T.P. Ordinance No. 19-13

Be it ordained that the Tangipahoa Parish Council herEby REVOKES AND amends Chapter 17 of the CODE OF ORDINANCES regarding PLANNING AND DEVELOPMENT REGULATIONS FOR MANUFACTURED HOME PLACEMENT STANDARDS to reflect as follows:

Chapter 17 of the Tangipahoa Parish Code of Ordinances are hereby revised, amended and re-enacted to read for the following sections as follows:

Article VII Manufactured Home Placement Standards

Sec. 17.7.1 Definitions-

(1) Manufactured Home means a structure, transportable in one or more sections, which, in the traveling mode, is twelve (12) body feet or more in width or forty (40) body feet or more in length, or, when erected on site, is three hundred twenty or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein.

(2) Installation Standards means reasonable specifications for the installation of a manufactured home, at the place of occupancy, to ensure proper siting, the joining of all sections of the home, and the installation of stabilization, support, or anchoring systems in accordance with building code requirements as prescribed by HUD.

(3) Mobile Home means a transportable, factory-built home designed and intended to be used as a year-round dwelling, and built prior to the enactment of the Federal Manufactured Housing and Safety Standards Act of 1974. Mobile homes are no longer built and do not meet the current Federal manufactured home construction and safety standards.

Sec. 17.7.2 Standards for Manufactured Home Placement-

(1) Lot size: An individual parcel of record shall be a minimum of ½ acres for placement of a manufactured home.

(2) Density: No more than three (3) single-family dwellings shall be place on any one parcel of record. This includes any and all combinations of manufactured homes and any other single-family residential dwellings. More than three (3) homes on one parcel of record will constitute a Mobile Home Park and be required to meet all Mobile Home Park development standards.

(3) Setbacks: Side and rear setbacks shall be ten (10) feet from property line. Front setback shall be a minimum setback of twenty-five (25) feet from public right-of-way lines. In cases when the right-of-way lines cannot be determined; setback line will begin 18 inches behind the backslope of the drainage ditches.

(4) Spacing of manufactured homes: All new manufactured homes being places must be a minimum of fifty (50) feet from another habitable structure.

(5) Non-conforming lots of record: (Grandfather Clause) Parcels less than ½ acre with a current manufactured home on it, are allowed to maintain residence and/or replace older mobile home with a new manufactured home if utilities are currently in place at the time of permit request or were in place within 12 months of request.

(6) Removal of older mobile home or manufactured homes: When replacing one home for another, the original home must be removed from the parcel within 60 days of the new home being placed. If home is not removed within 60 days, a power disconnection order will be issued and remain in effect until it is removed.

Sec. 17.7.3 Mandatory Requirements- Manufactured Homes must have all of the following:

- (1) Be placed on a permanent conventional foundation and set up in accordance with building code requirements as prescribed by HUD;
- (2) Be comprised of at least 12 feet wide by 40 feet long or two fully enclosed parallel sections each not less than 12 feet wide by 36 feet long;
- (3) Be located on parcel owned by applicant. Applicant must provide proof of parcel ownership for moving permit approval.

Sec. 17.7.4 Other Consideration for Placement- In cases of declared emergencies, the required standards may be waived.

IT IS FURTHER ORDAINED by the Tangipahoa Parish Council that this ordinance is intended to repeal and replace any other previous ordinance, rule, or regulation, statute, or other provision of law within Parish subdivision regulations regarding individual parcel placements of Mobile Home or Manufactured Home within Tangipahoa Parish.

The above and foregoing ordinance having been duly submitted to the Tangipahoa Parish Council in writing; introduced at a public meeting of the Tangipahoa Parish Council; discussed at the said public hearing; after motion and second was submitted to the official vote of the Tangipahoa Parish Council.

T.P. Ordinance No. 19-15

AN ORDINANCE AMENDING TANGIPAHOA PARISH SUBDIVISION REGULATIONS ON COMMERCIAL DEVELOPMENT REQUIREMENTS

Be it ORDAINED that the Tangipahoa Parish Council hereby revokes and amends Chapter 17 of the Code of Ordinances as follows:

Tangipahoa Parish Commercial Property Development Article 5 of the Subdivision Regulations of Chapter 17 of the Tangipahoa Parish Code of Ordinances are hereby revised, amended and re-enacted to read for the following sections as follows:

Article 5. - COMMERCIAL DEVELOPMENTS

Sec. 17-5.1 - General Provisions

(b) All developments are required to provide a proposed site plan to include a drainage plan and/or floodplain impact study, a traffic analysis (when applicable), and a site plan detailed for construction.

