

SPECIAL CALL MEETING
MUNICIPAL MINUTES CITY OF TUPELO
STATE OF MISSISSIPPI
FEBRUARY 22, 2021

Be it remembered that a regular meeting of the Tupelo City Council was scheduled to be held in the Council Chambers in the City Hall building on Tuesday, February 16, 2021, at 6:00 p.m. Due to winter weather, the regular meeting was cancelled and a special meeting of the Tupelo City Council was called to be held in the Council Chambers in the City Hall building on Monday, February 22, 2021, at 2:00 p.m. with the following in attendance: Council members Markel Whittington, Lynn Bryan, Travis Beard, Nettie Davis, Buddy Palmer, Mike Bryan and Willie Jennings; Attorney Ben Logan and Missy Shelton, Clerk of the Council.

Councilman Lynn Bryan led the invocation, and Councilwoman Nettie Davis led the pledge of allegiance.

President Mike Bryan called the meeting to order at 2:00 PM.

CONFIRMATION OR AMENDMENT TO THE AGENDA AND AGENDA ORDER

Councilman Palmer moved, seconded by Councilman Whittington, to confirm the agenda and agenda order, with the follow change:

ADD: Item #7 Ratify Proclamation of Local Emergency

The vote was unanimous in favor.

PROCLAMATIONS, RECOGNITIONS AND REPORTS AGENDA

PUBLIC RECOGNITION

Councilwoman Nettie Davis asked for prayers for the Norwood family. She also asked that everyone remember the family of Barbara Ivy. Mrs. Ivy was the wife of Lee County Supervisor, Tommy Ivy.

Councilman Travis Beard thanked the administration and all the workers of the City of Tupelo for all their hard work during the winter storm. He also extended his condolences to the Ivy family.

Councilman Markel Whittington also thanked the various departments who were heavily involved in the work during the winter storm. He specifically mentioned Administration, Public Works, Park and Recreation and Tupelo Water & Light.

Councilman Buddy Palmer thanked Public Works, Tupelo Water & Light and the Police Department for all the hard work and the help administered during the winter storm. He also mentioned the family of David Puckett.

Councilman Willie Jennings thanked all the city departments for their work during the winter storm and the quick responses when he called them. He reminded everyone to get the COVID vaccine as soon as possible.

Councilman Mike Bryan thanked the City for their quick response to the winter storm and for all the preparedness that the City showed.

MAYOR'S REMARKS

Mayor Jason Shelton thanked all the departments for the team effort in the response of the winter storm. He also thanked the Council for all the support they give. He thanked the legal team and the administration in the quick response of the emergency declaration. He echoed the Council with his sympathies for the Logan, Norwood, Ivy and Puckett families. He reminded everyone that, if possible, they should take the COVID vaccine because this is the best hope of getting back to normal.

ROUTINE AGENDA

IN THE MATTER OF MINUTES OF REGULAR CITY COUNCIL MEETING ON FEBRUARY 5, 2021

Councilwoman Davis moved, seconded by Councilman Beard, to approve the minutes of the regular Council meeting of February 5, 2021. The vote was unanimous in favor.

IN THE MATTER OF BILL PAY

Bills were reviewed at 2:00 p.m. by Council members: Markel Whittington, Nettie Davis, Travis Beard, Willie Jennings, and Buddy Palmer; and Accounts Payable Clerk Traci Dillard. Councilman Jennings moved, seconded by Councilman Palmer, to approve the payment of the checks, bills, claims and utility adjustments. The vote was unanimous in favor. APPENDIX A

TUPELO PLANNING COMMITTEE
February 1, 2021**

CALL TO ORDER

Chairperson Ms. Leslie Mart called the meeting to order. Ms. Patti Thompson, Mr. Scott Davis, Mr. Gus Hildenbrand, Mr. Jimmy Swann, Mr. Bill Smith, and Development Services staff members Pat Falkner and Marilyn Vail were in person. Ms. Mart, Ms. Pam Hadley, and Mr. Lindsey Leake were present using Zoom.

Chairperson Mart asked Ms. Pam Hadley to open with a prayer and Mr. Jimmy Swann to lead the pledge of allegiance.

REVIEW OF DECEMBER 21, 2020 MINUTES

Chairperson Mart asked the group if they had reviewed the minutes of the last meeting. Mr. Leake made a motion to approve the minutes as written and Ms. Thompson seconded. The motion carried and the minutes were approved.

REPORT ON COUNCIL ACTIONS

Mr. Falkner reported that the December 6 and December 21 actions would be on the City Council agenda for approval on February 2.

NEW BUSINESS

MAJSUB 21-01: Wellstone 77 lot residential subdivision proposed by JTM LLC, located off Purnell Road.

Mr. Falkner presented the application, noting that the Development Code does not require a public hearing on subdivisions. He reported that the plat as submitted met the design standards for the Medium Density zoning district, but that the lots were in fact comparable in area and width to those in Low Density districts. He mentioned that the plat reflects the required sidewalks on internal streets, but that no sidewalk was required on the Purnell Road frontage due to there being no existing sidewalk to connect to within over a mile. It was also discussed that due to the limited street frontage of the site only one point of access was feasible. Mr. Falkner noted that the developer considered making a secondary street connection to the Lake Circle subdivision to south, but that this option was not pursued based on staff and applicant agreement that it would be likely to have more negative results than positive.

