On behalf of the American Legion Post 87 Wharton Tx. We are requesting to relinquish our lease back to the City of Wharton. We have made the decision to do so as a group. We are not getting the rentals like we, use to and our members are getting older. As I am the youngest one of all the members at this time. It is also getting harder to maintain as there are only a few of us that are able to do so. We are again asking to relinquish our lease back to the City of Wharton for the Building at the address 221 Croom Dr Wharton Tx.

The deadline to apply is Wednesday, May 15, 2024. There is not a specific location for the placement of the sign but the request was that it would be in a prominent place where it could be seen and read since the purpose is educational. The Texas Historical Commission board will review marker applications in July and will provide an outcome in August. It could be an additional year before the marker would arrive. The expense for the application and marker would be paid by Ms. Annette Harris Scott, a direct descendant of John Harris, who donated the property for the park. The only cost for the City would be to have City Staff install the marker.</p> <p>Ms. Blair and Ms. Kay Robinson will be present to answer any questions.</p>

Mr. Tim Barker, Mayor
City of Wharton
120 East Caney Street
Wharton, TX 77488

Dear Mayor Barker:

About two weeks ago a lady named Kay Robinson called City Hall to ask about the history of Harris Park here in Wharton. Lynette Masek referred her to me, and I called Kay and told her what I knew, promising to learn more from people I knew would be more knowledgeable than me. She wondered if the park was eligible for a state historical marker.

Since then we have managed to gather enough historical information to substantiate a state historical marker application through the Texas Historical Commission. The application window closes on May 15, and we now need your signature indicating the city's approval to place the marker somewhere on the grounds of Harris Park, assuming the application is approved. This signature is required as part of the application.

We hope you will view this request favorably. The city will incur no expense, other than having to pay someone to install the marker, as the descendants of John Harris, who donated the 20 acres for the purpose of creating a park for Black children, will pay for it, as well as the application fee.

Thank you in advance for favorably considering this request.

Sincerely,

Patricia M. Blair, Chair

SUBJECT MARKERS

Purpose

Subject markers are educational in nature and reveal aspects of local history important to a community or region. These markers honor topics such as schools, communities, businesses, events and individuals. Subject markers are placed at sites that have historical associations with the topics, but no legal restriction is placed on the use of the property or site, although the THC must be notified if the marker is ever to be relocated.

Criteria

1. **Age:** Most topics marked with subject markers must date back at least 50 years, although historic events may be marked after 30 years, and individuals of historic importance may be marked, or may be mentioned in a historical marker text, after they have been deceased 10 years. The THC may waive age requirements for topics of overwhelming state or national importance, although exceptions are rarely granted and the burden of proof for all claims and documentation is the responsibility of the narrative author.
2. **Historical significance:** A topic is considered to have historical significance if it had influence, effect or impact on the course of history or cultural development; age alone does not determine significance.

APPLICATION PROCEDURES

Any individual, group or county historical commission (CHC) may apply to the THC to request an Official Texas Historical Marker for what it deems a worthy topic. Only complete marker applications that contain all the required elements can be accepted or processed by the THC. For subject markers, the required elements are sponsorship application form, 5-10 page narrative history and documentation.

- Completed applications must be duly reviewed, verified and approved by the CHC in the county in which the marker will be placed.
- The sponsorship application form, 5-10 page narrative history and documentation must be in the form of Microsoft Word or Word-compatible documents and submitted by email attachments to the THC from the CHC no later than 2 p.m. CDT, May 15, 2024. Paper copies of applications, whether mailed or delivered in person, cannot be accepted in lieu of the electronic version. THC email accepts mail no larger than 10 MB. You may split the application and materials into separate emails. Please note this in the email subject line. (Ex. Post Oak Co., Smith House, Email 1 of 3, etc.)
- Proposed marker topic must be given on the application. The THC will determine the official title should the application be approved.
- For markers without posts, the CHC must receive prior approval from the THC for the planned placement. Such prior approval is based on the following:
 - Submittal of a detailed plan for where the marker will be mounted, including the surface to which it will be placed (masonry, metal, wood); and
 - A statement of why a marker with a post is not feasible or preferred.
- Required font style and type size are a Times variant and 12-point.
- Narrative histories must be 5-10 pages typed in a double-spaced (or 1.5-spaced) format and include separate sections on context, overview and significance. Approved marker topics

have their inscriptions written based on the narrative submitted. The majority of the narrative must be solely about the marker topic.

