 lbs/day No Effluent Violations
- August 833 lbs/day No Effluent Violations

The current permit limit for Influent is 612 lbs/day and the current upgrades in the adopted General Sewer Plan call for a design max monthly BOD loading of 1,611 lbs/day.

#### WWTP Design:

Progress continues to be made on the WWTP design. A draft remodeling of the current lab area to a certifiable lab space was presented and discussed. This may need to be fast-tracked due to the contract changes with Jacobs. Other aspects recently discussed include the Headworks and Blower Building concepts. Everything is on track for an October presentation to council.

#### Funding:

The report for the CERB grant is in process, staff will incorporate the results on the feasibility of the sidestream material disposal.

The city received a Notice of Further Consideration for the its EDA application for lift station improvements and flood protection at the wastewater treatment plant (letter attached). There is a list of Engineering, Environmental and Legal items they need information on by October 12 in order to move forward. The total project amount is \$5,068,000 and 80% would be covered by the grant and the remaining 20% will be covered by a USDA loan that the city is in the process of obtaining.

Staff is responding to questions on the USDA application for the EDA match and obtaining the additional paperwork needed for the loan, which includes a Cultural Resources survey.

#### Compliance:

Staff has discussed a draft amended Administrative Order with Ecology. It will require additional testing and add time to the daily rounds impacting the budget. One item they mentioned possibly adding is a Rate Study. With all the recent changes staff is recommending a rate study whether or not Ecology requires it. There are opportunities for a rate study to be done at no cost to the city through Rural Community Assistance Corporation (RCAC), funded through either USDA or DOE.

#### Action Needed:

None.

September 6, 2019

Mr. Eric Hansen Public Works Director City of Stevenson, Washington PO Box 371 Stevenson, Washington 98648

Subject: Agreement for Operations, Maintenance and Management Services for the City of Stevenson, Washington (the "Agreement") between Operations Management International ("OMI") and the City of Stevenson.

Dear Mr. Hansen:

I am writing to you today regarding the above referenced Agreement, specifically the renewal option set forth in Article 2.1 of the subject Agreement. As you are aware, the current term of this Agreement expires on December 31<sup>st</sup> of this year. After careful evaluation, OMI has determined that it will not be able to renew the Agreement for another 5-year term. We are thankful to the City for being our partner for so many years and we will work with the City to ensure a smooth transition to another contractor effective January 1, 2020.

Please feel free to contact me at 541-386-2432 if you have any questions.

Sincerely, flake

Louie Hooks Project Manager

> In reply refer to: EDA Control No. 113223

September 11, 2019

Ms. Leana Kinley City Administrator City Administrator's Office City of Stevenson 7121 East Loop Road Stevenson, Washington 98648

Dear Ms. Kinley:

The Economic Development Administration (EDA) is pleased to inform you that your application has been reviewed for merit and selected for further consideration. Please, note that this notification of further consideration is intended to inform you of EDA's competitive preliminary selection of your project, but does not guarantee final approval or legally bind EDA to make an award.

Subject to the availability of funds, your proposed project, estimated to cost \$5,068,000 will be considered for \$4,054,400 in EDA funding under the Economic Adjustment program, authorized under section Title II, Section 209 of the Public Works and Economic Development Act of 1965, as amended (42 U.S.C. Section 3121 et seq.).

By acceptance of this letter, you agree to provide all additional information requested below, and any other additional information that may be requested subsequently. You also acknowledge that final approval and the timing of such an approval are subject to EDA's acceptance of all required information and the availability of EDA funding.

Additional Information: Please address the following concerns, providing responses and updated items as necessary to Justin Jones by October 12, 2019:

Engineering:

• Underground conveyance pipes may be in poor condition, allowing for undesirable levels of infiltration. If not mitigated in the future, the municipality could find itself in a similar situation of not being able to handle flow conditions. Please describe the city's 5-10 year plan for this.

Environmental:

- Please provide NWI Map with proposed project clearly marked.
- Please provide FEMA floodplain map with proposed project clearly marked.

- Documentation of Compliance with Section 106 of the National Historic Preservation Act – Submit copies of correspondence exchanged with the State Historic Preservation Officer (SHPO)/THPO.
- Please provide documentation of EDA NEPA Public Notice publication using the attached templates. Please note that the floodplain notice has a 30-day public comment period and the NEPA notice has a 15-day public comment period.
- Please provide USFWS IPaC report.
- Please provide zoning map with proposed project clearly marked.
- Please provide a discussion of construction waste and name of receiving waste facility/facilities.
- Please provide discussion of hazardous and toxic substances relating to construction of proposed project.
- Please provide a copy of the Ecology Administrative Order.
- Please provide capacity vs. demand and discuss whether the proposed project would increase amount of water to the WWTP. If so, how much? Can the WWTP handle the increased load? Will proposed project necessitate changes to WWTP NPDES permit?
  - Please provide a short summary and estimated schedule for the separate projects that are planned to address the wastewater treatment system's capacity to handle waste loads.
- Please discuss whether temporary lane closures will impact traffic patterns.
- Please provide any public comments you have received concerning the proposed project.
- Please confirm whether the proposed project meets the CE requirements under SEPA.

Legal:

- The preliminary engineering report identifies a number of easements and rights of way that will need to be accessed – Please describe the plan for gaining access to the property.
- Provide a copy of the terms for all sources of match funding (one grant and two loans).

The information requested above will supplement your application and enable EDA to continue processing your application. If you cannot meet this deadline, or if you have questions regarding the requested information, please contact Justin Jones at (206) 220-7678 or jjones4@eda.gov.

Sincerely,

A. Leonard Smith Regional Director, Seattle Regional Office

City of Stevenson

Leana Kinley, City Administrator

Phone (509)427-5970 FAX (509) 427-8202 7121 E Loop Road, PO Box 371 Stevenson, Washington 98648

To: City CouncilFrom: Leana Kinley, City AdministratorRE: Pool Metropolitan Parks DistrictMeeting Date: September 19, 2019

#### Executive Summary:

The City adopted Resolution 2019-328 in January to allow the voters in the Stevenson-Carson School District, less North Bonneville, to decide on creating a Metropolitan Park District for the pool. There was a Public Hearing by the Boundary Review Board on August 29<sup>th</sup> where a significant portion of the Stabler/Hemlock community expressed, via petition, to not participate in the district. There were other concerns related to the boundaries and authority of the district brought up which make the rescinding the original proposition and creating a new proposition the best course of action.

#### **Overview of Items:**

Consensus in the Boundary Review Board meeting was the pool is a community asset and should be preserved. Concerns expressed were about the creation of another governing body, the ability of a Metropolitan Park District to expand beyond the limited purpose it was intended (pool only), the ability of the district to raise taxes without a vote of the people, and the ability of the district to condemn or annex land.

In creating a new resolution for a proposition there are options for the council to consider:

- 1. District Boundaries:
  - a. Stevenson City Limits-This would eliminate the need for a Boundary Review Board process and remove a concern of some who feel they live too far from the pool facility to benefit from it. It will be a smaller tax base, resulting in a higher tax rate than the initial \$.19 proposed.
  - b. Stevenson City Limits and Urban Area-This option has been discussed with the county as they would need to adopt a resolution on this district boundary option. There would still need to be a Boundary Review Board process. The tax base would be larger, helping to reduce the initial rate. There may be more opposition within the urban area to the district.
  - c. Other solutions which expand the district outside the Urban Area and would need a resolution from the County and be subject to the Boundary Review Board process.
- 2. How will the Commissioners be selected?
  - a. If the district is only the city limits of Stevenson, the city council can be the park district commissioners as well.
  - b. Commissioners can be voted on, which will increase costs of the district operations but allow for voters to elect the governing body.

- c. Commissioners can also be appointed by the city and county (depending on the district boundaries).
- 3. What is the scope of the district?
  - a. The initial measure for the School District boundaries was limited to the Pool. This option has the broadest support.
  - b. The district can be a parks and pool district. Council discussed at its retreat in 2018 the creation of a parks district for maintaining and improving city parks. If the district were only the city of Stevenson, this option is available. The levy rate would need to be higher than if it were only for running the pool.
- 4. What levy rate will be proposed?
  - a. The maximum levy rate for a Metropolitan Park District is \$.50. This would bring in about \$113k if the boundaries were the city limits and about \$160k if they include the urban area.
  - b. The breakdown of the revenue and expenses is below:

| Pool Financials       |              |              |  |  |  |
|-----------------------|--------------|--------------|--|--|--|
|                       | 17/18        | 18/19        |  |  |  |
| Grants/Partnerships   | 52,162.10    | 76,358.00    |  |  |  |
| School District       | 73,244.63    | 47,992.58    |  |  |  |
| Total Non-Fee Revenue | 125,406.73   | 124,350.58   |  |  |  |
| Fee Revenue           | 78,561.26    | 75,861.42    |  |  |  |
| Expenditures          | (203,967.99) | (200,212.00) |  |  |  |

#### **Action Needed:**

- Bring forward a resolution for a ballot measure creating a park district at the October 17<sup>th</sup> meeting – Yes/No
- What are the boundaries of the district?
  - o Stevenson City Limits
  - Stevenson City Limits and Urban Area
  - Other:
- How will the Commissioners be selected?
  - If Stevenson only-Councilmembers
  - Appointed
  - o Voted
- What is the scope of the district?
  - o Pool Only
  - Parks and Pool
- What levy rate for the district?

