Honorable Robby Miller, Parish President
Tangipahoa Parish Government
206 East Mulberry Street
Amite, LA 70422

RE: Hoover Road Widening – Phase IA
FP&C No. 50-J53-14-03

Dear President Miller:

We received four (4) sealed bids and one (1) electronic bid for the above-referenced project on Thursday, August 11th, and recommend award to the low bidder, Magee Excavation & Developments, LLC, for the Base Bid in the amount of \$2,905,000.00. The project is above the project budget previously established. These bids will have to be reviewed by Facility Planning and Control, which Mr. John Dardis is handling for Tangipahoa Parish Government.

Attached is the “Bid Summary” and “Bid Tabulation”. I will be present at the Parish Council Meeting set for 5:30 pm, Monday, August 22, 2022, to answer any questions and address any comments.

Sincerely,

Jay C. Pittman, P.E.

T.P. Ordinance No. 22-47

AN ORDINANCE AMENDING AND ENACTING CHAPTER 36 –
PLANNING AND DEVELOPMENT, ARTICLE VI – ADDITIONAL
AGENCIES REQUIREMENTS, SECTION 36-143 – GENERAL
INFRASTRUCTURE REVIEWS AND APPROVALS, (7) SEWERAGE

BE IT ORDAINED by the Tangipahoa Parish Council-President Government, State of Louisiana, acting as the Governing Authority thereof revises and amends the Tangipahoa Parish Code of Ordinance as follows:

Chapter 36 PLANNING AND DEVELOPMENT

ARTICLE VI – ADDITIONAL AGENCIES’ REQUIREMENTS

Sec. 36-143. General infrastructure reviews and approvals.

- (7) *Sewerage.* The parish council-president government does hereby adopt for implementation and enforcement chapter XIII of the Louisiana Sanitary Code, as it may be amended, particularly but not limited to the provisions not requiring connections to community type sewer systems, as provided therein, with the following exceptions and more stringent requirements to wit:
- a. All new subdivisions **exceeding 10,000 gallons /day, all special use residential commercial exceeding 10,000 gallons/day** and commercial sewerage systems must meet the standards of the sewerage district in which the project is located, comply with the requirements of chapter 50, and give a letter of compliance to the parish planning commission before final acceptance of a new subdivision or commercial development.
 - b. Design and improvement standards:
 1. The installation of all sewer connections, subdivision sewer systems, sewage disposal systems and devices will be constructed under the supervision of and in compliance with the rules and regulations of the state department of health.
 2. If the subdivision is so located that it can reasonably be served by the extension of an existing public sanitary sewer, the subdivider will enter into an agreement with the utilities department of the respective city or parish for the extension of said sewer so that sanitary sewer service will be available for each lot within the subdivided area.
 3. Where no sewers are accessible, the subdivider shall, after securing a written permit from the state department of health, install septic tanks or other mechanical means of sewerage disposal for the entire subdivision provided that the means of sewerage disposal shall be installed in accordance with the state sanitary code.
 4. Small partitions with eight lots or less can use individual septic systems. These lots must be a minimum of 22,500 square feet total with a minimum 125 feet of road frontage.
 5. Developments with each lot containing one acre or more and a minimum of 125 feet of road frontage can have individual septic systems. The frontage requirement may be waived for lots fronting a cul-de-sac if the frontage is not less than 60 feet with the average depth of 250 feet.
 6. No utilities will be connected until sewage and waste disposal plans have been approved by the state department of health.

BE IT FURTHER ORDAINED that this ordinance shall become effective immediately upon signature of the Parish President and all previous ordinances in conflict with said ordinance are hereby repealed.

This ordinance having been submitted in writing, having been introduced at a public meeting of the Tangipahoa Parish Council, discussed at a public hearing of said council and was submitted to an official vote of the Tangipahoa Parish Council shall take effect immediately upon the signature of the Tangipahoa Parish President.

T.P. Ordinance No. 22-48

AN ORDINANCE AMENDING AND ENACTING CHAPTER 42 – STREETS, ROADS, SIDEWALKS AND DRAINAGE, ARTICLE I – IN GENERAL, SECTION 42-21 – ROAD SPECIFICATIONS, (B) SUB-BASE AND (C) BASE

BE IT ORDAINED by the Tangipahoa Parish Council-President Government, State of Louisiana, acting as the Governing Authority thereof revises and amends the Tangipahoa Parish Code of Ordinance as follows:

Chapter 42 STREETS, ROADS, SIDEWALKS AND DRAINAGE

ARTICLE I – IN GENERAL

Sec. 42-21. Road Specifications.