Ms. Mart asked if the city engineer had assessed the impact of potential traffic. Mr. Falkner said that the engineer was consulted, and had determined that the 77 residential lots would

not generate the number of daily trips to require a formal traffic study. He also observed that traffic to and from the proposed development would probably affect Purnell Road primarily, with some diverting north via Walsh Road. Ms. Mart asked if the city had a process to consider the cumulative effect of adding residential traffic to streets like Purnell Road that were originally two lane country roads. Mr. Falkner reported that this was monitored by the Public Works department who would be responsible for recommending any street capacity improvements.

Ms. Mart asked about the landscape area at the entrance to the development. Mr. Falkner explained that this area was included in the open space requirement but that the city did not have required planting standards for entrance areas. He went on to explain that with the other two open space tracts shown on the plat, the project was slightly under the required 10% open space requirement, but that the shortfall was within the scope of administrative adjustment. He also pointed out that the two interior open spaces did have pedestrian access easements shown, so that all of the lots were within the required 2,600 foot walking distance of one of the open space areas.

Ms. Mart asked about drainage plans. Mr. Falkner answered that these would be included in the construction plans which would be submitted after council action.

Mr. Davis made a motion to approve the application. Mr. Hildenbrand seconded the motion which was passed with Davis, Hildenbrand, Thompson, Swann, Smith, Mart, and Hadley voting in favor and Mr. Leake abstaining.

Mr. Falkner reported that there were no applications in the office for March.

The meeting was adjourned on a motion by Mrs. Thompson, seconded by Mr. Hildenbrand.

The Committee adjourned the meeting.

Lynn Fitch
ATTORNEY GENERAL

Mississippi Internet Crimes Against Children Memorandum of Understanding

Parties

The Mississippi Attorney General's Office is the recipient of a United States Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) grant to enforce laws regarding Internet Crimes Against Children (ICAC), and the Mississippi Attorney General's Office utilizes this grant to administer and operate the Mississippi ICAC Task Force.

This Memorandum of Understanding (MOU) is entered into by the Mississippi Attorney General's Office and the Tupelo Police Department acting through its duly authorized representative.

Overview/Mission Statement

OJJDP has created the ICAC Task Force Program, which is a national network of state and local law enforcement cyber crime units. The national ICAC program assists state and local law enforcement agencies to develop an effective response to cyber enticement and child pornography cases. This help encompasses investigative and forensic components, training and technical assistance, victim services, and community education. Due in large part to the technological aspects of these cases, the ICAC Task Force Program promotes a multi-jurisdictional, multi-agency, team approach to investigating and prosecuting ICAC cases.

The mission of the Mississippi ICAC Task Force therefore is to:

1. properly investigate and prosecute those who sexually exploit children through the use of the Internet and/or computers;
2. provide training and equipment to those involved in investigating and prosecuting ICAC cases and;
3. provide community education regarding the prevention of ICAC.

Purpose

The purpose of this MOU is to formalize the working relationship between the Tupelo Police Department and the Mississippi Attorney General's Office and the Mississippi ICAC Task Force, as well as to delineate the responsibilities and expectations of the relevant parties. By signing this MOU, Tupelo Police

Department agrees to join the ICAC Task Force for the primary purpose of vigorously and properly investigating ICAC cases. By joining this Task Force, Tupelo Police Department will benefit from grant resources, joint operations, and extensive training opportunities. By entering into this MOU, the Mississippi Attorney General's Office will benefit from investigative support from Affiliate Agency.

Investigations

All ICAC investigations will be conducted by sworn law enforcement investigators and in the spirit of cooperation with other ICAC task force members. Investigations will follow guidelines established by each agency's respective policy manual or guidelines. However, ICAC investigations shall also be governed by the national ICAC programs Operational and Investigative Standards (attached). Violation of the ICAC operational standards is cause for cancellation of this MOU. This MOU is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in Task Force investigations are not in the best interest of the Task Force.

Tupelo Police Department will:

Agree to use only sworn Tupelo Police Department law enforcement personnel to conduct undercover ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC training prior to initiating proactive investigations. Reports of all undercover and enforcement activity shall be made monthly to the Mississippi Attorney General's Office.

Agree to conduct reactive investigations where subjects are associated with Tupelo Police Department jurisdiction, including investigations of child pornography CyberTip referrals from the National Center for Missing and Exploited Children (NCMEC), Internet Service Provider and law enforcement referrals, and other ICAC-related investigations. Additional case initiations may develop from subject interviews, documented public sources, direct observations of suspicious behavior, public complaints, etc.

Agree to record and document all undercover online activity. Any deviations from this policy due to unusual circumstances shall be documented in the relevant case file and reviewed by the ICAC Task Force Program Manager.

Agree to provide agents assigned to the Task Force access to all ICAC investigative files including, without limitation, computer records, in order to ensure compliance with all national ICAC standards.