#### CITY OF STEVENSON RESOLUTION NO. <u>2019-346</u>

#### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF STEVENSON RESCINDING RESOLUTION 2019-328 CALLING FOR THE CREATION OF A METROPOLITAN PARK DISTRICT

**WHEREAS,** the City Council of the City of Stevenson passed Resolution 2019-328 on January 17, 2019 calling for the creation of a Metropolitan Park District; and

**WHEREAS,** a similar resolution was passed by the Skamania County Board of County Commissioners; and

**WHEREAS**, the Boundary Review Board took initial public comment regarding the boundaries of the district; and

**WHEREAS**, the hearing revealed that there is much confusion regarding the nature of the park district and the rationale for its boundaries; and

**WHEREAS**, we believe the County and the City can make a clearer record of the purpose and limitations of the district as well as the rationale behind the proposed boundaries and ease the burden on the Boundary Review Board; and

**WHEREAS**, rescinding the resolution will allow the Boundary Review Board to review a future proposal that is clearer.

**NOW, THEREFORE**, **BE IT RESOLVED** that the City Council of the City of Stevenson do hereby rescind Resolution 2019-328 and asks the Boundary Review Board to no longer consider the current proposal.

PASSED by the Council of the City of Stevenson this 19<sup>th</sup> day of September, 2019.

Mayor of the City of Stevenson

ATTEST:

APPROVED AS TO FORM:

Clerk of the City of Stevenson

Kenneth B. Woodrich, PC City Attorney

# MEMORANDUM

| То:      | Clark Worth – Barney & Worth, Inc.        |
|----------|---|
| From:    | Eric Hovee                                |
| Subject: | Gladstone & Clackamas County Demographics |
| Date:    | March 26, 2019                            |

On behalf of Barney & Worth, Inc., the economic and development consulting firm E. D. Hovee & Company, LLC has prepared this overview report to profile demographic characteristics for residents and households in the City of Gladstone with comparisons to Clackamas County and the entire state of Oregon. Also included is PRIZM household segmentation data for Gladstone.

# **INFORMATION SOURCES**

Data for this report is derived from the proprietary data firm Environics which has acquired and now provides geographically customized national demographic data previously available primarily from Nielsen/Claritas. A few notes regarding the data:

- Information is estimated as of 2019 using 2000/10 Census plus American Community Survey data together with 5-year Environics/Claritas 2024 forecasts for some indicators. Data is provided for three geographies – residents within the City of Gladstone as compared with all residents of Clackamas County and for the state of Oregon.
- Psychographic groupings are based on PRIZM household segmentation with 68 groupings defined nationwide. PRIZM is the household segmentation system, described by Claritas as means to reveal consumer preferences that "combines demographic, consumer behavior, and geographic data to help marketers identify, understand and reach their customers and prospects."

Specifically noted with this report is that the most current demographic estimates of Environics are as of 2019. The official repository for population estimates in Oregon – the PSU Center for Population Research and Census – will not have published 2019 estimates available until Spring 2020.

The appendix to this memo report illustrates the boundaries of the Gladstone study area considered – together with detailed tabular information as obtained from Environics/Claritas.

# **DEMOGRAPHIC OBSERVATIONS**

What follows is an overview of preliminary observations drawn from this analysis.

# **Summary Population & Household Trends**

With the first table in the Appendix, summary information is provided for U.S. Census population, household, and family household information as per the 2000/2010 censuses together with an Environics/Claritas estimate for 2019 and a projection for 2014 – looking five years ahead:

- As of 2019, population of Gladstone is estimated at 12,273 residents equating to a less than 3% share of Clackamas County's total population of just over 421,800 – and to 0.3% of statewide population of approximately 4.5 million.
- From 2000-10, Gladstone's population increased by less than 2% well below the population growth factors of 11-12% experienced county- and state-wide. In the first 9 years of the current decade (of 2010-19), Gladstone's growth rate has picked up with in city population increasing by close to 7% better than half the 12% growth experienced by Clackamas County and the 10% increase for all of Oregon.
- Looking ahead, **Environics projects** that Gladstone's population growth will close to only about 1% point below the 6% increases projected county- and state-wide through 2024.
- As is the case throughout much of the U.S., household growth has outpaced population growth – due to shrinkage of the average number of persons per household. The disparity between household and population growth was particularly pronounced for Gladstone from 2000-2010, less so since 2010 – but still more so than for the county or state.

# **Population Characteristics**

- **Racial composition** of Gladstone's population is fairly similar to that of Clackamas County – but diverges from statewide characteristics. Close to 88% of Gladstone's population is white alone as compared to less than 86% county- and 81% state-wide. One noted difference is with the Asian alone segment of the population, estimated at less than 2% of Gladstone residents versus 4-5% county- and state-wide.
- The proportion of the population that is **Hispanic or Latino** is just under 9% both in-city and county-wide, below the state-wide proportion of 13%.
- In terms of ancestry, the top three ancestry groupings for Gladstone are German, English and Italian heritage – totaling about 29% of residents in-city as compared with 27% for Clackamas County and 23% for Oregon.
- At 89%, the proportion of residents that **speak English-only** at home is close to 90%, slightly above the 88% figure county-wide and the state-wide proportion of 85%.
- **Gender balance** is approximately 51/49 (female/male) in-city and county-wide, both with slightly higher proportions of women than for the entire state.

• At 41.8 years, **median age** of Gladstone residents is only modestly below the 42.0 median age figure county-wide but above the state-wide median of 39.9 years. Gladstone has a slightly above average share of young adults age 25-44 than is the case for the county but is slightly below the state. The proportion of Gladstone residents who are older adults age 75+ exceeds both state and county figures (but at a relatively small share of the overall population).

# **Education & Affluence**

- Educational attainment of Gladstone's adult population (25 years of age and older) is below that of the entire county and state. Over 35% of Gladstone adults have only a high school education or less, as compared with 28% of adults county- and 33% statewide. The difference is especially pronounced in terms of higher education with less than 23% of Gladstone residents having a bachelor's degree or better versus 36% of adults county-wide and 32% statewide. However, a sizable 42% of in-city adults have some college or an associate's degree.
- In-city, a relatively high 47% of **Hispanic/Latino adults** have no formal education beyond high school; the figure is also fairly high at 45% county-wide and considerably higher at 62% for all of Oregon.
- At \$66,455 per year, median household income is of Gladstone households is 18% below the comparable Clackamas County median of \$80,945 but above at 106% of the state-wide median of \$62,774. Gladstone incomes appear less favorable when calculated in terms of average incomes averaging just under \$83,500 in Gladstone, 24% below the county-wide average of close to \$109,500 and 4% below the state-wide average of \$86,845. A smaller proportion of Gladstone households have income \$150,000 or more than is the case for Clackamas County or Oregon which improves the county- and state-wide averages.
- When considered in terms of **race or ethnicity**, Asian households in Gladstone have incomes that are about 27% above those of white-alone households. By comparison, Latino/Hispanic incomes are 24% below, Black/African-American incomes are 30% below, and Native American incomes are 33% below those of white residents. Income disparities are also substantial on a state-wide though less so on a county-wide basis.
- At close to 9% of all Gladstone families, **poverty rates** are higher than the less than 6% poverty rate for all families county-wide but similar to the statewide figure of 9-10%.

# Household Demographics

- Of residents age 15 and over, a relatively low 43% in-city are **married with spouse present** as compared with 52% county- and 46% state-wide. Compared to the county and state, Gladstone has above average rates of its population that are never married, widowed, or divorced – both for males and females.
- Non-family households account for 34% of all households in Gladstone, above the 31% share of Clackamas County but below the statewide proportion of 37%.
- Gladstone households are slightly less likely to have **their own children** as part of the household than is the case county- or state-wide. The difference is most pronounced for

married couple families that have their own children – comprising 27% of households in Gladstone versus 32% of households county- and 30% state-wide.

