RE: Recommendation of Condemnation: 11054 Highway 442 West, Tickfaw, La. 70466

**Assessment #1099205- Nations Alford and Sally EST, Attn Joseph Nations**

Chairman Hon. David Vial and Hon. Emile "Joey" Mayeaux,

The previously referenced case was reported to the Tangipahoa Parish Blighted Property Division regarding an unsafe structure building located on the property.

On June 6, 2023, Blighted Property Division personnel visited the property and spoke with the resident who occupied an RV near the two mobile homes in question, providing guidance and education regarding the need for remediation. This office has visited this property on several occasions with no reported progress on remediation.

On June 6, 2023, Blighted Property Division personnel posted a Red Placard/Sign notifying the owner to contact our office. Communication has been made with the owner, Joseph Nations, regarding the immediate need for remediation. As indicated by the pictures attached; the roof, walls, and other components required for a structurally sound dwelling have been compromised and therefore is unfit for occupancy. In addition, the structure(s) in its current, dilapidated condition creates a safety hazard which could endanger the public welfare of the residents in the surrounding community.

This office is recommending your approval for condemnation, demolition, and removal of the two mobile homes.

The facts regarding this case have been reviewed by the Building Official and the Parish President. Their signatures below indicate concurrence of this request as per Tangipahoa Parish Ordinances, Article III, Sec. 12-57. - Authority of parish government.
