# Acting Service Director – Rich Regovich

Written report submitted electronically. The Service Department employees were a big help with setting up for the "Great Grocery Giveaway". The road crew has also been working a lot of night shifts salting and brining the roads in preparation for the morning rush hour. We are anticipating some very cold weather coming up over the next few days and we will be prepared.

**Discussion:** Councilwoman Antosh asked if when the crews were out salting if they were only salting the intersections or were they doing the side streets as well. Acting Service Director Regovich replied that the main intersections are salted and any intersection with a stop sign or cross street is salted. Councilwoman Koudela asked if the Service Director position would be advertised soon. Acting Service Director Regovich reported that he would like to advertise the position soon and that he was still working on some things to make sure everything was ready for the incoming director. Legislation will need to be checked to see when the term for the acting director expires.

On Lakeland Blvd. the City of Wickliffe is going to be having a coring company doing pavement cores as a part of the joint project of the Lakeland repave. The company will be out working for about three days and it should only cause minor traffic issues.

An inspection will be done next week on Fairway for the storm sewer issues as long as there are no issues with the weather.

The final payment will be made on the Shoreland Crossings portion and a portion of the sewer note will be retired as required. The remainder will be renewed or rolled over which is \$228,000. Council also received an email with a spreadsheet of all of the expenditures and encumbrances from the CARES Act money. Council should have received their budget binders and the meeting will be at City Hall on Saturday.

#### Law Director - Stephanie Landgraf

No report. Ms. Landgraf requested an executive session tonight to discuss pending or imminent litigation.

#### Police Chief - Brian Turner

The Police Department's annual report was emailed out. Today the department had panel interviews with four dispatch applicants for the vacancy in dispatch. There were some good candidates and it will make for a tough decision. Also a letter was received from Lake County Prosecutor Chuck Coulson who reviewed the officer involved shooting that occurred on Friday, October 12, 2020. BCI was called in for an investigation of the incident. They do not render an opinion or a ruling on the incident they only gather the facts and forward that to the Lake County Prosecutor. After reviewing the investigation from BCI, Prosecutor Coulson made the determination that the officers involved were justified. The final step will be the Detective Bureau doing an internal investigation to make sure the officers followed the department policies. Chief Turner does not feel that there will be any issues with the internal investigation.

#### Fire Chief – Joe Tennyson

Written report submitted electronically. Last Wednesday a Willowick Dispatcher while on her way home from work observed a car was off to the side of the road. The dispatcher and two officers determined the male was having a medical emergency. The rescue squad arrived on scene and the male, who was in full arrest, arrived at the hospital within twenty-two minutes. The male is doing well at this time and the Fire Chief wanted to congratulate all that were involved in the incident. Today there was a significant accident on SR 2 which caused the freeway to be closed down for almost two hours. Two patients were transported to the hospital as a result.

#### Chief Housing/Zoning Inspector – Sean Brennan

No written report. Councilwoman Koudela asked Mr. Brennan about a BZA case involving a home on Bayridge where a roof needed to be replaced and the variance had been denied. Mr. Brennan advised all necessary repairs have been made to the house and the homeowner is in compliance.

#### Economic Development Manager – Monica Drake

Ms. Drake reported that she has been reaching out to different businesses in Willowick as the Small Business Administration has come up with another round of Paycheck Protection Program Funding. Also Ms. Drake reported that she has been working on a Sign/Storefront Program with the City of Wickliffe and as soon as she has more information she will share it with Mayor Regovich.

Finance Director Benedict said that Mr. White could call her and request a copy of the report with the information on how the money was spent.

Mayor Regovich said that he would contact CEI in reference to the telephone pole on Willow Lane. Mr. White stated that he has contacted CEI and was told that the responsibility for the removal falls on the cable companies. #### PUBLIC PARTICIPATION

- a) Public statement (1 minute maximum)
- b) Council response to the public

c) Public clarification (30 seconds to 1 minute for the purpose of restating or rearticulating an original question, concern, suggestion or idea)

Bryon White, 30550 Willow Lane, had a follow-up question as to whether he should contact the Finance Director directly or did he need to use the official records request form to request the information on the earmarked stimulus package. Secondly, will the earmarked stimulus spending package be made public on the city website?