- At 2.45 residents per household, **average household size** is somewhat below the Clackamas County figure of 2.53 and about the same as the state (2.44).
- Considerable additional data is available as to the characteristics of households with or without children **under the age of 18**. Of households *with* children under 18, about 62% in Gladstone 72% in Clackamas County, and 66% across Oregon are living in a household with a married couple. Of households *without* children, 41% in Gladstone are comprised of married couple families similar to the state but below the 46% figure county-wide.
- Considerable information is also provided regarding vehicle ownership and transportation patterns of residents who commute to work. On average, Gladstone households own 2.0 vehicles and commute about 30 minutes to work – with fewer vehicles and shorter commutes than county-wide but more than occurs state-wide. While public transit use is somewhat greater, about 81% of Gladstone residents who work drive alone as compared with 75% of Clackamas County and 72% of Oregon residents who are employed. In addition to transit, other means of getting to work are carpooling, public transit, bicycling, and working at home – all of which are less prevalent in-city than county- or state-wide.

# **Housing Characteristics**

- Close to 70% of all housing units in Gladstone consist of **single family detached** units as compared to a slightly lower figure of 68% for all housing throughout Clackamas County and an even lower 63% share for the entire state. Gladstone residents are more likely than their county-wide counterparts to live in 2-3-4 plex units and less likely to live in single-family detached, or apartments of 5+ units than their counterparts county- or state-wide.
- Age of housing is older in-city than county- or state-wide. The median housing structure in Gladstone was built in 1975 11 years earlier than the median housing unit in Clackamas County and six years before the median unit across Oregon. In large part, this is due to below average rates of population growth since 2000.
- Just under 62% of Gladstone households are **homeowners** a figure that is comparable to the state but below the county-wide homeownership rate of 69%.
- At just over \$303,300, the median value of all owner-occupied housing in Gladstone is 28% below the Clackamas County **median home value** of \$419,900 but only 4% below the state-wide median of \$316,300.

# **Employment & Occupation**

• Approximately 64% of all persons age 16 and over – both in Gladstone and Clackamas County – are in the **labor force**, both above the state-wide labor force participation rate of 62%. However, at 4.3%, the unemployment rate is greater for in-city residents than the 2.9% rate estimated for all county residents and 3.9% rate for the entire state.

- While the majority of employment today consists of **white-collar jobs**, nearly 44% of Gladstone residents who are employed work at blue collar or service (including farming) jobs as compared with 36% of resident workers county-wide and 39% state-wide.
- Depending on the geography, about two-thirds (66-68%) of workers are employed **by private-sector, for profit businesses**. Compared to the county or state, Gladstone residents are more likely to be employed in the private non-profit sector and less likely to work for government or be self-employed.
- When considered by **occupation**, Gladstone residents who are employed are more likely than their counterparts county- or state-wide to work in occupations of building/grounds maintenance, construction, food preparation/serving, health care support, installation and repair, life/physical/health science, office/administrative support, production, personal care/service and transportation/moving. Taken together, these occupations account for 61% of the jobs of Gladstone residents as compared with 47% of the jobs of all working residents county-wide and 49% of jobs state-wide.

# **Summary Demographic Notes**

To summarize, this review of demographics of Gladstone and all of Clackamas County indicates that:

- Gladstone has been a **comparatively slow growing** community since 2000, but the pace of growth is now beginning to pick up relative to the rest of the county and state.
- Gladstone is remarkably **similar** to the rest of the county in terms of such characteristics as race, ethnicity, ancestry and age of population less similar to the state.
- The community **differs from the rest of the county** when it comes to characteristics related to education, affluence, housing and employment. Residents of Gladstone are more likely than their counterparts county-wide to be renters, live in older and lower value housing, work at blue collar or service jobs and drive alone to work. In-city residents are less likely to be as well educated, affluent, or live in traditional family arrangements as the full population of Clackamas County.
- On some key metrics, Gladstone is more **similar to the entire state of Oregon** than to the county in which it is located. Examples include levels of educational attainment, household incomes, poverty rates, and household characteristics including household size, rates of home-ownership and value of housing.

# **PRIZM SEGMENTATION**

Out of 68 PRIZM household and lifemode segments defined nationwide by Claritas, Gladstone has representation in 26. Fully 21 of these segments have much stronger representation in Gladstone than is the case throughout Oregon. The #1 Gladstone segment (termed by Environics as "Home Sweet Home") comprises 9-10 times the share of households in Gladstone as occurs statewide.

The *top 6* segments account for over 50 % of Gladstone area households as compared with less than 10% of all households statewide. These *top 6* Gladstone segments are termed by Claritas as:

- Home Sweet Home (#26 segment) accounting for more than 11% of Gladstone households are described by Claritas as upper mid(scale), middle age households without children. Widely scattered across the nation's suburbs and second cities, the residents of Home Sweet Home tend to be younger, midscale families living in mid-sized homes. The adults in the segment, mostly under 55, have gone to college and hold professional and white-collar jobs. These folks stay busy remodeling and improving their homes, enjoy the occasional night out singing karaoke, and follow professional sports.
- **Toolbelt Traditionalists** (#36) covering just under 11% of Gladstone households described as upper mid(scale), older and mostly without kids. If something needs to be fixed, they are likely to do the work themselves with their own power tools or paint. They enjoy the benefits of AARP and are frequent QVC and HSN shoppers.
- **Cruisin' to Retirement** (#12) @ 10% of Gladstone households -- described as upscale, older, and mostly without kids. With their children mostly grown and out of the house, these older couples are Cruisin' to Retirement. They remain in the neighborhoods where they raised their families, enjoying the suburban lifestyle. They vacation often, watch golf on television, and listen to talk radio.
- Pools & Patios (#30) @ 7-8% of Gladstone households -- are upper mid(scale), younger, mostly with children. Pools & Patios represents one segment of middle-aged suburban families. In these stable neighborhoods graced with backyard pools and patios, residents work as white-collar managers and professionals, and are now at the top of their careers. They are above average technology users, often researching products and shopping online.
- Metro Grads (#50) @ 5-6% of Gladstone households are lower mid(scale), middle age and mostly without children. Metro Grads are middle age singles and couples still establishing themselves in their careers and their lives. They are settled in suburban areas and second cities but are often out and about, attending everything from soccer and hockey games to operas.
- Empty Nests (#20) @ just over 5% of Gladstone households are upper mid(scale), mature and without kids. With their grown-up children out of the house, Empty Nests is composed of upper-middle income older Americans who pursue active, and activist, lifestyles. Most residents are over 65 years old, but they show no interest in a rest-home retirement. They travel frequently, enjoy golf, and many are active in their country clubs or fraternal groups.

For added detail regarding detailed characteristics including Income Producing Assets (IPA) associated with each segment, see separate spreadsheet provided – labelled: Claritas PRIZM <sup>®</sup> Premier Master Demographic Spreadsheet 2018.

#### Low Income Affordability Program

- Base rates for water and stormwater sanitary sewer service discounted 50% for qualifying households. (Water use above the six unit minimum is charged at the full retail rate.)
- Qualifying limit set at 185% of current poverty guidelines; updated annually July 1 (USDHHS).
- Limits apply to one-person and two-person households (for all families).
- Customer must reapply each year by June 30.
- Current program use (April 2019): 121 households (109 from one mobile home park).
- Current program cost: \$??

## PROFESSIONAL SERVICES CONTRACT AMENDMENT #1

THIS CONTRACT AMENDMENT #1(the "Amendment") to the PROFESSIONAL SERVICES CONTRACT effective as of April 18, 2019 (the "Agreement") is made and entered into this 19<sup>th</sup> day of September, **2019**, by and between CITY OF STEVENSON, a municipal corporation of the State of Washington, and hereinafter referred to as "CITY," and **Wallis Engineering, PLLC**, hereinafter referred to as the "Contractor."

NOW THEREFORE, CITY and Contractor agree to amend the Agreement as follows:

- 1. Contractor will perform additional services as set forth in the attached Exhibit "A1." Contractor shall make oral reports, and prepare and submit written reports, in such form and frequency as required by CITY.
- 2. Contractor shall be paid by CITY, for the additional work to be performed hereunder, as set forth in the attached Exhibit "A1" and Exhibit "B1." Any payment made to Contractor, however, shall not constitute acceptance of the work, or any portion thereof, which is not in accordance with this contract amendment.
- 3. The Contract shall be extended until December 31, 2021.

This Amendment together with the Agreement constitutes the entire agreement between the Parties and supersedes all prior oral and written understandings with respect to the subject matter set forth herein. Unless specifically stated, all other terms and conditions of the agreement shall remain in full force and effect. Neither this Amendment nor the Agreement may be modified except in writing signed by an authorized representative of the Parties.

The Parties, intending to be legally bound, indicate their approval of the Amendment by their signatures below.

[Signatures appear on next page]

Professional Services Contract Amendment #1 Page 1 of 2 IN WITNESS WHEREOF, the parties have executed this contract at Stevenson, Washington, this \_\_\_\_\_day of \_\_\_\_\_\_.