- The narrative history must include documentation in the form of reference notes, which can be either footnotes, endnotes or parenthetical citations. Documentation associated with applications should be broad-based and demonstrate a survey of available resources, both primary and secondary.
- **The CHC or Marker Chair will forward the application and 5-10 page narrative history to markers@thc.texas.gov.** An email confirming receipt of your application will be sent to both the CHC and the Sponsor listed on the application. Be sure to check your junk mail box. If you do not receive confirmation from the THC Marker Team within five business days of sending your application, please contact our office.
- Once the CHC sends in the application, the sponsor mails the Marker Application Fee Invoice (Attachment B) and a \$100 payment to the THC mailing address noted on the Sponsor Fee Invoice postmarked by 2 p.m. CDT, May 15, 2024. Payment of the application fee does not guarantee approval of the historical marker and this fee is non-refundable.
- A copy or scan of proof of current ownership is required to verify the property owner information listed on the application (Attachment A), due by 2 p.m. CDT, May 15, 2024, unless the marker will be placed on a TxDOT right-of-way. You may access this information through county appraisal or tax records.
- **Marker application and supplemental materials must be submitted between March 1st and 2 p.m. CDT May 15th. Applications will not be considered for approval if received before or after the open marker application period of March 1 – 2 p.m. CDT, May 15, 2024.**

Once marker applications have passed preliminary review and the application fee and signed proof of property ownership have been received by THC, the application will be scored to determine whether the marker will be submitted to the Commissioners of the THC for final approval.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On October 23, 2023 (the “Creation Date”) the City Council (the “City Council”) of the City of Wharton, Texas (the “City”) passed and approved Resolution No. 2023-88 approving and authorizing the creation of the Wharton Public Improvement District No. 2 (the “PID”) to finance the costs of certain public improvements for the benefit of property in such public improvement district (the “Authorized Improvements”), all of which was located within the extraterritorial jurisdiction of the City at the time the PID was created.

The property in the PID is proposed to be developed in multiple phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the property in each phase for the public improvements to be constructed for the benefit of that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Wharton Public Improvement District No. 2 Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Roll for the PID is included as Appendix F of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

IV. SERVICE PLAN

A. PROJECTED SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. It is anticipated that the Major Improvements will be completed and accepted by the City in the 2nd quarter of 2024. It is anticipated that the Phase #1 Improvements will be completed and accepted by the City in the 2nd quarter of 2024. At some point after all or a portion of the Phase #1 Improvements are constructed, phase #2 will begin development, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The Budgeted Costs for Phase #1 Projects and expenses incurred in the establishment, administration, and operation of the PID is \$4,866,274 as shown in Table IV-A. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds and/or the execution of a related reimbursement agreement, this Service and Assessment Plan will be amended (e.g. Table IV-A.2 will be added for Phase #2, etc.).

Table IV-A shows the projected sources and uses for Phase #1 Projects. Tables in this Section may be rounded to the nearest whole dollar.

Bonds may be issued in the future; and, to the extent provided by law, the proceeds from the Bonds will be used to reimburse certain Actual Costs paid by the Developer under the terms of the Phase #1 Reimbursement Agreement and/or to pay any unpaid Actual Costs of the Authorized Improvements required to be paid under the Phase #1 Reimbursement Agreement. In the event the financing capacity of the PID is reduced by appraisals, bond underwriting standards, interest rates, etc. the Assessments will be reduced to match the actual amount of PID Bonds to be issued for Phase #1.

As Future Phases are developed, additional Phased PID Bonds may be issued and/or related reimbursement agreements executed to finance the Authorized Improvements required for each new phase. Phased PID Bonds may also be issued and/or reimbursement agreements executed in one or more series.

B. PROJECTED FIVE YEAR SERVICE PLAN

The annual projected costs and annual projected indebtedness is shown by Table IV-B. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Phase #1 Projects shown in Table III-B, and the costs associated with setting up the PID. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

As Future Phases are developed, in association with issuing Phased PID Bonds and/ or execution of a reimbursement agreement for each Future Phase, a Table IV-C will be added to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and/or reimbursement agreements and the projected indebtedness resulting from each additional series of the Phases PID Bonds and/or reimbursement agreements.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code. The “PID Assessment Notice” is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

(remainder of this page is intentionally left blank)

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed Authorized Improvement program anticipates reimbursement agreements potentially followed by a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the execution of the Phase #1 Reimbursement Agreement subsequent financings may be issued and/or executed over the upcoming decade as the subsequent phases (Phase #2 and Phase #3) of the development are gradually constructed.

