HCV-5: Absence from Unit

Regulatory Authority: 24 CFR 982.312

HUD is waiving this regulatory requirement to allow the PHA at its discretion to continue housing assistance payments and not terminate the HAP contract due to extenuating circumstances (e.g., hospitalization, extended stays at nursing homes, caring for family members).

Period of Availability: The period of availability for the PHA to choose to continue making HAP payments despite the family's absence of more than 180 consecutive days ends on December 31, 2020.

HCV-6: Automatic Termination of HAP contract

T.P. Resolution No. R20-17

A resolution to urge and request all Departments within the Parish of Tangipahoa to utilize every available avenue and resource to promote and encourage response to the 2020 federal decennial census.

WHEREAS, every ten years a complete and accurate count of every resident is required by Article I, Section 2 of the Constitution of the United States, and this required federal decennial census is conducted by the United State Bureau of the Census; and

WHEREAS, census data is used to distribute federal funding to local communities and to determine electoral representation, including the number of seats each state is allocated in the United States House of Representatives, all of which are critical to Louisiana and its residents; and

WHEREAS, more than three hundred federal programs rely on data derived from the census to guide the distribution of funds to states, parishes, municipalities and households, and the 2020 federal decennial census data will affect the allocation of approximately one and a half trillion dollars of federal funds; and

WHEREAS, even though invitations to respond to the 2020 federal decennial census were mailed in March of 2020 and Census Day was April 1, 2020, it is very disturbing that as of June 24, 2020, the self-response rate in the State of Louisiana was only 55.9% compared with the national average of 61.7%, and the Parish of Tangipahoa is 31st out of the 64 Parishes in Louisiana to respond; and

WHEREAS, it is estimated that every person in Louisiana who is not counted will cost Louisiana approximately three thousand two hundred dollars or more in lost federal funds; and

WHEREAS, due to the COVID-19 public health emergency, the United States Bureau of the Census has delayed the start of its non-response follow-up until August 11, 2020; and

WHEREAS, a significant amount of effort is required in order to achieve awareness of the importance of the 2020 federal decennial census and to obtain full participation and responses by all persons in Louisiana in the 2020 federal decennial census.

THEREFORE, BE IT RESOLVED that the Tangipahoa Parish Council does hereby urge and request all Departments within the Parish of Tangipahoa to utilize every available avenue and resource to promote and encourage response to the 2020 federal decennial census.