#### EXHIBIT A1: SCOPE OF WORK AMENDMENT NO. 1

#### **City of Stevenson | WWTP Improvements**

September 2019 | WE #1477A

## PROJECT BACKGROUND

The City of Stevenson Wastewater Treatment Plant (WWTP) is in need of upgrades to replace deficient equipment and provide additional capacity. These upgrades have been identified in the City's 2017 General Sewer Plan and Wastewater Facilities Plan Update (GSP/FP), which was recently amended. The GSP/FP described a phased expansion of the WWTP, with Phase 1 including the following improvements:

- New headworks
- New aeration basin
- Disinfection upgrades
- Solids handling upgrades
- Support facility upgrades: standby generator and improvements to electrical, controls, instrumentation, and SCADA
- New laboratory and operations building
- Flood protection measures

Wallis Engineering is currently providing preliminary design services for these improvements under the prime agreement for this project.

## SUPPLEMENTAL SCOPE OF WORK NO. 1

This supplemental agreement is for additional services requested by the City in order to support permitting and funding requirements.

The City is currently applying for grant and loan funds from the US Department of Commerce and the US Department of Agriculture (USDA). USDA has requested completion of a cultural resources study and report prior to funding agreement completion. This work would typically be completed during final design, but preliminary design is advanced to a sufficient level to begin this permitting effort.

Also, the City would like to ascertain affordability with respect to raising their sewer rates – a necessary action to pay for improvements to the treatment plant and collection system. Current income survey information indicates a large portion of the population with lower incomes, but does not provide additional affordability information necessary to inform rate adjustment. Detailed demographic data is available through Barney and Worth that can provide this affordability information. This data has been obtained by other cities in order to help them adjust their sewer rates fairly, and may also be used to assist in obtaining funding by demonstration of hardship.

## TASK 1 PROJECT MANAGEMENT AND ADMINISTRATION (SUPPLEMENTED)

#### Task 1.5 Demographic Analysis (New Subtask)

Barney and Worth will complete a demographic analysis for the City of Stevenson. This analysis will result in detailed income and affordability data for every resident in the City, which can be used to inform sewer rate adjustment and assist in funding procurement.

#### Task 1 Assumption:

• This task would take approximately three weeks to complete

#### Task 1 Deliverables:

• Demographic data for all residents within the City of Stevenson

## TASK 7 PERMITTING (NEW TASK)

#### 7.1 Cultural Resources Survey and Report

Archaeological Investigations Northwest (AINW) will complete a cultural resources study of the City's proposed wastewater system improvements, including upgrades of the wastewater treatment plant, Cascade Avenue pump station, Kanaka Creek pump station, Fairgrounds pump station, Rock Creek pump station, and Cascade interceptor pipeline. The size of the Area of Potential Effects (APE) totals approximately 8 acres. The cultural resources survey will comply with the requirements of Section 106 of the National Historic Preservation Act of 1966 (as amended) and its implementing regulations (36CFR800), and the Washington State Department of Archaeology and Historic Preservation (DAHP) standards. The survey will include a pedestrian survey of the APE and up to ten (10) shovel tests. AINW will complete Historic Property Inventory (HPI) forms for the historic-period resources. AINW will prepare a cultural resources technical report. Wallis Engineering will provide coordination and background to AINW for use in completing their work.

#### Task 7 Assumption:

- There are no archaeological resources within the APE
- Historic resources will not be eligible for listing to the National Register of Historic Places

#### Task 7 Deliverables:

• Cultural Resources Technical Report

#### **EXHIBIT B**

#### **RATE SCHEDULE**

Rates are effective thru December 31, 2019

| <u>Staff</u>     | Hourly Rate |
|------------------|-------------|
| Senior Engineer  | \$187.00    |
| Engineer 1       | \$171.00    |
| Engineer 2       | \$159.00    |
| Engineer 3       | \$136.00    |
| Engineer 4       | \$119.00    |
| Engineer 5       | \$102.00    |
| Engineer 6       | \$92.00     |
| Senior Designer  | \$131.00    |
| Inspector        | \$99.00     |
| Technician 1     | \$104.00    |
| Technical Writer | \$95.00     |
| Clerical 1       | \$80.00     |

These hourly rates include in-house office expenses, photocopying, and other incidental items. Mileage will be reimbursed at the current standard IRS rate. Outside expenses will be billed at cost plus 10%.

#### VI. Payment and Partial Reimbursement

The total cost of the project, including all review and engineering costs and other expenses of the State, is to be paid by the Agency and by the Federal Government. Federal funding shall be in accordance with the Federal Transportation Act, as amended, 2 CFR Part 200. The State shall not be ultimately responsible for any of the costs of the project. The Agency shall be ultimately responsible for all costs associated with the project which are not reimbursed by the Federal Government. Nothing in this agreement shall be construed as a promise by the State as to the amount or nature of federal participation in this project.

The Agency shall bill the state for federal aid project costs incurred in conformity with applicable federal and state laws. The agency shall minimize the time elapsed between receipt of federal aid funds and subsequent payment of incurred costs. Expenditures by the Local Agency for maintenance, general administration, supervision, and other overhead shall not be eligible for federal participation unless a current indirect cost plan has been prepared in accordance with the regulations outlined in 2 CFR Part 200 - Uniform Admin. Requirements, Cost Principles and Audit Requirements for Federal Awards, and retained for audit.

The State will pay for State incurred costs on the project. Following payment, the State shall bill the Federal Government for reimbursement of those costs eligible for federal participation to the extent that such costs are attributable and properly allocable to this project. The State shall bill the Agency for that portion of State costs which were not reimbursed by the Federal Government (see Section IX).

#### VII. Audit of Federal Consultant Contracts

The Agency, if services of a consultant are required, shall be responsible for audit of the consultant's records to determine eligible federal aid costs on the project. The report of said audit shall be in the Agency's files and made available to the State and the Federal Government.

An audit shall be conducted by the WSDOT Internal Audit Office in accordance with generally accepted governmental auditing standards as issued by the United States General Accounting Office by the Comptroller General of the United States; WSDOT Manual M 27-50, Consultant Authorization, Selection, and Agreement Administration; memoranda of understanding between WSDOT and FHWA; and 2 CFR Part 200.501 - Audit Requirements.

If upon audit it is found that overpayment or participation of federal money in ineligible items of cost has occurred, the Agency shall reimburse the State for the amount of such overpayment or excess participation.

#### **IX. Payment of Billing**

The Agency agrees that if payment or arrangement for payment of any of the State's billing relative to the project (e.g., State force work, project cancellation, overpayment, cost ineligible for federal participation, etc.) is not made to the State within 45 days after the Agency has been billed, the State shall effect reimbursement of the total sum due from the regular monthly fuel tax allotments to the Agency from the Motor Vehicle Fund. No additional Federal project funding will be approved until full payment is received unless otherwise directed by the Director, Local Programs.

Project Agreement End Date - This date is based on your projects Period of Performance (2 CFR Part 200.309). Any costs incurred after the Project Agreement End Date are NOT eligible for federal reimbursement. All eligible costs incurred prior to the Project Agreement End Date must be submitted for reimbursement within 90 days after the Project Agreement End Date or they become ineligible for federal reimbursement.

#### VIII. Single Audit Act

The Agency, as a subrecipient of federal funds, shall adhere to the federal regulations outlined in 2 CFR Part 200.501 as well as all applicable federal and state statutes and regulations. A subrecipient who expends \$750,000 or more in federal awards from all sources during a given fiscal year shall have a single or program-specific audit performed for that year in accordance with the provisions of 2 CFR Part 200.501. Upon conclusion of the audit, the Agency shall be responsible for ensuring that a copy of the report is transmitted promptly to the State.

#### XVII. Assurances

Local Agencies receiving Federal funding from the USDOT or its operating administrations (i.e., Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration) are required to submit a written policy statement, signed by the Agency Executive and addressed to the State, documenting that all programs, activities and services will be conducted in compliance with Section 504 and the Americans with Disabilities Act (ADA).

#### EXHIBIT A3: SCOPE OF WORK City of Stevenson | Russell Avenue Improvements

September 2019 | WE#1465A

## **GENERAL SCOPE OF PROJECT**

This project consists of providing design services for Russell Avenue Improvements Project. The project will reconstruct Russell Avenue, enhance the aesthetic appeal of the corridor by matching themes from adjacent improvements on 2nd Street and Cascade Avenue, and improve the safety and operational characteristics of the corridor between 2nd Street and the BNSF rail line. Improvements will include replacement of existing sidewalks and pavement, bulb-outs at the 1st Street intersection, installation of aesthetic amenities matching adjacent improvements, new decorative street lighting, replacing approximately 140 linear feet of asbestos cement waterline, installation of drainage improvements, and undergrounding of existing overhead utilities as necessary to accomplish the goals of the project.