(a) **Prior to construction.**

- (1) Lab tests shall be made of the indigenous soil to a depth of 18 inches below the bottom of the topsoil layer by a testing agent qualified to do such tests and approved by DPW.
- (2) The test shall be required at a frequency of one per 500 feet with a minimum of two per subdivision as required by LADOTD core samples.
- (3) Core samples shall be taken at each phase; sub-base, base and wearing course.
- ~~(4) Raw base must be proof rolled before stabilization to identify inadequate areas.~~
- ~~(5)~~ (4) DPW inspector shall be present for all sampling and testing.
- ~~(6)~~ (5) A copy of the test results shall be provided and accepted by DPW prior to construction of infrastructure.
- ~~(7)~~ (6) The necessary treatment of the sub-base and base shall be determined by the design engineer accordingly.

(b) **Sub-base.**

- (1) Minimum width shall be six inches wider than the base on each side.
- (2) Minimum of 12 inches sub-base with a P.I. of ~~less than 15~~ **or less percent** and compacted to 95 percent standard proctor must be confirmed by lab tests.
- (3) Lime treatment may be required.
- (4) Extra attention must be given to stump holes and other excavations beneath the sub-base as directed by the DPW.
- (5) No organic matter or sheared stumps may be left in place.

(c) **Base.**

- (1) Minimum width shall be six inches wider than the wearing course on each side.
- (2) ~~Ten inches minimum base of soil cement is required; for all asphalt roads or a minimum of 8 inch class II base course (stone only) may be used as an alternate for Portland cement concrete roads.~~ **Twelve inches of Stone Class II Base course or a minimum of ten inches of soil cement base as per Louisiana DOTD Standard Specifications for Roads and Bridges.**
- (3) ~~Percentage of cement must be determined by an approved testing lab.~~ **All material sampling and testing shall be done by an approved testing lab.**
- (4) ~~Subsequent to soil treatment, base shall be proof rolled to DOTD standards.~~ **For Stone Class II base course, sub-base shall by proof rolled to DOTD standards.**
- (5) ~~Base must conform to LADOTD standard specifications for roads and bridges.~~ **For Soil Cement base course, base shall be proof rolled before and after soil cement treatment.**
- (6) If lab test results attests, parish engineer may require higher standards.
- (7) There shall be a minimum of ten inches base between the bottom of the hard surface and the top of any cross-drain culvert. In the event ten-inch depth cannot be achieved, a saddle shall be installed over the cross-drain culvert to minimize settling. The structure shall be built with a minimum depth of eight inches of asphalt or six inches of concrete; the length shall be equivalent to the length of the base; the width shall be the diameter size of the pipe times two. (See Appendix C)

(d) **Wearing course (riding surface).**

- (1) Minimum 20-foot width.
- (2) Minimum three-inch Asphaltic concrete or a minimum of six-inch Portland Cement Concrete (minimum 4000 psi).
- (3) Surface must conform to LADOTD standard specifications for roads and bridges.

(e) **Dead-ends, cul-de-sac, mini cul-de-sac (kneecap) T-turns.**

- (1) All dead-end streets 500 feet or greater in length shall require a cul-de-sac or T-turn. Deadend streets less than 500 feet will require safety devices installed at the end of the dead-end. Devices must meet DOTD standard specifications and be approved by DPW. The type of device for each location will be decided upon on a case-by-case basis.
- (2) Cul-de-sac and mini cull-de sac shall be designed with the same standards as above and must have a diameter of 100 feet riding surface and 120 feet right-of-way. (See Appendix C)
- (3) T-turnarounds shall be designed according to diagrams herein (See Appendix C)