(c) All applications placed on the agenda for consideration by the parish planning commission, must have a representative(s) for the development in attendance at the public hearing planning commission meeting.

(d) Upon receipt of the proposed site plan, and any required studies, the development may be placed on the planning commission agenda for a public hearing. After the planning commission has held a public hearing they will approve, approve with stipulations, defer or deny the proposed plans. Once proposed plans are approved, the plans may be submitted to the Community Development office for review and approval signatures as required. No work is to be started on development site, including dirt or foundation work, until Planning Commission approval is obtained.

Sec. 17-5.2 - Commercial Development Buffer Areas.

(a) A minimum of twenty-five-foot buffer area shall be established and maintained between conflicting uses caused by the location of a new commercial development being constructed or expanded adjacent to property being used for residential purposes unless approved by the parish planning commission. No building or permanent structure shall be located within this buffer area. The buffer area may be used for parking, underground utilities, drainage, green area (landscaping and planting) and access.

(e) Property frontage shall have a minimum setback of 50 feet from public right-of-way lines. In cases when the right-of-way lines cannot be determined; setback line will begin 18 inches behind the backslope of the drainage ditches.

Sec. 17-5.4 - Commercial development submittals.

(a) Developments to be heard by the Planning Commission must receive approval of proposed plans by staff through a Technical Review of plans before being placed on the Planning Commission agenda. All requested plans and/or impact studies or any revisions required by the Technical Review must be received by the Office of Community Development - Planning Department office no less than fourteen (14) days prior to the planning commission meeting in order for the development to be placed on the planning commission agenda for consideration.

(b) Required components of proposed plans submitted for review to the planning department for consideration during a Technical Review meeting with department staff must include the following:

- i. A typical design section for roads and parking to include all asphalt or concrete pavement sections, culvert inverts, and grading;
- ii. Drainage plan;
- iii. Floodplain designated areas as applicable;
- iv. Wetlands designated areas as applicable;
- v. Sewerage and water facilities;
- vi. Other utilities, etc.

Sec. 17-5.5 - Commercial development exemptions -

(c) The drainage and/or floodplain impact study and/or traffic impact study may be waived by the planning department upon written request by developer and signature approval of the district councilman where the proposed development is located. However, these studies may still be required by the Planning Commission before approval is granted.

The above and foregoing ordinance having been duly submitted to the Tangipahoa Parish Council in writing; introduced at a public meeting of the Tangipahoa Parish Council; discussed at the said public hearing; after motion and second was submitted to the official vote of the Tangipahoa Parish Council.

TANGIPAHOA PARISH
RESOLUTION NO. R19-14

A resolution in support of Senate Concurrent Resolution No. 34- a concurrent resolution to memorialize the Congress of the United States to take such actions necessary to review and consider eliminating provisions of federal law which reduce Social Security benefits for those receiving pension benefits from certain federal, state, or local government retirement systems, plans, or funds.

WHEREAS, the Tangipahoa Parish Council-President Government, acting as the governing authority of Parish of Tangipahoa desires to support certain legislation which the Council believes is in the best interest of public employees; and

WHEREAS, the Congress of the United States of America has enacted both the Government Pension Offset (GPO), reducing the spousal and survivor Social Security benefit, and the Windfall Elimination Provision (WEP), reducing earned Social Security benefit, payable to any person who also receives a public pension benefit earned in public employment not covered by social security; and

WHEREAS, in certain circumstances both the WEP and the GPO can be applied to a qualifying survivor's benefit, each independently reducing the available benefit and, in combination, eliminating a large portion of the total Social Security benefit available to the survivor; and,

WHEREAS, the WEP and GPO negatively affects retired public employees, especially those in lower-wage government jobs such as teachers, school workers, and state and local government employees.

NOW THEREFORE BE IT RESOLVED THAT THE Tangipahoa Parish Council-President Government, does hereby support Senate Concurrent Resolution no. 34 asking the United States Congress to take such actions as are necessary to review the Government Pension Offset and the Windfall Elimination Provision Social Security benefit reductions and to consider eliminating or reducing them.