- Supplement No.1: Execution of the Prime Agreement was expedited in an effort to begin conceptual design and prepare conceptual graphic renderings of the proposed improvements to support City outreach events. As such, the tasks included in the Prime agreement are limited to project management, NEPA coordination, topographic survey, and conceptual design efforts, but does not include design, preparation of PS&E documents, cultural resource investigations, right-of-way acquisition, or construction support. Supplement No. 1 amends existing tasks and creates new tasks necessary to deliver the design and construction documents for the project. Construction support services will be contracted under a future contract supplement.
- Supplement No. 2: During design development, final Right of Way acquisition needs were identified that differ from the original scope of work. Additional Right of Way files will be required to obtain approval from WSDOT Local Programs. This supplement will also include legal descriptions of all required Right-of-Way acquisition which was previously omitted and additional graphic preparation to support public outreach efforts.

#### SUPPLEMENTAL NO. 3 SCOPE OF WORK

This supplement includes the additional design efforts needed to revise the design to include a 10-footwide sidewalk instead of an 8-foot-wide sidewalk.

## **CONTRACT DURATION**

Contract term is unaffected by this supplemental scope of work.

## SPECIFIC SCOPE OF WORK

## TASK 7 PLANS, SPECIFICATIONS AND ESTIMATES (TASK SUPPLEMENTED)

Objective: To prepare contract documents and opinions of cost at 60%, 90% and Final submittal stages.

**7.3 90% PS&E Submittal (Subtask Supplemented).** Wallis will update the 60% plans to include 10-foot-wide sidewalks and include cut-outs for future street trees. The vertical design of the curb lines will be amended based on the revised sidewalk width and all generated plan sheets will include the revised geometry.

#### RESOLUTION No. 2019-345

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF STEVENSON DECLARING THE INTENT OF THE CITY COUNCIL TO ADOPT LEGISLATION TO AUTHORIZE A SALES AND USE TAX FOR AFFORDABLE AND SUPPORTIVE HOUSING IN ACCORDANCE WITH SUBSTITUTE HOUSE BILL 1406 (CHAPTER 338, LAWS OF 2019), AND OTHER MATTERS RELATED THERETO.

WHEREAS, in the 2019 Regular Session, the Washington State Legislature approved, and the Governor signed, Substitute House Bill 1406 (Chapter 338, Laws of 2019) ("SHB 1406"); and

WHEREAS, SHB 1406 authorizes the governing body of a city or county to impose a local sales and use tax for the acquisition, construction or rehabilitation of affordable housing or facilities providing supportive housing, and for the operations and maintenance costs of affordable or supportive housing; and

WHEREAS, the tax will be credited against state sales taxes collected within the City and, therefore, will not result in higher sales and use taxes within the City and will represent an additional source of funding to address housing needs in the City; and

WHEREAS, the tax must be used to assist persons whose income is at or below sixty percent of the City median income; and

WHEREAS, the City has a lack of available affordable housing and has determined that imposing the sales and use tax to address this need will benefit its citizens; and

WHEREAS, in order for a city or county to impose the tax, within six months of the effective date of SHB 1406, or January 28, 2020, the governing body must adopt a resolution of intent to authorize the maximum capacity of the tax, and within twelve months of the effective date of SHB 1406, or July 28, 2020, must adopt legislation to authorize the maximum capacity of the tax; and

WHEREAS, this resolution constitutes the resolution of intent required by SHB 1406; and

WHEREAS, the City Council now desires to declare its intent to impose a local sales and use tax as authorized by SHB 1406 as set forth herein;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STEVENSON AS FOLLOWS:

<u>Section 1</u>. <u>Resolution of Intent</u>. The City Council declares its intent to adopt legislation to authorize the maximum capacity of the sales and use tax authorized by SHB 1406 within one year of the effective date of SHB 1406, or by July 28, 2020.

<u>Section 2</u>. <u>Further Authority; Ratification</u>. All City officials, their agents, and representatives are hereby authorized and directed to undertake all action necessary or desirable from time to time to carry out the terms of, and complete the actions contemplated by, this resolution. All acts taken pursuant to the authority of this resolution but prior to its effective date are hereby ratified.

<u>Section 3.</u> <u>Effective Date</u>. This resolution shall take effect immediately upon its passage and adoption by the City Council as provided by law.

PASSED by the Council of the City of Stevenson this 19<sup>th</sup> day of September, 2019.

Mayor of the City of Stevenson

ATTEST:

APPROVED AS TO FORM:

Clerk of the City of Stevenson

Kenneth B. Woodrich, PC City Attorney

#### ORDINANCE NO. 2019-1146

#### AN ORDINANCE OF THE CITY OF STEVENSON, WASHINGTON REGULATING CAMPING IN THE CITY, AND PROVIDING FOR ENFORCEMENT, SEVERABILITY AND AN EFFECTIVE DATE

**WHEREAS**, the City of Stevenson considers the life, health and safety of its residents to be paramount, and

**WHEREAS,** the Council finds people camping on public property and on public right of ways create a public health and safety hazard due to the lack of proper electrical and/or sanitary facilities for these people. People without proper sanitary facilities have openly urinated, defecated, and littered on public property on the public right of ways. Use of public property for camping purposes or storage of personal property interferes with the rights of others to use the areas for which they were intended, and

**WHEREAS**, the City further understands the need for sleep and shelter for its residents, so adequate facilities for that purpose are a priority for the Council.

# NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF STEVENSON DO HEREBY ORDAIN AS FOLLOWS:

#### Section I- [Adoption]

The provisions set forth on Exhibit "A", attached hereto and fully incorporated herein by this reference, shall be added to the Stevenson Municipal Code as Chapter 9.68 and the chapter shall be renamed "Camping in Public Places".

#### Section II – Severability

That if any clause, section, or other part of this Ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

#### Section III - Effective Date and Expiration

This ordinance is designated as a public emergency ordinance necessary to protect public health and safety, public property, or the public peace and shall become effective immediately after adoption by not fewer than a majority plus one of the whole Council.

PASSED by the City Council of the City of Stevenson at a regular meeting this 19<sup>th</sup> day of September, 2019.

Scott Anderson, Mayor

#### Section 9.68.010 Findings.

People camping on public property and on public right of ways create a public health and safety hazard due to the lack of proper electrical and/or sanitary facilities for these people. People without proper sanitary facilities have openly urinated, defecated, and littered on public property and on the public right of ways. Use of public property for camping purposes or storage of personal property interferes with the rights of others to use the areas for which they were intended.

#### Section 9.68.020 Purpose.

It is the purpose of this ordinance to prevent harm to the health or safety of the public and to promote the public health, safety and general welfare by making public streets and other areas readily accessible to the public and to prevent use of public property for camping purposes or storage of personal property which interferes with the rights of others to use the areas for which they were intended.

#### Section 9.68.030 Definitions.

The following definitions are applicable in this chapter unless the context otherwise requires:

"Camp" or" camping" means to pitch, create, use, or occupy camp facilities for the purposes of sleeping or habitation as evidenced by the use of camp paraphernalia.

"Camp facilities" include, but are not limited to, tents, huts, temporary shelters, or vehicles.

"Camp paraphernalia" includes, but is not limited to, tarpaulins, cots, beds, sleeping bags, blankets, mattresses, hammocks, or non-city designated cooking facilities and similar equipment.

"Park" means areas of land, with or without water, developed and used for public recreational purposes, including landscaped tracts, picnic grounds, playgrounds, athletic fields, camps, foot, bicycle and bridle paths, motor vehicle drives, wildlife sanctuaries, museums, zoological

and botanical gardens, facilities for bathing, boating, hunting and fishing, as well as other recreational facilities for the use and benefit of the public

"Store" means to put aside or accumulate for use when needed, to put for safekeeping, to place or leave in a location.

"Street" means any highway, lane, road, street, right of way, boulevard, alley, and every way or place in the City of Stevenson that is publicly owned or maintained for public vehicular travel.

"Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a highway including devices used exclusively upon stationary rails or tracks.

#### Section 9.68.040 Unlawful camping.

A. During all hours in any park and during the hours of 6:30 a.m. to 9:30 p.m. in the following areas, it shall be unlawful for any person to camp, occupy camp facilities for purposes of habitation, or use camp paraphernalia, except as otherwise provided by ordinance or as permitted pursuant to Section 9.68.070;

1. On city-owned or city-maintained property, including, without limitation, City Hall, City Public Works buildings, Fire Station, Utility Facilities and surrounding grounds;

2. any street; or

3. any publicly owned or maintained parking lot or other publicly owned or maintained area, improved or unimproved excluding the Skamania County Fairgrounds camping area.