(f) **Other.**

- (1) ~~Side dressing shall be sloped Five (5) percent, Three (3) feet past surface. The topsoil shall be hydroseeded and fertilized per LADOTD standards. If sod is used, a 2" cut section in the topsoil shall be made prior to sod placement to prevent water collection on the roadway.~~
Hydroseeded shoulder embankment shall be placed and dressed to 5% slope, 3 feet past surface, and compacted as per the Louisiana DOTD Standard Specifications for Roads and Bridges. If sod is placed, a 2" cut section shall be made for sod placement to prevent water ponding on the roadway.
- (2) Ditches shall be sloped 3:1 or flatter.
- (3) Longitudinal road grades shall conform in general to the terrain and shall be designed to ensure proper drainage.
- (4) Gravel roads will not be allowed in any parish approved subdivision or any newly constructed roads to be considered for parish maintenance.
- (5) Street jogs with centerline offsets of less than 125 feet are not allowed (See Appendix C)
- (6) A tangent at least 100 feet long shall be used between reverse curves (See Appendix C)
- (7) Streets will be laid out to intersect at right angles (See Appendix C)
- (8) Driveways and access points at intersections will be rounded with a radius of 30 feet or greater (See Appendix C)
- (9) Streets that have a left or right turn with a central angle of 80-100 degrees may incorporate a semi cul-de-sac (Appendix C)
- (10) Street names shall be approved by the 911 office.

BE IT FURTHER ORDAINED that this ordinance shall become effective immediately upon signature of the Parish President and all previous ordinances in conflict with said ordinance are hereby repealed.

This ordinance having been submitted in writing, having been introduced at a public meeting of the Tangipahoa Parish Council, discussed at a public hearing of said council and was submitted to an official vote of the Tangipahoa Parish Council shall take effect immediately upon the signature of the Tangipahoa Parish President.

T.P. Ordinance No. 22-51

**AN ORDINANCE AMENDING AND ENACTING CHAPTER 32-
NUISANCES TO ADD ARTICLE V-MINIMUM HOUSING STANDARDS**

BE IT ORDAINED by the Tangipahoa Parish Council-President Government, State of Louisiana, acting as the Governing Authority thereof revises and amends the Tangipahoa Parish Code of Ordinance as follows:

Chapter 32 NUISANCES

ARTICLE V. MINIMUM HOUSING STANDARDS

Sec. 32-147. Fitness for dwelling, dwelling units.

Every dwelling and dwelling unit intended for use as a human habitation, occupancy, or use, or held out for use as human habitation, shall comply with all the minimum standards of fitness for human habitation in accordance with the applicable Louisiana State Building Codes or Housing & Urban Development for Manufactured Housing for permanent residency. No person shall let to another for occupancy, or use as a place for human habitation, any dwelling or dwelling unit, which does not comply with all the minimum standards of fitness for human habitation and all the requirements of this division. Unoccupied structures shall not be deteriorated as to become a health or safety hazard.

Recreational vehicles (RVs) shall not be occupied for residential housing, except for in conjunction with the issuance of a single-family building permit. Said vehicle shall only be occupied by the owner of the proposed/under construction building for a time not to exceed 180 days. This time period may be extended an additional 180 days by the Building Official with just cause and substantial completion of single-family home.

Recreational vehicle is defined as: A vehicular-type unit primarily designed as temporary living quarters for recreational, camping or travel use, which either has its own motor power or is mounted on or towed by another vehicle. Also known as travel trailer, camping trailer, truck camper and/or motor home. Removal of axels, tongue, or perm affixing unit shall not redefine as non-recreational vehicle.

Sec. 32-148. Structural condition.

- (A) Walls or partitions or supporting members, sills, joists, rafters or other structural members shall not excessively lean or buckle and shall not be rotted, deteriorated or damaged, and shall not have holes or cracks which might admit rodents.
- (B) Floors and roofs shall have adequate supporting members and strength to be reasonably safe for the purpose used.
- (C) Foundations, foundation walls, piers or other foundation supports shall not be deteriorated or damaged so as to dangerously reduce their intended load-bearing characteristics.
- (D) Steps, stairs, landings, porches, or other parts of appurtenances shall be maintained in such condition that they will not fall or collapse.
- (E) Adequate egress in case of fire or panic shall be provided as per specifications of the Louisiana State Residential Building Code.
- (F) Interior walls and ceilings of all rooms, closets and hallways shall be finished with suitable materials, which will, by use of reasonable household methods, promote sanitation and cleanliness, and shall be maintained in such a manner as to enable the occupants to maintain reasonable privacy between various spaces.
- (G) The roof, flashings, exterior walls, basement walls, floors, and all doors and windows exposed to the weather shall be constructed and maintained so as to be weathertight, and rodent proof. Roof coverings shall be maintained in good condition. All new roofs must be installed in accordance with the Louisiana State Residential Building Code.
- (H) There shall be no chimneys or parts thereof which are in danger of falling or in such condition or location as to constitute a fire hazard.
- (I) There shall be no use of the ground for floors or wood floors on the ground.

