Dennis,

See below options for increasing the property and auto physical damage deductibles. Please let me know if everyone is in agreement with the \$5k options and we can make the change before the policy is issued.

Any questions, please let me know.

Deductible Option	Premium Change
Property	
\$2,500 Property Deductible	\$6,063.31 reduction
\$5,000 Property Deductible	\$12,121.49 reduction
Auto	
\$3,000 Comp/\$3,000 Collision Auto Deductibles	\$14,564 reduction
\$5,000 Comp/\$5,000 Collision Auto Deductibles	\$24,665 reduction

To All:

Please look over the Deductible Options:

The previous premium BEFORE the renewal was at \$287,473.00

The Board approved at the last meeting the premium renewal at \$323,557.11

If we raise the deductible on both the Property and Auto to \$3000.00 the premium will be \$302,929.80. That is an increase of \$15456.80.

If we raise the deductible on both the Property and Auto to \$5000.00 the premium will be \$286,770.62. That is a decrease in the premium of \$702.38.

I would recommend that we increase the deductible to \$5000.00. I believe that would cut down on claims made to the insurance company and produce a savings of \$702.38.

Thanks,
Dennis Crocker

Dennis,

Per your advice, we will move forward with the \$5,000 deductibles for both auto and property renewals as presented. We will send you a revised proposal and billing breakdown and let you know if there are any other forms that may need to be signed.

Thanks,