B. During all hours in any park and during the hours of 6:30 a.m. to 9:30 p.m. in the following areas, it shall be unlawful for any person to occupy a vehicle for the purpose of camping while that vehicle is parked, except as otherwise provided by ordinance or as permitted pursuant to Section 9.68.070;

1. any street; or

2. any publicly owned or maintained parking lot or other publicly owned or maintained area, improved or unimproved excluding the Skamania County Fairgrounds camping area.

#### Section 9.68.050 Unlawful storage of personal property in public places.

During all hours in any park and during the hours of 6:30 a.m. to 9:30 p.m. in the following areas, it shall be unlawful for any person to store personal property, including camp facilities (other than vehicles) and camp paraphernalia, except as otherwise provided by ordinance or as permitted pursuant to Section 9.68.070:

- 1. On city-owned or city-maintained property, including, without limitation, City Hall, City Public Works buildings, Fire Station, Utility Facilities and surrounding grounds;
- 2. any street; or

3. any publicly owned or maintained parking lot or publicly owned or maintained area, improved or unimproved excluding the Skamania County Fairgrounds camping area.

#### Section 9.68.060 Penalty for violations.

Violation of any of the provisions of this chapter is a misdemeanor. Any person violating any of the provisions of this chapter shall, upon conviction of such violation, be punished by a fine of not more than one thousand dollars or by imprisonment not to exceed ninety days, or by both such fine and imprisonment.

#### Section 9.68.070 Permit.

A. The City Administrator, or his/her designee, is authorized to permit persons to camp, occupy camp facilities, use camp paraphernalia, or store personal property in parks, streets, or any publicly owned parking lot or publicly owned area, improved or unimproved, in the city of Stevenson.

B. Upon receipt of an application for any permit under this chapter, the City Administrator, or his/her designee, shall send a copy of the application to the city departments of public works, community development, and fire. Each of these departments shall inspect the application and each such department shall report to the City Administrator, or his/her designee, within ten working days after the filing of the application. Such reports shall mention any problems which the proposed activity is expected to pose for the public. It shall make any necessary recommendations for protecting the public peace, health, safety, life, property, and welfare in the event a permit is, or was, issued.

C. The City Administrator, or his/her designee, is authorized to promulgate other rules and regulations regarding the implementation and enforcement of this ordinance.

D. The City Administrator, or his/her designee, may approve a permit as provided under this section when, from a consideration of the application, reports from other city departments, and from such other information as may otherwise be obtained, he or she finds that:

1. Adequate sanitary facilities are provided and accessible at or near the proposed camp site;

2. Adequate trash receptacles and trash collection are provided; and

3. The camping activity will not unreasonably disturb or interfere with the safety, peace, comfort and repose of private property owners or of the public.

E. No permit shall be issued for a period of time in excess of fourteen (14) calendar days in any one calendar year.

F. The City Administrator, or his/her designee, is authorized to revoke a permit that has been issued if he or she finds lack of compliance with any requirement of subsection D, above, or of any rule or regulation promulgated under subsection C, above, or of any ordinance or statute.

G. Any person who is denied a permit, or had his/her permit revoked, may appeal the denial/revocation to a hearings examiner appointed by the City Administrator, or his/her designee. Notice of appeal must be in writing, and filed with the City Clerk within seven (7) working days from the date of the denial.

#### Section 9.68.080 Public duty created.

A. It is expressly the purpose of this ordinance to provide for and promote the health, safety and welfare of the general public and not to create or otherwise establish or designate any particular class or group of persons or individual who will or should be especially protected or benefited by the terms of this ordinance.

B. Nothing contained in this ordinance is intended nor shall be construed to create or form the basis of any liability on the part of the City, or its officers, employees or agents, for any injury or damage resulting from any action or inaction on the part of the City related in any manner to the enforcement of this ordinance by its officers, employees or agents.

#### **ORDINANCE NO. 2019-1147**

# AN ORDINANCE OF THE CITY OF STEVENSON, WASHINGTON ADDING THE GENERAL RESERVE AND FIRE RESERVE FUNDS TO THE FUND STRUCTURE

**WHEREAS**, the City of Stevenson is committed to ensuring the financial health of the city; and

**WHEREAS,** the Council finds the need to restrict monies from the recent timber harvesting of the city's watershed to specific uses; and

**WHEREAS**, the City further understands the need for a general reserve restricted to use for short term loans of five (5) years or less to cover urgent or emergency needs.

# NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF STEVENSON DO HEREBY ORDAIN AS FOLLOWS:

#### Section I- Adoption

The provisions set forth on Exhibit "A", attached hereto and fully incorporated herein by this reference, shall be added to the Stevenson Municipal Code as Chapter 3.30 and the chapter shall be named "Reserve Funds".

#### <u>Section II – Severability</u>

That if any clause, section, or other part of this Ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

#### **Section III - Effective Date and Expiration**

This ordinance shall take effect five days following the date of its publication.

PASSED by the City Council of the City of Stevenson at a regular meeting this 19<sup>th</sup> day of September, 2019.

Scott Anderson, Mayor

ATTEST:

APPROVED AS TO FORM:

Leana Kinley, City Clerk

Kenneth B. Woodrich, City Attorney

#### Chapter 3.30

#### **RESERVE FUNDS**

| Sections: |                       |
|-----------|-----------------------|
| 3.30.010  | General Reserve Fund. |
| 3.30.020  | Fire Reserve Fund.    |

#### Section 3.30.010 General Reserve Fund.

A fund entitled "General Reserve Fund" is established under the existing accounting and budgetary system of the city. The money in the fund shall be used for urgent or emergency purposes as determined and approve by Council. It shall not be used for recurring costs, general operating costs or planned capital items. It may be used for interfund load provided that the interest rate is a minimum of two (2%) percentage points above the average of the past 12-months of the Local Government Investment Pool earnings rate and the loan must not exceed a payback period of five years, although it is recommended not to exceed 36 months.

#### Section 3.30.020 Fire Reserve Fund.

A fund entitles "Fire Reserve Fund" is established under the existing accounting and budgetary system of the city. The money in the fund shall be used for buildings, equipment and other capital items associated with and used in the Fire Department.

#### AMENDMENT NO. 1 TO AGREEMENT NO. WQC-2019-StevPW-00044 BETWEEN THE STATE OF WASHINGTON DEPARTMENT OF ECOLOGY AND City of Stevenson

PURPOSE: To amend the above-referenced agreement (AGREEMENT) between the state of Washington Department of Ecology (ECOLOGY) and City of Stevenson (RECIPIENT) for the Stevenson Clean Water Facility and Collection Improvement—Design Phase (PROJECT).

This amendment is needed to add in a new task to the scope of work and change the budget to move funds to the new task. The new task will support the design effort and will help maintain permit compliance in the interim.

IT IS MUTUALLY AGREED that the LOAN agreement is amended as follows:

- 1) The Scope of Work is modified to add in a Task 4 Instrumentation and Controls.
- 2) The PROJECT budget is modified to move money out of the design task into the new instrumentation and controls task.
- 3) The LOAN Amount Amortization Schedule remain the same.
- 4) The PROJECT Completion Date remains the same.
- 5) Based on the Completion Date loan repayment will begin no later than June 30, 2021.

All other terms and conditions of the original Agreement including any Amendments remain in full force and effect, except as expressly provided by this Amendment.

This Amendment is signed by persons who represent that they have the authority to execute this Amendment and bind their respective organizations to this Amendment.

IT IS MUTUALLY AGREED that the AGREEMENT is amended as follows:

#### CHANGES TO SCOPE OF WORK

3

Task Number:

**Task Cost:** \$1,742,000.00

Task Title: Project Design

#### Task Description:

A. The RECIPIENT will procure engineering services in accordance with state law. The RECIPIENT will include ECOLOGY's specification insert in the contract documents. The RECIPIENT must submit all contracts for engineering services before ECOLOGY will provide reimbursement for work performed under this task.

B. The RECIPIENT will design the Stevenson Clean Water Facility and Collection Improvements Project. Plans and specifications developed by the RECIPIENT must be consistent with the requirements of Chapter 173-240 WAC. Elements of the design will include:

- 1. A pre-design report prior to submitting the plans and specifications.
- 2. Headworks: interceptors, sampling station, flow metering, and screening/grit removal facilities.
- 3. Secondary Treatment.
- 4. Disinfection: new second UV channel with flow splitter boxes, refurbished first UV channel with new lighting/equipment.
- 5. Miscellaneous Facilities: new operations/laboratory/shop.
- 6. Solids Handling.

7. Rock Creek Pump Station: New 1,500-gpm firm capacity duplex or triplex submersible pump station with new control panel, auxiliary standby power, and new 12-inch force main to the Clean Water Facility.

8. Cascade Interceptor, Phase 2 Replace 1,250 feet of 12-inch Cascade Interceptor located in Rock Creek Drive with new 18-inch pipe.