The purpose of this gradual levy of assessment and related execution of a reimbursement agreement and/or issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The levy of Assessments and related execution of a reimbursement agreement and/or issuance of bonds are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds and/or execute the reimbursement agreement when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds and/or execution of a reimbursement agreement for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements, if necessary, can be reimbursed by a subsequent parity lien bond financing, secured by the same Assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Phase #1 Improvements shall be allocated as described below:

1. The Budgeted Costs of the Phase #1 Projects are allocated to the Phase #1 Assessed Property on the basis of Equivalent Units calculated using the average home price of each Lot Type once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken in to consideration: (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home prices provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the improvements.
3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued and/or reimbursement agreement executed with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds and/or reimbursement agreements executed, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Phase #1 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special

benefit of the Phase #1 Improvements, to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds and/or execution of reimbursement agreement this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These Authorized Improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in

Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF COSTS TO ASSESSED PROPERTY

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the Budgeted Costs of the Major Improvements must be allocated throughout all Assessed Property in the PID. Table V-A summarizes the allocation of Actual Costs for each type of Major Improvement to Phase #1 and the Future Phases. The Budgeted Costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 99 single family residential units, and the Major Improvement Area is projected to contain 233 single family residential units. As shown in Appendix D, the total projected Equivalent Units for Phase #1 is calculated as 97.08, and the total projected Equivalent Units for the Major Improvement Area is calculated as 227.48. As a result, 42.68 percent of the Budgeted Costs of the Major Improvements (i.e. $97.08 \div 227.48 = 42.68\%$) are allocated to the Phase #1 Assessed Property, and 57.32 percent of the Budgeted Costs of the Major Improvements (i.e., $130.40 \div 227.48 = 57.32\%$) are allocated to Future Phases. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property. The Phase #1 Reimbursement Agreement will fund the Budgeted Costs of the Phase #1 Projects. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property.

Table V-A
Allocation of the Budgeted Costs of the Major Improvements

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for Phase #1

For purpose of this Service and Assessment Plan, the City Council has determined that the Budgeted Costs of the Phase #1 Projects to be financed with the Phase #1 Reimbursement Agreement, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Phase #1 Projects, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Projects is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel of Phase #1 Assessed Property, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for Future Phases

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued and/or a reimbursement agreement, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. ASSESSMENTS

The Assessments for the Phase #1 Reimbursement Agreement are levied on each Parcel or Lot according to the Phase #1 Assessment Roll. The Annual Installments for the Phase #1 Reimbursement Agreement will be collected on the dates and in the amounts shown on the Phase

#1 Assessment Roll, subject to revisions made during an Annual Service Plan Update. Non-Benefited Property will not be subject to any Assessments.

See Appendix D for Assessment per unit, leverage, and estimated tax rate equivalent calculation details.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. ADDITIONAL INTEREST RESERVE

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds, **if and when Bonds are issued**, by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related costs (the “Additional Interest Reserve”). The Additional Interest Reserve shall be funded until it reaches 5.50% of the outstanding Bonds unless otherwise stipulated in the Bond documents. Once the Additional Interest Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture.

H. TIRZ CREDIT

Pursuant to the TIRZ Ordinance, the City has agreed to use TIRZ Revenues representing 50% of the City’s total increments generated from each Parcel to offset a portion of such Parcel’s Assessments (the “TIRZ Annual Credit Amount”). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Annual Credit Amount applicable to the Parcel then on deposit in the TIRZ No. 1 tax increment fund. The TIRZ Annual Credit Amount applicable to each Parcel shall be calculated as described under Section VI of this Service and Assessment Plan.

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected from Phase #1 Assessed Property in an amount sufficient to pay (i) principal and interest on the Phase #1 Reimbursement Agreement and (ii) to pay Administrative Expenses related to the PID. If and when phase # 1 Bonds are issued, the Annual Installments shall include Additional Interest as described in Section V.G. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and TIRZ Annual Credit Amount applicable to the Parcel. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As described in Section V.H., the TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate each Parcel's TIRZ Annual Credit Amount for such Parcel in the following year (i.e., TIRZ Revenues collected in 2025 shall be used to calculate the TIRZ Annual Credit Amount applicable to Annual Installments to be collected in 2026). TIRZ Annual Credit Amounts shall be calculated for those Parcels that are subject to Assessments in the PID. The number of units to be used for the calculation of the TIRZ Annual Credit Amount, if applicable, shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE PHASES

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

C. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

D. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. If at any time the Assessment per Unit on a Parcel exceeds the applicable Phase #1 Maximum Assessment per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Phase #1 Maximum Assessment per Unit calculated in this Service and Assessment Plan.

