## **Household Hazardous Waste Recycling Collection Day**

**WHEREAS,** Polluted water discharged to rivers and lakes can result in fish kills, the destruction of spawning and wildlife habitats, a loss in aesthetic value, and contamination of drinking water supplies and recreational waterways that can threaten public health; and

**WHEREAS,** the Clean Water Act of 1972 prohibits the discharge of any pollutant to navigable waters of the United States unless authorized by the Environmental Protection Agency; and

**WHEREAS,** a major source of pollutants in the navigable waters of the United States is polluted urban and suburban storm water runoff; and

**WHEREAS,** it is imperative that these pollutants be prevented from entering the storm water runoff in Tangipahoa Parish through the initiation of a recycling program; and

**WHEREAS,** the City of Hammond has graciously consented to establishing an annual date for accepting from the citizens of Tangipahoa Parish, at Zemurray Park, used oil and antifreeze, spent batteries, leftover latex (water-soluble) paint, burned-out florescent light bulbs, and worn-out tires to be recycled or otherwise disposed of under Environmental Protection Agency guidelines.

Dear Mr. Bradford

I am writing to inform you of my decision to resign from the library Board at this time, effective November 3rd, 2023.

I am retiring from the hospital and buying a new business that will take a great deal of my energy in the new year.

It has been a pleasure to serve on the board with such a wonderful group of people. I have learned so very much about the Library and inner workings of this dear to my heart organization. I have loved the Library since I was a small child, eagerly awaiting the "book mobile" to arrive at my home.

Thank you for your vision for our parish and gratitude for bringing life to Kentwood with our beautiful new branch.

I will always promote and encourage anything you offer in the community. You have a valuable and dedicated team and wish you all the best going forward.

Sincerely with deep thanks,  
Tracy LeBlanc

Michele,

Due to work obligations, I will have to step down from the board. However, I wanted to take this opportunity to thank you for all you do for North Oaks and our community. I see how hard you work, your incredible dedication, but also your unmatched knowledge for hospital systems. We are lucky to have you.

Please continue to educate the board on the significant impact you make on our hospital system and in particular your work with Directed Payments. I know how much difference one person can make, and you have been that ambassador, like David against Goliath!

Please let me know if there is anything you ever need or any way I can be of assistance. I look forward to working with you in the future.

Thank you.

Ron and the Board:

After much reflection, I have determined that I will be unable to continue with the board. My current work obligations have become so demanding that I will be unable to attend board meetings moving forward. As you know, I have wrestled with this decision before, as I understand and take very seriously these responsibilities. For this reason, I must step down and allow a member who has more time to devote. I respect each board member immensely, and appreciate all that each of you give to represent our community. Thank you each for your fellowship and intellectual debate that we have enjoyed these last few years. If there is anything I can do to ease the transition, please let me know. And know that although I will no longer be sitting at that table, I will remain in your corner as a strong supporter of the work that the board and the entire North Oaks system does for our friends and loved ones of our district.