Phil Detering, 469 Bayridge Blvd., Mr. Detering stated that it is his understanding that the Senior Center is being used for food preparation and distribution. Mr. Detering asked that when the Senior Center opens back up will there be enough room for the senior's and Meals on Wheels at the center? Secondly, in reference to the food giveaway, Mr. Detering stated that the people he had spoken with had no information about the giveaway. He suggested that maybe fliers could be handed out for the next time.

Finance Director Benedict responded to Mr, White by saying that he could call her with his records request. She also stated that as far as posting this information on the City website it would need to be discussed further with the Mayor and Council.

Law Director Landgraf said that the posting of the information on the City website would be a Council decision. Mr. White can make his records request either electronically or if the City has a form to fill out he could do that. Either way would be an appropriate public records request.

Mayor Regovich responded to Mr. Detering saying that they hope the Senior Center would accomodate Meals on Wheels and the seniors together. Meals on Wheels currently only uses the kitchen area. They have a section at the library that they have for their computers and desks. The Mayor feels that this will be an opportunity for the seniors to partake in meals more frequently when the center opens. Currently Meals on Wheels is there Monday, Wednesday and Friday from 7:00 a.m. until 2:00 p.m. to assist with people who are home bound.

Mr. Malta addressed Mr. Detering's second question about the grocery giveaway saying that we did not receive the information until the Thursday before the giveaway. Also you had to log onto a computer to get a confirmation number. Mr. Malta agrees that the process needs to be fixed and the information needs to get out to the people. There were four hundred boxes of food that were not given out due to only having four days to prepare. The Mayor did the best he could with the amount of time he had and they need to make sure that everyone that needs food gets it the next time around.

Mayor Regovich stated that Western Reserve had put the event together and it was federally funded program along with the CARES Act. The CARES Act funding comes quickly and has to be spent quickly. The reason for the sign up process was so that eight hundred people did not show up all at once making the process more difficult. Should there be another event we are hoping to be better prepared.

Mr. Detering asked if a list of people could be contacted before hand to be able to help out with another event. Mayor Regovich said he did not have an answer for that as this was handled by Western Reserve. Should we get another call for this program some different suggestions will hopefully be made.

Councilman Malta expressed concern about the seniors that can not make it to pick up the food and that that would need to be addressed also.

#### ADJOURN TO EXECUTIVE SESSION

8:24 p.m. adjourned to Executive Session.

#### **RETURN TO TABLE FROM EXECUTIVE SESSION**

Motion made by Mr. Malta, seconded by Ms. Antosh to return to the table from Executive Session. **Discussion:** None.

Motion made by Ms. Antosh, seconded by Mr. Vanni to authorize the Law Director to implement the recommendations made by the City Engineer as it relates to the Larimar development culvert and extension.

## WILLOWICK CITY ENGINEER'S REPORT FEBRUARY 16, 2021

## Projects:

**Parkland Area Sewers - E. 328<sup>th</sup> Street Sewer Rehabilitation** – United Survey Inc. performed post construction televising of sewers and laterals. Videos are currently being reviewed to determine if any additional improvements are necessary.

**Fairway Storm Sewer** – CT and the Service Department performed an inspection on 2/11/2021 of the 84" CMP sewer on Fairway Blvd between Forestgrove Rd to W. Willowick Dr. This is in response to the multiple sinkholes in treelawns on Fairway that have become systemic and have required repairs at two different sections to date.

It is expected that one more day will be required to complete the inspection of the final section of sewer that was not completed on the above date. Description and details of defects will be documented in a report once the inspection of the entire sewer is completed. Report will include an analysis of the condition of the sewer, a list of alternative improvements, and recommendations for how the City should proceed.

Manry Park Exercise Trail Improvements - Construction is complete.