3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

E. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or the Phase #1 Reimbursement Agreement, respectively, have been completed and Actual Costs for such Authorized Improvements are less than the Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such Bonds and/or the Phase #1 Reimbursement Agreement, respectively, resulting in excess Bond proceeds being available to redeem Bonds and/or a need to reduce the obligation under the Phase #1 Reimbursement Agreement, as the case may be, and such excess Bond proceeds shall be applied to redeem Bonds as provided in the Indenture, or to reduce the obligation under the Phase #1 Reimbursement Agreement, as provided in the Phase #1 Reimbursement Agreement, then the Assessment securing such Bonds and/or Phase #1 Reimbursement Agreement, for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding Bonds and/or obligation under the Phase #1 Reimbursement Agreement, respectively. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds and/or a need to reduce the obligations under the Phase #1 Reimbursement Agreement, respectively, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds and/or repay obligations under the Phase #1 Reimbursement Agreement, respectively, including interest on the Bonds and Administrative Expenses, and, in such event, any such excess bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay obligations under the Phase #1 Reimbursement Agreement, respectively, including interest on the Bonds thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under the Phase #1 Reimbursement Agreement, respectively, is equal to the outstanding principal amount of the Bonds and/or the amounts outstanding under the Phase #1 Reimbursement Agreement, respectively.

F. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.
- (d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Additional Interest Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Phase #1

Each Assessment levied against the Assessed Property for the Authorized Improvements shall be paid with an interest rate of no more than the actual interest rate paid on the Phase #1 Reimbursement Agreement. Interest on the Phase #1 Reimbursement Agreement shall be paid based on an interest rate of 6.36% per annum for years 1 through 5 and 6.36% per annum following the fifth Annual Installment. The interest on the Phase #1 Reimbursement Agreement shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported

in the month prior to the establishment of the Assessments securing such portion of the Phase #1 Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments on the Assessed Property securing the Phase #1 Reimbursement Agreement was 4.36%. The City has determined that the Phase #1 Reimbursement Agreement shall bear interest at the interest rate of 6.36% per annum for years 1 through 5 and 6.36% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 6.36% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 6.36%. Furthermore, the Annual Installments of the Assessments levied against the Assessed Property for the Authorized Improvements may not exceed the amounts shown on the Phase #1 Assessment Roll. The Phase #1 Assessment Roll is shown as Appendix F.

Reduction of Assessments

The Annual Installments shall be reduced to equal the actual costs of repaying the Phase #1 Reimbursement Agreement, the Bonds, if any, and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds, if any, and/or issue additional Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

G. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall consider, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve and any applicable TIRZ Credits. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to

the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

The collection of the first Annual Installment for a Phase #1 Lot or Parcel shall commence upon the earlier of: (i) with tax bills sent the first October after issuance of a series of Bonds, or (ii) September 1, 2025.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

VII. THE ASSESSMENT ROLL

A. PHASE #1 ASSESSMENT ROLL

The City Council has evaluated each Parcel in Phase #1 (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within Phase #1.

The Phase #1 Assessed Property has been assessed for the special benefits conferred upon the property resulting from the Phase #1 Projects. Table VII-A summarizes the \$4,866,274 in special benefit received by the Phase #1 Assessed Property from the Phase #1 Projects, a portion of the costs of the PID formation. The par amount of the Phase #1 Reimbursement Agreement is \$4,333,000, which is less than or equal to the benefit received by the Phase #1 Assessed Property. Accordingly, the total Assessment to be applied to all the Phase #1 Assessed Property is \$4,333,000 plus annual Administrative Expenses. The Assessment for each Phase #1 Assessed Property is calculated based on the allocation methodologies described in Section V.D. The Phase #1 Assessment Roll is attached hereto as Appendix F.

Table VII-A
Phase #1
Special Benefit Summary

Special Benefit	Total Cost
Total Phase #1 Projects¹	\$4,801,274

Special Benefit:	
Total Special Benefit	\$4,866,274
Projected Assessment	\$4,333,000
Excess Benefit	\$533,274

¹ See Table III-B for details.

B. FUTURE PHASES ASSESSMENT ROLL

As Future Phases are developed, this SAP will be amended to determine the Assessment for each Parcel or Lot located within such Future Phase (e.g. an appendix will be added as the Assessment Roll for Future Phase).

C. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phase #1 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once the Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

Appendix D

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of two Lot Types.

“Lot Type 1” means lots identified as such on the Assessment Roll, being lots typically with a Lot width of approximately 45 feet.

“Lot Type 2” means lots identified as such on the Assessment Roll, being lots typically with a Lot width of approximately 40 feet.

A) Proposed Development

The following table shows the proposed residential units to be developed within the PID.