- 9. Main D Extension Plans & Specs: Extend Sewer Main D by installing 3,500 feet of 8-inch sewer pipe.
- 10. Collection System Part 2 Alternatives Analysis.
- 11. Geotechnical Considerations.

C. The plans and specifications, construction contract documents, and addenda must be approved by the RECIPIENT prior to submittal for ECOLOGY review. All construction plans submitted to ECOLOGY for review and approval will be reduced to no larger than 11" x 17" in size. All reduced drawings must be completely legible. A current construction cost estimate will be submitted along with each plan/specification submittal.

D. The RECIPIENT will procure a third party analysis of potential energy and water efficiency measures for incorporation into the design of any wastewater facilities. The analysis will identify potential efficiency measures, provide cost estimates, and evaluate their cost effectiveness. If the RECIPIENT has obtained either a preliminary or investment grade energy audit of the utility in the last 5 years, documentation of that audit can be submitted instead.

#### Task Goal Statement:

Fully designed and construction-ready documents for collection system improvements that comply with all federal, state, and local regulatory requirements.

State of Washington Department of Ecology City of Stevenson Stevenson Clean Water Facility and Collection Improvement—Design Phase Project Agreement No. WQC-2019-StevPW-00044

#### Task Expected Outcome:

\*Timely submittal of all deliverables.

\*Improved sewer system coverage to align with water system coverage and land use planning expectations.

\*Avoidance of pump station overflows and pipe surcharging.

\*Improved ground and surface water quality for the Kanaka & Vallett creek basins.

Recipient Task Coordinator: Eric Hansen

#### Deliverables

| Number | Description  | Due Date |
|--------|--|----------|
| 3.1    | Executed contracts for engineering services and documentation of the RECIPIENT's process for procuring engineering services. |          |
| 3.2    | Pre-design Report  |          |
| 3.3    | Two copies of the draft and final design.  |          |
| 3.4    | Investment Grade Efficiency Audit documentation.   |          |

#### CHANGES TO SCOPE OF WORK

 Task Number:
 4
 Task Cost: \$63,000.00

Task Title: Instrumentation and Controls

#### Task Description:

A. The RECIPIENT will include ECOLOGY's specification insert in their specification documents. The RECIPIENT will procure a contractor via the small works roster process to construct the PROJECT. The RECIPIENT will submit a copy of the executed contract before ECOLOGY will provide reimbursement for work performed under this task.

B. The RECIPIENT, to support the design, will complete the construction of the high and medium priority immediate improvements in accordance with the Technical Memorandum Stevenson WWTP Improvements Project (June 5, 2019). The construction project will include:

- 1. Oxidation ditch DO sensor
- 2. RAS metering
- 3. Influent pH sensor
- 4. Relocate influent Parshall flume level sensor
- 5. Base SCADA system
- 6. Data Logging
- 7. Automate aeration control
- 8. Automatic RAS pump control

State of Washington Department of Ecology City of Stevenson Stevenson Clean Water Facility and Collection Improvement—Design Phase Project Agreement No. WQC-2019-StevPW-00044

#### Task Goal Statement:

To complete the construction of the high and medium priority immediate improvements to the RECIPIENT'S WWTP.

#### Task Expected Outcome:

Complete the construction of the high and medium priority immediate improvements to the RECIPIENT'S WWTP.

#### Deliverables

To: Stevenson City CouncilFrom: Leana Kinley, City AdministratorRE: Staff Cost of Living IncreaseMeeting Date: September 19, 2019

#### Explanation:

In order to ensure staff salaries remain competitive, council has increased salaries with a Cost of Living Adjustment (COLA) each year in relation to the Consumer Price Index (CPI). At the beginning of the budget process, staff requests council direction regarding a cost of living increase for city staff. Last year council decided to use the June West-B/C CPI-U going forward, which would be a 2.6% COLA for 2019.

#### **CHAMBER BUSINESS**

**Chamber Board Meeting:** We held our August board meeting with discussions on the Chamber's contract with Radcomp, new Chamber insurance that will cover board members, merger of SBA and SDA and Chamber summer events.

Chamber Membership: We had 20 membership renewals in August.

"Columbia Currents" Monthly Electronic E-Newsletter: The August 2019 issue was deployed to over 1,000 recipients.

**"Under Currents" Weekly E-Blast:** The weekly e-blast, consisting of updates and announcements submitted by Chamber members, is emailed out on Thursday afternoons.

**Facebook Pages:** The Chamber manages Facebook pages for the Stevenson Business Association, Gorge Blues and Brews Festival, Christmas in the Gorge, Logtoberfest as well as for the Chamber itself.

**Chamber Happy Hour**: The August Chamber Happy Hour event was held at Play Frontier with about 15 people in attendance.

#### Chamber Marketing, Projects, Action Items:

- Place ads promoting benefits of Chamber membership.
- Had phone meeting with Nicole Bernard regarding next Chamber Brown Bag workshop and marketing opportunities.
- Organized 2019 Fair Parade.
- Updated Chamber website with new photos, testimonials and featured events.
- Met with River Talk Weekly to create advertising plan for remainder of 2019.

#### County/Regional/State Meeting and Projects:

**Wind River Business Association (WRBA):** Continue to serve as treasurer for WRBA – pay monthly bills, reconcile bank statements and attend monthly meetings. Made lots of progress toward planning for Logtoberfest; received \$5,000 in sponsor commitments, booked all food, beverage and craft vendors, booked security team, ordered supplies, applied for liquor license, applied for County Outdoor Public Assembly permit and more.

Stevenson Downtown Association (SDA): Continue to work with SDA Promotion Committee members on historical walking tour of Stevenson.

(The projects and tasks described below are an example of services provided to the City of Stevenson through an additional contract with the Chamber to administer their promotional programs and deliverables.)

#### Stevenson/SBA Meetings and Projects:

- Held August SBA meeting
- Deployed monthly newsletter
- Continue to work with Marie on SBA/SDA merger
- Sent holiday information to Skamania Lodge for co-op marketing

# Elected Officials Essentials

Learn the most critical legal and functional responsibilities of elected office

Open to newly elected and seasoned elected officials

11 satellite locations throughout Washington

Getting elected to city council is just the beginning. Once you start your role, there are many things to learn — and quickly. Get a head start by attending this popular event that explores the most important legal and functional roles of city elected officials in Washington.

- Understand your roles and responsibilities
- Learn important ethical considerations to keep you on the right side of the law
- Examine real-world municipal scenarios with onsite legal counsel
- Network with other city leaders in your region

This event fulfills the Open Government Training Act's specific training requirements (including public records, records retention, and open public meetings) for elected officials.

## wacities.org

Saturday December 7 2019

## Registration opens October 9!

Those not yet in elected office will need to register after November 3.

To: Stevenson City Council
From: Rob Farris, Fire Chief
RE: Fire Department Update – August 2019
Meeting Date: September 19th, 2019

#### Executive Summary:

Fire Department is functioning normally. Nothing to report on at this time.

#### **Overview of Items:**

New Fire Hall: Nothing to report on at this time.

2020 Budget Goals: Ongoing.

Drills/Training/Calls: August Drills/Training – 56 Hours of volunteer training time August Calls – 7 total 1 – Smoke Investigation 1 – Wildfire

- 2 Fire Alarms
- 1 Motor Vehicle Collision
- 1 Mutual Aid
- 1 Vehicle Fire

Action Needed: Would like the Mayor to give insight on security camera systems for the Fire Station.

#### Advocacy

Published on Sep 15, 2019

#### **Preview the 2020 City Legislative Priorities**

#### **Contact: Candice Bock**

AWC's Legislative Priorities Committee has wrapped up its work. The Committee met on September 5 and adopted recommend priorities for 2020. The recommendations now go to the AWC Board of Directors for review and final adoption.

Here is a snapshot of the Committees' 2020 recommended priorities:

- Pursue a comprehensive city transportation bill that provides new resources and options
- Pursue full funding for the Public Works Trust Fund
- Pursue the creation of a tax increment financing option for cities
- Preserve city fiscal health with secure funding sources.
- Behavioral health Support statewide medication assisted treatment (MAT) services in city and regional jails if fully funded by the state and feasible in local jurisdictions.
- Continue to advance a watershed-based approach and strategic plan to address local fish-blocking culverts along with state culverts, and provide significant local funding.
- Continue to pursue new resources and policies to increase affordable housing both at the state and local level.

While the slate of issues the committee has recommended are all crucial to cities, it is important to keep our expectations for 2020 realistic. 2020 is a short session (60 days) and the Legislature will only be making limited changes to the 2019-2021 budget through the supplemental budget process. Additionally, it is a major election year with all of the House positions and half of the Senate positions up for election. Typically, in an election year, legislators are unwilling to take on controversial issues that could distract come November.