Sec. 32-149. Basic equipment and facilities.

- (A) *Plumbing system.* The plumbing system of each dwelling or dwelling unit shall conform to the following:
 - (1) Each dwelling unit shall be connected to a potable water supply and to the public sewer or other approved sewage disposal systems.
 - (2) Each dwelling unit shall contain not less than a kitchen sink, lavatory, tub or shower, water closet and an adequate supply of both cold and hot water.
 - (3) All required plumbing fixtures shall be located within the dwelling unit and be accessible to the occupants of the dwelling unit. The water closet and tub or shower shall be located in a room affording privacy to the user.
- (B) *Electrical system.* The electrical system of each dwelling or dwelling unit shall conform to the following:
 - (1) Every dwelling and dwelling unit shall be wired for electric lights and convenience receptacles
 - (2) All fixtures, receptacles, equipment and wiring shall be maintained in a state of good repair, safe, capable of being used without hazard to property or persons.
- (C) *Carbon Monoxide Detectors.* With the issuance of a single-family building permit, carbon monoxide detector(s) shall be required outside of sleeping area of occupied recreational vehicle.

Sec. 32-150. Safe and sanitary maintenance.

- (A) *Exterior foundation, walls and roofs.* Every foundation wall, exterior wall and exterior roof shall be substantially weather tight and rodent proof, shall be kept in sound condition and good repair, shall be capable of affording privacy, shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon. Every exterior wall shall be protected with paint or other protective covering to prevent the entrance or penetration of moisture or the weather.
- (B) All doors leading to the exterior must have an apparatus for opening and closing the door on both sides, a locking mechanism and shall be kept in sound working condition and good repair.
- (C) *Supplied facilities.* Every supplied facility, piece of equipment or utility which is required under this article, shall be so constructed or installed that it will function safely and effectively and shall be maintained in satisfactory condition.

Sec. 32-151. Violations

- (A) *Unlawful Acts.* It shall be unlawful for a person to be in conflict with or in violation of any of the provisions of this code.
- (B) *Notice of violation.* The *code enforcement official* shall serve a notice of violation or order in accordance Section 32-152 of this code.
- (C) *Prosecution of violation.* Any person failing to comply with a notice of violation or order served in accordance with Section 32-152 shall be deemed guilty of a misdemeanor or civil infraction and the violation shall be deemed a *strict liability offense*. If the notice of violation is not complied with, the *code official* shall institute the appropriate proceeding at law or in equity to restrain, correct or abate such violation, or to require the removal or termination of the unlawful *occupancy* of the structure in violation of the provisions of this code or of the order or direction made pursuant thereto. Any action taken by the authority having jurisdiction on such *premises* shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.
- (D) *Violation penalties.* Any person who shall violate a provision of this code, or fail to comply therewith, or with any of the requirements thereof, shall be prosecuted within the limits provided by state or local laws. Each day that a violation continues after due notice has been served shall be deemed a separate offense and shall be punished as provided in section 1-13.
- (E) *Abatement of violation.* The imposition of the penalties herein prescribed shall not preclude the legal officer of the jurisdiction from instituting appropriate action to restrain, correct or abate a violation, or to prevent illegal *occupancy* of a building, structure or *premises*, or to stop an illegal act, conduct, business or utilization of the building, structure or *premises*.