Table D-1
Proposed Development within the PID

Description	Proposed Development	
Lot Type 1 (45 Ft)	95	Units
Lot Type 2 (40 Ft)	138	Units
Total	233	Units

Table D-2 below shows the proposed residential units within Phase #1.

Table D-2
Proposed Development – Phase #1

Description	Proposed Development	
Lot Type 1 (45 Ft)	51	Units
Lot Type 2 (40 Ft)	48	Units
Total	99	Units

Table D-3 below shows the proposed residential units within Future Phases.

Table D-3
Proposed Development – Future Phases

Description	Proposed Development	
Lot Type 1 (45 Ft)	44	Units
Lot Type 2 (40 Ft)	90	Units
Total	134	Units

B) Calculation of Equivalent Units

As explained under Section V, for purpose of this Service and Assessment Plan, the City Council has determined that the Budgeted Costs of the Authorized Improvements to be financed with the Bonds shall be allocated to the Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Plan, the City Council has determined that the Assessments shall be allocated to the Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 45 Ft lots, 40 Ft lots, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (45 Ft Lots) representing the highest value to Lot Type 2 (40 Ft Lot) representing the lowest value for residential lots are set forth in Table D-1. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (45 Ft Lots) to 1.0.

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Value	Equivalent Unit Factor
Lot Type 1 (45 Ft)	\$250,000	1.00 per dwelling unit
Lot Type 2 (40 Ft)	\$240,000	0.96 per dwelling unit

The total Equivalent Units for the PID are shown in Table D-5 as calculated based on the Equivalent Unit factors shown in Table D-4, estimated Lot Types and number of units estimated to be built within the PID.

Table D-5
Equivalent Units- PID

Description	Planned No. of Units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (45 Ft)	95	1.00	95.00
Lot Type 2 (40 Ft)	138	0.96	132.48
Total	233		227.48

The total Equivalent Units for Phase #1 are shown in Table D-6 as calculated based on the Equivalent Unit factors shown in Table D-4, estimated Lot Types and number of units estimated to be built in Phase #1 in the PID.

Table D-6
Equivalent Units- PID

Description	Planned No. of Units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (45 Ft)	51	1.00	51.00
Lot Type 2 (40 Ft)	48	0.96	46.08
Total	99		97.08

C) Allocation of Assessments to Lots within Phase #1

The total amount of the Phase #1 Reimbursement Agreement, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$4,333,000. As shown above, there are a total of 99 residential units, resulting in an Assessment per Unit of \$44,633.29 (i.e. $\$4,333,000 \div 99 = \$44,633.29$).

Table D-7 sets forth the Assessment per dwelling unit within Phase #1.

Table D-7
Assessment Per Unit – Phase #1

Description	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (45 Ft)	51	\$44,633.29	1.00	\$44,633.29 per dwelling unit	\$2,276,298
Lot Type 2 (40 Ft)	48	\$44,633.29	0.96	\$42,847.96 per dwelling unit	\$2,056,702
Total	99				\$4,333,000

The projected leverage calculated based on the estimated land values, finished lot values and home values for each unit is shown in Table D-8 below.

Table D-8
Projected Leverage – Phase #1

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)

Lot Type 2 (40 Ft)	48	\$48,000	\$240,000	\$42,847.96	1.12	5.60

The projected tax rate equivalent per unit based on the estimated finished lot values and home values for each unit is shown in Table D-9.

Table D-9
Estimated Tax Rate Equivalent per unit – Phase #1

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (45 Ft)	51	\$54,000	\$250,000	\$3,693.63	\$6.84	\$1.48
Lot Type 2 (40 Ft)	48	\$48,000	\$240,000	\$3,545.89	\$7.39	\$1.48

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

SECTION 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

SECTION 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the estimated Actual Costs of the Phase #1 Projects (as reflected in the Service and Assessment Plan) and the Administrative Expenses (as reflected in the Service and Assessment Plan) is fair and reasonable, reflects an accurate presentation of the special benefit each assessed parcel of the Phase #1 Assessed Property will receive from the construction of the Phase #1 Projects identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Phase #1 Projects, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended. The Service and Assessment Plan has been reviewed and updated annually;

(c) The Service and Assessment Plan apportions the estimated Actual Costs of the Phase #1 Projects to be assessed against the Phase #1 Assessed Property as Assessments and such apportionment is made on the basis of special benefits accruing to the property because of the Phase #1 Projects;

(d) All of the real property in Phase #1 of the District which is being assessed in the amounts shown in the Phase #1 Assessment Roll will be benefited by the Phase #1 Projects proposed to be constructed as described in the Service and Assessment Plan, and each assessed parcel of Phase #1 Assessed Property will receive special benefits in each year equal to or greater

than each annual installment of the Assessment against such property and will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the estimated Actual Costs of Phase #1 Projects and the Administrative Expenses set forth in the Service and Assessment Plan results in imposing equal shares of the estimated Actual Costs of the Phase #1 Projects and the Administrative Expenses on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the estimated Actual Costs of the Phase #1 Projects and the Administrative Expenses;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Phase #1 Assessment Roll should be approved as the assessment roll for the Phase #1 Assessed Property within the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for Phase #1 of the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

SECTION 3. Service and Assessment Plan.

