RE: Overlay Program #2 FY 2019

President Miller:

Upon review of the bids received on May 30, 2019 for the captioned project, I find the apparent low bid of \$595,355.44 bid submitted by Diamond B Construction. Our construction estimate for this project was \$454,227.02. The apparent low bid is approximately thirty-one percent (31%) over our construction estimate. For this reason, I recommend we reject all bids for this project. Additionally, I recommend we re-advertise this project as soon as possible.

Sincerely,

Kiley F. Bates, P.E.
Parish Engineer

ROBBY MILLER
PARISH PRESIDENT

May 17, 2019

To: Tangipahoa Parish Council

Re: Requesting the abandonment of Leo Lane Bridge

The Leo Lane Bridge was completely destroyed during the floods of 2016. The bridge served as a crossing for a single home located on the opposite side of Cline Branch. A decision was made to purchase the home and property in lieu of replacing the bridge. Leo Lane is a gravel road and is 670 feet in length that serves as an access to two homes.

I am requesting council approval to abandon Leo Lane bridge so that the former bridge structure can be removed from the parish's bridge inventory and DOTD records.