However, even with limited expectations, 2020 is an important time to bring forward this list of priorities. By focusing on these issues in 2020 we may achieve some positive outcomes during the session, but we can also educate legislators, bring together stakeholders, and build more momentum for the 2021 session when they will again be adopting the next biennial budget and more inclined to take on major policy issues.

Once the Board approves AWC's final 2020 priorities, we will share those with the full membership. We will also talk about them and advise how you can be a strong city advocate at AWC's Cities on Tap events this fall. We hope we will see you at one of these fun and educational evenings.

#### Time to adopt your city's legislative agenda

Each month we have been reminding you about the importance of being strong city

#### **Related content**

Learn how to advocate for your city during the legislative interim

city's legislative agenda should focus on the policy issues and capital requests that your city supports and needs. Be specific and keep it short and simple. It is a real benefit if you can also include support for AWC's priority issues.

Once you have your adopted agenda – share it. Make sure to sit down and review it with your legislators as soon as possible – they will need time to work with you on how best to support your needs. You should also share it with your residents, other local stakeholders and your local news media.

#### **Federal action**

While we tend to joke about the in-action of Congress in the other Washington, this is a good time to reflect on the impact Congress can have on cities. The National League of Cities (NLC) recently shared its five priorities for Congress this fall.

- Prevent a federal government shutdown
- Stop the looming infrastructure cuts
- Reauthorize flood insurance
- Empower local broadband leadership
- Invest in infrastructure

AWC will be convening our Federal Priorities Committee this fall to review and update AWC's federal agenda for 2020.

#### State of the Cities survey

Thank you to all of those cities that completed the State of the Cities survey. We know how much work it was and we are grateful! AWC's State of the Cities project takes a look at the issues facing Washington's cities and towns and identifies common issues and trends, as well as what cities need to succeed. We expect to have the completed report available by the end of the year.

Residential Review: Mid-Columbia

#### August Residential Highlights

Pending sales saw a strong month this August in the Mid-Columbia region. There were 118 pending sales, a 11.3% gain over August 2018 (106) and a 10.3% gain from July 2019 when 107 offers were accepted.

New listings, at 167, showed a 7.7% increase over August 2018 (155) despite decreasing 5.1% from July 2019, when 176 new listings were offered.

Similarly, the 106 closings recorded fell four short of the 110 recorded in August 2018 (-3.6%) but outpaced July 2019 (95) by 11.6%.

Total market time rose to 87 days in August, and inventory decreased slightly to end at 4.1 months.

#### Year to Date Summary

Comparing the first eight months of 2019 to 2018, new listings (1,070) have increased 8.7%, while pending sales (698) decreased 8.0% and closed sales (609) decreased 14.1%.

#### Average and Median Sale Prices

Comparing 2019 to 2018 through August of each year, the average sale price has increased 6.5% from \$322,200 to \$343,100. In the same comparison, the median sale price has increased 13.6% from \$279,900 to \$318,000.

Percent Change of 12-Month Sale Price Compared With The Previous 12 Months

> Average Sale Price % Change: +6.9% (\$339,500 v. \$317,700) Median Sale Price % Change: +15.2% (\$310,000 v. \$269,000)

For further explanation of this measure, see the second footnote on page 3.

#### August 2019 Reporting Period

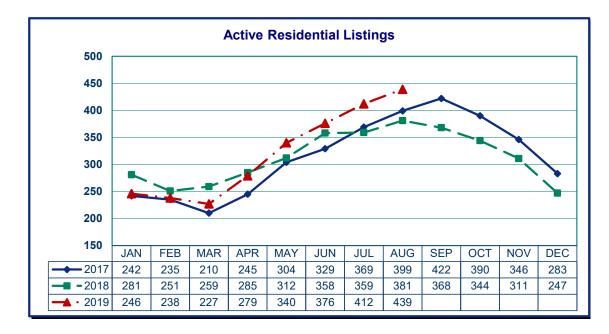

| Inventory in | Month | IS*  |      |
|--------------|-------|------|------|
|              | 2017  | 2018 | 2019 |
| January      | 4.2   | 4.1  | 4.8  |
| February     | 4.6   | 3.7  | 5.4  |
| March        | 2.9   | 3.5  | 3.5  |
| April        | 2.8   | 4.1  | 5.1  |
| Мау          | 3.9   | 3.5  | 3.8  |
| June         | 3.4   | 3.4  | 4.0  |
| July         | 4.0   | 3.6  | 4.3  |
| August       | 3.2   | 3.5  | 4.1  |
| September    | 5.1   | 5.3  |      |
| October      | 4.1   | 3.8  |      |
| November     | 3.9   | 3.8  |      |
| December     | 4.2   | 4.3  |      |

\*Inventory in Months is calculated by dividing the Active Residential Listings at the end of the month in question by the number of closed sales for that month. This number includes proposed and under construction homes.

#### ACTIVE RESIDENTIAL LISTINGS

#### **MID-COLUMBIA**

This graph shows the active residential listings over the past three calendar years in Mid-Columbia.

## NEW LISTINGS

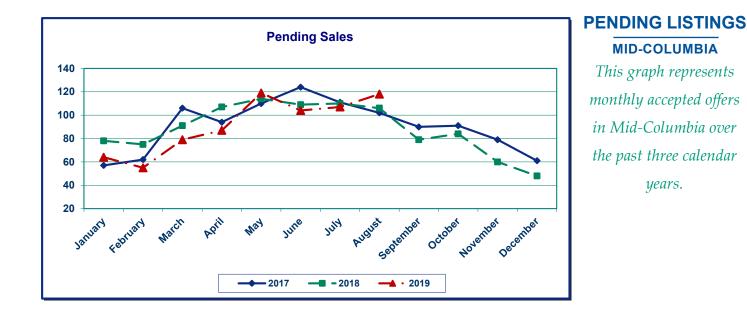

This graph shows the new residential listings over the past three calendar years in Mid-Columbia.

<sup>1</sup> Percent change in number of pending sales this year compared to last year. The Current Month section compares August 2019 with August 2018. The Year-To-Date section compares 2019 year-to-date statistics through August with 2018 year-to-date statistics through August.

<sup>2</sup> % Change is based on a comparison of the rolling average sale price for the last 12 months (9/1/18-8/31/19) with 12 months before (9/1/17-8/31/18).

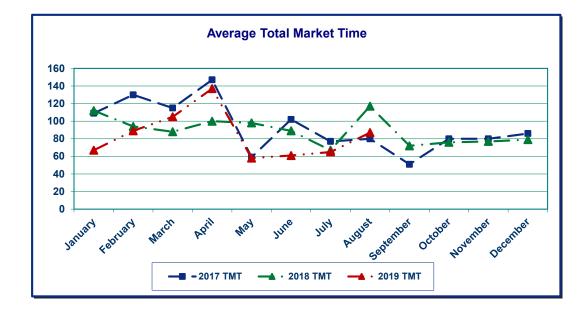

<sup>3</sup> Total Market Time is the number of days from when a property is listed to when an offer is accepted on that same property. If a property is re-listed within 31 days, Total Market Time continues to accrue; however, it does not include the time that it was off the market.

This graph shows the closed sales over the past five calendar years in Mid-Columbia.

## DAYS ON MARKET

This graph shows the average market time for sales in Mid-Columbia, over the past three calendar years.

## SALE PRICE

This graph represents the average and median sale price for all homes sold in Mid-Columbia.

To: Stevenson City CouncilFrom: Leana Kinley, City AdministratorRE: City Administrator Staff UpdateMeeting Date: September 19, 2019

#### Overview of items staff has been working on over the past month:

<u>Smart Water Meter Project</u> – A meeting with the Department of Commerce will took place the beginning of September and a contract may be coming before November. I am working on multiple sources of matching funds and am not having much success. An option for funding in February would be the LOCAL program through the State Treasurer's office. Interim financing may be provided through the

<u>BIAS Software Implementation</u> – The Payroll and Financial modules have been active since July 1. Utility billing and cash receipting were transferred over the end of August. I have been reviewing and reconciling the accounts after the transfer and cleaning up the data. Permitting will take place around November after the October billing cycle.

<u>Xpress Bill Pay Conversion</u> – Training for Xpress Bill Pay is scheduled next Tuesday. We are working with customers to convert their accounts from Invoice Cloud to Xpress.

<u>Nuisances</u> – With the increased workload of the season, staff is behind on nuisances. Other projects are deemed higher priority at the detriment to other tasks such as nuisances.

<u>CDBG Project</u> – There are three projects moving forward through the Housing Rehabilitation Program paid for by a Community Development Block Grant (CDBG), passed through the city and managed by the Columbia Cascade Housing Corporation. There are about \$400k in funds available for the next 2 years.

<u>Phone System</u> – The phone system is all cut-over and operating. Staff is still learning the new system and we thank everyone for their patience through the transition.