The Service and Assessment Plan is hereby accepted and approved pursuant to Sections 372.013 and 372.014 of the PID Act as the service and assessment plan for the District.

SECTION 4. Phase #1 Assessment Roll.

The Phase #1 Assessment Roll is hereby accepted and approved pursuant to Section 372.016 of the PID Act as the assessment roll for Phase #1 of the District.

SECTION 5. Levy and Payment of Assessments for Estimated Costs of Phase #1 Projects.

(a) The City Council hereby levies an assessment on each parcel of the Phase #1 Assessed Property (excluding Non-Benefitted Property, as described in the Service and Assessment Plan), as shown and described in the Service and Assessment Plan and the Phase #1

Assessment Roll, in the respective amounts shown on the Phase #1 Assessment Roll, as a special assessment on the properties set forth in the Phase #1 Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of execution of this Ordinance levying the Assessments and strictly in accordance with the terms of the Service and Assessment Plan and the PID Act.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan and the PID Act.

(d) Each Assessment may be paid in a lump sum at any time or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Administrative Expenses for the Phase #1 Assessed Property shall be calculated and collected pursuant to the terms of the Service and Assessment Plan.

SECTION 6. Method of Assessment.

The method of apportioning the estimated Actual Costs of the Phase #1 Projects and the Administrative Expenses is as set forth in the Service and Assessment Plan.

SECTION 7. Penalties and Interest on Delinquent Assessments.

Delinquent Assessments shall be made subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan.

SECTION 8. Prepayment of Assessments.

As provided in Section F of the Service and Assessment Plan, the owner of any Phase #1 Assessed Property subject to an Assessment may prepay the Assessments levied by this Ordinance.

SECTION 9. Lien Priority.

The City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of each parcel of Phase #1 Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments thereof, to constitute covenants that shall run with the land. The Assessments and the Annual Installments thereof which are levied hereby shall be binding upon the Landowners, as the owners of each parcel of Phase #1 Assessed Property, and their respective transferees,

legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. The Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

SECTION 10. Appointment of an Administrator and Collector of Assessments.

a. Appointment of Administrator.

MuniCap, Inc. is hereby appointed and designated to initially serve, or until otherwise determined by the City Council, as the Administrator of the Service and Assessment Plan and of the Assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan, in this Ordinance, and in any contract between the City and the Administrator. The Administrator's fees, charges and expenses for providing such service shall constitute an Administrative Expense.

b. Appointment of Collector.

The Wharton County Tax Assessor/Collector is hereby appointed and designated as the collector of the Assessments.

SECTION 11. Applicability of Tax Code.

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of the Assessments by the City.

SECTION 12. Filing in Land Records.

The City Secretary or the Assistant City Secretary is directed to cause a copy of this Ordinance, including the Service and Assessment Plan and the Phase #1 Assessment Roll, to be recorded in the real property records of Wharton County, not later than the seventh day after the date the City Council adopts this Ordinance approving the Service and Assessment Plan. The City Secretary or the Assistant City Secretary is further directed to similarly file each Annual Service Plan Update approved by the City Council not later than the seventh day after the date that the City Council approves each Annual Service Plan Update.

SECTION 13. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity or

ARTICLE II

DETENTION SERVICES

For the purposes and consideration herein stated and contemplated, Wharton County shall provide the following necessary and appropriate services for City to the maximum extent authorized by this Agreement, without regard to race, religion, color, age, sex, or national origin; to-wit:

3. **MEDICAL SERVICES:** The per-day rate under this Agreement covers only routine medical services such as on-site sick call (when provided by Wharton County or contracted on-site staff) and non-prescriptions, over-the-counter/non-legend and routine drugs and medical supplies. The per-day rate does not cover medical/health care services provided outside of Wharton County's facility or by other than Wharton County facility staff, prescription drugs and treatment, or surgical, optic and dental care, and does not include the costs associated with the hospitalization of any inmate. 4. **OFF-SITE SERVICES:** Police Chief or designee shall be informed of any City inmates receiving emergency medical care, including but not limited to hospitalizations, that results in off-site services as soon as practicable after the service occurs (not more than 1 working day). Wharton County will assist City to monitor utilization of off-site services by providing information about the course of an inmate's care and treatment. City may elect to retake and return to City's physical custody of an inmate to manage costs and utilization of services unless emergency care of the inmate is required

5. **OFF-SITE BILLING:** This Agreement provides Wharton County with the authority to arrange for the off-site provider to bill City for the costs of hospitalization and/or medical care for any City inmate. In the event direct billing is unavailable, City shall reimburse Wharton County in accordance with the terms of this Agreement.
6. **MEDICAL INVOICES:** City shall reimburse Wharton County monthly for health care services and associated expenses for which City is responsible under this section. Wharton County shall provide City with invoices for such costs and agrees not to add additional administrative charges for reimbursed costs.
7. **INMATE MEDICAL REPORT:** Upon request from City, Wharton County will provide an inmate report of health care provided.
8. **TRANSPORTATION AND OFF-SITE SECURITY:** City is solely responsible for the transportation of inmates between the Wharton County Jail and Medical Facilities. 9. **GUARD SERVICE:** Wharton County will provide guard services as requested or required by the circumstances or the law for inmates admitted or committed to an off-site medical facility at the rate of \$35 per hour/per guard. Wharton County shall provide City with invoices for such costs and agrees not to add additional administrative charges for reimbursed costs.
10. **SPECIAL PROGRAMS:** The per-day rate set out in this Agreement covers basic custodial care and supervision and does not include special educational, vocational or other programs provided to inmates in Wharton County's facilities. The parties may contract by written agreement to the provision of special programs.
11. **LOCATION AND OPERATION OF FACILITY:** Wharton County shall provide the detention services described herein at the Wharton County Jail located in Wharton, Texas.
12. **RETURN OF INMATES TO WHARTON:** Upon demand by City, Wharton County will relinquish to City physical custody of City's inmate. ARTICLE III **FINANCIAL PROVISIONS**

1. **PER DIEM RATE:** The per diem rate for detention services under this Agreement is sixty-five dollars (\$65.00) per man-day, subject to Article 1, Section 2 of this Agreement. This rate covers one inmate per day. A portion of any day will count as a man-day under this agreement, except that City may not be billed for two calendar days when an inmate is admitted one evening and removed the following morning. In that situation, Wharton County will bill City for the day of arrival, but not for the day of departure.
2. **BILLING PROCEDURE:** Wharton County shall submit an itemized invoice for the services provided each month to City, in arrears. Such invoice will include a list of each of the inmates housed and the number of calendar days per inmate. Invoices will be submitted to the officer designated to receive the same on behalf of City. City will make payment to Wharton County within thirty (30) calendar days after receipt of the

invoice. Payment will be in the name of Wharton County, Texas and will be remitted to:

**Wharton County Treasurer
309 E. Milam St. #200
Wharton, Texas 77488**

3. **UNTIMELY PAYMENT:** Amounts which are not timely paid in accordance with the above procedure may bear interest at the lesser of the annual percentage rate of ten percent (10%) per annum, or the maximum legal rate applicable thereto, which will be a contractual obligation of City under this Agreement. City further agrees that Wharton County will be entitled to recover its reasonable and necessary attorney's fees and costs incurred in collection of amounts due under this Agreement.

ARTICLE IV **ACCEPTANCE OF INMATES**

1. **COMPLIANCE WITH LAW:** Wharton County warrants that it will comply with all federal and state laws and with the requirements of the Texas Commission on Jail Standards while housing City inmates under this Agreement. Nothing herein will create any obligation upon Wharton County to house City inmates where the housing of said City inmates will, in the opinion of Wharton County Sheriff raise the population of the facility above the permissible number of inmates allowed by law, or will, in the Wharton County Sheriff's opinion, create a condition of overcrowding or create conditions which endanger the life and/or welfare of personnel and inmates at the facility, or result in possible violation of the constitutional rights of inmates housed at the facility. At any time that the Wharton County Sheriff determines that a condition exists at Wharton County's facility necessitating the removal of City inmates, or any specified number thereof, the City shall, upon notice by Wharton County Sheriff to Police Chief, immediately remove said inmates from the facility. City will make every effort to remove any inmate within (8) hours of notice from Wharton County.
2. **ELIGIBILITY FOR INCARCERATION AT THE FACILITY:** The only inmates of the City eligible for incarceration at the facility under this Agreement are inmates eligible for incarceration in the facility in accordance with this Agreement and the state standards under both the Jail Commission approved custody assessment system in place at the Wharton County Jail.
3. All inmates proposed by the City to be transferred to Wharton County's facility under this Agreement must meet the eligibility requirement set forth above. Wharton County reserves the right to review the inmates' classification/eligibility, and the right to refuse to accept any inmate that it does not believe to be properly classified as a non-high-risk inmate. Furthermore, if an inmate's classification changes while incarcerated at Wharton County's facility, Wharton County reserves the right to demand that City remove that inmate.
4. **RESERVATION WITH REGARD TO ACCEPTANCE OR CONTINUED INCARCERATION OF INDIVIDUAL INMATES:** Wharton County reserves the right for its Sheriff or his designated representative to review the background of all inmates sought to be housed at the Wharton County facility, and City shall cooperate with and provide the information requested regarding any inmate by Wharton County