Sec. 32-152. NOTICES AND ORDERS

- (A) *Notice to person responsible.* Whenever the *code official* determines that there has been a violation of this code or has grounds to believe that a violation has occurred, notice shall be given to the person responsible for the violation as specified in this code.
- (B) *Form.* Such notice prescribed in Section 32-151 shall be in accordance with all of the following:
1. Be in writing.
 2. Include a description of the real estate sufficient for identification.
 3. Include a statement of the violation or violations and why the notice is being issued.
 4. Include a correction order allowing a reasonable time of 30 days to make the repairs and improvements required to bring the dwelling unit or structure into compliance with the provisions of this code.
 5. Include a statement of legal action.
 6. Inform the property owner of the right to appeal.
 7. If no resolution has been completed within the time indicated in notification, code officer will notify the district council representee to add to council agenda to proceed with legal action.
- (C) *Method of service.* Such notice shall be deemed to be properly served if a copy thereof is:
1. Delivered personally;
 2. Sent by certified or first-class mail addressed to the last known Address as shown by the most recent tax assessment; or
 3. If the notice is returned showing that the letter was not delivered, a copy thereof shall be posted in a conspicuous place in or about the structure affected by such notice.
- (D) *Council Action.* If no resolve has been accomplished through the code enforcement action, the Parish Council shall proceed with legal action. The Council shall vote to give legal counsel the authority to serve said offender and proceed with court proceedings.
- (E) *Unauthorized tampering.* Signs, tags or seals posted or affixed by the *code official* shall not be mutilated, destroyed or tampered with, or removed without authorization from the code official.
- (F) *Penalties.* Penalties for noncompliance with orders and notices shall be as set forth in Section 32-151.
- (G) *Transfer of ownership.* It shall be unlawful for the owner of any dwelling unit or structure who has received a compliance order or upon whom a notice of violation has been served to sell, transfer, mortgage, lease or otherwise dispose of such dwelling unit or structure to another until the provisions of the compliance order or notice of violation have been complied with, or until such owner shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation issued by the code official and shall furnish to the code official a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.
- (H) *Transfer of electrical utilities.* The issuance of an electrical utility permit shall not be issued until all deficiencies have been corrected in concurrence with the issued compliance order.

BE IT FURTHER ORDAINED that this ordinance shall become effective immediately upon signature of the Parish President and all previous ordinances in conflict with said ordinance are hereby repealed.

T.P. RESOLUTION NO. R22-20

A Resolution granting approval to Gravity Drainage District No. 4 of Tangipahoa Parish, Louisiana (the “*District*”), to call and hold an election on Saturday, December 10, 2022, to authorize the renewal of the levy and collection of (i) a 3.0 mills ad valorem tax for a period of ten (10) years, beginning with the year 2023 and ending with the year 2032, for the purpose of maintaining, constructing and improving gravity drainage works within the territorial limits of the District, title to which shall be in the public, and (ii) a 2.0 mills ad valorem tax for a period of five (5) years, beginning with the year 2023 and ending with the year 2027, for the following purposes: one-half shall be for the purpose of maintaining and operating gravity drainage works in the District, and the other one-half shall be for the purpose of constructing gravity drainage works in the District, title to which shall be in the public; and further providing for other matters in connection therewith.

WHEREAS, Gravity Drainage District No. 4 of Tangipahoa Parish, Louisiana (the “*District*”) adopted a Resolution on August 15, 2022, ordering and calling a special election to be held in the District on Saturday, December 10, 2022, to authorize the renewal of the levy and collection of (i) a 3.0 mills ad valorem tax for a period of ten (10) years, beginning with the year 2023 and ending with the year 2032, for the purpose of maintaining, constructing and improving gravity drainage works within the territorial limits of the District, title to which shall be in the public, and (ii) a 2.0 mills ad valorem tax for a period of five (5) years, beginning with the year 2023 and ending with the year 2027, for the following purposes: one-half shall be for the purpose of maintaining and operating gravity drainage works in the District, and the other one-half shall be for the purpose of constructing gravity drainage works in the District, title to which shall be in the public (the “*Taxes*”), all in the manner conferred by Article VI, Sections 30 and 32 of the Constitution of the State of Louisiana of 1974, as amended, La. R.S. 38:1902 and the applicable provisions of Chapters 6 and 6-A of Title 18 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority (the “*District Resolution*”), a copy of which is on file with the Parish Council of the Parish of Tangipahoa, State of Louisiana, as governing authority of the Parish of Tangipahoa, State of Louisiana (the “*Parish Council*”);

WHEREAS, the District has made application to the Parish Council for approval to call and hold such election on Saturday, December 10, 2022, as more fully set forth in the District Resolution;

WHEREAS, Article VI, Section 15 of the Louisiana Constitution of 1974, as amended, and Section 1415 of Title 33 of the Louisiana Revised Statutes of 1950, as amended, grants power to the Parish Council to approve any proposal submitted by the District to levy taxes;

NOW, THEREFORE, BE IT RESOLVED by the Parish Council, as the governing authority of the Parish of Tangipahoa, State of Louisiana, that:

SECTION 1. Pursuant to a request submitted to this Parish Council by the District, approval is hereby granted to the District to call and hold an election on Saturday, December 10, 2022, to authorize the renewal of the levy and collection of (i) a 3.0 mills ad valorem tax for a period of ten (10) years, beginning with the year 2023 and ending with the year 2032, for the purpose of maintaining, constructing and improving gravity drainage works within the territorial limits of the District, title to which shall be in the public, and (ii) a 2.0 mills ad valorem tax for a period of five (5) years, beginning with the year 2023 and ending with the year 2027, for the following purposes: one-half shall be for the purpose of maintaining and operating gravity drainage works in the District, and the other one-half shall be for the purpose of constructing gravity drainage works in the District, title to which shall be in the public (the “*Taxes*”), in the manner conferred Article VI, Sections 30 and 32 of the Constitution of the State of Louisiana of 1974, as amended, La. R.S. 38:1902 and the applicable provisions of Chapters 6 and 6-A of Title 18 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority and as more fully set forth in the District Resolution.

SECTION 2. In the event the foregoing propositions pass, approval, consent and authority are hereby granted to the District to levy and collect the Taxes described in Section 1 hereof.

SECTION 3. This approval is granted in compliance with the provisions of Article VI, Section 15 of the Louisiana Constitution of 1974, as amended, and Section 1415 of Title 33 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 4. This Resolution shall take effect immediately.

STATE OF LOUISIANA
PARISH OF TANGIPAHOA

I, the undersigned Clerk of the Parish Council of the Parish of Tangipahoa, State of Louisiana (the "*Parish*") do hereby certify that the foregoing constitutes a true and correct copy of a Resolution adopted by the Parish Council on August 22, 2022, granting approval to Gravity Drainage District No. 4 of Tangipahoa Parish, Louisiana (the "*District*"), to call and hold an election on Saturday, December 10, 2022, to authorize the renewal of the levy and collection of (i) a 3.0 mills ad valorem tax for a period of ten (10) years, beginning with the year 2023 and ending with the year 2032, for the purpose of maintaining, constructing and improving gravity drainage works within the territorial limits of the District, title to which shall be in the public, and (ii) a 2.0 mills ad valorem tax for a period of five (5) years, beginning with the year 2023 and ending with the year 2027, for the following purposes: one-half shall be for the purpose of maintaining and operating gravity drainage works in the District, and the other one-half shall be for the purpose of constructing gravity drainage works in the District, title to which shall be in the public; and further providing for other matters in connection therewith.

I further certify that this Resolution has not been amended or rescinded.

IN FAITH WHEREOF, witness my official signature and the impress of the official seal of said Parish Council of the Parish of Tangipahoa, State of Louisiana on this 22nd day of August, 2022.

Jill DeSouge, Council Clerk
Tangipahoa Parish Council

(SEAL)

T. P. RESOLUTION NO. R22-21

**A RESOLUTION OF SUPPORT BY THE TANGIPAHOA PARISH COUNCIL-PRESIDENT
GOVERNMENT FOR ECONOMIC DEVELOPMENT PROJECT IN DISTRICT 8**

WHEREAS, the Parish of Tangipahoa works to attract high-quality businesses to locate in Tangipahoa as part of the parish’s overall Economic Development plan and strategy, thereby creating quality jobs with above average wages plus benefits and attracting significant capital investment to and in the parish.

WHEREAS, Niagara Bottling, LLC is currently in the site selection process for a new food and beverage manufacturing and distribution facility and Tangipahoa parish is competing with a neighboring parish that is also being considered as a potential location for the new facility.

WHEREAS, Niagara Bottling, LLC will be creating scores of career-oriented high-quality good paying jobs with benefits and additionally will be investing millions of capital dollars and creating a significant number of new construction jobs in the building of a new food and beverage manufacturing and distribution facility and related infrastructure.

BE IT FURTHER RESOLVED, that the Tangipahoa Parish Council hereby resolves that the Parish endorse and fully support Niagara Bottling, LLC’s new food and beverage manufacturing and distribution project to facilitate the selection of Tangipahoa parish as the site of the new facility.

On motion by __ and seconded by __, the foregoing resolution was hereby declared adopted on this the 22nd day of August, 2022 by the following roll-call vote:
