Governor's Executive Proclamation

Re: Use of Non-EMT Drivers

Dear Parish Council Members,

Acadian Ambulance, along with all other Healthcare providers, is seeing an increased need for extra staffing due to effects of the Covid 19 Pandemic. Therefore, in accordance with the Governor's Executive Proclamation, Acadian is requesting temporary approval to use Non-EMT Drivers. We have three current employees that have completed EMT classes and are awaiting National Registry testing. They have passed all background checks, possess a valid Driver's license and have been through Acadian's orientation and drivers training. These employees would not be responsible for direct patient care and are only being scheduled on nonemergency (transfer) Units.

Upon the expiration of the Governor's Proclamation, Acadian will discontinue use of Non-EMT Drivers.

Thank you for your support during this difficult time.