Sheriff. Wharton County reserves the right to refuse acceptance of any inmate of the City. Likewise, if any City inmate's behavior, medical or psychological condition, or other circumstance of reasonable concern to the Wharton County Sheriff makes the inmate unacceptable for continued incarceration in Wharton County's facility in the opinion of the Wharton County Sheriff, the City will be requested to remove said inmate from Wharton County's facility and will do so, if reasonably possible, within eight (8) hours upon the request of Wharton County Sheriff. Inmates may also be required to be removed from Wharton County's facility when their classification changes for any purpose, including long-term medical segregation.

5. **INMATE SENTENCES:** Wharton County will not be in charge or responsible for the computation or processing of inmate's time of confinement, including, but not limited to, computation of good time awards/credits and discharge dates. Wharton County will provide information that may be required regarding the inmate's behavior and performance; however, all such computations and record-keeping will continue to be the responsibility of the City. It will be the responsibility of the City to notify Wharton County of any discharge date for an inmate at least two (2) calendar days before such date unless notification is not reasonably possible. City accepts all responsibility for the calculations and determinations set forth above and for providing Wharton County notice of the same, and to the extent allowed by law, shall indemnify and hold harmless Wharton County from all liability or expenses of any kind arising therefrom.

<p>Over the last several years, the City of Wharton has seen large increases in health insurance premiums through the TX Health Benefits Pool, and it is believed that this year will not be an exception.</p> <p>With many cities going out to the health insurance market now, the City Staff is requesting to contract with a company to issue a Request for Proposals (RFP).</p> <p>Bidding out services for health insurance is crucial for several reasons:</p> <ol style="list-style-type: none">1. Cost Efficiency: By soliciting bids from multiple providers, the City can compare prices and negotiate better rates for healthcare services.2. Quality Assurance: Bidding out services allows the City to evaluate the quality of healthcare providers and allow ease of access to our employees.3. Transparency and Accountability: Providers must submit detailed proposals outlining their services, costs, and performance metrics, which helps ensure accountability and fairness in the selection process. <p>Overall, bidding out services for health insurance promotes competition, drives down costs, improves quality, and expands access to healthcare services, ultimately benefiting both insurers and their members.</p> <p>The Finance Committee will meet and review proposals from HUB International and Higginbotham to provide RFP services and possible assistance with the problems of benefits with the contracted insurance vendor.</p>

Subject: Professional Services for Employee Benefits

Over the last several years the City of Wharton has seen large increases in health insurance premiums through the TX Health Benefits Pool and it is believed that this year will not be an exception.

With many cities going out to the health insurance market now, the City staff is requesting to contract with a company to issue a Request for Proposals (RFP).

Bidding out services for health insurance is crucial for several reasons:

1. **Cost Efficiency:** By soliciting bids from multiple providers, the City can compare prices and negotiate better rates for healthcare services.
2. **Quality Assurance:** Bidding out services allows the City to evaluate the quality of healthcare providers and allow ease of access to our employees.
3. **Transparency and Accountability:** Providers are required to submit detailed proposals outlining their services, costs, and performance metrics, which helps ensure accountability and fairness in the selection process.

Overall, bidding out services for health insurance promotes competition, drives down costs, improves quality, and expands access to healthcare services, ultimately benefiting both insurers and their members.

The Finance Committee will meet and review proposals from HUB International and Higginbotham to provide RFP services and possible assistance with the problems of benefits with the contracted insurance vendor.

If you have any questions, please contact Paula Favors at (979) 532-2491 Ext. 225. Thank you.

- 301 Moutray
- 1016 Kearney
- 522 Branch

The opportunity was also published in the Wharton Journal-Spectator on 2/10/2024 and 2/17/2024. A pre-bid teleconference meeting was held with prospective bidders on 2/16/2024; only (1) bid submission was received by the due date of 2/26/2024.

An agreement will be held by the respective homeowner and the construction contractor as a part of the contract to be executed between the homeowner, contractor, and the City.

Respectfully,