Agree to locate its ICAC investigators in secured space provided by Tupelo Police Department, with controlled access to all equipment, software, and investigative files. At a minimum, information should be maintained in locked cabinets and

under the control of Tupelo Police Department ICAC Task Force personnel, with restricted access to authorized personnel only.

Agree to conduct education and prevention programs to foster awareness and provide practical, relevant guidance to children, parents, educators, librarians, the business and law enforcement communities, and other individuals concerned about Internet child safety issues. Presenters shall not discuss ongoing investigative techniques and undercover operations utilized by the ICAC Task Force, its affiliate agencies or the national ICAC Program.

Agree to accept ownership and be responsible for proper maintenance and use of any equipment purchased with OJJDP Grant funds and provided to Affiliate Agency by the Mississippi Attorney General's Office, based on the attached executed equipment transfer form. Upon termination of this MOU, ownership of equipment, hardware, and other non-expendable items will revert to the Mississippi Attorney General's Office.

Supervision

Tupelo Police Department will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its officers and agents assigned to the Task Force. ICAC investigations are a cooperative effort and investigative decisions will be a joint process guided by ICAC standards.

Liability

Tupelo Police Department is responsible and liable for the acts and omissions of its own officers, agents or employees in connection with the performance of their official duties under this MOU. For tort liability purposes, no participating agency shall be considered the agent of other participating agencies. Each participating agency shall be liable (if at all) only for the torts of its own officers, agents or employees that occur within the scope of their official duties.

Reporting Statistics

Using a form, or process provided by the Mississippi Attorney General's Office, Tupelo Police Department shall submit monthly statistics to the Mississippi Attorney General's Office on all ICAC investigations or other investigative work pertaining to the sexual exploitation of children via the Internet. These statistics shall be submitted in the appropriate format by the 10th day of each month, and shall include data on all related investigations opened or closed during the month, as well as forensic examinations, technical/investigative assistance provided to other agencies, subpoenas and court orders issued, training hours attended and taught, and community outreach provided.

In addition, a breakdown of basic case data shall be included for each sexual exploitation of a minor (child pornography) case, and/or criminal solicitation of a minor (enticement/traveler) case investigated by Tupelo Police Department. The Mississippi Attorney General's Office will then be responsible for all required reporting to OJJDP.

Training

Tupelo Police Department shall make investigators designated as Task Force members available for applicable specialized training provided through the national ICAC program and other appropriate training programs. The Mississippi Attorney General's Office will review training requests and provide funding for ICAC-approved training when appropriate. Funding under this MOU is limited to the available funds that are received by the Mississippi Attorney General's Office under the OJJDP Grant program for the national ICAC program.

Confidentiality

Tupelo Police Department agrees that any confidential information pertaining to investigations of Internet Crimes Against Children will be held in the strictest confidence and will only be shared with participating ICAC Task Force members or other law enforcement agencies where necessary or as otherwise permitted by federal and/or state law.

Effective Date

This agreement shall be effective on 22nd day of February, 2021 and shall continue until such time as federal funding for the ICAC Task Force ends or the agreement is canceled by either party upon 30 days written notice delivered to both agency directors.

Entered into this 22nd day of February, 2021.

PROCLAMATION OF LOCAL EMERGENCY

WHEREAS, conditions of extreme peril to the safety and property have arisen within the City of Tupelo, Mississippi, arising from a winter storm and extremely cold conditions commencing at approximately 12:01 a.m./p.m., FEBRUARY 14, 2021; and

WHEREAS, the aforesaid conditions of extreme peril warrant and necessitate the proclamation of the existence of a local emergency and the declaration of property located in the City of Tupelo, Mississippi, as a disaster area; and

WHEREAS, the Mayor of the city wishes to designate Chief Thomas Walker, Tupelo Fire Department, to serve as and administer the disaster response and management effort in accordance with the established emergency and disaster plan of the city; and

WHEREAS, the Mayor for the city wishes to designate Chief Operations Officer Don Lewis, to administer the relief effort as of 12:01 a.m./p.m. on FEBRUARY 14, 2021 in accordance with the established emergency and disaster plan of the city; and

THEREFORE BE IT PROCLAIMED:

1. Pursuant to the provisions of Miss. Code Anno. Sec 33-15-17(d) (1972 as amended), it is hereby proclaimed that a state of local emergency exists throughout the City of Tupelo, Mississippi, and the areas encompassed by the boundaries of the City of Tupelo are hereby declared a disaster area, beginning 12:01 PM 2-14-21.
2. Said local emergency and disaster area are deemed to continue to exist until reviewed and either approved or disapproved by City Council of the City of Tupelo at its next regular meeting.
3. Chief Thomas Walker or his designee, TFD, is hereby designated to serve as, and administer the disaster response and management plan officer.
4. Chief Operations Officer Don Lewis, is hereby designated at the city's disaster relief officer as of 12:01 a.m./p.m. on FEBRUARY 14, 2021.

SO PROCLAIMED BY THE MAYOR OF THE CITY OF TUPELO, this, the 14th day of FEBRUARY, 2021.

Jason Shelton, Mayor

ATTEST:

Kim Hanna, CFO/City Clerk
